You can also view the most current list online at **AetnaBetterHealth.com/Oklahoma.**

We continue to add new providers to our list. You may change your provider at any time. Having the provider's name in this book does not mean that they will stay with us. It also does not mean that they are taking new patients. To get the most current list of providers, visit our website or give us a call. The list is updated nightly. The list shows available language services. Need more info? You can also call providers directly to learn more about these services.

Pharmacy

Talk with your pharmacist or call Member Services at **1-844-365-4385 (TTY: 711)** if you have any questions or need help with your pharmacy services.

- Call us at **1-844-365-4385 (TTY: 711)** and let us know what is wrong.
- On our website **AetnaBetterHealth.com/Oklahoma**, submit an email using the **CONTACT US** form.

Incorrect information can be anything from a wrong phone number, wrong address or the provider is no longer accepting new patients. If the provider you are looking for does not appear to be accepting new patients, call us at **1-844-365-4385 (TTY: 711)** and we will help you find a provider that is accepting new patients.

If you are looking for a specific provider and cannot find them online, need more information, or would like a printed copy of the provider directory mailed to you, call us at **1-844-365-4385 (TTY: 711)**, 24 hours a day, 7 days a week.

Your Primary Care Provider (PCP)

This is your main doctor or caregiver.

- Your PCP will help you get all the covered services you need.
- Tell your PCP about any health problems you have.
- Your PCP will get to know your health history.
- Check with your PCP before you get services from other providers.

Choose your PCP

Now that you have joined us, if you haven't chosen a PCP you will need to pick one for yourself and your family members who also get health care coverage from us.

- You must pick a PCP.
- Each eligible family member does not have to have the same PCP.
- If you do not pick a PCP, we will pick one for you.
- You can call us toll free at **1-844-365-4385, (TTY: 711**), if you have questions about choosing or changing your PCP.
- PCPs are listed by alphabetically by city and then last name.

Specialty care

Specialty care comes from providers known as specialists who treat certain problems. Your PCP will send you to a specialist if you need one. For most health care, the specialist will only see you if your PCP sends you.

Emergency

When you need emergency care, **call 911** or go to the closest hospital. The hospital DOES NOT need to be in our network. You don’t need preapproval for emergency transportation or emergency care in the hospital.

Transportation

We work with ModivCare to offer you rides for your nonemergency medical needs. To make a reservation call ModivCare 72 hours before your appointment, toll free at **1-877-718-4208 (TTY:711)**. You can reach them Monday through Friday from 7 AM to 8 PM Central time to make a reservation.

Behavioral health care

Includes mental health (your emotional, psychological, and social well-being) and substance use (alcohol and drugs) disorder treatment and rehabilitation services. All members have access to services to help with mental health issues like depression or anxiety, or to help with alcohol or other substance use disorders.

- Informe a su PCP sobre cualquier problema de salud que tenga.
- Su PCP conocerá su historia clínica.
