Did you receive the item pending appeal? ☐ Yes ☐ No

Important note: Fast decisions, also called expedited decisions
If you or your doctor believe that waiting 30 calendar days could seriously harm your life or health, you can ask for an expedited (fast) decision. If your doctor indicates that waiting the timeframe for a standard decision could seriously harm your life or health, we will automatically give you a fast decision within 72 hours. If you do not obtain your prescriber's support for an expedited appeal, we will decide if your case requires a fast decision. You cannot request an expedited appeal if you are asking for an appeal for medical care or an item you already received.

☐ **Check this box if you are requesting an expedited appeal decision within 72 hours.**

If you have a supporting statement from your doctor, attach it to this request.

Please explain your reasons for appealing. Attach additional pages, if necessary. Attach any additional information you believe may help your case, such as a statement from your doctor and relevant medical records. You may want to refer to the explanation we provided in the denial notice.
