# Frequently Asked Questions (FAQ)

Find answers here to questions you have about this List of Covered Drugs. You can read all of the FAQ to learn more, or look for a question and answer.

## 1. What prescription drugs are on the List of Covered Drugs? (We call the List of Covered Drugs the “Drug List” for short.)

---

The drugs on the List of Covered Drugs that starts on page 1 are the drugs covered by AETNA BETTER HEALTH PREMIER PLAN. These drugs are available at pharmacies within our network. A pharmacy is in our network if we have an agreement with them to work with us and provide you services. We refer to these pharmacies as “network pharmacies.”

- ➔ AETNA BETTER HEALTH PREMIER PLAN will cover all medically necessary drugs on the Drug List if:
  - your doctor or other prescriber says you need them to get better or stay healthy, and
  - you fill the prescription at a AETNA BETTER HEALTH PREMIER PLAN network pharmacy.
- ➔ AETNA BETTER HEALTH PREMIER PLAN may have additional steps to access certain drugs (see question #5 below).

You can also see an up-to-date list of drugs that we cover on our website at [www.aetnabetterhealth.com/illinois](http://www.aetnabetterhealth.com/illinois) or call Member Services at **1-866-600-2139** (TTY/TDD **7-1-1**).

## 2. Does the Drug List ever change?

---

Yes. AETNA BETTER HEALTH PREMIER PLAN may add or remove drugs on the Drug List during the year. Generally, the Drug List will only change if:

- a cheaper drug comes along that works as well as a drug on the Drug List now, or
- we learn that a drug is not safe.

We may also change our rules about drugs. For example, we could:

- Decide to require or not require prior approval for a drug. (Prior approval is permission from AETNA BETTER HEALTH PREMIER PLAN before you can get a drug.)
- Add or change the amount of a drug you can get (called “quantity limits”).
- Add or change step therapy restrictions on a drug. (Step therapy means you must try one drug before we will cover another drug.)  
(For more information on these drug rules, see page IV.)

We will tell you when a drug you are taking is removed from the Drug List. We will also tell you when we change our rules for covering a drug. Questions 3, 4, and 7 below have more information on what happens when the Drug List changes.

You can always check AETNA BETTER HEALTH PREMIER PLAN’s up to date Drug List online at [www.aetnabetterhealth.com/illinois](http://www.aetnabetterhealth.com/illinois).

You can also call Member Services to check the current Drug List at **1-866-600-2139** (TTY/TDD **7-1-1**), 24 hours a day, 7 days a week.

---

**If you have questions**, please call Aetna Better Health Premier Plan at **1-866-600-2139** (TTY/TDD IL Relay 7-1-1), 24 hours a day, 7 days a week. The call is free. For more information, visit [www.aetnabetterhealth.com/illinois](http://www.aetnabetterhealth.com/illinois). CMS ACCEPTED.

### 3. What happens when a cheaper drug comes along that works as well as a drug on the Drug List now?

---

If you are taking a drug that is removed because a cheaper drug that works just as well comes along, we will tell you. We will tell you at least 60 days before we remove it from the Drug List or when you ask for a refill. Then you can get a 60-day supply of the drug before the change to the Drug List is made. You will be notified by mail if a drug list change will affect you. You can view also search for your drug with the online searchable formulary tool as it is updated to reflect current coverage.

### 4. What happens when we find out a drug is not safe?

---

If the Food and Drug Administration (FDA) says a drug you are taking is not safe, we will take it off the Drug List right away. We will also send you a letter telling you that. Your doctor will also receive notification about this change, and will work with you to find another drug for your condition. Please contact your doctor if a drug you are taking is removed from the drug list.

### 5. Are there any restrictions or limits on drug coverage? Or are there any required actions to take in order to get certain drugs?

---

Yes, some drugs have coverage rules or have limits on the amount you can get. In some cases you must do something before you can get the drug. For example:

- **Prior approval (or prior authorization):** For some drugs, you or your doctor or other prescriber must get approval from AETNA BETTER HEALTH PREMIER PLAN before you fill your prescription. If you don't get approval, AETNA BETTER HEALTH PREMIER PLAN may not cover the drug.
- **Quantity limits:** Sometimes AETNA BETTER HEALTH PREMIER PLAN limits the amount of a drug you can get.
- **Step therapy:** Sometimes AETNA BETTER HEALTH PREMIER PLAN requires you to do step therapy. This means means you will have to try drugs in a certain order for your medical condition. You might have to try one drug before we will cover another drug. If your doctor thinks the first drug doesn't work for you, then we will cover the second.

You can find out if your drug has any additional requirements or limits by looking in the tables on pages 1–82. You can also get more information by visiting our web site at [www.aetnabetterhealth.com/illinois](http://www.aetnabetterhealth.com/illinois). We have posted online documents that explain prior authorization restriction and step therapy restrictions. You may also ask us to send you a copy.

You can ask for an “exception” from these limits. Please see question 11 for more information on exceptions.

- ➔ If you are in a nursing home or other long-term care facility and need a drug that is not on the Drug List, or if you cannot easily get the drug you need, we can help. We will cover a 31-day emergency supply of the drug you need (unless you have a prescription for fewer days), whether or not you are a new AETNA BETTER HEALTH PREMIER PLAN member. This will give you time to talk to your doctor or other prescriber. He or she can help you decide if there is a similar drug on the Drug List you can take instead or whether to request an exception. Please see question 11 for more information about exceptions.

---

**If you have questions**, please call Aetna Better Health Premier Plan at **1-866-600-2139**

(TTY/TDD IL Relay 7-1-1), 24 hours a day, 7 days a week. The call is free. For more information, visit

[www.aetnabetterhealth.com/illinois](http://www.aetnabetterhealth.com/illinois). CMS ACCEPTED.

## 6. How will you know if the drug you want has limitations or if there are required actions to take to get the drug?

---

The List of Covered Drugs on page 1 has a column labeled “Necessary actions, restrictions, or limits on use.”

## 7. What happens if we change our rules on how we cover some drugs? For example, if we add prior authorization (approval), quantity limits, and/or step therapy restrictions on a drug.

---

We will tell you if we add prior approval, quantity limits, and/or step therapy restrictions on a drug. We will tell you at least 60 days before the restriction is added or when you next ask for a refill. Then, you can get a 60-day supply of the drug before the change to the Drug List is made. This gives you time to talk to your doctor or other prescriber about what to do next.

## 8. How can you find a drug on the Drug List

---

There are two ways to find a drug:

- You can search alphabetically (if you know how to spell the drug), or
- You can search by medical condition.

To search **alphabetically**, go to the Alphabetical Listing section. You can find it on page 1. The Index provides an alphabetical list of all of the drugs included in this document. Both brand name drugs and generic drugs are listed in the Index. Look in the Index and find your drug. Next to your drug, you will see the page number where you can find coverage information.

To search by **medical condition**, find the section labeled “List of drugs by medical condition” on page 1. Then find your medical condition. For example, if you have a heart condition, you should look in that category. That is where you will find drugs that treat heart conditions.

## 9. What if the drug you want to take is not on the Drug List?

---

If you don't see your drug on the Drug List, call Member Services at **1-866-600-2139** (TTY/TDD **7-1-1**), 24 hours a day, 7 days a week, and ask about it. If you learn that AETNA BETTER HEALTH PREMIER PLAN will not cover the drug, you can do one of these things:

- Ask Member Services for a list of drugs like the one you want to take. Then show the list to your doctor or other prescriber. He or she can prescribe a drug on the Drug List that is like the one you want to take. Or
- You can ask the health plan to make an exception to cover your drug. Please see question 11 for more information about exceptions.

## 10. What if you are a new AETNA BETTER HEALTH PREMIER PLAN member and can't find your drug on the Drug List or have a problem getting your drug?

---

We can help. We may cover a temporary 30-day supply of your drug during the first 90 days you are a member of AETNA BETTER HEALTH PREMIER PLAN. This will give you time to talk to your doctor or other

prescriber. He or she can help you decide if there is a similar drug on the Drug List you can take instead or whether to request an exception.

- We will cover a 30-day supply of your drug if:
- you are taking a drug that is not on our Drug List, or
- health plan rules do not let you get the amount ordered by your prescriber, or
- the drug requires prior approval by AETNA BETTER HEALTH PREMIER PLAN, or
- you are taking a drug that is part of a step therapy restriction.

If you live in a nursing home or other long-term care facility, you may refill your prescription

for as long as 91 and may be up to 98 days. You may refill the drug multiple times during the 91 to 98 days. This gives your prescriber time to change your drugs to ones on the Drug List or ask for an exception.

If you are a current member and you have a change in your level of care (e.g. you are discharged from a hospital to your home or admitted to, or discharged from, a long-term care facility, your pharmacy may obtain an override up to a 30-day supply from AETNA BETTER HEALTH PREMIER PLAN.

During the time when you are getting a temporary supply of a drug, you should talk with your provider to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.

## 11. Can you ask for an exception to cover your drug?

---

Yes. You can ask AETNA BETTER HEALTH PREMIER PLAN to make an exception to cover a drug that is not on the Drug List.

You can also ask us to change the rules on your drug.

- For example, AETNA BETTER HEALTH PREMIER PLAN may limit the amount of a drug we will cover. If your drug has a limit, you can ask us to change the limit and cover more.
- Other examples: You can ask us to drop step therapy restrictions or prior approval requirements.

## 12. How long does it take to get an exception?

---

First, we must receive a statement from your prescriber supporting your request for an exception. After we receive the statement, we will give you a decision on your exception request within 72 hours.

If you or your prescriber think your health may be harmed if you have to wait 72 hours for a decision, you can ask for an expedited exception. This is a faster decision. If your prescriber supports your request, we will give you a decision within 24 hours of receiving your prescriber's supporting statement.

## 13. How can you ask for an exception?

---

To ask for an exception, call Member Services at **1-866-600-2139** (TTY/TDD **7-1-1**), 24 hours a day, 7 days a week. A Member Services representative will work with you and your provider to help you ask for an exception.

## 14. What are generic drugs?

---

Generic drugs are made up of the same ingredients as brand name drugs. They usually cost less than the brand name drug and usually don't have well-known names. Generic drugs are approved by the Food and Drug Administration (FDA).

AETNA BETTER HEALTH PREMIER PLAN covers both brand name drugs and generic drugs.

## 15. What are OTC drugs?

---

OTC stands for "over-the-counter". AETNA BETTER HEALTH PREMIER PLAN covers some OTC drugs when they are written as prescriptions by your provider.

You can read the AETNA BETTER HEALTH PREMIER PLAN Drug List to see what OTC drugs are covered.

## 16. Does AETNA BETTER HEALTH PREMIER PLAN cover OTC non-drug products?

---

AETNA BETTER HEALTH PREMIER PLAN covers some OTC non-drug products.

You can read the AETNA BETTER HEALTH PREMIER PLAN Drug List to see what OTC non-drug products are covered.

## 17. What is your copay?

---

You can read the AETNA BETTER HEALTH PREMIER PLAN Drug List to learn about the copay for each drug.

AETNA BETTER HEALTH PREMIER PLAN members living in nursing homes or other long-term care facilities will have no copays. Some members getting long-term care in the community will also have no copays.

Member copayments for covered prescription products will be \$0 regardless of drug tier level.

- Tier 1 drugs are generic drugs.
- Tier 2 drugs are brand name drugs.
- Tier 3 drugs are Non-Medicare Prescription drugs and Over-the-Counter (OTC) Drugs

### List of Covered Drugs

The list of covered drugs that begins on the next page gives you information about the drugs covered by AETNA BETTER HEALTH PREMIER PLAN. If you have trouble finding your drug in the list, turn to the Index that begins on page 62.

The first column of the chart lists the name of the drug. Brand name drugs are capitalized (e.g., CRESTOR) and generic drugs are listed in lower-case italics (e.g., amoxicillin).

The information in the necessary actions, restrictions, or limits on use column tells you if AETNA BETTER HEALTH PREMIER PLAN has any rules for covering your drug.

---

**If you have questions**, please call Aetna Better Health Premier Plan at **1-866-600-2139**

(TTY/TDD IL Relay 7-1-1), 24 hours a day, 7 days a week. The call is free. For more information, visit

[www.aetnabetterhealth.com/illinois](http://www.aetnabetterhealth.com/illinois). CMS ACCEPTED.

Here are the meanings of the codes used in the “Necessary actions, restrictions, or limits on use” column:

(*) = Non Medicare Part D drugs, or OTC items that are covered by Medicaid		
B/D = Covered under Medicare B or D_		
PA= Prior Authorization	QL = Quantity Limits	ST = Step Therapy
NM = Not available at mailorder	LA = Limited Access	

**Note:** The asterisk (\*) next to a drug means the drug is not a “Part D drug.” The amount you pay when you fill a prescription for this drug does not count towards your total drug costs (that is, the amount you pay does not help you qualify for catastrophic coverage). In addition, if you are receiving extra help to pay for your prescriptions, you will not get any extra help to pay for these drugs. These drugs also have different rules for appeals. An appeal is a formal way of asking us to review a coverage decision and to change it if you think we made a mistake. For example, we might decide that a drug that you want is not covered or is no longer covered by Medicare or Medicaid. If you or your doctor disagrees with our decision, you can appeal. To ask for instructions on how to appeal, call Member Services at **1-866-600-2139** (TTY **7-1-1**), 24 hours a day, 7 days a week. You can also read the Member Handbook to learn how to appeal a decision.
