

Notice of Partnership: Audiological Services for Aetna Better Health of Michigan Members

Effective May 01, 2026

Aetna Better Health of Michigan is pleased to announce a new partnership with NationsHearing, effective May 01, 2026 . Through this collaboration, Aetna Better Health of Michigan members ages 18 and older will have access to comprehensive audiological services, including:

- Access to a nationwide network of audiology providers
- An annual hearing exam to determine hearing aid candidacy
- Hearing aids from all major manufacturers (one pair every five years)
- Concierge services provided by dedicated Member Experience Advisors

Members may contact NationsHearing® at 877-397-9370 or visit the dedicated website at AetnaMedicaidMI.NationsBenefits.com/Hearing for more information about accessing these services. For additional questions, providers may contact the Provider Engagement area at 866-314-3784 (TTY: 711).

Thank you for your continued partnership in delivering quality, compliant healthcare services to Aetna Better Health of Michigan members.

Regards,
Provider Engagement
