This provider directory lists doctors, hospitals, clinics, pharmacies and other providers that work with Aetna Better Health® of California. This book will help you get health care services. You can also call us toll free at **1-855-772-9076**, TTY 711, 24 hours a day, 7 days a week. We will help you find a provider. You can also view the most current list online at **aetnabetterhealth.com/california**.

We continue to add new providers to our list. Having the provider's name in this book does not mean that they will stay with us. It also does not mean that they are taking new patients. To get the most current list of providers, go to our website. The list is updated nightly. Or you can call us.

Incorrect information
We work with our providers to have all their listing information right but sometimes things change. If you find wrong information in our provider directory you can tell us in a few ways:

- Call us at **1-855-772-9076**, TTY: **711** and let us know what is wrong.
- On our website, submit an email using the **CONTACT US** form.

Incorrect information can be anything from a wrong phone number, wrong address or the provider is no longer accepting new patients. If the provider you are looking for does not appear to be accepting new patients, please call us at **1-855-772-9076**, TTY: **711** and we will help you find a provider that is accepting new patients.

If you are looking for a specific provider and cannot find them online, need more information, or would like a printed copy of the provider directory mailed to you, call us at **1-855-772-9076**, TTY: **711**, 24 hours a day, 7 days a week.

Your Primary Care Provider (PCP)
This is your main doctor or caregiver that you picked when you enrolled with us.

- Your PCP will help you get all the covered services you need.
- Tell your PCP about any health problems you have.
- Your PCP will get to know your health history.
- Check with your PCP before you get services from other providers.

Choose your PCP
Now that you have joined us, you will need to pick a PCP for yourself and your family members who also get health care coverage from us.

- You must pick a PCP.
- Each eligible family member does not have to have the same PCP.
- If you do not pick a PCP, we will pick one for you.
- You can call us toll free at **1-855-772-9076**, TTY: **711**, if you have questions about choosing or changing your PCP.
- PCPs are listed by alphabetically by city and then last name.

Specialty care
Specialty care comes from providers known as specialists who treat certain problems. Your PCP will send you to a specialist if you need one. For most health care, the specialist will only see you if your PCP sends you.

Some providers may not perform a certain service based on religious or moral beliefs.

Non Emergent Transportation
Call Access2Care at **1-888-334-8352**.

Emergency
When you need emergency care, **call 911** or go to the closest hospital. The hospital DOES NOT need to be in our network. You don't need preapproval for emergency transportation or emergency care in the hospital.
