

Provider Advisory Committee (PAC)

We cordially invite Obstetrics (OB) providers to our 2026 Provider Advisory Committee (PAC).

We truly appreciate your willingness to partner with us to improve the quality, access, and overall experience of care for our members and their families.

The PAC will serve as a forum for the Obstetrics (OB) providers to:

- Share feedback on operational processes and member care
- Discuss opportunities to improve collaboration between providers and our health plan
- Review proposed initiatives and provide practical insight from the field

Please RSVP by no later than May 29th, 2026 to hold your spot! Simply RSVP by registering for one of the sessions or all of them!
