

NEW POLICY UPDATES

CLINICAL PAYMENT, CODING AND POLICY CHANGES

We regularly augment our clinical, payment and coding policy positions as part of our ongoing policy review processes. In an effort to keep our providers informed, please see the below chart for all the new policies.

Effective for dates of service beginning March 1, 2020:

Allergy Policy-Allergy Immunotherapy Injections -

Per our policy, home administration of allergy immunotherapy injections is considered experimental and investigational because its safety and effectiveness has not been established.

When billing CPT code 95004 it requires the number of tests which were performed and the billing provider to have a specialty of allergy/immunology, dermatology, ENT, and Hospital. Therefore, these services should be billed only by providers in these specialties.

If you have any questions, please call our Provider Relations Department at 1-800-441-5501 (Medicaid/Healthy Kids) or 1-844-645-7371 (LTC).
