Re: Enhanced Ambulatory Patient Groupings (EAPG)

Dear (Hospital Administrator),

We hope you had a very Happy and Healthy New Year! The purpose of this communication is to notify you of a change in reimbursement methodology for Medicaid outpatient services.

The Agency for Healthcare Administration (AHCA) recently implemented the Enhanced Ambulatory Patient Groupings (EAPG) payment model for Medicaid outpatient treatment. As a result of this revision by AHCA, Aetna Better Health of Florida will begin processing outpatient service claims in accordance with EAPG methodology beginning March 1, 2018.

We appreciate your continued service to our members. Please feel free to contact us at 1-800-441-5501 with any questions.

Thank you,

*Susan Waldman*
