	Purpose:	Provider Bulletin: COVID-19 Vaccine Billing Guidance
	Subject:	COVID-19 Vaccines and Vaccine Administration Billing Guidance Update
	Products:	MMA, FHK
	From:	<u>Provider Relations</u>

Dear Provider,

Aetna Better Health of Florida (ABHFL) would like to remind you of the billing instructions for Covid-19 Vaccines and Vaccine Administration.

Florida Medicaid providers administering COVID-19 vaccines to Florida Medicaid recipients must submit both the appropriate CPT code for the specific vaccine product in conjunction with the product specific vaccine administration code on the claim for reimbursement of administration from Florida Medicaid for recipients enrolled in the fee-for-service delivery system. The manufacturer-specific products and their dose-specific administration code must be submitted for each vaccine dose administered on the claim form.

See the chart below for Covid-19 Vaccines and Vaccine Administration codes.

If the administration code is billed without the vaccine code, the claim will be denied and a corrected claim will need to be submitted. Please follow the corrected claim filing process located in the provider manual to ensure proper processing.

Thank you for your continued participation in the Aetna Better Health of Florida network. Please contact our Provider Services line should you have any questions at:
