

Aetna Better Health of Florida

February Monthly Training –G&A

February 24, 2022

Learning Objectives

- Explain Provider Appeals, Complaints/Grievances
 - Provider Appeals = Request to review the denial of or payment on a claim
 - NOTE: When submitting pre-service requests on behalf of a member you must have written consent. These requests are processed as a member appeals and subject to member appeal timeframes and processes.
 - Complaints/Grievances = Dissatisfaction with anything else not related to a claim
- Discuss Timely Filing Guidelines
- Review Interfiling vs. Bundling
 - Interfiled = submitting multiple unrelated claim denials for appeal in one packet.
 - Bundling = a submission of multiple claims with the same denial reason as one appeal. For example, code XXXX denies every time you submit a claim, or all claims for Jane Doe are denied.
- Claim Resubmissions
 - Resubmitted claims = claims that are being resubmitted for reprocessing, including but not limited to corrected claims, hard copy claims that were denied due to missing information
- Discuss EFT & ERA Registration
- Inform on Availability
