- Reduce or eliminate patient acquisition costs, including marketing
- Gain immediate access to local, regional and national payer contracts
- Increase close rates with more qualified patients

- Competitive fee schedules and dedicated support liaisons to help grow your practice
- Enjoy minimal paperwork patients e-sign purchase agreements in our streamlined provider portal to facilitate timely payments to your practice
- Form lasting patient relationships as many NationsHearing® members have access to yearly hearing aid benefits

The NationsHearing® Model

There is no charge to participate in the NationsHearing® Provider Network, and our dedicated Provider Network Team ensures that the onboarding process is simple and straightforward. The member contacts NationsHearing®, and our Member Experience Advisors confirm eligibility and benefits. Our team contacts the Provider's office to schedule the initial hearing test appointment. Following the hearing exam, providers can make a recommendation from our full portfolio of hearing aids from all leading manufacturers. The provider uses the NationsHearing® Provider Portal to order the hearing aids, which will ship directly to their office. Upon receipt of the hearing aids, the fitting appointment can be scheduled at the Provider's convenience. Fitting Fees are paid within 60 days of the fitting appointment via ACH or check.
