Aetna Better Health of Illinois (ABH IL) implements comprehensive and robust policies and procedures to ensure alignment with Illinois Department of Health Care and Family Services (HFS) and to warrant that regulatory standards are met.

ABH IL reimbursement policies are intended to provide a general reference for claims filing, coding, documentation guidelines and administrative functions. Providers are ultimately responsible for submission of accurate reporting of services provided.

Reimbursement of reported services is subject to member benefit, eligibility on date of service, medical necessity, related plan policies and procedures, correct coding and clinical editing logic, provider contracts and all applicable plan documentation and guidelines set forth by Illinois Department of Health Care and Family Services (HFS). Coding methodology, regulatory requirements, industry standard claims logic, guidance from specialty organizations and other factors are considered in the development of plan policies. ABH IL retains the right to change, amend or withdraw this policy as needed, at any time.

A. Policy

This policy is provided as a guide to medical coding and editing guidelines for the appropriate reporting of urodynamic testing. This guidance aligns with AMA CPT Coding Guidelines, ICD-10-CM Coding Guidelines and Aetna Clinical Policy for Urinary Incontinence.

B. Overview

This policy outlines the coding and editing guidelines for reporting of urodynamic testing. Urinary incontinence is the inability to voluntarily control voiding of urine from the bladder. Urodynamic testing is conducted to evaluate how well the bladder and related body structures store and release urine.

C. Definitions

Aetna Better Health of Illinois (ABHIL)	A subsidiary of CVS Health Corporation, Medicaid subsidiary that provides plan management and other administrative services for the Illinois Medicaid program.
American Medical Association (AMA)	A professional group that publishes research to advance public health and advocates for the interests of registered physician-members.
Centers for Medicare & Medicaid Services (CMS)	The federal agency that administers the Medicare program as well as works with the individual states to administer state Medicaid and Children's Health Insurance Programs.
Current Procedural Terminology (CPT)	A medical code set maintained by the American Medical Association through the CPT Editorial Panel. The CPT code set (copyright protected by the AMA) describes medical, surgical, and diagnostic services and is designed to communicate uniform information about medical services and procedures among physicians, coders, patients, accreditation organizations, and payers for administrative, financial, and analytical purposes.
Illinois Department of Health Care and Family Services (HFS)	The Department of Healthcare and Family Services administers health insurance programs for children, pregnant women, and adults who are residents of Illinois.
International Statistical Classification of Diseases (ICD-10-CM)	The 10th revision of the (ICD), a medical classification list by the World Health Organization (WHO). It contains codes for diseases, signs and symptoms, abnormal findings, complaints, social circumstances, and external causes of injury or diseases.

The program is funded jointly by states and the federal government.
Medicare	Medicare is a health insurance program for: people aged sixty-five (65) or older, people under age sixty-five (65) with certain disabilities, and people of all ages with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a kidney transplant).

D. Reimbursement Guidelines

ABH IL will only reimburse for the appropriate reporting of urodynamic testing when

- Urodynamic testing is reported with an ICD-10-CM diagnosis code that is indicated as appropriate by this policy

Claims that are submitted will be denied when

- Urodynamic testing is reported with an ICD-10-CM diagnosis code that is not indicated as appropriate by this policy

The medical record documentation is expected to support the specific CPT code(s) and ICD-10-CM codes reported.
