**Coming Soon – IlliniCare Health will become Aetna Better Health of Illinois on December 1, 2020. You will be receiving more information this month to introduce you to our new name.**

Dear [PROVIDER NAME],

We are pleased to announce that IlliniCare Health (soon to be Aetna Better Health of Illinois) and NantHealth have partnered to give you access to **Eviti Connect**, an online software system that enables real-time decision support and treatment guidelines for **oncology** patients.

Effective December 1, 2020, there will be a change of process for initiating oncology treatment plan review requests. IlliniCare Health will transition from the New Century Health provider portal to utilizing the Eviti Connect platform. Below is a summary of these changes:

**Overview of Process Change**

<b>Purpose of Eviti Connect</b>	To provide specialist review of oncology treatment plans including chemotherapy, radiation therapy and supportive medications
<b>Uses of Eviti Connect</b>	<ul style="list-style-type: none"> <li>• Access to the latest evidence-based guidelines for radiation and chemotherapy</li> <li>• Select from 3,800+ pre-built regimens, or customize treatments when necessary</li> <li>• Discuss open treatment plan reviews with Eviti’s clinical staff</li> </ul>
<b>Treatment</b>	Eviti Connect aggregates evidence-based recommendations from national government agencies, reports, and journal publications (including the NCCN Compendium, JCO, JNCI, Lancet, NEJM and JAMA)
<b>Training</b>	<b>November 2020:</b> Several training sessions will be available to help you become familiar with using Eviti Connect to submit treatment plans for review. The training schedule will be sent in a future communication.
<b>New Process Effective</b>	12/1/2020
