Join IAMHP and Aetna Better Health of Illinois (ABHIL) as they discuss their approach to holistic care management for children with behavioral health care needs.

Learn how ABHIL is providing holistic care management through partnership with families and providers to ensure children have access to the care they need, when they need it. See how Family Services Association of Elgin has partnered with ABHIL to expand their system of care model to elevate their mobile crisis response program and deliver services to children and their supports during a crisis and ensure members receive appropriate follow up interventions.

Participants will also learn:

- How ABHIL and providers provide care management to their members
- How ABHIL works directly with members and their supports to address topics related to children's behavioral health
- How ABHIL has established enhanced partnerships with mobile crisis response providers to provide an enhanced service delivery model and integrated services across the continuum of care
