Increase in Peer Support Reimbursement

Aetna Better Health of Kansas has increased Peer Support reimbursement for code H0038 (individual **peer support services**) and H0038 HQ (group **peer support services**) by 10% effective for dates of service August 1, 2020 and after. Peer support is a valuable service to our Aetna Better Health Members.

Peer Support (PS) services are defined client centered services with a rehabilitation and recovery focus designed to promote skills for coping with and managing behavioral health symptoms while facilitating the utilization of natural resources and the enhancement of community living skills.

In order to be reimbursed for Peer Support (PS) services, provider must meet the defined KDADS Behavioral Health requirements for the services they are providing. Additionally, they must self-identify as a person with lived-experience and a minimum of one year of sustained recovery in the identified support they are providing.
