Aetna Better Health® of Kansas

Clinical Payment, Coding and Policy Changes

We regularly augment our clinical, payment and coding policy positions as part of our ongoing policy review processes. To keep our providers informed, please see the below communication of upcoming new policies.

Effective for dates of service beginning June 13, 2022:

National Drug Code (NDC)

Providers are required to report specific drug HCPCS codes with certain National Drug Codes (NDC). The NDC must match the specific drug HCPCS code being reported. It is not appropriate to report a drug with a specified HCPCS code with a miscellaneous drug HCPCS code and the NDC should match the specified drug HCPCS code.

If you have general questions about this communication, please contact our Provider Experience Department:
