PRIOR AUTHORIZATION METRICS FOR MEDICAL ITEMS AND SERVICES (EXCLUDING DRUGS)

Aetna Better Health® of Kentucky wants to make sure you get the care you need without long waits. Each year, we will share a report on our website about prior authorization. This report shows:

- Which medical services (not medicines) need prior authorization.
- How many requests were approved or denied last year.

We share this information to be open and helpful. It lets you see how the process works and helps you understand how we are doing.

If you have questions, please contact: 1-855-300-5528 (TTY: 711)

We are always working to make things easier for you and your providers. One way we do this is by decreasing prior authorization rules whenever we can. This means care can happen faster. The numbers shown are only for services that need prior authorization.

Reporting Period: January 1, 2025, to December 31, 2025

**These are the medical items and services for which we
require prior authorization (excluding drugs)**
