

We're Listening

What is the Child and Family Advisory Partnership (CFAP) Forum?

A monthly forum that connects foster, adoptive, kinship, bio and group home/residential caregivers to what is happening in the healthcare system, provides training opportunities and a forum to give input and feedback into what is going well and how to make improvements to the current child serving systems

Who should attend?

Foster, kinship, adoptive and bio families

Foster Care Alumni

Families and youth involved with DJJ

Providers (BH, Residential, foster care licensing agencies, Private Childcaring Provider Agencies, Private Placing Providers)
