**Aetna Better Health® of Louisiana**

When you join our plan, you'll get the benefits you expect. Things like doctor visits, hospital care, lab visits, x-rays and drugs from the pharmacy.

Member Services can help you find a doctor, learn about benefits, access services, file a complaint about a provider, or appeal a denied service. And our 24-hour Nurse Hotline is available to help you figure out if you need to call your PCP, go to urgent care or the emergency room. They can also help you with general health issues.

### Learn more about your benefits

With our plan, you or your kids can visit your primary care provider (PCP) as often as you need. Your benefits include:

#### Case managers when you need extra help

We have special care programs to help you if you have a chronic, long-term condition like asthma, lung disease, diabetes, hepatitis C, HIV/AIDS, or heart failure. Our trained case managers help you get the care and services you need. We work with your doctor to coordinate your care.

#### We make it easy to get services

- View the list of our doctors online. To choose any doctor in our network, just visit our website. You'll find many hospitals and clinics close to home.
- Language or translation services at your doctor's office at no cost to you.
- A ride to and from your doctor's office.

Call Member Services at 1-855-242-0802 (TTY: 711) to learn more about us or visit [AetnaBetterHealth.com/Louisiana](https://www.AetnaBetterHealth.com/Louisiana).

Stop using tobacco – Members who smoke, vape, or use e-cigarettes may be eligible for a 6-month tobacco cessation program. It is designed to engage members early in their quit journey, even if they are not ready to quit. It offers activities and one-on-one support from a certified tobacco cessation coach to help members who smoke discover and develop their own motivations and lead them to a successful quit. Our program offers Pivot Breath Sensor, a pocket-sized device that measures carbon monoxide (CO) in exhaled breath. It works with a mobile app for real time feedback in support of behavioral change. The app also offers activities, a certified tobacco cessation coach, and an online support community. Members will also have access to free, clinically proven nicotine replacement therapies.

The Pivot program, without the Pivot Breath Sensor and nicotine replacement therapy (NRT) (due to U.S. Food and Drug Administration (FDA) regulations), serves individuals under 18 years with adult consent.
