Please check all boxes that apply (continued):

8. Complete this section if the requested drug is being used in a nebulizer (inhalation solutions i.e albuterol, ipratropium, Tobi etc.) or an infusion pump (insulin vials, morphine infusion, chemotherapy for liver cancer etc.):

- The patient resides in one of the following long-term care (LTC) facilities:
 - A nursing home that is dually-certified as both a Medicare SNF and a Medicaid nursing facility (NF)
 - A Medicaid-only NF that primarily furnishes skilled care, a non-participating nursing home (i.e. neither Medicare nor Medicaid) that provides primarily skilled care, an institution which has a distinct part SNF and which also primarily furnishes skilled care
- The patient resides in his or her own home **OR**
- The patient resides in an assisted living facility **OR**
- The patient resides at other locations not listed here; provide the name, phone number and address:

9. Yes No Does patient require higher dosage (quantity limit exception)?

▶ If yes, indicate quantity requested: _____ per 30 days OR quantity _____ per day

- The number of doses available under the dose restriction for the prescription drug has been ineffective in the treatment of the enrollee's disease or medical condition.
- The number of doses available under the dose restriction for the prescription drug, based on both sound clinical evidence and medical and scientific evidence, the known relevant physical or mental characteristics of the enrollee, and known characteristics of the drug regimen, is likely to be ineffective or adversely affect the drug's effectiveness or patient compliance.

10. Please list all medications the patient has tried specific to the diagnosis and specify below.

CURRENT/PAST MEDICATIONS USED	DATES OF TREATMENT	THERAPEUTIC OUTCOME

11. Other supporting information

*NOTE: All exception requests require prescriber supporting statements. Additionally, requests that are subject to prior authorization (or any other utilization management requirement), may require supporting information. Please attach supporting information, as necessary, for your request.

I attest that the medication requested is medically necessary for this patient. I further attest that the information provided is accurate and true, and that documentation supporting this information is available for review if requested by the health plan sponsor, or, if applicable, a state or federal regulatory agency. I understand that any person who knowingly makes or causes to be made a false record or statement that is material to a claim ultimately paid by the United States government or any state government may be subject to civil penalties and treble damages under both the federal and state False Claims Acts. See, e.g., 31 U.S.C. §§ 3729-3733. By signing this form, I represent that I have obtained patient consent as required under applicable state and federal law, including but not limited to the Health Information Portability and Accountability Act (HIPAA) and state re-disclosure laws related to HIV/AIDS.
