Re: PROVIDER ENROLLMENT IN CHAMPS

Effective January 1, 2018, Aetna Better Health of Michigan must comply with the screening and enrollment requirements as stated by 42 CFR 438.602(b) and Section 5005(b)(2) of the 21st Century Cures Act. All providers furnishing services to Michigan Medicaid beneficiaries must be enrolled with the state in the Community Health Automated Medicaid Processing System (CHAMPS) to be reimbursed for covered services. This guidance applies to all providers, including referring, ordering and attending physicians. **Each provider must be actively enrolled on the date of service to receive reimbursement.**

If you are not enrolled in CHAMPS, please do so by clicking the [Provider Enrollment link](#) or go to the state website:

- www.Michigan.gov/MDHHS
- **Doing Business with MDHHS**
- **Health Care Providers**
- **Providers**
- **Provider Enrollment**

Follow the instructions at the bottom for **Accessing the CHAMPS System** and **CHAMPS Provider Enrollment**.
