A. Welcome to our plan

Our plan provides Medicare and NJ FamilyCare (Medicaid) services to individuals who are eligible for both programs. Our plan includes doctors, hospitals, pharmacies, providers of long-term services and supports, behavioral health providers, and other providers. We also have Care Managers and care teams to help you manage your providers and services. They all work together to provide the care you need.

B. Information about Medicare and NJ FamilyCare (Medicaid)

B1. Medicare

Medicare is the federal health insurance program for:

- people 65 years of age or over,
- some people under age 65 with certain disabilities, **and**
- people with end-stage renal disease (kidney failure).

B2. NJ FamilyCare

NJ FamilyCare is the name of the New Jersey Medicaid program. NJ FamilyCare is run by the state and is paid for by the state and the federal government. NJ FamilyCare helps people with limited incomes and resources pay for MLTSS and medical costs. It covers extra services and drugs not covered by Medicare.

Each state decides:

- what counts as income and resources,
- who is eligible,
- what services are covered, **and**
- the cost for services.

States can decide how to run their programs, as long as they follow the federal rules.

Medicare and the state of New Jersey approved our plan. You can get Medicare and NJ FamilyCare services through our plan as long as:

- we choose to offer the plan, **and**
- Medicare and the state of New Jersey allow us to continue to offer this plan.

Even if our plan stops operating in the future, your eligibility for Medicare and NJ FamilyCare services isn't affected.

C. Advantages of our plan

You'll now get all your covered Medicare and NJ FamilyCare services from our plan, including drugs. **You don't pay anything to join this health plan.**

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

Chapter 1. Getting started as a member

We help make your Medicare and Medicaid benefits work better together and work better for you. Some of the advantages include:

- You can work with us for **most** of your health care needs.
- You have a care team that you help put together. Your care team may include yourself, your caregiver, doctors, nurses, counselors, or other health professionals.
- You have access to a Care Manager. This is a person who works with you, with our plan, and with your care team to help make a care plan.
- You're able to direct your own care with help from your care team and Care Manager.
- Your care team and Care Manager work with you to make a care plan designed to meet **your** health needs. The care team helps coordinate the services you need. For example, this means that your care team makes sure:
 - Your doctors know about all the medicines you take so they can make sure you're taking the right medicines and can reduce any side effects that you may have from the medicines.
 - Your test results are shared with all of your doctors and other providers, as appropriate.

D. Our plan's service area

Our service area includes these counties in **New Jersey**: Atlantic, Bergen, Burlington, Camden, Cape May, Cumberland, Essex, Gloucester, Hudson, Hunterdon, Mercer, Middlesex, Monmouth, Morris, Ocean, Passaic, Salem, Somerset, Sussex, Union, Warren.

Only people who live in our service area can join our plan.

You can't stay in our plan if you move outside of our service area. Refer to **Chapter 8** of this *Evidence of Coverage* for more information about the effects of moving out of our service area.

E. What makes you eligible to be a plan member

You're eligible for our plan as long as you:

- live in our service area (incarcerated individuals aren't considered living in the service area even if they're physically located in it), **and**
- have both Medicare Part A and Medicare Part B, **and**
- are a United States citizen or national, or an eligible non-citizen, **and**
- are currently eligible for NJ FamilyCare.

If you lose your NJ FamilyCare eligibility but can be expected to regain it within three months, we'll continue to provide all Medicare and NJ FamilyCare covered benefits. During this time, we'll assist you to regain NJ FamilyCare eligibility. If you can't regain NJ FamilyCare eligibility within three months we'll disenroll you from Aetna Medicare FIDE (HMO D-SNP). If you regain NJ FamilyCare eligibility after being disenrolled, you'll need to contact us to reenroll in the plan.

Call Member Services for more information.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.AetnaMedicare.com/NJDSNP).

F. What to expect when you first join our health plan

When you first join our plan, you get a health risk assessment (HRA) within 90 days before or after your enrollment effective date.

We must complete an HRA for you. This HRA is the basis for developing your care plan. The HRA includes questions to identify your medical, behavioral health, and functional needs, including but not limited to: walking, bathing, eating, toileting, and dressing.

We reach out to you to complete the HRA. We can complete the HRA by an in-person visit, telephone call, or mail. We'll reach out to you annually to see if any of your needs have changed.

We'll send you more information about this HRA.

G. Your care team and care plan

G1. Care team

A care team can help you keep getting the care you need. A care team may include your doctor, a Care Manager, your specialists, or other health professionals that you choose.

A Care Manager is a person trained to help you manage the care you need. You get a Care Manager when you enroll in our plan. This person also refers you to other community resources that our plan may not provide and will work with your care team to help coordinate your care. Call us at the number at the bottom of the page for more information about your Care Manager and care team.

G2. Care plan

Your care team works with you to make a care plan. A care plan tells you and your doctors what services you need and how to get them. It includes your medical, behavioral health, and MLTSS or other services. Your care plan includes:

- your HRA findings,
- gaps in your care,
- your preferences to ensure you receive care based on your needs,
- your health care goals, **and**
- a timeline for getting the services you need.

Your care team meets with you after your HRA. They ask you about services you need. They also tell you about services you may want to think about getting. Your care plan is created based on your needs and goals. Your care team works with you to update your care plan at least every year.

H. Summary of Important Costs

Our plan has no premium.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

H1. Monthly Medicare Part B premium

Medicaid pays your Medicare Part B premium for you when you're enrolled in this plan.

If you think we've done something that goes against these rules, you may be able to appeal our decision. your NJ FamilyCare card to get most services. Keep those cards in a safe place, in case you need them later. If you show your Medicare card instead of your Member ID Card, the provider may bill Medicare instead of our plan, and you may get a bill. You may be asked to show your Medicare card if you need hospital services, hospice services, or participate in Medicare-approved clinical research studies (also called clinical trials). Refer to **Chapter 7** of this *Evidence of Coverage* to find out what to do if you get a bill from a provider.

J2. Provider and Pharmacy Directory

The *Provider and Pharmacy Directory* lists the providers and pharmacies in our plan's network. While you're a member of our plan, you must use network providers to get covered services.

You can ask for a *Provider and Pharmacy Directory* (electronically or in hard copy form) by calling Member Services at the numbers at the bottom of the page. Requests for hard copy Provider and Pharmacy Directories will be mailed to you within three business days. You can also refer to the *Provider and Pharmacy Directory* at the web address at the bottom of the page.

The *Provider and Pharmacy Directory* lists our network providers, durable medical equipment suppliers, and network pharmacies. The online *Provider and Pharmacy Directory* lists information of all network providers, including names, addresses, phone numbers, specialties and qualifications, board certification status and more. You can also search our providers on the [HealthGrades.com](https://www.healthgrades.com) website to get more information, such as medical school attended and residency completion.

Definition of network providers

- Our network providers include:
 - doctors, nurses, and other health care professionals that you can use as a member of our plan;
 - clinics, hospitals, nursing facilities, and other places that provide health services in our plan; **and**
 - MLTSS, behavioral health services, home health agencies, durable medical equipment (DME) suppliers, and others who provide goods and services that you get through Medicare or Medicaid.

Network providers agree to accept payment from our plan for covered services as payment in full.

Definition of network pharmacies

- Network pharmacies are pharmacies that agree to fill prescriptions for our plan members. Use the *Provider and Pharmacy Directory* to find the network pharmacy you want to use.
- Except during an emergency, you must fill your prescriptions at one of our network pharmacies if you want our plan to pay for them.

Call Member Services at the numbers at the bottom of the page for more information. Both Member Services and our website can give you the most up-to-date information about changes in our network pharmacies and providers.

J3. List of Covered Drugs

Our plan has a *List of Covered Drugs*. We call it the *Drug List* for short. It tells you which drugs our plan covers. The drugs on this list are selected by our plan with the help of doctors and pharmacists. The *Drug List* must meet Medicare's requirements. Drugs with negotiated prices under the Medicare Drug Price Negotiation Program will be included on your *Drug List* unless they've been removed and replaced as

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.AetnaMedicare.com/NJDSNP).

Chapter 1. Getting started as a member

described in **Chapter 5, Section E** Medicare approved the Aetna Medicare FIDE (HMO D-SNP) *Drug List*.

The *Drug List* also tells you if there are any rules or restrictions on any drugs, such as a limit on the amount you can get. Refer to **Chapter 5** of this *Evidence of Coverage* for more information.

Each year, we send you information about how to access the *Drug List*, but some changes may occur during the year. To get the most up-to-date information about which drugs are covered, call Member Services or visit our website at the address at the bottom of the page.

J4. The Explanation of Benefits

When you use your Medicare Part D drug benefits, we send you a summary to help you understand and keep track of payments for your Medicare Part D drugs. This summary is called the *Explanation of Benefits* (EOB).

The EOB tells you the total amount you, or others on your behalf, spent on your Medicare Part D drugs and the total amount we paid for each of your Medicare Part D drugs during the month. This EOB isn't a bill. The EOB has more information about the drugs you take. **Chapter 6** of this *Evidence of Coverage* gives more information about the EOB and how it helps you track your drug coverage.

You can also ask for an EOB. To get a copy, contact Member Services at the number at the bottom of the page.

K. Keeping your membership record up to date

You can keep your membership record up to date by telling us when your information changes.

We need this information to make sure that we have your correct information in our records. The doctors, hospitals, pharmacists, and other providers in our plan's network use your membership record to know what services and drugs are covered. Because of this, it's very important to help us keep your information up to date.

Tell us right away about the following:

- changes to your name, address, or phone number;
- changes to any other health insurance coverage, such as from your employer, your spouse's employer, or your domestic partner's employer, or workers' compensation;
- any liability claims, such as claims from an automobile accident;
- admission to a nursing facility or hospital;
- care from a hospital or emergency room;
- changes in your caregiver (or anyone responsible for you); **and**
- you participate in a clinical research study. (**Note:** You're not required to tell us about a clinical research study you intend to participate in, but we encourage you to do so.)

If any information changes, call Member Services at the numbers at the bottom of the page.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.AetnaMedicare.com/NJDSNP).

K1. Privacy of personal health information (PHI)

Information in your membership record may include personal health information (PHI). Federal and state laws require that we keep your PHI private. We protect your PHI. For more details about how we protect your PHI, refer to **Chapter 8** of this *Evidence of Coverage*.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

A. Information about services and providers

Services are health care, Managed Long-Term Services and Supports (MLTSS), supplies, behavioral health services, prescription and over-the-counter drugs, equipment and other services. **Covered services** are any of these services that our plan pays for. Covered health care, behavioral health, and MLTSS are in **Chapter 4** of this *Evidence of Coverage*. Your covered services for prescription and over-the-counter drugs are in **Chapter 5** of this *Evidence of Coverage*.

Providers are doctors, nurses, and other people who give you services and care and are licensed by the state. Providers also include hospitals, home health agencies, clinics, and other places that give you health care services, behavioral health services, medical equipment, and certain MLTSS.

Network providers are providers who work with our plan. These providers agree to accept our payment as full payment. We arranged for these providers to deliver covered services to you. Network providers bill us directly for care they give you. When you use a network provider, you usually pay nothing for covered services.

B. Rules for getting services our plan covers

Our plan covers all services covered by Medicare and NJ FamilyCare. This includes behavioral health and Managed Long-Term Services and Supports (MLTSS).

Our plan will generally pay for health care services, behavioral health services, and MLTSS you get when you follow our rules. To be covered by our plan:

- The care you get must be included in our Medical Benefits Chart in **Chapter 4** of this *Evidence of Coverage*.
- The care must be **medically necessary**. By medically necessary, we mean you need services to prevent, diagnose, or treat your condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing facility. It also means the services, supplies, or drugs meet accepted standards of medical practice.
- For medical services, you must have a network **primary care provider (PCP)** providing and overseeing your care. As a plan member, you must choose a network provider to be your PCP (go to **Section D1** for more information).
 - You don't need referrals from your PCP for emergency care or urgently needed care or to use a woman's health provider. You can get other kinds of care without having a referral from your PCP (go to **Section D1** for more information).
- **You must get your care from network providers** (for more information, go to **Section D** in this chapter). Usually, we won't cover care from a provider who doesn't work with our health plan. This means that you'll have to pay the provider in full for the services you get. Here are some cases when this rule doesn't apply:
 - If you need emergency or urgently needed care from an out-of-network provider (for more information go to **Section I**).
 - If you need care that our plan covers and our network providers can't give it to you, you can get care from an out-of-network provider. Prior authorization should be obtained from the plan prior to seeking care. In this situation, we cover the care at no cost to you. For information about getting approval to use an out-of-network provider, go to **Section D4**.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

- If you need kidney dialysis services when you're outside our plan's service area for a short time or when your provider is temporarily unavailable or not accessible, you can get care from an out-of-network provider. If possible, call Member Services at the number at the bottom of the page before you leave the service area so we can help arrange for you to have maintenance dialysis while you're away.

C. Your Care Manager

C1. What a Care Manager is

A Care Manager is a trained person who works for our plan to make sure you get the health care you need. A Care Manager, along with others on the care team, will work with you to complete health risk assessments in order to create your personal care plan. Your Care Manager will also help you obtain benefits, coordinate appointment scheduling, and assist with accessing community resources and support.

We're here to support you whether you need a routine checkup, help managing a condition or answers about your benefits. Find out what's available to you so you know where to turn to for care and support by visiting [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP). You can also visit our Health Programs (<https://www.aetnabetterhealth.com/new-jersey-hmosnp/population-health-programs.html>) webpage to learn more about programs and services designed to help you stay healthy and manage your health care needs.

C2. How you can contact your Care Manager

A Care Manager will be assigned to you when you become a member. Your Care Manager will contact you when you enroll in the plan. Members can be referred to the complex Care Management program from a variety of sources, including our medical management programs, discharge planners, members, caregivers and providers.

For more information on being referred to Care Management or contacting your Care Manager, call **1-844-362-0934 (TTY:711)** or visit online at <https://www.aetnabetterhealth.com/new-jersey-hmosnp/whats-covered.html>.

C3. How you can change your Care Manager

If you would like to change your Care Manager, please contact our Member Services department at the number at the bottom of this page.

D. Care from providers

D1. Care from a primary care provider (PCP)

You must choose a PCP to provide and manage your care.

Definition of a PCP and what a PCP does do for you

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934 (TTY: 711)**, 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

Chapter 3. Using our plan's coverage for your health care and other covered services

As a member of our plan, you must have a network PCP on file with us. It is very important that you choose a network PCP and tell us who you have chosen. Your PCP can help you stay healthy, treat illnesses and coordinate your care with other health care providers. Your PCP (or PCP office) will appear on your Member ID Card. If your Member ID Card does not show a PCP (or PCP office), or the PCP on your card is not the one you want to use, please contact us immediately.

Depending on where you live, the following types of providers may act as a PCP:

- General Practitioner
- Internist
- Family Practitioner
- Geriatrician
- Physician Assistants
- Nurse Practitioners

Please refer to your *Provider and Pharmacy Directory* or go to our website at [AetnaMedicare.com/NJDSNP-find-provider](https://www.AetnaMedicare.com/NJDSNP-find-provider) for a complete listing of PCPs in your area.

What is the role of a PCP in coordinating covered services?

Your PCP will provide most of your care, and when you need more specialized services, they will coordinate with other providers. Your PCP will help you find a specialist and will arrange for covered services you get as a member of our plan. Some of the services that the PCP will coordinate include:

- x-rays
- laboratory tests
- therapies
- care from doctors who are specialists
- hospital admissions

“Coordinating” your services includes consulting with other plan providers about your care and how it is progressing. Since your PCP will provide and coordinate most of your medical care, we recommend that you have your past medical records sent to your PCP’s office.

What is the role of the PCP in making decisions about or obtaining prior authorization?

In some cases, your PCP (or other provider), or you as the plan member, may need to request advance approval from our Medical Management Department for certain types of services or tests. This is called getting **prior authorization**. **Chapter 4** lists the services and items that require **prior authorization**.

Your choice of PCP

You can select your PCP by using the *Provider and Pharmacy Directory*, by accessing our website at [AetnaMedicare.com/NJDSNP-find-provider](https://www.AetnaMedicare.com/NJDSNP-find-provider), or getting help from Member Services.

If you have not selected a PCP, a PCP will be selected for you. You can change your PCP (as explained later in this section) for any reason, and at any time, by contacting Member Services.

Option to change your PCP

You can change your PCP for any reason, at any time. It's also possible that your PCP may leave our plan's network. If your PCP leaves our network, we can help you find a new PCP in our network.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit **[AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP)**.

To change your PCP, call Member Services **before** you set up an appointment with a new PCP. When you call, be sure to tell Member Services if you are seeing specialists or currently getting other covered services that were coordinated by your PCP (such as home health services and durable medical equipment). They will check to see if the PCP you want to switch to is accepting new patients. Member Services will change your membership record to show the name of your new PCP, let you know the effective date of your change request, and answer your questions about the change. They will also send you a new membership card that shows the name and/or phone number of your new PCP.

Under certain circumstances, you may continue receiving covered services from a participating physician or other health care professional who has left the network for up to four months beyond the effective date of termination (the end of the notice period).

Additionally, if you are undergoing certain courses of treatment, you may receive longer periods of care as indicated below:

- Pregnancy – up to the postpartum evaluation (up to six weeks after delivery)
- Post-operative follow-up care (up to six months)
- Oncological treatment (up to one year)
- Psychiatric treatment (up to one year)

D2. Care from specialists and other network providers

A specialist is a doctor who provides health care for a specific disease or part of the body. There are many kinds of specialists, such as:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart problems.
- Orthopedists care for patients with bone, joint, or muscle problems.

What is the role of the PCP in referring members to specialists and other providers?

Your PCP will provide most of your care and will help arrange or coordinate the rest of the covered services you get as a plan member.

- Your PCP may refer you to a specialist, but you can go to any specialist in our network without a referral. Please refer to the *Provider and Pharmacy Directory* or access our website at [AetnaMedicare.com/NJDSNP-find-provider](https://www.aetna.com/NJDSNP-find-provider) for a complete listing of PCPs and other participating providers in your area.

What is the role of the PCP in making decisions about or obtaining prior authorization?

In some cases, your PCP (or other provider), or you as the plan member, may need to request advance approval from our Medical Management Department for certain types of services or tests. This is called getting **prior authorization**. **Chapter 4** lists the services and items that require **prior authorization**.

D3. When a provider leaves our plan

A network provider you use may leave our plan. If one of your providers leaves our plan, you have these rights and protections that are summarized below:

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

- Even if our network of providers change during the year, we must give you uninterrupted access to qualified providers.
- We'll notify you that your provider is leaving our plan so that you have time to select a new provider.
 - If your primary care or behavioral health provider leaves our plan, we'll notify you if you visited that provider within the past three years.
 - If any of your other providers leave our plan, we'll notify you if you're assigned to the provider, currently get care from them, or visited them within the past three months.
- We help you select a new qualified in-network provider to continue managing your health care needs.
- Under certain circumstances, you may continue receiving covered services from a provider who has left our network for up to four months beyond the effective date of termination (the end of the notice period).
- If you're currently undergoing medical treatment or therapies with your current provider, you have the right to ask to continue getting medically necessary treatment or therapies. We'll work with you so you can continue to get care. If you're undergoing certain courses of treatment, you may be able to receive longer periods of care as indicated below:
 - Pregnancy (up to the postpartum evaluation): up to six weeks after delivery.
 - Post-operative follow-up care (care given after surgery): up to six months.
 - Oncological treatment (treatment for cancer): up to one year.
 - Psychiatric treatment (mental health treatment with a psychiatrist): up to one year.
- We'll give you information about available enrollment periods and options you may have for changing plans.
- If we can't find a qualified network specialist accessible to you, we must arrange an out-of-network specialist to provide your care when an in-network provider or benefit is unavailable or inadequate to meet your medical needs. Prior authorization should be obtained from the plan prior to seeking care.
- If you find out one of your providers is leaving our plan, contact us. We can help you choose a new provider to manage your care.
- If you think we haven't replaced your previous provider with a qualified provider or that we aren't managing your care well, you have the right to file a quality of care complaint to the Quality Improvement Organization (QIO), a quality of care grievance, or both. (Refer to **Chapter 9** for more information.)

Under certain circumstances, for up to four months beyond the effective date of termination (the end of the notice period), you may continue receiving covered services from a provider who has left our network.

Additionally, if you're undergoing certain courses of treatment, you may receive longer periods of care as indicated below:

- pregnancy – up to the postpartum evaluation (up to six weeks after delivery)
- post-operative follow-up care (up to six months)
- oncological treatment (up to one year)
- psychiatric treatment (up to one year)

D4. Out-of-network providers

As a member of our plan, you must use network providers. If you receive unauthorized care from an out-of-network provider, we may deny coverage and you will be responsible for the entire cost. *Here are*

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

four exceptions:

- The plan covers emergency care or urgently needed care that you get from an out-of-network provider.
- If you need medical care that Medicare or NJ FamilyCare requires our plan to cover and the providers in our network cannot provide this care, you can get this care from an out-of-network provider. Prior authorization should be obtained from the plan prior to seeking care. Your PCP or other network provider will contact us to obtain authorization for you to see an out-of-network provider.
- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are temporarily outside the plan's service area.
- You may receive Family Planning services through out-of-network providers. In these cases, the services will be covered directly through Medicaid fee-for-service.

If you use an out-of-network provider, the provider must be eligible to participate in Medicare and/or NJ FamilyCare.

- We can't pay a provider who isn't eligible to participate in Medicare and/or NJ FamilyCare.
- If you use a provider who isn't eligible to participate in Medicare, you must pay the full cost of the services you get.
- Providers must tell you if they aren't eligible to participate in Medicare.

E. Managed Long-term services and supports (MLTSS)

The MLTSS program provides home- and community-based services for members that require the level of care typically provided in a nursing facility and allows them to receive necessary care in a residential or community setting.

MLTSS services include (but are not limited to): assisted living services; cognitive, speech, occupational, and physical therapy; chore services; personal emergency response systems; home-delivered meals; residential modifications (such as the installation of ramps or grab bars); vehicle modifications; social adult day care; and non-medical transportation. MLTSS is available to members who meet certain clinical and financial requirements. If you would like more information, or to ask for an assessment to determine your eligibility for MLTSS, call your Care Manager at **1-844-362-0934 (TTY: 711)**, 8 AM to 5 PM, Monday through Friday.

F. Behavioral health (mental health and substance use disorder treatment) services

Your plan covers a number of behavioral health benefits for you. Behavioral health includes both mental health services and substance use disorder treatment services. You will find details in the Benefits Chart in **Chapter 4**.

When requesting prior authorization or making arrangements to receive behavioral health services members and providers should call Member Services at **1-844-362-0934 (TTY: 711)**.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934 (TTY: 711)**, 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.AetnaMedicare.com/NJDSNP).

G. How to get self-directed care through the Personal Preference Program (PPP)

G1. What self-directed care is

The New Jersey Personal Preference Program (PPP) offers a way for NJ FamilyCare members who qualify for Personal Care Assistant (PCA) services to direct and manage the PCA services.

G2. Who can get self-directed care (for example, if it's limited to waiver populations)

PCA services are non-emergency, health related tasks through NJ FamilyCare. Tasks include help with activities of daily living (ADLs) and with household duties essential to the patient's health and comfort, such as bathing, dressing, meal preparation, and light housekeeping.

G3. How to get help in employing personal care providers (if applicable)

You get to choose who you hire to provide PCA services. You can hire a relative, friend or neighbor. Ask your Care Manager for help with this process. If you need help choosing services, or your PCA, you can choose someone you trust to decide for you.

You also will work with a financial counselor to make a plan to manage payment to your PCA.

To take part in PPP, you need to be:

1. Approved for Personal Care Assistant Services (PCA), and need PCA services for at least six months.
2. Able to direct and manage your services or choose someone to decide for you

If you would like to request a PCA assessment for enrollment into PPP, please contact your Care Manager at **1-844-362-0934 (TTY: 711)** 8 AM to 5 PM, Monday through Friday.

H. Transportation services

Medicaid Fee-for-Service covers most non-emergency transportation services and arranges these services through the state's transportation vendor, Modivcare. Covered transportation may include Mobile Assistance Vehicles (MAVs), non-emergency Basic Life Support (BLS) stretcher ambulance transportation, and livery transportation services, such as bus or train fares and passes, car services, and mileage reimbursement when eligible.

In addition, we cover some limited non-emergency ambulance services under your plan's part B medical benefits when you have an order from your doctor stating that ambulance transportation is medically necessary. Coverage only applies for transportation to the nearest appropriate facility that can provide the required services.

To schedule Medicaid-covered transportation, call Modivcare at **1-866-527-9933**. You may also ask your Primary Care Provider (PCP) or Care Manager to help arrange transportation. For more information about transportation benefits, please contact your Care Manager or Member Services at **1-844-362-0934 (711)**.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934 (TTY: 711)**, 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit **[AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP)**.

Member Services is available 7 days a week, from 8:00 AM to 8:00 PM.

I. Covered services in a medical emergency, when urgently needed, or during a disaster

11. Care in a medical emergency

A medical emergency is a medical condition with symptoms such as illness, severe pain, serious injury, or a medical condition that's quickly getting worse. The condition is so serious that, if it doesn't get immediate medical attention, you or anyone with an average knowledge of health and medicine could expect it to result in:

- serious risk to your life and, if you're pregnant, loss of an unborn child; **or**
- loss of or serious harm to bodily functions; **or**
- loss of a limb or function of a limb; **or**
- in the case of a pregnant woman in active labor, when:
 - There isn't enough time to safely transfer you to another hospital before delivery
 - A transfer to another hospital may pose a threat to your health or safety or to that of your unborn child.

If you have a medical emergency:

- **Get help as fast as possible.** Call 911 or use the nearest emergency room or hospital. Call for an ambulance if you need it. You **don't** need approval or a referral from your PCP. You don't need to use a network provider. You can get covered emergency medical care whenever you need it, anywhere in the U.S. or its territories or worldwide, from any provider with an appropriate state license even if they're not part of our network.
- **As soon as possible, tell our plan about your emergency.** We follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Please call Member Services at [1-844-362-0934](tel:1-844-362-0934) (TTY: [711](tel:711)). Hours of operation are 8 AM to 8 PM, 7 days a week.

Covered services in a medical emergency

Our plan covers worldwide services outside the United States under the following circumstances:

- Emergency care
- Urgently needed care
- Emergency ambulance transportation from the scene of an emergency to the nearest medical treatment facility

Transportation back to the United States from another country is not covered. Pre-scheduled and/or elective procedures are not covered. See the Benefits Chart in **Chapter 4** for more information. Be sure to get a copy of all your medical records from your emergency or urgent care provider before you leave; you may need them to file a claim or to help with claims processing. Without these records we may not be able to pay your claim.

Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. We also cover medical services during the emergency. To learn more, refer to the Benefits Chart in **Chapter 4** of this *Evidence of Coverage*.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at [1-844-362-0934](tel:1-844-362-0934) (TTY: [711](tel:711)), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetnamedicare.com/NJDSNP).

The providers who give you emergency care decide when your condition is stable and the medical emergency is over. They'll continue to treat you and will contact us to make plans if you need follow-up care to get better.

Post-stabilization care means the covered services related to an emergency medical condition that are provided after your emergency medical condition has been stabilized.

Our plan covers your follow-up care. If you get your emergency care from out-of-network providers, we'll try to get network providers to take over your care as soon as possible.

Getting emergency care if it wasn't an emergency

Sometimes it can be hard to know if you have a medical or behavioral health emergency. You may go in for emergency care and the doctor says it wasn't really an emergency. As long as you reasonably thought your health was in serious danger, we cover your care.

However, after the doctor says it wasn't an emergency, we cover your additional care only if:

- You use a network provider **or**
- The additional care you get is considered "urgently needed care" and you follow the rules for getting it. Refer to the next section.

I2. Urgently needed care

Urgently needed care is care you get for a situation that isn't an emergency but needs care right away. For example, you might have a flare-up of an existing condition or an unforeseen illness or injury.

Urgently needed care in our plan's service area

In most cases, we cover urgently needed care only if:

- You get this care from a network provider **and**
- You follow the rules described in this chapter.

If it isn't possible or reasonable to get to a network provider, given your time, place or circumstances we cover urgently needed care you get from an out-of-network provider.

If you need to locate an urgent care facility, you can find an in-network urgent care center near you by using the *Provider and Pharmacy Directory*, going to our website at [AetnaMedicare.com/NJDSNP-find-provider](https://www.aetna.com/NJDSNP-find-provider), or getting help from Member Services.

Urgently needed care outside our plan's service area

When you're outside our plan's service area, you may not be able to get care from a network provider. In that case, our plan covers urgently needed care you get from any provider. However, medically necessary routine provider visits, such as annual checkups, aren't considered urgently needed even if you're outside our plan's service area or our plan network is temporarily unavailable.

Our plan covers worldwide services outside the United States under the following circumstances:

- Emergency care

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

- Urgently needed care
- Emergency ambulance transportation from the scene of an emergency to the nearest medical treatment facility

Transportation back to the United States from another country is not covered. Pre-scheduled and/or elective procedures are not covered. See the Benefits Chart in **Chapter 4** for more information. Be sure to get a copy of all your medical records from your emergency or urgent care provider before you leave; you may need them to file a claim or to help with claims processing. Without these records we may not be able to pay your claim.

I3. Care during a disaster

If the governor of your state, the U.S. Secretary of Health and Human Services, or the president of the United States declares a state of disaster or emergency in your geographic area, you're still entitled to care from our plan.

Visit our website for information on how to get care you need during a declared disaster:

[AetnaMedicare.com/NJDSNP](https://www.aetna.com/medicare/fide/njdsnps).

During a declared disaster, if you can't use a network provider, you can get care from out-of-network providers at no cost to you. If you can't use a network pharmacy during a declared disaster, you can fill your drugs at an out-of-network pharmacy. Refer to **Chapter 5** of this *Evidence of Coverage* for more information.

J. What if you're billed directly for covered services

If you paid for your covered services or if you got a bill for covered medical services, refer to **Chapter 7** of this *Evidence of Coverage* to find out what to do.

You shouldn't pay the bill yourself. If you do, we may not be able to pay you back.

J1. What to do if our plan doesn't cover services

Our plan covers all services:

- that are determined medically necessary, **and**
- that are listed in our plan's Benefits Chart (refer to **Chapter 4** of this *Evidence of Coverage*), **and**
- that you get by following plan rules.

If you get services that our plan doesn't cover, **you pay the full cost yourself.**

If you want to know if we pay for any medical service or care, you have the right to ask us. You also have the right to ask for this in writing. If we say we won't pay for your services, you have the right to appeal our decision.

Chapter 9 of this *Evidence of Coverage* explains what to do if you want us to cover a medical service or

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/medicare/fide/njdsnps).

item. It also tells you how to appeal our coverage decision. Call Member Services to learn more about your appeal rights.

We pay for some services up to a certain limit. If you go over the limit, you pay the full cost to get more of that type of service. Refer to **Chapter 4** for specific benefit limits. Call Member Services to find out what the benefit limits are and how much of your benefits you've used.

K. Coverage of health care services in a clinical research study

K1. Definition of a clinical research study

A clinical research study (also called a clinical trial) is a way doctors test new types of health care or drugs. A clinical research study approved by Medicare typically asks for volunteers to be in the study. When you're in a clinical research study, you can stay enrolled in our plan and continue to get the rest of your care (care that's not related to the study) through our plan.

If you want to take part in any Medicare-approved clinical research study, you don't need to tell us or get approval from us or your primary care provider. Providers that give you care as part of the study don't need to be network providers. This doesn't apply to covered benefits that require a clinical trial or registry to assess the benefit including certain benefits requiring coverage with evidence development (NCDs-CED) and investigational device exemption (IDE) studies. These benefits may also be subject to prior authorization and other plan rules.

We encourage you to tell us before you take part in a clinical research study.

If you plan to be in a clinical research study covered for enrollees by Original Medicare, we encourage you or your Care Manager to contact Member Services to let us know you'll take part in a clinical trial.

K2. Payment for services when you're in a clinical research study

If you volunteer for a clinical research study that Medicare approves, you pay nothing for the services covered under the study. Medicare pays for services covered under the study as well as routine costs associated with your care. Once you join a Medicare-approved clinical research study, you're covered for most services and items you get as part of the study. This includes:

- room and board for a hospital stay that Medicare would pay for even if you weren't in a study
- an operation or other medical procedure that's part of the research study
- treatment of any side effects and complications of the new care

If you're part of a study that Medicare or our plan **hasn't** approved, you pay any costs for being in the study.

K3. More about clinical research studies

You can learn more about joining a clinical research study by reading "Medicare & Clinical Research Studies" on the Medicare website www.medicare.gov/coverage/clinical-research-studies. You can also call 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)). TTY users call [1-877-486-2048](tel:1-877-486-2048).

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at [1-844-362-0934](tel:1-844-362-0934) (TTY: [711](tel:711)), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit AetnaMedicare.com/NJDSNP.

L. How your health care services are covered in a religious non-medical health care institution

L1. Definition of a religious non-medical health care institution

A religious non-medical health care institution is a place that provides care you would normally get in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against your religious beliefs, we cover care in a religious non-medical health care institution.

This benefit is only for Medicare Part A inpatient services (non-medical health care services).

L2. Care from a religious non-medical health care institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you're against getting medical treatment that's "non-excepted."

- "Non-excepted" medical treatment is any care or treatment that's **voluntary and not required** by any federal, state, or local law.
- "Excepted" medical treatment is any care or treatment that's **not voluntary and is required** under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan only covers non-religious aspects of care.
- If you get services from this institution provided to you in a facility:
 - You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.
 - You must get approval from us before you're admitted to the facility, or your stay **won't** be covered.

Please see the Benefits Chart in **Chapter 4** for more information about inpatient hospital coverage and limitations.

M. Durable medical equipment (DME)

M1. DME as a member of our plan

DME includes certain medically necessary items ordered by a provider, such as wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, intravenous (IV) infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

You always own some DME items, such as prosthetics.

Other types of DME you must rent. As a member of our plan, you usually **won't** own the rented DME, no matter how long you rent it.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

In some limited situations, we transfer ownership of the DME item to you. Call Member Services at the number at the bottom of the page for more information.

Even if you had DME for up to 12 months in a row under Medicare before you joined our plan, you won't own the equipment.

M2. DME ownership if you switch to Original Medicare

In the Original Medicare program, people who rent certain types of DME own it after 13 months. In a Medicare Advantage (MA) plan, the plan can set the number of months people must rent certain types of DME before they own it.

You'll have to make 13 payments in a row under Original Medicare, or you'll have to make the number of payments in a row set by the MA plan, to own the DME item if:

- you didn't become the owner of the DME item while you were in our plan, **and**
- you leave our plan and get your Medicare benefits outside of any health plan in the Original Medicare program or an MA plan.

If you made payments for the DME item under Original Medicare or an MA plan before you joined our plan, those **Original Medicare or MA plan payments don't count toward the payments you need to make after leaving our plan.**

- You'll have to make 13 new payments in a row under Original Medicare or a number of new payments in a row set by the MA plan to own the DME item.
- There are no exceptions to this when you return to Original Medicare or an MA plan.

M3. Oxygen equipment benefits as a member of our plan

If you qualify for oxygen equipment covered by Medicare we cover:

- rental of oxygen equipment
- delivery of oxygen and oxygen contents
- tubing and related accessories for the delivery of oxygen and oxygen contents
- maintenance and repairs of oxygen equipment

Oxygen equipment must be returned when it's no longer medically necessary for you or if you leave our plan.

M4. Oxygen equipment when you switch to Original Medicare or another Medicare Advantage (MA) plan

When oxygen equipment is medically necessary and **you leave our plan and switch to Original Medicare**, you rent it from a supplier for 36 months. Your monthly rental payments cover the oxygen equipment and the supplies and services listed above.

If oxygen equipment is medically necessary **after you rent it for 36 months**, your supplier must provide:

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

- oxygen equipment, supplies, and services for another 24 months
- oxygen equipment and supplies for up to five years if medically necessary

If oxygen equipment is still medically necessary **at the end of the five-year period**:

- Your supplier no longer has to provide it, and you may choose to get replacement equipment from any supplier.
- A new five-year period begins.
- You rent from a supplier for 36 months.
- Your supplier then provides the oxygen equipment, supplies, and services for another 24 months.
- A new cycle begins every five years as long as oxygen equipment is medically necessary.

When oxygen equipment is medically necessary and **you leave our plan and switch to another MA plan**, the plan will cover at least what Original Medicare covers. You can ask your new MA plan what oxygen equipment and supplies it covers and what your costs will be.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

Chapter 4. Benefits Chart

A. Your covered services

This chapter tells you about services our plan covers. You can also learn about services that aren't covered. Information about drug benefits is in **Chapter 5** of this *Evidence of Coverage*. This chapter also explains limits on some services.

Because you get assistance from NJ FamilyCare, you pay nothing for your covered services as long as you follow our plan's rules. Refer to **Chapter 3** of this *Evidence of Coverage* for details about the plan's rules.

If you need help understanding what services are covered, call your Care Manager and/or Member Services at **1-844-362-0934** (TTY: **711**).

B. Rules against providers charging you for services

We don't allow our providers to bill you for in network covered services. We pay our providers directly, and we protect you from any charges. This is true even if we pay the provider less than the provider charges for a service.

You should never get a bill from a provider for covered services. If you do, refer to **Chapter 7** of this *Evidence of Coverage* or call Member Services.

C. About our plan's Benefits Chart

The Benefits Chart tells you the services our plan pays for. (Drug coverage is in **Chapter 5**.) It lists covered services in alphabetical order and explains them.

We pay for the services listed in the Benefits Chart when the following rules are met. You don't pay anything for the services listed in the Benefits Chart, as long as you meet the requirements described below.

- We provide covered Medicare and NJ FamilyCare covered services according to the rules set by Medicare and NJ FamilyCare.
 - The services (including medical care, behavioral health and substance use disorder treatment services, Managed Long Term Services and Supports (MLTSS), supplies, equipment, and drugs) must be "medically necessary." Medically necessary describes services, supplies, or drugs you need to prevent, diagnose, or treat a medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing facility. It also means the services, supplies, or drugs meet accepted standards of medical practice.
 - For new enrollees, for the first 90 days we may not require you to get approval in advance for any active course of treatment, even if the course of treatment was for a service that began with an out-of-network provider.
 - You get your care from a network provider. A network provider is a provider who works with us. In most cases, care you get from an out-of-network provider won't be covered unless it's an emergency or urgently needed care, or unless our plan or a network provider gave you a referral. This means that you pay the provider in full for out-of-network services you get. **Chapter 3** of this *Evidence of Coverage* has more information about using network and out-of-network providers.
-

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

- You have a primary care provider (PCP) or a care team that is providing and managing your care.
- We cover some services listed in the Benefits Chart only if your doctor or other network provider gets our approval first. This is called prior authorization (PA). We mark covered services in the Benefits Chart that need PA with bold type.
- If our plan provides approval of a PA request for a course of treatment, the approval must be valid for as long as medically reasonable and necessary to avoid disruptions in care based on coverage criteria, your medical history, and the treating provider's recommendations.

Special Supplemental Benefits for the Chronically Ill <i>(continued)</i>	
Be sure to use the full benefit amount each month, because any unused benefit amount will not roll over into the next month nor will it roll over into the next plan year. If you require urgently needed care, you should first try to get it from a network provider. However, you can use out-of-network providers when you can't get to a network provider because given your time, place, or circumstances, it's not possible, or it's unreasonable, to get this service from network providers (for example, when you're outside the plan's service area and you require medically needed immediate services for an unseen condition but it's not a medical emergency). We also offer: • Urgent care (worldwide) \$250,000 annual maximum benefit for worldwide emergency care, emergency ambulance, and urgently needed care. E. Benefits covered outside of our plan

We don’t cover the following services, but they’re available through NJ FamilyCare.

- Non-emergency transportation, including mobile assistance vehicles (MAVs); non-emergency basic life support (BLS) ambulance (stretcher); and delivery transportation services (such as bus and train fare or passes, or car service and reimbursement for mileage). These services are paid for directly by Medicaid (also known as Medicaid Fee-for-Service).

F. Benefits not covered by our plan, Medicare, or NJ FamilyCare

This section tells you about benefits excluded by our plan. “Excluded” means that we don’t pay for these benefits. Medicare and Medicaid don’t pay for them either.

The list below describes some services and items not covered by us under any conditions and some excluded by us only in some cases.

We don’t pay for excluded medical benefits listed in this section (or anywhere else in this *Evidence of Coverage*) except under specific conditions listed. Even if you get the services at an emergency facility, the plan won’t pay for the services. If you think that our plan should pay for a service that isn’t covered, you can request an appeal. For information about appeals, refer to **Chapter 9** of this *Evidence of Coverage*.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at [1-844-362-0934](tel:1-844-362-0934) (TTY: [711](tel:711)), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.AetnaMedicare.com/NJDSNP).

Chapter 4. Benefits Chart

In addition to any exclusions or limitations described in the Benefits Chart, our plan doesn't cover the following items and services:

- services considered not “reasonable and medically necessary,” according to Medicare and NJ FamilyCare standards, unless we list these as covered services
- experimental medical and surgical treatments, items, and drugs, unless Medicare, a Medicare-approved clinical research study, or our plan covers them. Refer to **Chapter 3** of this *Evidence of Coverage* for more information on clinical research studies. Experimental treatment and items are those that aren't generally accepted by the medical community.
- surgical treatment for morbid obesity, except when medically necessary and Medicare pays for it
- a private room in a hospital, except when medically necessary
- personal items in your room at a hospital or a nursing facility, such as a telephone or television
- fees charged by your immediate relatives or members of your household
- elective or voluntary enhancement procedures or services (including weight loss, hair growth, sexual performance, athletic performance, cosmetic purposes, anti-aging and mental performance), except when medically necessary
- cosmetic surgery or other cosmetic work, unless it's needed because of an accidental injury or to improve a part of the body that isn't shaped right. However, we pay for reconstruction of a breast after a mastectomy and for treating the other breast to match it.
- chiropractic care, other than manual manipulation of the spine consistent with coverage guidelines and as described in Chiropractic services in the Benefits Chart in **Section D**
- routine foot care, except as described in Podiatry services in the Benefits Chart in **Section D**
- orthopedic shoes, unless the shoes are part of a leg brace and are included in the cost of the brace, or the shoes are for a person with diabetic foot disease
- supportive devices for the feet, except for orthopedic or therapeutic shoes for people with diabetic foot disease
- radial keratotomy and LASIK surgery
- reversal of sterilization procedures and non-prescription contraceptive supplies
- naturopath services (the use of natural or alternative treatments)
- services provided to veterans in Veterans Affairs (VA) facilities.

Chapter 5: Getting your outpatient drugs

Introduction

This chapter explains rules for getting your outpatient drugs. These are drugs that your provider orders for you that you get from a pharmacy or by mail-order. They include drugs covered under Medicare Part D and NJ FamilyCare. Key terms and their definitions appear in alphabetical order in the last chapter of this *Evidence of Coverage*.

We also cover the following drugs, although they're not discussed in this chapter:

- **Drugs covered by Medicare Part A.** These generally include drugs given to you while you're in a hospital or nursing facility.
- **Drugs covered by Medicare Part B.** These include some chemotherapy drugs, some drug injections given to you during an office visit with a doctor or other provider, and drugs you're given at a dialysis clinic. To learn more about what Medicare Part B drugs are covered, refer to the Benefits Chart in **Chapter 4** of this *Evidence of Coverage*.
- In addition to the plan's Medicare Part D and medical benefits coverage, your drugs may be covered by Original Medicare if you're in Medicare hospice. For more information, please refer to **Chapter 5, Section F3** "In a Medicare-certified hospice program."

Rules for our plan's outpatient drug coverage

In addition to the drugs covered by Medicare, some prescription drugs are covered for you under your Medicaid benefits. We usually cover your drugs as long as you follow the rules in this section.

You must have a provider (doctor, dentist or other prescriber) write your prescription, which must be valid under applicable state law. This person often is your primary care provider (PCP). It could also be another provider that is providing care.

Your prescriber must **not** be on Medicare's Exclusion or Preclusion Lists.

You generally must use a network pharmacy to fill your prescription. (Refer to **Section A** for more information.) Or you can fill your prescription through the plan's mail-order service.

Your prescribed drug must be on our plan's *List of Covered Drugs*. We call it the "*Drug List*" for short. (Refer to **Section B** of this chapter.)

- If it isn't on the *Drug List*, we may be able to cover it by giving you an exception.
- Refer to **Chapter 9** to learn about asking for an exception.

Your drug must be used for a medically accepted indication. This means that use of the drug is either approved by the Food and Drug Administration (FDA) or supported by certain medical references. Your prescriber may be able to help identify medical references to support the requested use of the prescribed drug. A **medically accepted indication** is a use of the drug that is either approved by the Food and Drug Administration or supported by certain reference books.

Your drug may require approval from our plan based on certain criteria before we'll cover it. Refer to **Section C** in this chapter.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

A. Getting your prescriptions filled

A1. Filling your prescription at a network pharmacy

In most cases, we pay for prescriptions only when filled at any of our network pharmacies. A network pharmacy is a drug store that agrees to fill prescriptions for our plan members. You may use any of our network pharmacies. (Refer to **Section A8** for information about when we cover prescriptions filled at out-of-network pharmacies.)

To find a network pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website, or contact Member Services.

A2. Using your Member ID Card when you fill a prescription

To fill your prescription, **show your Member ID Card** at your network pharmacy. The network pharmacy bills us for your covered drug, or you can ask the pharmacy to look up your plan enrollment information.

If you don't have your Member ID Card with you when you fill your prescription, ask the pharmacy to call us to get the necessary information.

If the pharmacy can't get the necessary information, you may have to pay the full cost of the prescription when you pick it up. Then you can ask us to pay you back. **If you can't pay for the drug, contact Member Services right away.** We'll do everything we can to help.

- To ask us to pay you back, refer to **Chapter 7** of this *Evidence of Coverage*.
- If you need help getting a prescription filled, contact Member Services.

A3. What to do if you change your network pharmacy

If you change pharmacies and need a prescription refill, you can either ask to have a new prescription written by a provider or ask your pharmacy to transfer the prescription to the new pharmacy if there are any refills left.

If you need help changing your network pharmacy, contact Member Services.

A4. What to do if your pharmacy leaves the network

If the pharmacy you use leaves our plan's network, you need to find a new network pharmacy.

To find a new network pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website, or contact Member Services.

A5. Using a specialized pharmacy

Sometimes prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

Chapter 5. Getting your outpatient drugs

- Pharmacies that supply drugs for residents of a long-term care facility, such as a nursing facility.
 - Usually, long-term care facilities have their own pharmacies. If you're a resident of a long-term care facility, we make sure you can get the drugs you need at the facility's pharmacy.
 - If your long-term care facility's pharmacy isn't in our network or you have difficulty getting your drugs in a long-term care facility, contact Member Services.
- Pharmacies that serve the Indian Health Service/Tribal/Urban Indian Health Program. Except in emergencies, only Native Americans or Alaska Natives may use these pharmacies.
- Pharmacies that dispense drugs restricted by the FDA to certain locations or that require special handling, provider coordination, or education on their use. (Note: This scenario should happen rarely.) To find a specialized pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website, or contact Member Services.

A6. Using mail-order services to get your drugs

For certain kinds of drugs, you can use our plan's network mail-order services. Generally, drugs available through mail-order are drugs that you take on a regular basis for a chronic or long-term medical condition. Drugs available through our plan's mail-order service are marked as mail-order drugs on our *List of Covered Drugs*.

Our plan's mail-order service allows you to order up to a 100-day supply.

Filling prescriptions by mail

To get order forms and information about filling your prescriptions by mail, visit our website ([AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP)) or contact Member Services.

Usually, a mail-order prescription arrives within 10 days. If the mail-order pharmacy expects the order to be delayed, they will notify you of the delay. If you need to request a rush order because of a mail-order delay, you may contact Member Services to discuss options which may include filling at a local retail pharmacy or expediting the shipping method. Provide the representative with your ID number and prescription number(s). If you want second-day or next-day delivery of your medications, you may request this from the Member Services representative for an additional charge.

Mail-order processes

Mail-order service has different procedures for new prescriptions it gets from you, new prescriptions it gets directly from your provider's office, and refills on your mail-order prescriptions.

1. New prescriptions the pharmacy gets from you

The pharmacy automatically fills and delivers new prescriptions it gets from you.

2. New prescriptions the pharmacy gets from your provider's office

The pharmacy automatically fills and delivers new prescriptions it gets from health care providers, without checking with you first, if:

- You used mail-order services with our plan in the past, **or**
- You sign up for automatic delivery of all new prescriptions you get directly from health care

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

providers. You may ask for automatic delivery of all new prescriptions now or at any time by continuing to have your doctor send us your prescriptions. No special request is needed. Or you may contact Member Services to restart automatic deliveries if you previously stopped automatic deliveries.

If you used mail-order in the past and don't want the pharmacy to automatically fill and ship each new prescription, contact us by calling Member Services.

If you never used our mail-order delivery and/or decide to stop automatic fills of new prescriptions, the pharmacy contacts you each time it gets a new prescription from a health care provider to find out if you want the medication filled and shipped immediately.

- This gives you an opportunity to make sure the pharmacy is delivering the correct drug (including strength, amount, and form) and, if necessary, allows you to cancel or delay the order before it's shipped.
- Respond each time the pharmacy contacts you, to let them know what to do with the new prescription and to prevent any delays in shipping.

To opt out of automatic deliveries of new prescriptions you get directly from your health care provider's office, contact us by calling Member Services.

3. Refills on mail-order prescriptions

For refills of your drugs, you have the option to sign up for an automatic refill program. Under this program we start to process your next refill automatically when our records show you should be close to running out of your drug.

- The pharmacy contacts you before shipping each refill to make sure you need more medication, and you can cancel scheduled refills if you have enough medication or your medication has changed.
- If you choose not to use our auto refill program, contact your pharmacy 15 days before your current prescription will run out to make sure your next order is shipped to you in time.

To opt out of our program that automatically prepares mail-order refills, contact us by logging on to your [Caremark.com](https://www.caremark.com) account or by calling Member Services.

Let the pharmacy know the best ways to contact you so they can reach you to confirm your order before shipping. Provide the pharmacy with your current mailing address, email address and/or phone number(s) and any special mailing instructions you may require.

A7. Getting a long-term supply of drugs

You can get a long-term supply of maintenance drugs on our plan's *Drug List*. Maintenance drugs are drugs you take on a regular basis, for a chronic or long-term medical condition.

Some network pharmacies allow you to get a long-term supply of maintenance drugs. The *Provider and Pharmacy Directory* tells you which pharmacies can give you a long-term supply of maintenance drugs. You can also call Member Services for more information.

For certain kinds of drugs, you can use our plan's network mail-order services to get a long-term supply of maintenance drugs. Refer to **Section A6** to learn about mail-order services.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.AetnaMedicare.com/NJDSNP).

A8. Using a pharmacy not in our plan's network

Generally, we pay for drugs filled at an out-of-network pharmacy *only* when you aren't able to use a network pharmacy. We have network pharmacies outside of our service area where you can get prescriptions filled as a member of our plan. In these cases, check with Member Services first to find out if there's a network pharmacy nearby.

We pay for prescriptions filled at an out-of-network pharmacy in the following cases:

- The prescription is for a medical emergency or urgent care.
- You are unable to get a covered drug in a time of need because there are no 24-hour network pharmacies within a reasonable driving distance.
- The prescription is for a drug that is out of stock at an accessible network retail or mail service pharmacy (including high-cost and unique drugs).
- If you are evacuated or otherwise displaced from your home because of a Federal disaster or other public health emergency declaration.

If you do need to go to an out-of-network pharmacy for any of the reasons listed above, the plan will cover up to a 10-day supply of drugs.

A9. Paying you back for a prescription

If you must use an out-of-network pharmacy, you must generally pay the full cost when you get your prescription. You can ask us to pay you back.

To learn more about this, refer to **Chapter 7** of this *Evidence of Coverage*.

B. Our plan's Drug List

We have a *List of Covered Drugs*. We call it the “*Drug List*” for short.

We select the drugs on the *Drug List* with the help of a team of doctors and pharmacists. The *Drug List* also tells you the rules you need to follow to get your drugs.

We generally cover a drug on our plan's *Drug List* when you follow the rules we explain in this chapter.

B1. Drugs on our Drug List

Our *Drug List* includes drugs covered under Medicare Part D and some prescription and over-the-counter (OTC) drugs and products covered under NJ FamilyCare.

Our *Drug List* includes brand name drugs, generic drugs, and biological products (which may include biosimilars).

A brand name drug is a drug sold under a trademarked name owned by the drug manufacturer. Biological products are drugs that are more complex than typical drugs. On our *Drug List*, when we refer to “drugs” this could mean a drug or a biological product.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

Generic drugs have the same active ingredients as brand name drugs. Biological products have alternatives called biosimilars. Generally, generic drugs and biosimilars work just as well as brand name or original biological products and usually cost less. There are generic drug substitutes available for many brand name drugs and biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state law, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

Refer to **Chapter 12** for definitions of the types of drugs that may be on the *Drug List*.

Our plan also covers certain OTC drugs and products. Some OTC drugs cost less than prescription drugs and work just as well. For more information, call Member Services.

B2. How to find a drug on our *Drug List*

To find out if a drug you take is on our *Drug List*, you can:

- Visit our plan's website at [AetnaMedicare.com/NJDSNP-drug-formulary](https://www.aetna.com/membership/njdsnp-drug-formulary). The *Drug List* on our website is always the most current one.
- Call Member Services to find out if a drug is on our *Drug List* or to ask for a copy of the list.
- Use our “Real Time Benefit Tool” at [Caremark.com](https://www.caremark.com) to search for drugs on the *Drug List* to get an estimate of what you'll pay and if there are alternative drugs on the *Drug List* that could treat the same condition. You can also call Member Services.

B3. Drugs not on our *Drug List*

We don't cover all drugs.

- Some drugs aren't on our *Drug List* because the law doesn't allow us to cover those drugs.
- In other cases, we decided not to include a drug on our *Drug List*.
- In some cases, you may be able to get a drug that isn't on our *Drug List*. For more information refer to **Chapter 9**.

Our plan doesn't pay for the kinds of drugs described in this section. These are called **excluded drugs**. If you get a prescription for an excluded drug, you may need to pay for it yourself. If you think we should pay for an excluded drug because of your case, you can make an appeal. Refer to **Chapter 9** of this *Evidence of Coverage* for more information about appeals.

Here are three general rules for excluded drugs:

1. Our plan's outpatient drug coverage (which includes Medicare Part D and NJ FamilyCare drugs) can't pay for a drug that Medicare Part A or Medicare Part B already covers. Our plan covers drugs covered under Medicare Part A or Medicare Part B for free, but these drugs aren't considered part of your outpatient drug benefits.
2. Our plan can't cover a drug purchased outside the United States and its territories.
3. Use of the drug must be approved by the FDA or supported by certain medical references as a treatment for your condition. Your doctor or other provider may prescribe a certain drug to treat your condition, even though it wasn't approved to treat the condition. This is called “off-label use.”

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/membership/njdsnp).

Our plan usually doesn't cover drugs prescribed for off-label use.

Also, by law, Medicare or NJ FamilyCare can't cover the types of drugs listed below.

- Drugs used to promote fertility
- Drugs used for the relief of cough or cold symptoms
- Drugs used for cosmetic purposes or to promote hair growth
- Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations
- Drugs used for the treatment of sexual or erectile dysfunction
- Drugs used for the treatment of anorexia, weight loss, or weight gain
- Outpatient drugs made by a company that says you must have tests or services done only by them

C. Limits on some drugs

For certain drugs, special rules limit how and when our plan covers them. Generally, our rules encourage you to get a drug that works for your medical condition and is safe and effective. When a safe, lower-cost drug works just as well as a higher-cost drug, we expect your provider to prescribe the lower-cost drug.

Note that sometimes a drug may appear more than once in our *Drug List*. This is because the same drugs can differ based on the strength, amount, or form of the drug prescribed by your provider, and different restrictions may apply to the different versions of the drugs (for example, 10 mg versus 100 mg; one per day versus two per day; tablet versus liquid.)

If there's a special rule for your drug, it usually means that you or your provider must take extra steps for us to cover the drug. For example, your provider may have to tell us your diagnosis or provide results of blood tests first. If you or your provider thinks our rule shouldn't apply to your situation, ask us to use the coverage decision process to make an exception. We may or may not agree to let you use the drug without taking extra steps.

To learn more about asking for exceptions, refer to **Chapter 9** of this *Evidence of Coverage*.

1. Limiting use of a brand name drug or original biological products when respectively, a generic or interchangeable biosimilar version is available

Generally, a generic drug or interchangeable biosimilar works the same as a brand name drug or original biological product and usually costs less. In most cases, if there's a generic or interchangeable biosimilar version of a brand name drug or original biological product available, our network pharmacies give you respectively, the generic or interchangeable biosimilar version.

- We usually don't pay for the brand name drug or original biological product when there's an available generic version.
- However, if your provider told us the medical reason that the generic drug, interchangeable biosimilar, or other covered drugs that treat the same condition won't work for you, then we cover the brand name drug.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

2. Getting plan approval in advance

For some drugs, you or your prescriber must get approval from our plan before you fill your prescription. This is called prior authorization. This is put in place to ensure medication safety and help guide appropriate use of certain drugs. If you don't get approval, we may not cover the drug. Call Member Services at the number at the bottom of the page or on our website at [AetnaMedicare.com/NJDSNP-drug-formulary](https://www.aetna.com/pdfs/medicare/fide/njdsnp-drug-formulary.pdf) for more information about prior authorization.

3. Trying a different drug first

In general, we want you to try lower-cost drugs that are as effective before we cover drugs that cost more. For example, if Drug A and Drug B treat the same medical condition, and Drug A costs less than Drug B, we may require you to try Drug A first.

If Drug A doesn't work for you, then we cover Drug B. This is called step therapy. Call Member Services at the number at the bottom of the page or on our website at [AetnaMedicare.com/NJDSNP-drug-formulary](https://www.aetna.com/pdfs/medicare/fide/njdsnp-drug-formulary.pdf) for more information about step therapy.

4. Quantity limits

For some drugs, we limit the amount of the drug you can have. This is called a quantity limit. For example, if it's normally considered safe to take only one pill per day for a certain drug, we might limit how much of a drug you can get each time you fill your prescription.

To find out if any of the rules above apply to a drug you take or want to take, check our *Drug List*. For the most up-to-date information, call Member Services or check our website at [AetnaMedicare.com/NJDSNP-drug-formulary](https://www.aetna.com/pdfs/medicare/fide/njdsnp-drug-formulary.pdf). If you disagree with our coverage decision based on any of the above reasons you may request an appeal. Please refer to **Chapter 9** of this *Evidence of Coverage*.

D. Reasons your drug might not be covered

We try to make your drug coverage work well for you, but sometimes a drug may not be covered in the way that you like. For example:

- Our plan doesn't cover the drug you want to take. The drug may not be on our *Drug List*. We may cover a generic version of the drug but not the brand name version you want to take. A drug may be new, and we haven't reviewed it for safety and effectiveness yet.
- Our plan covers the drug, but there are special rules or limits on coverage. As explained in the section above, some drugs our plan covers have rules that limit their use. In some cases, you or your prescriber may want to ask us for an exception.

There are things you can do if we don't cover a drug the way you want us to cover it.

D1. Getting a temporary supply

In some cases, we can give you a temporary supply of a drug when the drug isn't on our *Drug List* or is limited in some way. This gives you time to talk with your provider about getting a different drug or to ask us to cover the drug.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/pdfs/medicare/fide/njdsnp-drug-formulary.pdf).

Chapter 5. Getting your outpatient drugs

To get a temporary supply of a drug, you must meet the two rules below:

1. The drug you've been taking:

- is no longer on our *Drug List* **or**
- was never on our *Drug List* **or**
- is now limited in some way.

2. You must be in one of these situations:

- You were in our plan last year.
 - We cover a temporary supply of your drug **during the first 90 days of the calendar year**.
 - This temporary supply is for up to 30 days.
 - If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your drug in small amounts at a time to prevent waste.
- You're new to our plan.
 - We cover a temporary supply of your drug **during the first 90 days of your membership in our plan**.
 - This temporary supply is for up to 30 days.
 - If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your drug in small amounts at a time to prevent waste.
- You've been in our plan for more than 90 days, live in a long-term care facility, and need a supply right away.
 - We cover one 31-day supply, or less if your prescription is written for fewer days. This is in addition to the temporary supply above.
 - If you experience a change in your setting of care (such as being discharged or admitted to a long-term care facility), your physician or pharmacy can request a one-time prescription override. This one-time override will provide you with a temporary supply (at least a 31-day supply) for applicable drug(s).

D2. Asking for a temporary supply

To ask for a temporary supply of a drug, call Member Services.

When you get a temporary supply of a drug, talk with your provider as soon as possible to decide what to do when your supply runs out. Here are your choices:

- Change to another drug.

Our plan may cover a different drug that works for you. Call Member Services to ask for a list of drugs we cover that treat the same medical condition. The list can help your provider find a covered drug that may work for you.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

OR

- Ask for an exception.

You and your provider can ask us to make an exception. For example, you can ask us to cover a drug that isn't on our *Drug List* or ask us to cover the drug without limits. If your provider says you have a good medical reason for an exception, they can help you ask for one.

D3. Asking for an exception

If a drug you take will be taken off our *Drug List* or limited in some way next year, we allow you to ask for an exception before next year.

- We tell you about any change in the coverage for your drug for next year. Ask us to make an exception and cover the drug for next year the way you would like.
- We answer your request for an exception within 72 hours after we get your request (or your prescriber's supporting statement).
- If we approve your request, we'll authorize coverage for the drug before the change takes effect.

To learn more about asking for an exception, refer to **Chapter 9** of this *Evidence of Coverage*.

If you need help asking for an exception, contact Member Services.

E. Coverage changes for your drugs

Most changes in drug coverage happen on January 1, but we may add or remove drugs on our *Drug List* during the year. We may also change our rules about drugs. For example, we may:

- Decide to require or not require prior authorization for a drug (permission from us before you can get a drug).
- Add or change the amount of a drug you can get (quantity limits).
- Add or change step therapy restrictions on a drug (you must try one drug before we cover another drug).
- Replace an original biological product with an interchangeable biosimilar version of the biological product.

We must follow Medicare requirements before we change our plan's *Drug List*. For more information on these drug rules, refer to **Section C**.

If you take a drug that we covered at the **beginning** of the year, we generally won't remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on our *Drug List* now, **or**
- we learn that a drug isn't safe, **or**
- a drug is removed from the market.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

What happens if coverage changes for a drug you're taking?

To get more information on what happens when our *Drug List* changes, you can always:

- Check our current *Drug List* online at [AetnaMedicare.com/NJDSNP-drug-formulary](https://www.aetna.com/membership/njdsnp-drug-formulary) or
- Call Member Services at the number at the bottom of the page to check our current *Drug List*.

Changes we may make to the *Drug List* that affect you during the current plan year

Some changes to the *Drug List* will happen immediately. For example:

- **A new generic drug becomes available.** Sometimes, a new generic drug or biosimilar comes on the market that works as well as a brand name drug or original biological product on the *Drug List* now. When that happens, we may remove the brand name drug and add the new generic drug. If you're taking a drug, you'll likely hear about any changes after they're made. When we add the new generic drug, we may also decide to keep the brand name drug on the list but change its coverage rules or limits.
 - We may not tell you before we make this change, but we'll send you information about the specific change we made once it happens.
 - You or your provider can ask for an "exception" from these changes. We'll send you a notice with the steps you can take to ask for an exception. Refer to **Chapter 9** of this *Evidence of Coverage* for more information on exceptions.

Removing unsafe drugs and other drugs that are taken off the market. Sometimes a drug may be found unsafe or taken off the market for another reason. If this happens, we may immediately take it off our *Drug List*. If you're taking the drug, we'll send you a notice after we make the change. Your prescriber will also know about this change, and can work with you to find another drug for your condition.

We may make other changes that affect the drugs you take. We tell you in advance about these other changes to our *Drug List*. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.

When these changes happen, we:

- Tell you at least 30 days before we make the change to our *Drug List* **or**
- Let you know and give you a 30-day supply of the drug after you ask for a refill.

This gives you time to talk to your doctor or other prescriber. They can help you decide:

- If there's a similar drug on our *Drug List* you can take instead **or**
- If you should ask for an exception from these changes to continue covering the drug or the version of the drug you've been taking. To learn more about asking for exceptions, refer to **Chapter 9** of this *Evidence of Coverage*.

Changes to the *Drug List* that don't affect you during this plan year

We may make changes to drugs you take that aren't described above and don't affect you now. For such changes, if you're taking a drug we covered at the **beginning** of the year, we generally don't remove or change coverage of that drug **during the rest of the year**.

For example, if we remove a drug you're taking or limit its use, then the change doesn't affect your use of the drug for the rest of the year.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/membership/njdsnp).

If any of these changes happen for a drug you're taking (except for the changes noted in the section above), the change won't affect your use until January 1 of the next year.

We won't tell you above these types of changes directly during the current year. You'll need to check the *Drug List* for the next plan year (when the list is available during the open enrollment period) to see if there are any changes that will impact you during the next plan year.

F. Drug coverage in special cases

F1. In a hospital or a skilled nursing facility for a stay that our plan covers

If you're admitted to a hospital or skilled nursing facility for a stay our plan covers, we generally cover the cost of your drugs during your stay. You won't pay a copay. Once you leave the hospital or skilled nursing facility, we cover your drugs as long as the drugs meet all of our coverage rules.

F2. In a long-term care facility

Usually, a long-term care facility, such as a nursing facility, has its own pharmacy or a pharmacy that supplies drugs for all of their residents. If you live in a long-term care facility, you may get your drugs through the facility's pharmacy if it's part of our network.

Check your *Provider and Pharmacy Directory* to find out if your long-term care facility's pharmacy is part of our network. If it's not or if you need more information, contact Member Services.

F3. In a Medicare-certified hospice program

Drugs are never covered by both hospice and our plan at the same time.

- You may be enrolled in a Medicare hospice and require certain drugs (e.g., pain, anti-nausea drugs, laxative, or anti-anxiety drugs) that your hospice doesn't cover because it's not related to your terminal prognosis and conditions. In that case, our plan must get notification from the prescriber or your hospice provider that the drug is unrelated before we can cover the drug.
- To prevent delays in getting any unrelated drugs that our plan should cover, you can ask your hospice provider or prescriber to make sure we have the notification that the drug is unrelated before you ask a pharmacy to fill your prescription.

If you leave hospice, our plan covers all of your drugs. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, take documentation to the pharmacy to verify that you left hospice.

Refer to earlier parts of this chapter that tell about drugs our plan covers. Refer to **Chapter 4** of this *Evidence of Coverage* for more information about the hospice benefit.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

G. Programs on drug safety and managing drugs

G1. Programs to help you use drugs safely

Each time you fill a prescription, we look for possible problems, such as drug errors or drugs that:

- may not be needed because you take another similar drug that does the same thing
- may not be safe for your age or gender
- could harm you if you take them at the same time
- have ingredients that you are or may be allergic to
- may be an error in the amount (dosage)
- have unsafe amounts of opioid pain medications

If we find a possible problem in your use of drugs, we work with your provider to correct the problem.

G2. Programs to help you manage your drugs

Our plan has a program to help members with complex health needs. In such cases, you may be eligible to get services, at no cost to you, through a medication therapy management (MTM) program. This program is voluntary and free. This program helps you and your provider make sure that your medications are working to improve your health. If you qualify for the program, a pharmacist or other health professional will give you a comprehensive review of all of your medications and talk with you about:

- how to get the most benefit from the drugs you take
- any concerns you have, like medication costs and drug reactions
- how best to take your medications
- any questions or problems you have about your prescription and over-the-counter medication

Then, they'll give you:

- A written summary of this discussion. The summary has a medication action plan that recommends what you can do for the best use of your medications.
- A personal medication list that includes all medications you take, how much you take, and when and why you take them.
- Information about safe disposal of prescription medications that are controlled substances.

It's a good idea to talk to your prescriber about your action plan and medication list.

- Take your action plan and medication list to your visit or anytime you talk with your doctors, pharmacists, and other health care providers.
- Take your medication list with you if you go to the hospital or emergency room.

MTM programs are voluntary and free to members who qualify. If we have a program that fits your needs, we enroll you in the program and send you information. If you don't want to be in the program, let us know, and we'll take you out of it.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

If you have questions about these programs, contact Member Services.

G3. Drug management program for safe use of opioid medications

Our plan has a program that can help members safely use their prescription opioid medications and other medications that are frequently misused. This program is called a Drug Management Program (DMP).

If you use opioid medications that you get from several prescribers or pharmacies or if you had a recent opioid overdose, we may talk to your prescribers to make sure your use of opioid medications is appropriate and medically necessary. Working with your prescribers, if we decide your use of prescription opioid or benzodiazepine medications isn't safe, we may limit how you can get those medications. Limitations may include:

- Requiring you to get all prescriptions for those medications from certain pharmacies and/or from certain prescribers
- Limiting the amount of those medications we'll cover for you

If we think that one or more limitations should apply to you, we send you a letter in advance. The letter will tell you if we'll limit coverage of these drugs for you, or if you'll be required to get the prescriptions for these drugs only from a specific provider or pharmacy.

You'll have a chance to tell us which prescribers or pharmacies you prefer to use and any information you think is important for us to know. If we decide to limit your coverage for these medications after you have a chance to respond, we send you another letter that confirms the limitations.

If you think we made a mistake, you disagree that you're at risk for prescription drug misuse, or you disagree with the limitation, you and your prescriber can make an appeal. If you make an appeal, we'll review your case and give you our decision. If we continue to deny any part of your appeal related to limitations to your access to these medications, we automatically send your case to an Independent Review Organization (IRO). (To learn more about appeals and the IRO, refer to **Chapter 9** of this *Evidence of Coverage*.)

The DMP may not apply to you if you:

- have certain medical conditions, such as cancer or sickle cell disease,
- are getting hospice, palliative, or end-of-life care, **or**
- live in a long-term care facility.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

Chapter 6: What you pay for your Medicare and NJ FamilyCare (Medicaid) drugs

Introduction

This chapter tells what you pay for your outpatient drugs. By “drugs,” we mean:

- Medicare Part D drugs, **and**
- Drugs and items covered under NJ FamilyCare (Medicaid).

Because you’re eligible for NJ FamilyCare, you get “Extra Help” from Medicare to help pay for your Medicare Part D drugs.

Extra Help is a Medicare program that helps people with limited incomes and resources reduce Medicare Part D drug costs, such as premiums, deductibles, and copays. Extra Help is also called the “Low-Income Subsidy,” or “LIS.”

Other key terms and their definitions appear in alphabetical order in the last chapter of this *Evidence of Coverage*.

To learn more about drugs, you can look in these places:

- Our *List of Covered Drugs*.
 - We call this the *Drug List*. It tells you:
 - which drugs we pay for
 - if there are any limits on the drugs
 - If you need a copy of our *Drug List*, call Member Services. You can also find the most current copy of our *Drug List* on our website at [AetnaMedicare.com/NJDSNP-drug-formulary](https://www.aetna.com/membership/njdsnp-drug-formulary).
- **Chapter 5** of this *Evidence of Coverage*.
 - It tells how to get your outpatient drugs through our plan.
 - It includes rules you need to follow. It also tells which types of drugs our plan doesn’t cover.
 - When you use the plan’s “Real Time Benefit Tool” to look up drug coverage (refer to **Chapter 5, Section B2**), the cost shown is an estimate of the out-of-pocket costs you’re expected to pay. You can call your Care Manager or Member Services for more information.
- Our *Provider and Pharmacy Directory*.
 - In most cases, you must use a network pharmacy to get your covered drugs. Network pharmacies are pharmacies that agree to work with us.
 - The *Provider and Pharmacy Directory* lists our network pharmacies. Refer to **Chapter 5** of this *Evidence of Coverage* for more information about network pharmacies.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/membership/njdsnp).

A. The *Explanation of Benefits* (EOB)

Our plan keeps track of your drug costs and the payments you make when you get prescriptions at the pharmacy. We track two types of costs:

- Your **out-of-pocket costs**. This is the amount of money you, or others on your behalf, pay for your prescriptions. This includes what you paid when you got a covered Part D drug, any payments for your drugs made by family or friends, any payments made for your drugs by Extra Help from Medicare, employer or union health plans, Indian Health Service, AIDS drug assistance programs, charities, and most State Pharmaceutical Assistance Programs (SPAPs).
- Your **total drug costs**. This is the total of all payments made for your covered Part D drugs. It includes what our plan paid, and what other programs or organizations paid for your covered Part D drugs.

When you get drugs through our plan, we send you a summary called the *Explanation of Benefits*. We call it the EOB for short. The EOB isn't a bill. The EOB has more information about the drugs you take. The EOB includes:

- **Information for the month.** The summary tells what drugs you got for the previous month. It shows the total drug costs, what we paid, and what others paid for you.
- **Totals for the year since January 1.** This shows the total drug costs and total payments for your drugs since the year began.
- **Drug price information.** This is the total price of the drug and changes in the drug price since the first fill for each prescription claim of the same quantity.

We offer coverage of drugs not covered under Medicare.

- To find out which drugs our plan covers, refer to our *Drug List*. In addition to the drugs covered under Medicare, some prescription and over-the-counter drugs are covered under NJ FamilyCare. These drugs are included in the *Drug List*.

B. How to keep track of your drug costs

To keep track of your drug costs and the payments you make, we use records we get from you and from your pharmacy. Here is how you can help us:

1. Use your Member ID Card.

Show your Member ID Card every time you get a prescription filled. This helps us know what prescriptions you fill and what you pay.

2. Make sure we have the information we need.

Give us copies of receipts for covered drugs that you paid for. You can ask us to pay you back for the drug.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.AetnaMedicare.com/NJDSNP).

Here are examples of when you should give us copies of your receipts:

- When you buy a covered drug at a network pharmacy at a special price or use a discount card that isn't part of our plan's benefit.
- When you pay a copay for drugs that you get under a drug maker's patient assistance program.
- When you buy covered drugs at an out-of-network pharmacy.
- When you pay the full price for a covered drug under special circumstances.

For more information about asking us to pay you back for a drug, refer to **Chapter 7** of this *Evidence of Coverage*.

3. Send us information about payments others make for you.

Payments made by certain other people and organizations also count toward your out-of-pocket costs. For example, payments made by a State Pharmaceutical Assistance Program, an AIDS drug assistance program (ADAP), the Indian Health Service, and most charities count toward your out-of-pocket costs.

4. Check the EOBs we send you.

When you get an EOB in the mail, make sure it's complete and correct.

- **Do you recognize the name of each pharmacy?** Check the dates. Did you get drugs that day?
- **Did you get the drugs listed?** Do they match those listed on your receipts? Do the drugs match what your doctor prescribed?

B1. What if you find mistakes on this summary?

If something is confusing or doesn't seem right on this EOB, please call us at Aetna Medicare FIDE (HMO D-SNP) Member Services. You can also find answers to many questions on our website:

[AetnaMedicare.com/NJDSNP](https://www.aetna.com/medicare/njdsnps).

B2. What about possible fraud?

If this summary shows drugs you're not taking or anything else that seems suspicious to you, please contact us.

- Call us at Aetna Medicare FIDE (HMO D-SNP) Member Services.
- Or call Medicare at 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)). TTY users should call [1-877-486-2048](tel:1-877-486-2048). You can call these numbers for free.

If you think something is wrong or missing, or if you have any questions, call Member Services. Keep these EOBs. They're an important record of your drug expenses.

C. You pay nothing for a one-month or long-term supply of drugs

With our plan, you pay nothing for covered drugs if you follow our rules. Refer to **Chapter 9** of this *Evidence of Coverage* to learn about how to file an appeal if you're told a drug won't be covered. To learn

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at [1-844-362-0934](tel:1-844-362-0934) (TTY: [711](tel:711)), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/medicare/njdsnps).

more about these pharmacy choices, refer to **Chapter 5** of this *Evidence of Coverage* and our *Provider and Pharmacy Directory*.

C1. Getting a long-term supply of a drug

For some drugs, you can get a long-term supply (also called an “extended supply”) when you fill your prescription. A long-term supply is up to a 100-day supply. There’s no cost to you for a long-term supply.

For details on where and how to get a long-term supply of a drug, refer to **Chapter 5** of this *Evidence of Coverage* or our *Provider and Pharmacy Directory*.

D. What you pay for Part D vaccines

Important Message About What You Pay for Vaccines: Some vaccines are considered medical benefits and are covered under Medicare Part B. Other vaccines are considered Medicare Part D drugs. You can find these vaccines listed in our *Drug List*. Our plan covers adult Medicare Part D vaccines at no cost to you.

D1. What you need to know before you get a vaccine

We recommend that you call Member Services if you plan to get a vaccine.

- We can tell you about how our plan covers your vaccine.
-

D2. What you pay for a vaccine covered by Medicare Part D

What you pay for a vaccine depends on the type of vaccine (what you're being vaccinated for).

- Some vaccines are considered health benefits rather than drugs. These vaccines are covered at no cost to you. To learn about coverage of these vaccines, refer to the Benefits Chart in **Chapter 4** of this *Evidence of Coverage*.
- Other vaccines are considered Medicare Part D drugs. You can find these vaccines on our plan’s Drug List. If the vaccine is recommended for adults by an organization called the **Advisory Committee on Immunization Practices (ACIP)** then the vaccine will cost you nothing.

Here are three common ways you might get a Medicare Part D vaccine.

1. You get the Medicare Part D vaccine and your shot at a network pharmacy.
 - For most adult Part D vaccines, you'll pay nothing.
 - For other Part D vaccines, you pay nothing for the vaccine.
 2. You get the Medicare Part D vaccine at your doctor’s office, and your doctor gives you the shot.
 - You pay nothing to the doctor for the vaccine.
 - Our plan pays for the cost of giving you the shot.
 - The doctor’s office should call our plan in this situation so we can make sure they know you have

to pay nothing for the vaccine.

3. You get the Medicare Part D vaccine medication at a pharmacy, and you take it to your doctor's office to get the shot.
 - For most adult Part D vaccines, you'll pay nothing for the vaccine itself.
 - For other Part D vaccines, you pay nothing for the vaccine.
 - Our plan pays for the cost of giving you the shot.

Chapter 7 Asking us to pay a bill you got for covered services or drugs

A. Asking us to pay for your services or drugs	119
B. Sending us a request for payment	121
C. Coverage decisions	121
D. Appeals	122

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

A. Asking us to pay for your services or drugs

You shouldn't get a bill for in-network services or drugs. Our network providers must bill the plan for your covered services and drugs after you get them. A network provider is a provider who works with the health plan.

We don't allow Aetna Medicare FIDE (HMO D-SNP) providers to bill you for these services or drugs. We pay our providers directly, and we protect you from any charges.

If you get a bill for health care or drugs, don't pay the bill and send the bill to us. To send us a bill, refer to **Section B**.

- If we cover the services or drugs, we'll pay the provider directly.
- If we cover the services or drugs and you already paid the bill, it's your right to be paid back.
 - If you paid for services covered by Medicare, we'll pay you back.
- If we don't cover the services or drugs, we'll tell you.

Contact Member Services if you have any questions. If you get a bill and you don't know what to do about it, we can help. You can also call if you want to tell us information about a request for payment you already sent to us.

Examples of times when you may need to ask us to pay you back or to pay a bill you got include:

1. When you get emergency or urgently needed health care from an out-of-network provider

Ask the provider to bill us.

- If you pay the full amount when you get the care, ask us to pay you back. Send us the bill and proof of any payment you made.
- You may get a bill from the provider asking for payment that you think you don't owe. Send us the bill and proof of any payment you made.
 - If the provider should be paid, we'll pay the provider directly.
 - If you already paid for the Medicare service, we'll pay you back.

2. When a network provider sends you a bill

Network providers must always bill us. It's important to show your Member ID Card when you get any services or prescriptions. But sometimes they make mistakes and ask you to pay for your services. **Call Member Services** at the number at the bottom of this page **if you get any bills**.

- Because we pay the entire cost for your services, you aren't responsible for paying any costs. Providers shouldn't bill you anything for these services.
- Whenever you get a bill from a network provider, send us the bill. We'll contact the provider directly and take care of the problem.
- If you already paid a bill from a network provider for Medicare-covered services, send us the bill and proof of any payment you made. We'll pay you back for your covered services.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

3. If you're retroactively enrolled in our plan

Sometimes your enrollment in the plan can be retroactive. (This means that the first day of your enrollment has passed. It may have even been last year.)

- If you were enrolled retroactively and you paid a bill after the enrollment date, you can ask us to pay you back.
- Send us the bill and proof of any payment you made.

4. When you use an out-of-network pharmacy to fill a prescription

If you use an out-of-network pharmacy, you pay the full cost of your prescription.

- In only a few cases, we'll cover prescriptions filled at out-of-network pharmacies. Send us a copy of your receipt when you ask us to pay you back.
- Refer to **Chapter 5** of this *Evidence of Coverage* to learn more about out-of-network pharmacies.
- We may not pay you back the difference between what you paid for the drug at the out-of-network pharmacy and the amount that we'd pay at an in-network pharmacy.

5. When you pay the prescription cost because you don't have your Member ID Card with you

If you don't have your Member ID Card with you, you can ask the pharmacy to call us or look up your plan enrollment information.

- If the pharmacy can't get the information right away, you may have to pay the full prescription cost yourself or return to the pharmacy with your Member ID Card.
- Send us a copy of your receipt when you ask us to pay you back.
- We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

6. When you pay the full prescription cost for a drug that's not covered

You may pay the full prescription cost because the drug isn't covered.

- The drug may not be on our *List of Covered Drugs (Drug List)* on our website, or it may have a requirement or restriction that you don't know about or don't think applies to you. If you decide to get the drug, you may need to pay the full cost.
 - If you don't pay for the drug but think we should cover it, you can ask for a coverage decision (refer to **Chapter 9** of this *Evidence of Coverage*).
 - If you and your doctor or other prescriber think you need the drug right away, (within 24 hours), you can ask for a fast coverage decision (refer to **Chapter 9** of this *Evidence of Coverage*).
- Send us a copy of your receipt when you ask us to pay you back. In some cases, we may need to get more information from your doctor or other prescriber to pay you back for the drug. We may not pay you back the full cost you paid if the price you paid is higher than our negotiated price for the prescription.

When you send us a request for payment, we review it and decide whether the service or drug should be covered. This is called making a "coverage decision." If we decide the service or drug should be covered, we pay for it.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

If we deny your request for payment, you can appeal our decision. To learn how to make an appeal, refer to **Chapter 9** of this *Evidence of Coverage*.

B. Sending us a request for payment

Send us your bill and proof of any payment you made for Medicare services or call us. Proof of payment can be a copy of the check you wrote or a receipt from the provider. **It's a good idea to make a copy of your bill and receipts for your records.** You must send your information to us within **12 months** of the date you received the service, item, or Part B drug.

To make sure you give us all the information we need to decide, you can fill out our claim form to ask for payment.

- You aren't required to use the form, but it helps us process the information faster.
- Call Member Services at **1-844-362-0934** (TTY users call **711**) and ask for the form.

For medical claims (including vaccines for preventing COVID-19, Flu/influenza, Pneumonia): Mail your request for payment together with any bills or receipts to this address:

Aetna Medicare FIDE (HMO D-SNP)
Aetna Duals COE Member Correspondence
PO Box 982980
El Paso, TX 79998

For Part D and Medicaid prescription drug claims (including vaccines for preventing shingles or chicken pox): Mail your request for payment together with any bills or paid receipts to this address:

Aetna Medicare FIDE (HMO D-SNP)
Aetna Integrated Pharmacy Solutions
PO Box 52446
Phoenix, AZ 85072

You must submit your claim to us within **36 months** of the date you got the Part D drug.

C. Coverage decisions

When we get your request for payment, we make a coverage decision. This means that we decide if our plan covers your service, item, or drug.

- We'll let you know if we need more information from you.
- If we decide that our plan covers the service, item, or drug and you followed all the rules for getting it, we'll pay for it. If you already paid for the service or drug, we'll mail you a check for what you paid. If you paid the full cost of a drug, you might not be reimbursed the full amount you paid (for example, if you got a drug at an out-of-network pharmacy or if the cash price you paid is higher than our negotiated price). If you haven't paid, we'll pay the provider directly.

Chapter 3 of this *Evidence of Coverage* explains the rules for getting your services covered. **Chapter 5** of this *Evidence of Coverage* explains the rules for getting your Medicare Part D drugs covered.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetnamedicare.com/NJDSNP).

- If we decide not to pay for the service or drug, we'll send you a letter with the reasons. The letter also explains your rights to make an appeal.
 - To learn more about coverage decisions, refer to **Chapter 9**.
-

D. Appeals

If you think we made a mistake in turning down your request for payment, you can ask us to change our decision. This is called “making an appeal.”

The formal appeals process has detailed procedures and deadlines. To learn more about appeals, refer to **Chapter 9** of this *Evidence of Coverage*:

- To make an appeal about getting paid back for a health care service, refer to **Section F**.
- To make an appeal about getting paid back for a drug, refer to **Section G**.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

 - Call Member Services or go to the *Provider and Pharmacy Directory* to learn more about network providers and which doctors are accepting new patients.

Chapter 9 of this *Evidence of Coverage* tells what you can do if you think you aren't getting your services or drugs within a reasonable amount of time. It also tells what you can do if we denied coverage for your services or drugs and you don't agree with our decision.

C. Our responsibility to protect your personal health information (PHI)

We protect your PHI as required by federal and state laws.

Your PHI includes the personal information you gave us when you enrolled in our plan. It also includes your medical records and other medical and health information.

You have rights when it comes to your information and controlling how your PHI is used. We give you a written notice that tells about these rights and explains how we protect the privacy of your PHI. The notice is called the "Notice of Privacy Practice."

C1. How we protect your PHI

We make sure that no unauthorized people look at or change your records.

Except for the cases noted below, we don't give your PHI to anyone not providing your care or paying for your care. If we do, we must get written permission from you first. You, or someone legally authorized to make decisions for you, can give written permission.

Sometimes we don't need to get your written permission first. These exceptions are allowed or required by law:

- We must release PHI to government agencies checking on our plan's quality of care.
- We must release PHI by court order.
- We must give Medicare your PHI including information about your Medicare Part D drugs. If Medicare releases your PHI for research or other uses, they do it according to federal laws.

C2. Your right to look at your medical records

- You have the right to look at your medical records and to get a copy of your records.
- You have the right to ask us to update or correct your medical records. If you ask us to do this, we work with your health care provider to decide if changes should be made.

routine.

If you have questions or concerns about the privacy of your PHI, call Member Services.

D. Our responsibility to give you information

As a member of our plan, you have the right to get information from us about our plan, our network providers, and your covered services.

If you don't speak English, we have interpreter services to answer questions you have about our plan. To get an interpreter, call Member Services. This is a free service to you. Many documents are also available in Spanish. We can also give you information in large print, braille, or audio, or other alternate formats at no cost if you need it. - Our plan, including:
 - financial information
 - how plan members have rated us
 - the number of appeals made by members
 - how to leave our plan
- Our network providers and our network pharmacies, including:
 - how to choose or change primary care providers
 - qualifications of our network providers and pharmacies
 - how we pay providers in our network
- Covered services and drugs, including:
 - services (refer to **Chapters 3 and 4** of this *Evidence of Coverage*) and drugs (refer to **Chapters 5 and 6** of this *Evidence of Coverage*) covered by our plan
 - limits to your coverage and drugs
 - rules you must follow to get covered services and drugs
- Why something isn't covered and what you can do about it (refer to **Chapter 9** of this *Evidence of Coverage*), including asking us to:
 - put in writing why something isn't covered
 - change a decision we made
 - pay for a bill you got
- New medical treatments: We are always considering new medical treatments. We want you to get safe, up-to-date, and high-quality medical care. A team of providers reviews new health care methods. They decide if they should become covered services. Services and treatments that are being researched and studied are not covered services. We take these steps to decide if new treatments will be a covered benefit or service:
 - Study the purpose of each new treatment

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

Chapter 8. Your rights and responsibilities

- Review medical studies and reports
 - Determine the impact of a new treatment
 - Develop guidelines on how and when to use the new treatment
-

E. Inability of network providers to bill you directly

Doctors, hospitals, and other providers in our network can't make you pay for covered services. They also can't balance bill or charge you if we pay less than the amount the provider charged. To learn what to do if a network provider tries to charge you for covered services, refer to **Chapter 7** of this *Evidence of Coverage*.

F. Your right to leave our plan

No one can make you stay in our plan if you don't want to.

- You have the right to get most of your health care services through Original Medicare or another Medicare Advantage (MA) plan.
 - You can get your Medicare Part D drug benefits from a drug plan or from another MA plan.
 - Refer to **Chapter 10** of this *Evidence of Coverage*:
 - For more information about when you can join a new MA or drug benefit plan.
 - For information about how you'll get your NJ FamilyCare benefits if you leave our plan.
-

G. Your right to make decisions about your health care

You have the right to full information from your doctors and other health care providers to help you make decisions about your health care.

G1. Your right to know your treatment choices and make decisions

Your providers must explain your condition and your treatment choices in a way that you can understand. You have the right to:

- **Know your choices.** You have the right to be told about all treatment options.
 - **Know the risks.** You have the right to be told about any risks involved. We must tell you in advance if any service or treatment is part of a research experiment. You have the right to refuse experimental treatments.
 - **Get a second opinion.** You have the right to use another doctor before deciding on treatment.
 - **Say no.** You have the right to refuse any treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to. You have the right to stop taking a prescribed drug. If you refuse treatment or stop taking a prescribed drug, we won't drop you from our plan. However, if you refuse treatment or stop taking a drug, you accept full responsibility for what happens to you.
-

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

- **Ask us to explain why a provider denied care.** You have the right to get an explanation from us if a provider denied care that you think you should get.
- **Ask us to cover a service or drug that we denied or usually don't cover.** This is called a coverage decision. **Chapter 9** of this *Evidence of Coverage* tells how to ask us for a coverage decision.

G2. Your right to say what you want to happen if you can't make health care decisions for yourself

Sometimes people can't make health care decisions for themselves. Before that happens to you, you can:

- Fill out a written form **giving someone the right to make health care decisions for you** if you ever can't make decisions for yourself.
- **Give your doctors written instructions** about how to handle your health care if you can't make decisions for yourself, including care you **don't** want.

The legal document you use to give your directions is called an "advance directive." There are different types of advance directives and different names for them. Examples are a living will and a power of attorney for health care.

You aren't required to have an advance directive, but you can. Here's what to do if you want to use an advance directive:

- **Get the form.** You can get the form from your doctor, a lawyer, a social worker, or some office supply stores. Pharmacies and provider offices often have the forms. You can find a free form online and download it. You can also contact Member Services to ask for the form.
- **Fill out the form and sign it.** The form is a legal document. Consider having a lawyer or someone else you trust, such as a family member or your PCP, help you complete it.
- **Give copies of the form to people who need to know.** Give a copy of the form to your doctor. You should also give a copy to the person you name to make decisions for you if you can't. You may want to give copies to close friends or family members. Keep a copy at home.
- If you're being hospitalized and you have a signed advance directive, **take a copy of it to the hospital.**
 - The hospital will ask if you have a signed advance directive form and if you have it with you.
 - If you don't have a signed advance directive form, the hospital has forms and will ask if you want to sign one.

You have the right to:

- Have your advance directive placed in your medical records.
- Change or cancel your advance directive at any time.

By law, no one can deny you care or discriminate against you based on whether you signed an advance directive. Call Member Services for more information.

G3. What to do if your instructions aren't followed

If you signed an advance directive and you think a doctor or hospital didn't follow the instructions in it, you can make a complaint with the state agency that oversees advance directives. To find the appropriate agency in your state, contact the SHIP program at **1-800-792-8820** (TTY: **711**). For more details about New Jersey State Health Insurance Assistance Program (SHIP), refer to Chapter 2.

You have the right to get information about appeals and complaints that other plan members have filed against us. Call Member Services to get this information.

You also have the right to make recommendations regarding our plan's policies related to member rights and responsibilities.

H1. What to do about unfair treatment or to get more information about your rights

- Member Services
- The SHIP program at [1-800-792-8820](tel:1-800-792-8820) (TTY: [711](tel:711)). For more details about the SHIP, refer to **Chapter 2, Section C**.

I. Your responsibilities as a plan member

As a plan member, you have a responsibility to do the things that are listed below. If you have any questions, call Member Services.

- **Read this *Evidence of Coverage*** to learn what our plan covers and the rules to follow to get covered services and drugs. For details about your:
 - Covered services, refer to **Chapters 3 and 4** of this *Evidence of Coverage*. Those chapters tell you what's covered, what isn't covered, what rules you need to follow, and what you pay.
 - Covered drugs, refer to **Chapters 5 and 6** of this *Evidence of Coverage*.
- **Tell us about any other health or drug coverage** you have. We must make sure you use all of your coverage options when you get health care. Call Member Services if you have other coverage.
- **Tell your doctor and other health care providers** that you're a member of our plan. Show your Member ID Card when you get services or drugs.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at [1-844-362-0934](tel:1-844-362-0934) (TTY: [711](tel:711)), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit AetnaMedicare.com/NJDSNP.

- **Help your doctors** and other health care providers give you the best care.
 - Give them information they need about you and your health. Learn as much as you can about your health problems and participate in developing mutually agreed-upon treatment goals, to the degree possible. Follow the treatment plans and instructions that you and your providers agree on.
 - Make sure your doctors and other providers know about all the drugs you take. This includes prescription drugs, over-the-counter drugs, vitamins, and supplements.
 - Ask any questions you have. Your doctors and other providers must explain things in a way you can understand. If you ask a question and you don't understand the answer, ask again.
- **Be considerate.** We expect all plan members to respect the rights of others. We also expect you to act with respect in your doctor's office, hospitals, and other provider offices.
- **Pay what you owe.** As a plan member, you're responsible for these payments:
 - **If you get any services or drugs that aren't covered by our plan, you must pay the full cost.** (Note: If you disagree with our decision to not cover a service or drug, you can make an appeal. Please refer to **Chapter 9** to learn how to make an appeal.)
- **Tell us if you move.** If you plan to move, tell us right away. Call Member Services.
 - **If you move outside of our service area, you can't stay in our plan.** Only people who live in our service area can be members of this plan. **Chapter 1** of this *Evidence of Coverage* tells about our service area.
 - We can help you find out if you're moving outside our service area. During a special enrollment period, you can switch to Original Medicare or enroll in a Medicare health or drug plan in your new location. We can tell you if we have a plan in your new area.
 - Tell Medicare and NJ FamilyCare your new address when you move. Refer to **Chapter 2** of this *Evidence of Coverage* for phone numbers for Medicare and NJ FamilyCare.
 - **If you move and stay in our service area, we still need to know.** We need to keep your membership record up to date and know how to contact you.
 - **If you move, tell Social Security (or the Railroad Retirement Board).**
- **Call Member Services for help if you have questions or concerns.**

A. What to do if you have a problem or concern

This chapter explains how to handle problems and concerns. The process you use depends on the type of problem you have. Use one process for **coverage decisions and appeals** and another for **making complaints** (also called grievances).

To ensure fairness and promptness, each process has a set of rules, procedures, and deadlines that we and you must follow.

A1. About the legal terms

There are legal terms in this chapter for some rules and deadlines. Many of these terms can be hard to understand, so we use simpler words in place of certain legal terms when we can. We use abbreviations as little as possible.

For example, we say:

- “Making a complaint” instead of “filing a grievance”
- “Coverage decision” instead of “organization determination,” “benefit determination,” “at-risk determination,” or “coverage determination”
- “Fast coverage decision” instead of “expedited determination”
- “Independent Review Organization” (IRO) instead of “Independent Review Entity” (IRE)

Knowing the proper legal terms may help you communicate more clearly, so we provide those too.

B. Where to get help

B1. For more information and help

Sometimes it’s confusing to start or follow the process for dealing with a problem. This can be especially true if you don’t feel well or have limited energy. Other times, you may not have the information you need to take the next step.

Help from our plan

You can call our plan at 1-844-362-0934 (TTY: [711](#)) to help deal with a problem or answer questions.

Help from the State Health Insurance Assistance Program (SHIP)

You can call the SHIP [1-800-792-8820](#) (TTY: [711](#)). You can also review their website at nj.gov/humanservices/doas/services/q-z/ship/. The SHIP counselors can answer your questions and help you understand what to do about your problem. The SHIP isn’t connected with us or with any insurance company or health plan. The SHIP has trained counselors in every county, and services are free. The SHIP phone number is [1-800-792-8820](#) (TTY: [711](#)).

Help and information from Medicare

For more information and help, you can contact Medicare. Here are two ways to get help from Medicare:

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at [1-844-362-0934](#) (TTY: [711](#)), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit AetnaMedicare.com/NJDSNP.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- Call 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)). TTY users call [1-877-486-2048](tel:1-877-486-2048).
- Visit the Medicare website ([Medicare.gov](https://www.Medicare.gov)).

Help and information from the NJ Department of Human Services, Division of Medical Assistance and Health Services (the New Jersey Medicaid program)

You can get help and information from the Division of Medical Assistance & Health Services (the New Jersey Medicaid program) by calling [1-800-701-0710](tel:1-800-701-0710) (TTY: [711](tel:711)). Their website can be found at state.nj.us/humanservices/dmahs/.

C. Understanding Medicare and NJ FamilyCare complaints and appeals in our plan

You have Medicare and NJ FamilyCare. Information in this chapter applies to **all** your Medicare and NJ FamilyCare benefits. This is sometimes called an “integrated process” because it combines, or integrates, Medicare and NJ FamilyCare processes.

Sometimes Medicare and NJ FamilyCare processes can't be combined. In those situations, you use one process for a Medicare benefit and another process for a NJ FamilyCare benefit. **Section F4** explains these situations.

D. Problems with your benefits

If you have a problem or concern, read the parts of this chapter that apply to your situation. The following chart helps you find the right section of this chapter for problems or complaints.

Is your problem or concern about your benefits or coverage?

This includes problems about whether particular medical care (medical items, services and/or Part B drugs) are covered or not, the way they're covered, and problems about payment for medical care.

Yes.	No.
My problem is about benefits or coverage.	My problem isn't about benefits or coverage.
Refer to Section E , “Coverage decisions and appeals.”	Refer to Section K , “How to make a complaint.”

E. Coverage decisions and appeals

The process for asking for a coverage decision and making an appeal deals with problems related to your benefits and coverage for your medical care (services, items and Part B drugs, including payment). To keep things simple we generally refer to medical items, services, and Part B drugs as **medical care**. You use the coverage decision and appeals process for issues such as whether something is covered or not and the way in which something is covered.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at [1-844-362-0934](tel:1-844-362-0934) (TTY: [711](tel:711)), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit AetnaMedicare.com/NJDSNP.

E1. Coverage decisions

A coverage decision is a decision we make about your benefits and coverage for your medical services or drugs. For example, if your plan network provider refers you to a medical specialist outside of the network, this referral is considered a favorable decision unless either your network provider can show that you received a standard denial notice for this medical specialist, or the referred service is never covered under any condition (refer to **Chapter 4, Section F** of this *Evidence of Coverage*).

You or your doctor can also contact us and ask for a coverage decision. You or your doctor may be unsure whether we cover a specific medical service or if we may refuse to provide medical care you think you need. **If you want to know if we'll cover a medical service before you get it, you can ask us to make a coverage decision for you.**

We make a coverage decision whenever we decide what's covered for you. In some cases, we may decide a service or drug isn't covered or is no longer covered for you by Medicare or NJ FamilyCare. If you disagree with this coverage decision, you can make an appeal.

E2. Appeals

If we make a coverage decision and you aren't satisfied with this decision, you can “appeal” the decision. An appeal is a formal way of asking us to review and change a coverage decision we made.

When you appeal a decision for the first time, this is called a Level 1 Appeal. In this appeal, we review the coverage decision we made to check if we followed all rules properly. Different reviewers than those who made the original unfavorable decision handle your appeal.

When we complete the review, we give you our decision. Under certain circumstances, explained later in this chapter, you can ask for an expedited or “fast coverage decision” or “fast appeal” of a coverage decision.

If we say **No** to part or all of what you asked for, we'll send you a letter. If your problem is about coverage of Medicare medical care, the letter will tell you that we sent your case to the Independent Review Organization (IRO) for a Level 2 Appeal. If your problem is about coverage of a Medicare Part D or Medicaid service or item, the letter will tell you how to file a Level 2 Appeal yourself. Refer to **Section F4** for more information about Level 2 Appeals. If your problem is about coverage of a service or item covered by both Medicare and Medicaid, the letter will give you information regarding both types of Level 2 Appeals.

If you aren't satisfied with the Level 2 Appeal decision, you may be able to go through additional levels of appeal.

E3. Help with coverage decisions and appeals

You can ask for help from any of the following:

- **Member Services** at the numbers at the bottom of the page.
- The State Health Insurance Assistance Program (SHIP), which can be reached at [1-800-792-8820](tel:1-800-792-8820) (TTY: [711](tel:711)).
- **Your doctor or other provider.** Your doctor or other provider can ask for a coverage decision or

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at [1-844-362-0934](tel:1-844-362-0934) (TTY: [711](tel:711)), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.AetnaMedicare.com/NJDSNP).

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

appeal on your behalf.

- **A friend or family member.** You can name another person to act for you as your “representative” and ask for a coverage decision or make an appeal.
- **A lawyer.** You have the right to a lawyer, but **you aren't required to have a lawyer** to ask for a coverage decision or make an appeal.
 - Call your own lawyer, or get the name of a lawyer from the local bar association or other referral service. Some legal groups will give you free legal services if you qualify.

Fill out the Appointment of Representative form if you want a lawyer or someone else to act as your representative. The form gives someone permission to act for you.

Call Member Services at the numbers at the bottom of the page and ask for the “Appointment of Representative” form. You can also get the form by visiting www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf. **You must give us a copy of the signed form.**

E4. Which section of this chapter can help you

There are four situations that involve coverage decisions and appeals. Each situation has different rules and deadlines. We give details for each one in a separate section of this chapter. Refer to the section that applies:

- **Section F**, “Medical care”
- **Section G**, “Medicare Part D drugs”
- **Section H**, “Asking us to cover a longer hospital stay”
- **Section I**, “Asking us to continue covering certain medical services” (This section only applies to these services: home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services.)

If you're not sure which section to use, call Member Services at the numbers at the bottom of the page. You can also get help or information from government organizations such as your SHIP program at [1-800-792-8820](tel:1-800-792-8820) (TTY: [711](tel:711)).

F. Medical care

This section explains what to do if you have problems getting coverage for medical care or if you want us to pay you back for your care.

This section is about your benefits for medical care that's described in **Chapter 4** of this *Evidence of Coverage* in the benefits chart. In some cases, different rules may apply to a Medicare Part B drug. When they do, we explain how rules for Medicare Part B drugs differ from rules for medical services and items.

F1. Using this section

This section explains what you can do in any of the five following situations:

1. You think we cover medical care you need but aren't getting.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at [1-844-362-0934](tel:1-844-362-0934) (TTY: [711](tel:711)), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit AetnaMedicare.com/NJDSNP.

What you can do: You can ask us to make a coverage decision. Refer to **Section F2**.

2. We didn't approve the medical care your doctor or other health care provider wants to give you, and you think we should.

What you can do: You can appeal our decision. Refer to **Section F3**.

3. You got medical care that you think we cover, but we won't pay.

What you can do: You can appeal our decision not to pay. Refer to **Section F5**.

4. You got and paid for medical care you thought we cover, and you want us to pay you back.

What you can do: You can ask us to pay you back. Refer to **Section F5**.

5. We reduced or stopped your coverage for certain medical care, and you think our decision could harm your health.

What you can do: You can appeal our decision to reduce or stop the medical care. Refer to **Section F4**.

- If the coverage is for hospital care, home health care, skilled nursing facility care, or CORF services, special rules apply. Refer to **Section H** or **Section I** to find out more.
- For all other situations involving reducing or stopping your coverage for certain medical care, use this section (**Section F**) as your guide.

F2. Asking for a coverage decision

When a coverage decision involves your medical care, it's called an **integrated organization determination**.

You, your doctor, or your representative can ask us for a coverage decision by:

- Calling: **1-844-362-0934** (TTY: **711**).
- Faxing: 1-833-322-0034.
- Writing:
Aetna Medicare FIDE (HMO D-SNP)
PO Box 818051
Cleveland, OH 44181-8051

Standard coverage decision

When we give you our decision, we use the "standard" deadlines unless we agree to use the "fast" deadlines. A standard coverage decision means we give you an answer within:

- **Seven calendar days** after we get your request **for a medical service or item that's subject to our prior authorization rules**.
- **14 calendar days** after we get your request **for all other** medical services or items,
- **72 hours** after we get your request **for a Medicare Part B drug**.

For a medical item or service, we can take up to 14 more calendar days if you ask for more time or if we need more information that may benefit you (such as medical records from out-of-network providers). If we take extra days to make the decision, we'll tell you in writing. **We can't take extra days if your request is for a Medicare Part B drug.**

If you think we **shouldn't** take extra days, you can make a "fast complaint" about our decision to take extra days. When you make a fast complaint, we give you an answer to your complaint within 24 hours. The

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

process for making a complaint is different from the process for coverage decisions and appeals. For more information about making a complaint, including a fast complaint, refer to **Section K**.

Fast coverage decision

The legal term for fast coverage decision is **expedited determination**.

When you ask us to make a coverage decision about your medical care and your health requires a quick response, ask us to make a “fast coverage decision.” A fast coverage decision means we'll give you an answer within:

- **72 hours** after we get your request **for a medical service or item**.
- **24 hours** after we get your request **for a Medicare Part B drug**.

For a medical item or service, we can take up to 14 more calendar days if we find information that may benefit you is missing (such as medical records from out-of-network providers) or if you need time to get us information for the review. If we take extra days to make the decision, we'll tell you in writing. **We can't take extra time if your request is for a Medicare Part B drug.**

If you think we **shouldn't** take extra days to make the coverage decision, you can make a “fast complaint” about our decision to take extra days. For more information about making a complaint, including a fast complaint, refer to **Section K**. We'll call you as soon as we make the decision.

To get a fast coverage decision, you must meet two requirements:

- You're asking for coverage for medical items and/or services that you **didn't get**. You can't ask for a fast coverage decision about payment for items or services you already got.
- Using the standard deadlines **could cause serious harm to your health** or hurt your ability to function.

We automatically give you a fast coverage decision if your doctor tells us your health requires it. If you ask without your doctor's support, we decide if you get a fast coverage decision.

- If we decide that your health doesn't meet the requirements for a fast coverage decision, we send you a letter that says so and we use the standard deadlines instead. The letter tells you:
 - We automatically give you a fast coverage decision if your doctor asks for it.
 - How you can file a “fast complaint” about our decision to give you a standard coverage decision instead of a fast coverage decision. For more information about making a complaint, including a fast complaint, refer to **Section K**.

If we say No to part or all of your request, we send you a letter explaining the reasons.

- If we say **No**, you have the right to make an appeal. If you think we made a mistake, making an appeal is a formal way of asking us to review our decision and change it.
- If you decide to make an appeal, you'll go on to Level 1 of the appeals process (refer to **Section F3**).

In limited circumstances we may dismiss your request for a coverage decision, which means we won't review the request. Examples of when a request will be dismissed include:

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

- if the request is incomplete,
- if someone makes the request on your behalf but isn't legally authorized to do so, **or**
- if you ask for your request to be withdrawn.

If we dismiss a request for a coverage decision, we'll send you a notice explaining why the request was dismissed and how to ask for a review of the dismissal. This review is called an appeal. Appeals are discussed in the next section.

F3. Making a Level 1 Appeal

To start an appeal related to a denied service or item, or to continue a service or item you're already receiving, you, your doctor, or your representative must contact us. Call us at **1-844-362-0934** (TTY: **711**).

Ask for a standard appeal or a fast appeal in writing or by calling us at **1-844-362-0934** (TTY: **711**).

- If your doctor or other prescriber asks to continue a service or item you're already getting during your appeal, you may need to name them as your representative to act on your behalf.
- If someone other than your doctor makes the appeal for you, include an Appointment of Representative form authorizing this person to represent you. You can get the form by visiting www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf.
- We can accept an appeal request without the form, but we can't begin or complete our review until we get it. If we don't get the form before our deadline for making a decision on your appeal:
 - We dismiss your request, and
 - We send you a written notice explaining your right to ask the IRO to review our decision to dismiss your appeal.
- You must ask for an appeal within 65 calendar days from the date on the letter we sent to tell you our decision.
- If you miss the deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good reasons are things like you had a serious illness or we gave you the wrong information about the deadline. Explain the reason why your appeal is late when you make your appeal.
- You have the right to ask us for a free copy of the information about your appeal. You and your doctor may also give us more information to support your appeal.

If your health requires it, ask for a fast appeal.

The legal term for "fast appeal" is "**expedited reconsideration.**"

- If you appeal a decision we made about coverage for care, you and/or your doctor decide if you need a fast appeal.

We automatically give you a fast appeal if your doctor tells us your health requires it. If you ask without your doctor's support, we decide if you get a fast appeal.

- If we decide that your health doesn't meet the requirements for a fast appeal, we send you a letter that says so and we use the standard deadlines instead. The letter tells you:
 - We automatically give you a fast appeal if your doctor asks for it.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit AetnaMedicare.com/NJDSNP.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- How you can file a “fast complaint” about our decision to give you a standard appeal instead of a fast appeal. For more information about making a complaint, including a fast complaint, refer to **Section K**.

If we tell you we're stopping or reducing services or items that you already get, you may be able to continue those services or items during your appeal.

- If we decide to change or stop coverage for a service or item that you get, we send you a notice before we take action.
- If you disagree with our decision, you can file a Level 1 Appeal.
- We continue covering the service or item if you ask for a Level 1 Appeal within ten calendar days of the date on our letter or by the intended effective date of the action, whichever is later.
 - If you meet this deadline, you'll get the service or item with no changes while your Level 1 appeal is pending.
 - You'll also get all other services or items (that aren't the subject of your appeal) with no changes.
 - If you don't appeal before these dates, then your service or item won't be continued while you wait for your appeal decision.

We consider your appeal and give you our answer.

- When we review your appeal, we take another careful look at all information about your request for coverage of medical care.
- We check if we followed all the rules when we said **No** to your request.
- We gather more information if we need it. We may contact you or your doctor to get more information.

There are deadlines for a fast appeal.

- When we use the fast deadlines, we must give you our answer **within 72 hours after we get your appeal**. We'll give you our answer sooner if your health requires it. If we deny a fast appeal we'll give you, your doctor, prescriber, or representative verbal confirmation of the denial.
- If you ask for more time or if we need more information that may benefit you, we **can take up to 14 more calendar days** if your request is for a medical item or service.
 - If we need extra days to make the decision, we tell you in writing.
 - If your request is for a Medicare Part B drug, we can't take extra time to make the decision.
 - If we don't give you an answer within 72 hours or by the end of the extra days we took, we must send your request to Level 2 of the appeals process. An IRO then reviews it. The IRO will notify you in writing when it gets your appeal. Later in this chapter, we tell you about this organization and explain the Level 2 appeals process. If your problem is about coverage of a Medicaid service or item, you can file a Level 2 appeal with the state yourself as soon as the time is up. In New Jersey, you have two options for Level 2 appeals. The first is called an IURO appeal. The IURO is the state's Independent Utilization Review Organization. The other option is called a Fair Hearing. **Section F4** includes a detailed explanation of these two options.
- **If we say Yes to part or all of your request**, we must authorize or provide the coverage we agreed to provide within 72 hours after we get your appeal.
- **If we say No to part or all of your request**, we send your appeal to the IRO for a Level 2 Appeal.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.AetnaMedicare.com/NJDSNP).

There are deadlines for a standard appeal.

- When we use the standard deadlines, we must give you our answer **within 30 calendar days** after we get your appeal for coverage for services you didn't get.
- If your request is for a Medicare Part B drug you didn't get, we give you our answer **within seven calendar days** after we get your appeal or sooner if your health requires it.
- If you ask for more time or if we need more information that may benefit you, we **can take up to 14 more calendar days** if your request is for a medical item or service.
 - If we need extra days to make the decision, we tell you in writing.
 - If your request is for a Medicare Part B drug, we can't take extra time to make the decision.
 - If you think we **shouldn't** take extra days, you can file a fast complaint about our decision. When you file a fast complaint, we give you an answer within 24 hours. For more information about making complaints, including fast complaints, refer to **Section K**.
 - If we don't give you an answer by the deadline or by the end of the extra days we took, we must send your request to Level 2 of the appeals process. An IRO then reviews it. The IRO will notify you in writing when it gets your appeal. Later in this chapter, we tell you about this organization and explain the Level 2 appeals process. If your problem is about coverage of a Medicaid service or item, you can file a Level 2 appeal with the state yourself as soon as the time is up. In New Jersey, you have two options for Level 2 appeals. The first is called an IURO appeal. The IURO is the state's Independent Utilization Review Organization. The other option is called a Fair Hearing. **Section F4** includes a detailed explanation of these two options.

If we say Yes to part or all of your request, we must authorize or provide the coverage we agreed to provide within 30 calendar days, or **within seven calendar days** if your request is for a Medicare Part B drug, after we get your appeal.

If we say **No** to part or all of your request, **you have additional appeal rights**:

- If we say **No** to part or all of what you asked for, we send you a letter.
- If your problem is about coverage of a Medicare service or item, the letter tells you that we sent your case to the IRO for a Level 2 Appeal.
- If your problem is about coverage of a NJ FamilyCare service or item, the letter tells you how to file a Level 2 Appeal yourself. The IRO will notify you in writing when it gets your appeal.

F4. Making a Level 2 Appeal

If we say **No** to part or all of your Level 1 Appeal, we send you a letter. This letter tells you if Medicare, NJ FamilyCare, or both programs usually cover the service or item.

- If your problem is about a service or item that Medicare usually covers, we automatically send your case to Level 2 of the appeals process as soon as the Level 1 Appeal is complete.
- If your problem is about a service or item that NJ FamilyCare usually covers, you can file a Level 2 Appeal yourself. The letter tells you how to do this. We also include more information later in this chapter.
- If your problem is about a service or item that **both Medicare and NJ FamilyCare** may cover, you automatically get a Level 2 Appeal with the IRO. You can also ask for a Fair Hearing with the state.

If you qualified for continuation of benefits when you filed your Level 1 Appeal, your benefits for the service, item, or drug under appeal may also continue during Level 2. Refer to **Section F3** for information

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

about continuing your benefits during Level 1 Appeals.

- If your problem is about a service usually covered only by Medicare, your benefits for that service don't continue during the Level 2 appeals process with the IRO.
- If your problem is about a service usually covered only by NJ FamilyCare, your benefits for that service continue if you submit a Level 2 Appeal within ten calendar days after getting our decision letter.

When your problem is about a service or item Medicare usually covers

The IRO reviews your appeal. It's an independent organization hired by Medicare.

The formal name for the Independent Review Organization (IRO) is the **Independent Review Entity**, sometimes called the **IRE**.

- This organization isn't connected with us and isn't a government agency. Medicare chose the company to be the IRO, and Medicare oversees their work.
- We send information about your appeal (your "case file") to this organization. You have the right to a free copy of your case file.
- You have a right to give the IRO additional information to support your appeal.
- Reviewers at the IRO take a careful look at all information related to your appeal.

If you had a fast appeal at Level 1, you also have a fast appeal at Level 2.

- If you had a fast appeal to us at Level 1, you automatically get a fast appeal at Level 2. The IRO must give you an answer to your Level 2 Appeal **within 72 hours** of getting your appeal.
- If your request is for a medical item or service and the IRO needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The IRO can't take extra time to make a decision if your request is for a Medicare Part B drug.

If you had a standard appeal at Level 1, you also have a standard appeal at Level 2.

- If you had a standard appeal to us at Level 1, you automatically get a standard appeal at Level 2.
- If your request is for a medical item or service, the IRO must give you an answer to your Level 2 Appeal **within 30 calendar days** of getting your appeal.
- If your request is for a Medicare Part B drug, the IRO must give you an answer to your Level 2 Appeal **within seven calendar days** of getting your appeal.
- If your request is for a medical item or service and the IRO needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The IRO can't take extra time to make a decision if your request is for a Medicare Part B drug.

The IRO gives you their answer in writing and explains the reasons.

- **If the IRO says Yes to part or all of a request for a medical item or service**, we must:
 - Authorize the medical care coverage **within 72 hours**, or
 - Provide the service within **14 calendar days** after we get the IRO's decision for **standard requests**, or
 - Provide the service **within 72 hours** from the date we get the IRO's decision for **expedited**

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

requests.

- **If the IRO says Yes to part or all of a request for a Medicare Part B drug, we must authorize or provide the Medicare Part B drug under dispute:**
 - **within 72 hours** after we get the IRO's decision for **standard requests**, or
 - **within 24 hours** from the date we get the IRO's decision for **expedited requests**.
- **If the IRO says No to part or all of your appeal**, it means they agree that we shouldn't approve your request (or part of your request) for coverage for medical care. This is called "upholding the decision" or "turning down your appeal."
 - If your case meets the requirements, you choose whether you want to take your appeal further.
 - There are three additional levels in the appeals process after Level 2, for a total of five levels.
 - If your Level 2 Appeal is turned down and you meet the requirements to continue the appeals process, you must decide whether to go on to Level 3 and make a third appeal. The details about how to do this are in the written notice you get after your Level 2 Appeal.
 - An Administrative Law Judge (ALJ) or attorney adjudicator handles a Level 3 Appeal. Refer to **Section J** for more information about Level 3, 4, and 5 Appeals.

When your problem is about a service or item Medicaid usually covers, or that's covered by both Medicare and NJ FamilyCare

A Level 2 Appeal for services that NJ FamilyCare usually covers gives you two options. One option is an appeal with the IURO, the state's Independent Utilization Review Organization. The second option is a Fair Hearing with the state. You must request an IURO appeal **within 60 calendar days** of the date we sent the decision letter on your Level 1 Appeal. You must ask for a Fair Hearing in writing or by phone **within 120 calendar days** of the date we sent the decision letter on your Level 1 Appeal. The letter you get from us tells you where to submit your request for a Fair Hearing.

How do I request an IURO appeal?

- The Independent Utilization Review Organization (IURO) is an independent organization that's hired by the State of New Jersey's Department of Banking and Insurance (DOBI). This organization isn't connected with us, and it isn't a government agency. This organization is chosen by the DOBI to serve as an independent reviewer for medical appeals, and the DOBI administers the IURO appeal process. A review by the IURO is also sometimes called an "IURO appeal" or an "External Appeal."
- The IURO will typically not review cases based on the following services:
 - assisted living program
 - assisted living services - when the denial isn't based on medical necessity
 - caregiver/participant training
 - chore services
 - community transition services
 - home based supportive care
 - home-delivered meals
 - personal care assistance (PCA)
 - respite (daily and hourly)
 - social day care

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- structured day program -- when the denial isn't based on medical necessity
- supported day services -- when the denial isn't based on the diagnosis of TBI
- The IURO appeal process is optional. You can request an IURO appeal, and wait to receive the IURO's decision, before you request a Fair Hearing. Or, you can request an IURO appeal and a Fair Hearing at the same time (the requests are made to two different organizations). **You aren't required to request an IURO appeal before requesting a Fair Hearing.**
- You can request an IURO appeal yourself, or it can be requested by your authorized representative (which includes your provider, if they're acting on your behalf with your written consent).
- You can request an IURO appeal by filling out the *External Appeal Application* form. A copy of the *External Appeal Application* form will be sent to you with the decision letter for your Level 1 Appeal. You must send this form to the following address **within 60 calendar days** of the date on the decision letter for your Level 1 appeal:

Maximus Federal – NJ IHCAP
3750 Monroe Avenue, Suite 705
Pittsford, NY 14534

You may also fax the form to **585-425-5296**, or request an appeal online at njihcap.maximus.com.

- If you're appealing because we told you we were going to stop or reduce services or items that you were already getting and you want to keep those services or items during your IURO appeal, you must request the IURO appeal **within ten calendar days** of the date on the decision letter for your Level 1 appeal.
- If the IURO reviews your case, it will reach a decision **within 45 calendar days** (or sooner, if your medical condition makes it necessary). If your IURO appeal is a “fast” appeal, the IURO will reach a decision **within 48 hours**.
- If you have questions about the IURO appeal process and/or need assistance with your application, you can call the New Jersey Department of Banking and Insurance toll-free at **1-888-393-1062** or **609-777-9470**, or email ihcap@dob.nj.gov. You can also ask Maximus Federal directly by emailing them at stateappealseast@maximus.com.

How do I request a Fair Hearing?

- You must ask for a Fair Hearing in writing **within 120 calendar days** of the date that we sent the decision letter on your Level 1 Appeal. The letter you get from us will tell you where to submit your hearing request.
- If you ask for an expedited, or “fast” Fair Hearing, and you meet all of the requirements for a “fast” hearing, a decision will be made within 72 hours of the agency's receipt of your hearing request.
- However, if you're appealing because we told you we were going to stop or reduce services or items that you were already getting and you want to keep those services or items during your Fair Hearing, you must request that your benefits be continued **in writing** on your Fair Hearing request, and you must send your request **within ten calendar days** of the date on the decision letter for your Level 1 appeal.

Or, if you asked for an IURO appeal and received an adverse decision before requesting a Fair

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit AetnaMedicare.com/NJDSNP.

Hearing, you must send this written request **within ten calendar days** of the date on the letter informing you of the adverse decision on your IURO appeal.

Please note that if you ask to have your services or items continue during a Fair Hearing and the final decision isn't in your favor, you may be required to pay for the cost of the services or items.

The Fair Hearing office gives you their decision in writing and explains the reasons.

- If the Fair Hearing office says **Yes** to part or all of a request for a medical item or service, we must authorize or provide the service or item **within 72 hours** after we get their decision.
- If the Fair Hearing office says **No** to part or all of your appeal, it means they agree that we shouldn't approve your request (or part of your request) for coverage for medical care. This is called "upholding the decision" or "turning down your appeal."

If the IRO or Fair Hearing office decision is **No** for all or part of your request, you have additional appeal rights.

If your Level 2 Appeal went to the **IRO**, you can appeal again only if the dollar value of the service or item you want meets a certain minimum amount. An ALJ or attorney adjudicator handles a Level 3 Appeal. **The letter you get from the IRO explains additional appeal rights you may have.**

The letter you get from the Fair Hearing office describes the next appeal option.

Refer to **Section J** for more information about your appeal rights after Level 2.

F5. Payment problems

We don't allow our network providers to bill you for covered services and items. This is true even if we pay the provider less than the provider charges for a covered service or item. You're never required to pay the balance of any bill.

If you get a bill for covered services and items, send the bill to us. Don't pay the bill yourself. We'll contact the provider directly and take care of the problem. If you do pay the bill, you can get a refund from our plan if you followed the rules for getting services or items.

For more information, refer to **Chapter 7** of this *Evidence of Coverage*. It describes situations when you may need to ask us to pay you back or pay a bill you got from a provider. It also tells how to send us the paperwork that asks us for payment.

If you ask to be paid back, you're asking for a coverage decision. We'll check if the service or item you paid for is covered and if you followed all the rules for using your coverage.

- If the service or item you paid for is covered and you followed all the rules, we'll send you the payment for the service or item typically within 30 calendar days, but no later than 60 calendar days after we get your request.
- If you haven't paid for the service or item yet, we'll send the payment directly to the provider. When we send the payment, it's the same as saying **Yes** to your request for a coverage decision.
- If the service or item isn't covered or you didn't follow all the rules, we'll send you a letter telling you

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

we won't pay for the service or item and explaining why.

If you don't agree with our decision not to pay, **you can make an appeal**. Follow the appeals process described in **Section F3**. When you follow these instructions, note:

- If you make an appeal for us to pay you back, we must give you our answer within 30 calendar days after we get your appeal.

If our answer to your appeal is **No** and **Medicare** usually covers the service or item, we'll send your case to the IRO. We'll send you a letter if this happens.

- If the IRO reverses our decision and says we should pay you, we must send the payment to you or to the provider within 30 calendar days. If the answer to your appeal is **Yes** at any stage of the appeals process after Level 2, we must send the payment to you or to the health care provider within 60 calendar days.
- If the IRO says **No** to your appeal, it means they agree that we shouldn't approve your request. This is called "upholding the decision" or "turning down your appeal." You'll get a letter explaining additional appeal rights you may have. Refer to **Section J** for more information about additional levels of appeal.

If our answer to your appeal is **No** and NJ FamilyCare usually covers the service or item, you can file a Level 2 Appeal yourself. Refer to **Section F4**, for more information.

G. Medicare Part D drugs

Your benefits as a member of our plan include coverage for many drugs. Most of these are Medicare Part D drugs. There are a few drugs that Medicare Part D doesn't cover that NJ FamilyCare may cover. **This section only applies to Medicare Part D drug appeals.** We'll say "drug" in the rest of this section instead of saying "Medicare Part D drug" every time.

To be covered, the drug must be used for a medically accepted indication. That means the drug is approved by the Food and Drug Administration (FDA) or supported by certain medical references. Refer to **Chapter 5** of this *Evidence of Coverage* for more information about a medically accepted indication.

G1. Medicare Part D coverage decisions and appeals

Here are examples of coverage decisions you ask us to make about your Medicare Part D drugs:

- You ask us to make an exception, including asking us to:
 - cover a Medicare Part D drug that isn't on our plan's *Drug List* or
 - set aside a restriction on our coverage for a drug (such as limits on the amount you can get)
- You ask us if a drug is covered for you (such as when your drug is on our plan's *Drug List* but we must approve it for you before we cover it)

NOTE: If your pharmacy tells you that your prescription can't be filled as written, the pharmacy gives you a written notice explaining how to contact us to ask for a coverage decision.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

An initial coverage decision about your Medicare Part D drugs is called a “**coverage determination**.”

- You ask us to pay for a drug you already bought. This is asking for a coverage decision about payment.

If you disagree with a coverage decision we made, you can appeal our decision. This section tells you both how to ask for coverage decisions and how to make an appeal. Use the chart below to help you.

Which of these situations are you in?			
You need a drug that isn't on our <i>Drug List</i> or need us to set aside a rule or restriction on a drug we cover.	You want us to cover a drug on our <i>Drug List</i> , and you think you meet plan rules or restrictions (such as getting approval in advance) for the drug you need.	You want to ask us to pay you back for a drug you already got and paid for.	We told you that we won't cover or pay for a drug in the way that you want.
You can ask us to make an exception. (This is a type of coverage decision.)	You can ask us for a coverage decision.	You can ask us to pay you back. (This is a type of coverage decision.)	You can make an appeal. (This means you ask us to reconsider.)
Start with Section G2 , then refer to Sections G3 and G4 .	Refer to Section G4 .	Refer to Section G4 .	Refer to Section G5 .

G2. Medicare Part D exceptions

If we don't cover a drug in the way you would like, you can ask us to make an “exception.” If we turn down your request for an exception, you can appeal our decision.

When you ask for an exception, your doctor or other prescriber needs to explain the medical reasons why you need the exception.

Asking for coverage of a drug not on our *Drug List* or for removal of a restriction on a drug is sometimes called asking for a **formulary exception**.

Here are some examples of exceptions that you or your doctor or other prescriber can ask us to make:

1. Covering a drug that isn't on our *Drug List*

2. Removing a restriction for a covered drug

- Extra rules or restrictions apply to certain drugs on our *Drug List* (refer to **Chapter 5** of this *Evidence of Coverage* for more information).
- Extra rules and restrictions for certain drugs include:

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- Being required to use the generic version of a drug instead of the brand name drug.
- Getting our approval in advance before we agree to cover the drug for you. This is sometimes called “prior authorization (PA).”
- Being required to try a different drug first before we agree to cover the drug you ask for. This is sometimes called “step therapy.”
- Quantity limits. For some drugs, there are restrictions on the amount of the drug you can have.
- Our *Drug List* often includes more than one drug for treating a specific condition. These are called “alternative” drugs.

G3. Important things to know about asking for an exception**Your doctor or other prescriber must tell us the medical reasons.**

Your doctor or other prescriber must give us a statement explaining the medical reasons for asking for an exception. For a faster decision, include this medical information from your doctor or other prescriber when you ask for the exception.

Our *Drug List* often includes more than one drug for treating a specific condition. These are called “alternative” drugs. If an alternative drug is just as effective as the drug you ask for and wouldn’t cause more side effects or other health problems, we generally **don’t** approve your exception request.

We can say Yes or No to your request.

- If we say **Yes** to your exception request, the exception usually lasts until the end of the calendar year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say **No** to your exception request, you can make an appeal. Refer to **Section G5** for information on making an appeal if we say **No**.

The next section tells you how to ask for a coverage decision, including an exception.

G4. Asking for a coverage decision, including an exception

- Ask for the type of coverage decision you want by calling [1-844-362-0934](tel:1-844-362-0934) (TTY: [711](tel:711)), writing, or faxing us. You, your representative, or your doctor (or other prescriber) can do this. Please include your name, contact information, and information about the claim.
- You or your doctor (or other prescriber) or someone else acting on your behalf can ask for a coverage decision. You can also have a lawyer act on your behalf.
- Refer to **Section E3** to find out how to name someone as your representative.
- You don’t need to give written permission to your doctor or other prescriber to ask for a coverage decision on your behalf.
- If you want to ask us to pay you back for a drug, refer to **Chapter 7** of this *Evidence of Coverage*.
- If you ask for an exception, give us a “supporting statement.” The supporting statement includes your doctor or other prescriber’s medical reasons for the exception request.
- Your doctor or other prescriber can fax or mail us the supporting statement. They can also tell us by phone and then fax or mail the statement.

If your health requires it, ask us for a “fast coverage decision.”

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at [1-844-362-0934](tel:1-844-362-0934) (TTY: [711](tel:711)), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

We use the “standard deadlines” unless we agree to use the “fast deadlines.”

- A **standard coverage decision** means we give you an answer within 72 hours after we get your doctor’s statement.
- A **fast coverage decision** means we give you an answer within 24 hours after we get your doctor’s statement.

A “**fast coverage decision**” is called an “**expedited coverage determination.**”

You can get a fast coverage decision if:

- It’s for a drug you didn’t get. You can’t get a fast coverage decision if you’re asking us to pay you back for a drug you already bought.
- Your health or ability to function would be seriously harmed if we use the standard deadlines.

If your doctor or other prescriber tells us that your health requires a fast coverage decision, we agree and give it to you. We send you a letter that tells you.

- If you ask for a fast coverage decision without support from your doctor or other prescriber, we decide if you get a fast coverage decision.
- If we decide that your medical condition doesn’t meet the requirements for a fast coverage decision, we use the standard deadlines instead.
 - We send you a letter that tells you. The letter also tells you how to make a complaint about our decision.
 - You can file a fast complaint and get a response within 24 hours. For more information making complaints, including fast complaints, refer to **Section K**.

Deadlines for a fast coverage decision

- If we use the fast deadlines, we must give you our answer within 24 hours after we get your request. If you ask for an exception, we give you our answer within 24 hours after we get your doctor’s supporting statement. We give you our answer sooner if your health requires it.
- If we don’t meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO. Refer to **Section G6** for more information about a Level 2 Appeal.
- If we say **Yes** to part or all of your request, we give you the coverage within 24 hours after we get your request or your doctor’s supporting statement.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how you can make an appeal.

Deadlines for a standard coverage decision about a drug you didn’t get

- If we use the standard deadlines, we must give you our answer within 72 hours after we get your request. If you ask for an exception, we give you our answer within 72 hours after we get your doctor’s supporting statement. We give you our answer sooner if your health requires it.
- If we don’t meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO.
- If we say **Yes** to part or all of your request, we give you the coverage within 72 hours after we get your request or your doctor’s supporting statement for an exception.

you how to make an appeal.

Deadlines for a standard coverage decision about a drug you already bought

- We must give you our answer within 14 calendar days after we get your request.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO.
- If we say **Yes** to part or all of your request, we pay you back within 14 calendar days.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how to make an appeal.

G5. Making a Level 1 Appeal

An appeal to our plan about a Medicare Part D drug coverage decision is called a plan **“redetermination.”**

- Start your **standard** or **fast appeal** by calling **1-844-362-0934 (TTY: 711)**, writing, or faxing us. You, your representative, or your doctor (or other prescriber) can do this. Please include your name, contact information, and information regarding your appeal.
- You must ask for an appeal **within 65 calendar days** from the date on the letter we sent to tell you our decision.
- If you miss the deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good reasons are things like you had a serious illness or we gave you the wrong information about the deadline. Explain the reason why your appeal is late when you make your appeal.
- You have the right to ask us for a free copy of the information about your appeal. You and your doctor may also give us more information to support your appeal.

If your health requires it, ask for a fast appeal.

A fast appeal is also called an **“expedited redetermination.”**

- If you appeal a decision we made about a drug you didn't get, you and your doctor or other prescriber decide if you need a fast appeal.
- Requirements for a fast appeal are the same as those for a fast coverage decision. Refer to **Section G4** for more information.

We consider your appeal and give you our answer.

- We review your appeal and take another careful look at all of the information about your coverage request.
- We check if we followed the rules when we said **No** to your request.
- We may contact you or your doctor or other prescriber to get more information.

Deadlines for a fast appeal at Level 1

- If we use the fast deadlines, we must give you our answer **within 72 hours** after we get your appeal.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934 (TTY: 711)**, 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

- We give you our answer sooner if your health requires it.
- If we don't give you an answer within 72 hours, we must send your request to Level 2 of the appeals process. Then an IRO reviews it. Refer to **Section G6** for information about the review organization and the Level 2 appeals process.
- If we say **Yes** to part or all of your request, we must provide the coverage we agreed to provide within 72 hours after we get your appeal.
- If we say **No** to part or all of your request, we send you a letter that explains the reasons and tells you how you can make an appeal.

Deadlines for a standard appeal at Level 1

- If we use the standard deadlines, we must give you our answer **within seven calendar days** after we get your appeal for a drug you didn't get.
- We give you our decision sooner if you didn't get the drug and your health condition requires it. If you believe your health requires it, ask for a fast appeal.
 - If we don't give you a decision within seven calendar days, we must send your request to Level 2 of the appeals process. Then an IRO reviews it. Refer to **Section G6** for information about the review organization and the Level 2 appeals process.

If we say **Yes** to part or all of your request:

- We must **provide the coverage** we agreed to provide as quickly as your health requires, but **no later than seven calendar days** after we get your appeal.
- We must **send payment to you** for a drug you bought within **30 calendar days** after we get your appeal.

If we say **No** to part or all of your request:

- We send you a letter that explains the reasons and tells you how you can make an appeal.
- We must give you our answer about paying you back for a drug you bought **within 14 calendar days** after we get your appeal.
 - If we don't give you a decision within 14 calendar days, we must send your request to Level 2 of the appeals process. Then an IRO reviews it. Refer to **Section G6** for information about the review organization and the Level 2 appeals process.
- If we say **Yes** to part or all of your request, we must pay you within 30 calendar days after we get your request.
- If we say **No** to part or all of your request, we send you a letter that explains the reasons and tells you how you can make an appeal.

G6. Making a Level 2 Appeal

If we say **No** to your Level 1 Appeal, you can accept our decision or make another appeal. If you decide to make another appeal, you use the Level 2 Appeal appeals process. The **IRO** reviews our decision when we said **No** to your first appeal. This organization decides if we should change our decision.

The formal name for the "Independent Review Organization" (IRO) is the **"Independent Review Entity,"** sometimes called the **"IRE."**

To make a Level 2 Appeal, you, your representative, or your doctor or other prescriber must contact the

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information,** visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

IRO in writing and ask for a review of your case.

- If we say **No** to your Level 1 Appeal, the letter we send you includes **instructions about how to make a Level 2 Appeal** with the IRO. The instructions tell who can make the Level 2 Appeal, what deadlines you must follow, and how to reach the organization.
- When you make an appeal to the IRO, we send the information we have about your appeal to the organization. This information is called your “case file.” **You have the right to a free copy of your case file.**
- You have a right to give the IRO additional information to support your appeal.

The IRO reviews your Medicare Part D Level 2 Appeal and gives you an answer in writing. Refer to **Section F4** for more information about the IRO.

Deadlines for a fast appeal at Level 2

If your health requires it, ask the IRO for a fast appeal.

- If they agree to a fast appeal, they must give you an answer **within 72 hours** after getting your appeal request.
- If they say **Yes** to part or all of your request, we must provide the approved drug coverage **within 24 hours** after getting the IRO’s decision.

Deadlines for a standard appeal at Level 2

If you have a standard appeal at Level 2, the IRO must give you an answer:

- **within seven calendar days** after they get your appeal for a drug you didn’t get.
- **within 14 calendar days** after getting your appeal for repayment for a drug you bought.

If the IRO says **Yes** to part or all of your request:

- We must provide the approved drug coverage **within 72 hours** after we get the IRO’s decision.
- We must pay you back for a drug you bought within 30 calendar days after we get the IRO’s decision.
- If the IRO says **No** to your appeal, it means they agree with our decision not to approve your request. This is called “upholding the decision” or “turning down your appeal.”

If the IRO says **No** to your Level 2 Appeal, you have the right to a Level 3 Appeal if the dollar value of the drug coverage you ask for meets a minimum dollar value. If the dollar value of the drug coverage you ask for is less than the required minimum, you can’t make another appeal. In that case, the Level 2 Appeal decision is final. The IRO sends you a letter that tells you the minimum dollar value needed to continue with a Level 3 Appeal.

If the dollar value of your request meets the requirement, you choose if you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2.
- If the IRO says **No** to your Level 2 Appeal and you meet the requirement to continue the appeals process, you:

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetnamedicare.com/NJDSNP).

- Decide if you want to make a Level 3 Appeal.
- Refer to the letter the IRO sent you after your Level 2 Appeal for details about how to make a Level 3 Appeal.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** for information about Level 3, 4, and 5 Appeals.

H. Asking us to cover a longer hospital stay

When you're admitted to a hospital, you have the right to get all hospital services that we cover that are necessary to diagnose and treat your illness or injury. For more information about our plan's hospital coverage, refer to **Chapter 4** of this *Evidence of Coverage*.

During your covered hospital stay, your doctor and the hospital staff work with you to prepare for the day when you leave the hospital. They also help arrange for care you may need after you leave.

- The day you leave the hospital is called your "discharge date."
- Your doctor or the hospital staff will tell you what your discharge date is.

If you think you're being asked to leave the hospital too soon or you're concerned about your care after you leave the hospital, you can ask for a longer hospital stay. This section tells you how to ask.

H1. Learning about your Medicare rights

Within two days after you're admitted to the hospital, someone at the hospital, such as a nurse or caseworker, will give you a written notice called "An Important Message from Medicare about Your Rights." Everyone with Medicare gets a copy of this notice whenever they're admitted to a hospital.

If you don't get the notice, ask any hospital employee for it. If you need help, call Member Services at the numbers at the bottom of the page. You can also call 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)) 24 hours a day, 7 days a week. TTY users should call [1-877-486-2048](tel:1-877-486-2048).

- **Read the notice** carefully and ask questions if you don't understand. The notice tells you about your rights as a hospital patient, including your rights to:
 - Get Medicare-covered services during and after your hospital stay. You have the right to know what these services are, who will pay for them, and where you can get them.
 - Be a part of any decisions about the length of your hospital stay.
 - Know where to report any concerns you have about the quality of your hospital care.
 - Appeal if you think you're being discharged from the hospital too soon.
- **Sign the notice** to show that you got it and understand your rights.
 - You or someone acting on your behalf can sign the notice.
 - Signing the notice **only** shows that you got the information about your rights. Signing **doesn't** mean you agree to a discharge date your doctor or the hospital staff may have told you.
- **Keep your copy** of the signed notice so you have the information if you need it.

If you sign the notice more than two days before the day you leave the hospital, you'll get another copy

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at [1-844-362-0934](tel:1-844-362-0934) (TTY: [711](tel:711)), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

before you're discharged. You can look at a copy of the notice in advance if you:

- Call Member Services at the numbers at the bottom of the page
- Call Medicare at 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)). TTY users should call [1-877-486-2048](tel:1-877-486-2048).
- Visit www.cms.gov/Medicare/Medicare-General-Information/BNI.

H2. Making a Level 1 Appeal

To ask for us to cover your inpatient hospital services for a longer time, make an appeal. The Quality Improvement Organization (QIO) reviews the Level 1 Appeal to find out if your planned discharge date is medically appropriate for you.

The QIO is a group of doctors and other health care professionals paid by the federal government. These experts check and help improve the quality for people with Medicare. They aren't part of our plan.

In New Jersey, the QIO is Commence Health. Call them at [1-866-815-5440](tel:1-866-815-5440) (TTY: [711](tel:711)). Contact information is also in the notice, "An Important Message from Medicare about Your Rights," and in **Chapter 2**.

Call the QIO before you leave the hospital and no later than your planned discharge date.

- **If you call before you leave**, you can stay in the hospital after your planned discharge date without paying for it while you wait for the QIO's decision about your appeal.
- **If you don't call to appeal**, and you decide to stay in the hospital after your planned discharge date, you may pay all costs for hospital care you get after your planned discharge date.

Ask for help if you need it. If you have questions or need help at any time:

- Call Member Services at the numbers at the bottom of the page.
- Call the State Health Insurance Assistance Program (SHIP) at [1-800-792-8820](tel:1-800-792-8820) (TTY: [711](tel:711)).

Ask for a fast review. Act quickly and contact the QIO to ask for a fast review of your hospital discharge.

The legal term for "**fast review**" is "**immediate review**" or "**expedited review**."

What happens during fast review

- Reviewers at the QIO ask you or your representative why you think coverage should continue after the planned discharge date. You aren't required to write a statement, but you may.
- Reviewers look at your medical information, talk with your doctor, and review information that the hospital and our plan gave them.
- By noon of the day after reviewers tell our plan about your appeal, you get a letter with your planned discharge date. The letter also gives reasons why your doctor, the hospital, and we think that's the right discharge date that's medically appropriate for you.

The legal term for this written explanation is the "**Detailed Notice of Discharge**." You can get a sample by calling Member Services at the numbers at the bottom of the page or 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)). (TTY users should call [1-877-486-2048](tel:1-877-486-2048)) You can also refer to a sample notice online at www.cms.gov/Medicare/Medicare-General-Information/BNI.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at [1-844-362-0934](tel:1-844-362-0934) (TTY: [711](tel:711)), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit AetnaMedicare.com/NJDSNP.

Within one full day after getting all of the information it needs, the QIO give you their answer to your appeal.

If the QIO says **Yes** to your appeal:

- We'll provide your covered inpatient hospital services for as long as the services are medically necessary.

If the QIO says **No** to your appeal:

- They believe your planned discharge date is medically appropriate.
- Our coverage for your inpatient hospital services will end at noon on the day after the QIO gives you their answer to your appeal.
- You may have to pay the full cost of hospital care you get after noon on the day after the QIO gives you their answer to your appeal.
- You can make a Level 2 Appeal if the QIO turns down your Level 1 Appeal **and** you stay in the hospital after your planned discharge date.

H3. Making a Level 2 Appeal

For a Level 2 Appeal, you ask the QIO to take another look at the decision they made on your Level 1 Appeal. Call them at [1-866-815-5440](tel:1-866-815-5440) (TTY: [711](tel:711)).

You must ask for this review **within 60 calendar days** after the day the QIO said **No** to your Level 1 Appeal. You can ask for this review **only** if you stay in the hospital after the date that your coverage for the care ended.

QIO reviewers will:

- Take another careful look at all of the information related to your appeal.
- Tell you their decision about your Level 2 Appeal within 14 calendar days of receipt of your request for a second review.

If the QIO says **Yes** to your appeal:

- We must pay you back for hospital care costs since noon on the day after the date the QIO turned down your Level 1 Appeal.
- We'll provide your covered inpatient hospital services for as long as the services are medically necessary.

If the QIO says **No** to your appeal:

- They agree with their decision about your Level 1 Appeal and won't change it.
- They give you a letter that tells you what you can do if you want to continue the appeals process and make a Level 3 Appeal.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** for information about Level 3, 4, and 5 Appeals.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at [1-844-362-0934](tel:1-844-362-0934) (TTY: [711](tel:711)), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetnamedicare.com/NJDSNP).

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)**I. Asking us to continue covering certain medical services**

This section is only about three types of services you may be getting:

- home health care services
- skilled nursing care in a skilled nursing facility, **and**
- rehabilitation care as an outpatient at a Medicare-approved CORF. This usually means you're getting treatment for an illness or accident or you're recovering from a major operation.

With any of these three types of services, you have the right to get covered services for as long as the doctor says you need them.

When we decide to stop covering any of these, we must tell you **before** your services end. When your coverage for that service ends, we stop paying for it.

If you think we're ending the coverage of your care too soon, **you can appeal our decision**. This section tells you how to ask for an appeal.

I1. Advance notice before your coverage ends

We send you a written notice that you'll get at least two days before we stop paying for your care. This is called the "Notice of Medicare Non-Coverage." The notice tells you the date when we'll stop covering your care and how to appeal our decision.

You or your representative should sign the notice to show that you got it. Signing the notice **only** shows that you got the information. Signing **doesn't** mean you agree with our decision.

I2. Making a Level 1 Appeal

If you think we're ending coverage of your care too soon, you can appeal our decision. This section tells you about the Level 1 Appeal process and what to do.

- **Meet the deadlines.** The deadlines are important. Understand and follow the deadlines that apply to things you must do. Our plan must follow deadlines too. If you think we're not meeting our deadlines, you can file a complaint. Refer to **Section K** for more information about complaints.
- **Ask for help if you need it.** If you have questions or need help at any time:
 - Call Member Services at the numbers at the bottom of the page.
 - Call the State Health Insurance Assistance Program (SHIP) at [1-800-792-8820](tel:1-800-792-8820) (TTY: [711](tel:711)).
- **Contact the QIO.**
 - Refer to **Section H2** or refer to **Chapter 2** of this *Evidence of Coverage* for more information about the QIO and how to contact them.
 - Ask them to review your appeal and decide whether to change our plan's decision.
- **Act quickly and ask for a "fast-track appeal".** Ask the QIO if it's medically appropriate for us to end coverage of your medical services.

Your deadline for contacting this organization

- You must contact the QIO to start your appeal by noon of the day before the effective date on the

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at [1-844-362-0934](tel:1-844-362-0934) (TTY: [711](tel:711)), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

“Notice of Medicare Non-Coverage” we sent you.

- If you miss the deadline for contacting the QIO, you can make your appeal directly to us instead. For details about how to do that, refer to Section 14.

The legal term for the written notice is **“Notice of Medicare Non-Coverage.”** To get a sample copy, call Member Services at the numbers at the bottom of the page or call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. Or get a copy online at www.cms.gov/Medicare/Medicare-General-Information/BNI.

What happens during a fast-track appeal

- Reviewers at the QIO ask you or your representative why you think coverage should continue. You aren’t required to write a statement, but you may.
- Reviewers look at your medical information, talk with your doctor, and review information that our plan gave them.
- Our plan also sends you a written notice that explains our reasons for ending coverage of your services. You get the notice by the end of the day the reviewers inform us of your appeal.

The legal term for the notice explanation is **“Detailed Explanation of Non-Coverage.”**

- Reviewers tell you their decision within one full day after getting all the information they need.

If the QIO says **Yes** to your appeal:

- We’ll provide your covered services for as long as they’re medically necessary.

If the QIO says **No** to your appeal:

- Your coverage ends on the date we told you.
- We stop paying the costs of this care on the date in the notice.
- You pay the full cost of this care yourself if you decide to continue the home health care, skilled nursing facility care, or CORF services after the date your coverage ends.
- You decide if you want to continue these services and make a Level 2 Appeal.

13. Making a Level 2 Appeal

For a Level 2 Appeal, you ask the QIO to take another look at the decision they made on your Level 1 Appeal. Call them at [1-866-815-5440](tel:1-866-815-5440) (TTY: [711](tel:711)).

You must ask for this review within **60 calendar days** after the day the QIO said **No** to your Level 1 Appeal. You can ask for this review **only** if you continue care after the date that your coverage for the care ended.

QIO reviewers will:

- Take another careful look at all of the information related to your appeal.

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at [1-844-362-0934](tel:1-844-362-0934) (TTY: [711](tel:711)), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit AetnaMedicare.com/NJDSNP.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- Tell you their decision about your Level 2 Appeal within 14 calendar days of receipt of your request for a second review.

If the QIO says **Yes** to your appeal:

- We pay you back for the costs of care you got since the date when we said your coverage would end.
- We'll provide coverage for the care for as long as it's medically necessary.

If the QIO says **No** to your appeal:

- They agree with our decision to end your care and won't change it.
- They give you a letter that tells you what you can do if you want to continue the appeals process and make a Level 3 Appeal.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** for information about Level 3, 4, and 5 Appeals.

J. Taking your appeal beyond Level 2

J1. Next steps for Medicare services and items

If you made a Level 1 Appeal and a Level 2 Appeal for Medicare services or items, and both of your appeals were turned down, you may have the right to additional levels of appeal.

If the dollar value of the Medicare service or item you appealed doesn't meet a certain minimum dollar amount, you can't appeal any further. If the dollar value is high enough, you can continue the appeals process. The letter you get from the IRO for your Level 2 Appeal explains who to contact and what to do to ask for a Level 3 Appeal.

Level 3 Appeal

Level 3 of the appeals process is an ALJ hearing. The person who makes the decision is an ALJ or an attorney adjudicator who works for the federal government.

If the ALJ or attorney adjudicator says **Yes** to your appeal, we have the right to appeal a Level 3 decision that's favorable to you.

A. When you can end your membership in our plan

Most people with Medicare can end their membership during certain times of the year. Since you have NJ FamilyCare, you have some choices to end your membership with our plan including any month of the year.

In addition, you may end your membership in our plan during the following periods each year:

- The **Open Enrollment Period**, which lasts from October 15 to December 7. If you choose a new plan during this period, your membership in our plan ends on December 31 and your membership in the new plan starts on January 1.
- The **Medicare Advantage (MA) Open Enrollment Period**, which lasts from January 1 to March 31 and also for new Medicare beneficiaries who are enrolled in a plan, from the month of entitlement to Part A and Part B until the last day of the 3rd month of entitlement. If you choose a new plan during this period, your membership in the new plan starts the first day of the next month.

There may be other situations when you're eligible to make a change to your enrollment. For example, when:

- you move out of our service area,
- your eligibility for NJ FamilyCare or Extra Help changed, **or**
- if you recently moved into, currently are getting care in, or just moved out of a nursing facility or a long-term care hospital.

Your membership ends on the last day of the month that we get your request to leave our plan. For example, if we get your request on January 18, your coverage with our plan ends on January 31. If you enroll in another plan, your new coverage begins the first day of the next month (February 1, in this example).

If you leave our plan, you can get information about your:

- Medicare options in the table in **Section C1**.
- Medicaid services in **Section C2**.

You can get more information about how you can end your membership by calling:

- Member Services at the number at the bottom of this page. The number for TTY users is listed too.

The main laws that apply are federal laws about the Medicare and NJ FamilyCare (Medicaid) programs. Other federal and state laws may apply too.

B. Notice about nondiscrimination

We don't discriminate or treat you differently because of your race, ethnicity, national origin, color, religion, sex, gender, age, sexual orientation, mental or physical disability, health status, claims experience, medical history, genetic information, evidence of insurability, or geographic location within the service area. All organizations that provide Medicare Advantage plans, like our plan, must obey Federal laws against discrimination, including Title VI of the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act, Section 1557 of the Affordable Care Act, all other laws that apply to organizations that get Federal funding, and any other laws and rules that apply for any other reason.

C. Notice about Medicare as a second payer and NJ FamilyCare as a payer of last resort

Sometimes someone else must pay first for the services we provide you. For example, if you're in a car accident or if you're injured at work, insurance or Workers Compensation must pay first.

We have the right and responsibility to collect for covered Medicare services for which Medicare isn't the first payer.

We comply with federal and state laws and regulations relating to the legal liability of third parties for health care services to members. We take all reasonable measures to ensure that NJ FamilyCare is the payer of last resort.

Urgently needed care: Care you get for an unforeseen illness, injury, or condition that isn't an emergency but needs care right away. You can get urgently needed care from out-of-network providers when you can't get to them because given your time, place, or circumstances, it isn't possible, or it's unreasonable to obtain services from network providers (for example when you're outside our plan's service area and you require medically needed immediate services for an unseen condition but it isn't a medical emergency).
