Aetna® Medicare FIDE (HMO D-SNP) Provider Notice: DMAHS EVV Training Dates

October 26th, 2026

The New Jersey Division of Medical Assistance and Health Services (DMAHS) is offering two provider training sessions on **Electronic Visit Verification (EVV) and upcoming compliance requirements**.

Beginning **January 1, 2027**, PCA and Home Health Services providers must electronically verify, without manual edits, at least 80% of visits subject to EVV requirements. Providers that manually edit or manually confirm more than 20% of applicable visits will be considered noncompliant, subject to certain excluded manual-edit reasons.

Providers are strongly encouraged to attend one of these sessions to learn more about the EVV compliance requirements and prepare for January 1, 2027.
