

NJFC Dentists Treating Adults with Intellectual and Developmental Disabilities Provider Directory

Aetna Better Health of New Jersey (ABHNJ) works with LIBERTY Dental Plan (LIBERTY) to provide members with dental care. The following is a directory of participating dental providers who treat members with intellectual and developmental disabilities (I/DD). A real-time directory can be found online by visiting the [ABHNJ Find a Provider webpage](https://www.aetnabetterhealth.com/newjersey/find-provider) ([aetnabetterhealth.com/newjersey/find-provider](https://www.aetnabetterhealth.com/newjersey/find-provider)) or directly at client.libertydentalplan.com/AetnaBetterHealth/FindaDentist.

This directory provides the address, hours of operation, contact information, languages spoken, and accommodation for I/DD members at each dental office listed. American Disability Act (ADA) compliance for a provider can also be found in the online directory for each dental office/clinic. The parent/caregiver/guardian should call the provider with specific questions and concerns associated with providing dental services to the IDD member. During the call specific information concerning the IDD patient should be discussed such as:

- Accommodations for wheelchair or stretcher bound patient
- Obtaining information for adaptive equipment and concerns with sensory triggers
- Desensitization visits – does the office provide this?
- Believe that the child/adult may be limited in their ability to tolerate dental care in the office

Members with complex dental problems and/ or special dental health care needs can request additional assistance in coordinating dental services by contacting LIBERTY's Member Services Department at **1-855-225-1727**. LIBERTY's Member Services is available Monday through Friday from 8 AM to 8 PM. Members can also contact their dedicated Care Manager and/or Aetna Member Services at **1-855-232-3596** (TTY: **711**), 24 hours a day, 7 days a week. Aetna Member Services can provide assistance in identifying a dentist to provide dental treatment to an I/DD child or adult, assistance with transportation, connecting you to a care manager, and help you better understand your benefits.

Covered Dental Benefits

Examples of covered services include (but are not limited to): oral examinations; x-rays and other diagnostic imaging; dental cleaning; topical fluoride treatments; fillings; crowns; root canal therapy; scaling and root planing; complete and partial dentures; oral surgical procedures (to include extractions); intravenous anesthesia/sedation (where medically necessary for oral surgical procedures). For a list of covered dental services, see "Covered Services" section in our member handbook.

Transportation Assistance

For members in need of transportation to dental visits, please call our transportation vendor, ModivCare at **1 (866) 527-9933**. You can also contact your assigned Care Manager or Aetna's Member Services Department at **1-855-232-3596** (TTY: **711**). Transportation appointments must be scheduled at least two business days in advance.

Dentistas de NJFC que tratan a adultos con discapacidades intelectuales y del desarrollo

Directorio de proveedores

Aetna Better Health of New Jersey (ABHNJ) trabaja con LIBERTY Dental Plan (LIBERTY) para brindarles atención dental a los miembros. A continuación, verá un directorio de proveedores dentales participantes que tratan a miembros con discapacidades intelectuales y del desarrollo (I/DD). Se puede encontrar un directorio en tiempo real en línea ingresando a la **[página web Find a Provider \(Encontrar un proveedor\) de ABHNJ](https://aetnabetterhealth.com/newjersey/find-provider)** (aetnabetterhealth.com/newjersey/find-provider) o directamente en client.libertydentalplan.com/AetnaBetterHealth/FindaDentist.

Este directorio indica la dirección, el horario de atención, la información de contacto, los idiomas que se hablan y las adaptaciones para los miembros con I/DD en cada consultorio dental enumerado. El cumplimiento de la Ley para Estadounidenses con Discapacidades (ADA) por parte de un proveedor también se puede encontrar en el directorio en línea para cada consultorio/clínica dental. El padre, la madre, un cuidador o un tutor deben llamar al proveedor con preguntas e inquietudes específicas relacionadas con la prestación de servicios dentales al miembro con I/DD. Durante la llamada, se analizará información específica sobre el paciente con I/DD, como la siguiente:

- Adaptaciones para pacientes que usan sillas de ruedas o camillas.
- Obtención de información sobre el equipo de adaptación e inquietudes sobre los desencadenantes sensoriales.
- Visitas de desensibilización: ¿el consultorio las ofrece?
- Consideración de que el niño/adulto podría tener capacidad limitada para tolerar la atención dental en el consultorio.

Los miembros con discapacidades intelectuales y del desarrollo, problemas dentales complejos o necesidades especiales de atención médica dental pueden solicitar más ayuda para coordinar los servicios dentales comunicándose con el Departamento de Servicios para Miembros de LIBERTY al **1-855-225-1727**. El horario de atención del Departamento de Servicios para Miembros de LIBERTY es de lunes a viernes, de 08:00 a. m. a 08:00 p. m.

Los miembros también pueden comunicarse con su administrador de atención exclusivo o con el Departamento de Servicios para Miembros de Aetna al **1-855-232-3596** (TTY: **711**), durante las 24 horas, los 7 días de la semana. El Departamento de Servicios para Miembros de Aetna puede brindar ayuda para identificar un dentista que proporcione tratamiento dental a un niño o adulto con I/DD, con el transporte, para conectarse con un administrador de atención y para que usted comprenda mejor sus beneficios.

Beneficios dentales cubiertos

Algunos ejemplos de servicios cubiertos son, entre otros, exámenes bucales; radiografías y otras imágenes de diagnóstico; limpiezas dentales; tratamientos con flúor tópico; empastes; coronas; tratamientos de conducto; raspados y pulidos radiculares; dentaduras postizas parciales y completas; procedimientos quirúrgicos bucales (incluidas las extracciones); anestesia/sedación intravenosa, o tratamiento en un quirófano o centro quirúrgico ambulatorio (cuando sea médicamente necesario). Puede recibir servicios adicionales de diagnóstico, preventivos y periodontales si presenta documentación de necesidad médica.
