Welcome

Welcome to the OhioRISE Plan (OhioRISE) by Aetna Better Health of Ohio. OhioRISE is a specialized Medicaid health plan for children and youth with complex behavioral health needs. This program provides behavioral healthcare services to eligible children and youth. Children and youth who are eligible for OhioRISE enrollment are under the age of 21 and demonstrate the need for additional behavioral health care as identified through the Ohio Children’s Initiative Child and Adolescent Needs and Strengths (CANS) assessment or a recent inpatient admission for mental health or substance use disorder services. OhioRISE expands access to in-home and community-based services to ensure eligible children and youth and their families have the tools and supports they need to grow and thrive.
Identification (ID) Cards

If you are enrolled in a managed care organization (MCO), you should have received a member ID card from your MCO that shows your OhioRISE enrollment. You will use this card for physical and behavioral health services. This card is good as long as you are a member of OhioRISE. Please contact your MCO if:

• You have not received your card yet.
• Any of the information on the card is wrong.
• You lose your card.

Ohio Medicaid managed care organizations (MCOs) can be contacted at:

If you are enrolled in fee-for-service (FFS) Medicaid, you should have received a member ID card from the Ohio Department of Medicaid (ODM) that shows your OhioRISE enrollment. You will use this card for your behavioral health services. This card is good as long as you are a member of OhioRISE. You will continue to use your fee-for-service (FFS) card for physical health services. Please contact the Medicaid Consumer Hotline at **1-800-324-8680 (TTY: 711)** if:

• You have not received your card yet.
• Any of the information on the card is wrong.
• You lose your card.

Always Keep Your ID Card(s) with You

You will need your card(s) when you:

• See a provider for counseling.
• Get psychological testing.
• Go to a hospital for inpatient psychiatric services.
• Get crisis intervention services.
Physical Healthcare

Your physical healthcare needs will be covered by your managed care organization (MCO) or fee-for-service Medicaid. These services include dental services, vision services, shots (immunizations), and visits to your primary care physician.

If you are a member of an MCO, refer to your member handbook or contact your MCO for information. If you are not a member of an MCO, contact the Medicaid Consumer Hotline at 1-800-324-8680 (TTY: 711) for information.

Member Services

OhioRISE Member Services is here to help you. We are here from 7 a.m. to 8 p.m. Monday through Friday. Our toll-free phone number is 1-833-711-0773 (TTY: 711).

Member Services can:
- Help you get services, find a provider, answer your questions, or solve a problem you may have with your care.
- Help with getting documents in other formats or languages.
- Update your personal information.
- Tell you about your benefits and services (what is covered and not covered).
- Help you with filing a complaint about your health plan, providers, etc.
- Help you in making appointments or arranging for transportation.

Finding a Provider

It is important to remember that you must receive services covered by OhioRISE from facilities and providers in the OhioRISE network. Providers in the OhioRISE network agree to work with your behavioral plan to give you needed care.

The only time you can use providers that are not in the OhioRISE network is for:
- Emergency services.
- Federally qualified health centers (FQHC)/ rural health clinics (RHC).
- An out of network provider that OhioRISE has approved you to see.

The Provider Directory lists all our network providers you can use to receive services. You can request a printed Provider Directory by calling Member Services at 1-833-711-0773 (TTY: 711) or by returning the flyer you received with your new member materials. You also can visit our website at AetnaBetterHealth.com/OhioRISE to view up-to-date provider network information. If you need help, call Member Services at 1-833-711-0773 (TTY: 711) from 7 a.m. to 8 p.m. Monday through Friday.
Care Coordination Services

OhioRISE offers care coordination services. Our care coordinators are experienced in working with children and youth and their families to improve member health. You will be assigned a care coordinator who knows what services are available through the OhioRISE program and your Medicaid managed care plan or fee-for-service Medicaid. Your care coordinator will also know about the services and programs offered in your local community.

Your care coordinator will provide you and your family with information on how to take care of yourself and how to get services. They also will work with your managed care organization, providers, and community organizations. You or your family can call OhioRISE if you have questions or want to speak with your care coordinator. Please contact Member Services at 1-833-711-0773 (TTY: 711) for help.

Care Coordination Tier Assignment

OhioRISE offers care coordination at a few levels called tiers. These tiers line up with your strengths and needs when you enroll in the OhioRISE program and they can be updated as your situation changes. You will be assigned an initial tier for care coordination based on your results from the Ohio Children’s Initiative Child and Adolescent Needs and Strengths (CANS).

OhioRISE’s care coordination tiers:
• Tier 3 – Intensive Care Coordination for children and youth with high behavioral health needs.
• Tier 2 – Moderate Care Coordination for children and youth with more moderate behavioral health needs.
• Tier 1 – Limited Care Coordination for children and youth who have lower behavioral health needs.

If you are placed in Tier 2 (moderate) or Tier 3 (intensive), your care coordination services will be provided by a Care Management Entity (CME). Care Management Entities (CMEs) are regional providers contracted with Aetna Better Health of Ohio to deliver care coordination. CMEs and their care coordinators are in the area where you live and know what services are available to you right in your community and throughout the state. They have experience working with child-serving agencies and will be your partner in care decisions to improve your health outcomes. If you are assigned to Tier 1 (limited), your care coordination will be provided directly by an Aetna Better Health of Ohio care coordinator.
Ohio Children’s Initiative Child and Adolescent Needs and Strengths (CANS)

The Ohio Children’s Initiative Child and Adolescent Needs and Strengths (CANS) is a tool used to determine your eligibility for OhioRISE and to help with your care coordination. It gathers you and your family’s story to understand your needs and strengths, and to help us determine the best ways to provide help. Your Ohio Children’s Initiative CANS assessment is updated regularly to aid with your ongoing care planning.

Roles of your Managed Care Organization (MCO)

If you are a member of a managed care organization (MCO), your physical health benefits are covered under that plan. This includes things like rides to healthcare visits and other general physical health benefits. Contact your MCO for questions about this coverage.

Your MCO will:

• Provide all non-behavioral healthcare to members (e.g., physical health, dental).
• Help with referrals, transitions of care, and care coordination.

The MCO care coordinators will:

• Be part of or provide information to the Child and Family Team (CFT) for care.
• Work with your care coordinator at Aetna Better Health of Ohio or the Care Management Entity (CME) to help with coordination efforts, such as arranging for physical health services and rides for healthcare visits.
• Participate in sharing information that supports care coordination activities.

If you are not a member of an MCO, contact the Ohio Medicaid Consumer Hotline for information on your other health benefits. Just call 1-800-324-8680 (TTY 711). You can get help Monday through Friday from 7 a.m. to 8 p.m. and Saturday from 8 a.m. to 5 p.m. Your Aetna Better Health of Ohio care coordinator will work with your Medicaid providers to make sure that you receive the care and services that are right for you.

Pharmacy Services (Prescription Drugs)

OhioRISE covers medications your doctor gives you in the office to treat mental health and substance use disorders. If you are an OhioRISE member, all other pharmacy services and benefits are provided through Gainwell Technologies. Their member support line is 1-833-491-0344 (TTY: 1-833-655-2437).

Emergency Services

It is important to remember that you must receive services covered by OhioRISE from facilities and/or providers in the Aetna network. The only time you can use a provider not in our network is if you have an emergency.

• Call your doctor.
• Contact your Medicaid managed care organization’s 24-hour nurse line. Your MCO’s nurse line is available to help answer your medical questions. This number is available 24 hours a day, 7 days a week and is staffed by medical professionals. Please look on your Medicaid ID card for the number of your Medicaid managed care organization’s nurse line. If you need help getting this information, you can call OhioRISE Member Services toll free at 1-833-711-0773 (TTY: 711).
• Call the Ohio CareLine State Behavioral Health Crisis Hotline at 1-800-720-9616. They can talk to you about your medical problem and give you advice on what you should do.
• Reach the Mobile Response and Stabilization Services (MRSS) at 1-888-418-MRSS (6777) in your region. MRSS services can come to you wherever you are located.

Transportation

If you must travel 30 miles or more from your home to receive covered healthcare services and you need help getting to your appointment, your managed care organization (MCO) can provide transportation to and from the provider’s office. Call your MCO for more information and to schedule a ride.

If you are not enrolled in an MCO, the County Department of Job and Family Services (CDJFS) can provide transportation through the Non-Emergency Transportation (NET) program. Call your CDJFS for more information and to schedule a ride.

Your OhioRISE care coordinator can help with transportation issues, like scheduling a ride. Please contact OhioRISE Member Services at 1-833-711-0773 (TTY: 711) for assistance.
