- The first column lists the drug name.
- The second column describes what change occurred to the coverage of the drug in the first column and includes any special requirements.
- The third column explains why we made the change. If we remove a drug from the formulary then we will provide you information on the name of the alternative drug covered on the formulary (see the fourth column).
- The fourth column includes possible formulary alternatives that you could consider with your doctor. Alternative drugs are drugs in the same therapeutic category/class as the affected drug. Only your doctor can determine alternative drugs that are appropriate for you given the individualized nature of the drug therapy. Please talk to your doctor about any changes or recommendations to your medical care and prescription drug therapy. Alternative drugs and additional information about formulary changes can be found on the plan formulary.

What if you disagree with these changes?

A coverage decision is a decision we make about your benefits and coverage. We are making a coverage decision for you whenever we decide what is covered for you. If you disagree with our decision to remove a drug, you may file a grievance with us. If you disagree with any of the coverage decisions we have made, you can make an appeal. If a drug is not covered in the way you would like it to be covered, you can ask us to make an “exception.”

An exception is a type of coverage decision. Similar to other types of coverage decisions, if we turn down your request for an exception, you can appeal our decision. To make an exception, your doctor or other prescriber must give us a statement that explains the medical reasons for requesting an exception.

Please refer to the Chapter 8 of your Evidence of Coverage, titled *What to do if you have a problem or complaint (coverage decisions, appeals, complaints)* for more information on how to request a coverage decision, exception, grievance, or to appeal any of the changes we have made to the formulary.

If you have any questions or would like assistance in requesting a coverage decision, exception, grievance, or appeal, please call Member Services at **1-844-362-0934 (TTY: 711)**, from October 1 – March 31; 8 AM to 8 PM, seven days a week, Monday - Friday, from April 1 - September 30. You may also send coverage decision, grievance, and appeal requests to 4500 E. Cotton Center Blvd., Phoenix, AZ, 85040.

Note: This is not a complete list of drugs covered by our plan. See the List of Coverage Drugs (Formulary).

The formulary, pharmacy network, and/or provider network may change at any time. You will receive notice when necessary.

Aetna Assure Premier Plus (HMO D-SNP) is a Fully Integrated Dual Eligible Special Needs Plan with a Medicare contract and a contract with the New Jersey Medicaid program. Enrollment in Aetna Assure Premier Plus depends on contract renewal. See Evidence of Coverage for a complete description of plan benefits, exclusions, limitations, and conditions of coverage.
