Welcome to Aetna Better Health® of Louisiana

This provider directory lists doctors, hospitals, clinics, and other providers that work with Aetna Better Health of Louisiana. This book will help you get health care services. You can call Member Services at **1-855-242-0802 (TTY: 711)**, 24 hours a day, 7 days a week for a hard copy of this Provider Directory. We will help you find a provider. You can also view available providers online at **AetnaBetterHealth.com/Louisiana** or through our mobile app, Aetna Better Health.

We continue to add new providers to our list. Having the provider's name in this book does not mean that they will stay with us. It also does not mean that they are taking new patients. To get the most current information on providers, go to our website. Or you can call us.

If there is a provider you would like to join the plan, call us. We may be able to add them. You will not be able to use that provider until they are part of our plan.

Some providers may not perform a certain service based on religious or moral beliefs.

How to use the provider directory
Providers are listed by parish and specialty. To find a provider near you, look for your parish.*See **www.mcnala.net** for MCNA Dental or **www.DentaQuest.com** for DentaQuest for Medicaid covered dental services.

If you would like more information about a provider, you may contact the:

- Provider's office
- American Board of Medical Specialties (ABMS) **www.abms.org**
- American Medical Association **www.ama-assn.org**

All providers speak English. Other languages spoken are listed. Please call **1-855-242-0802 (TTY: 711)** if you need help in another language. We will get you an interpreter in your language.

Your Primary Care Provider (PCP)
This is your main doctor or caregiver that you picked when you enrolled with us.

- Your PCP will help you get all the covered services you need.
- Tell your PCP about any health problems you have.
- Your PCP will get to know your health history.
- Check with your PCP before you get services from other providers.

Choose your PCP

- You will need to pick a PCP.
- Each eligible family member does not have to have the same PCP.
- If you do not pick a PCP, we will pick one for you.
- You can call us toll free at **1-855-242-0802**, **(TTY: 711)**, 24 hours a day, 7 days a week if you have questions about choosing or changing your PCP.

Aetna Better Health of Louisiana promotes member's freedom of choice within our network in selecting a PCP.

It's OK to change your PCP
It's important that you're comfortable with your PCP. We want you and your doctor to work together. There may be a time when you want to change your PCP. That's OK. Just call Member Services at **1-855-242-0802 (TTY: 711)**.

Specialty care
Specialty care comes from providers who treat certain problems. These providers are called specialists. Some kinds of special health care needs mean that you must visit a specialist instead of your PCP. Your PCP will send you to a specialist if you need one. For most health care, the specialist will only see you if your PCP sends you. If you have questions, call us Member Services.

Behavioral health providers
Behavioral health providers are found in their own section alphabetically under their specialty/service types.

Making appointments
If you need help scheduling an appointment with your PCP, call Member Services at **1-855-242-0802 (TTY: 711)** 24 hours a day, 7 days a week.

- **Preventive care** - Call your provider to make an appointment for preventive care. You can expect to be seen within six (6) weeks.
- **Urgent care** - You can expect to be seen by the provider within 72 hours or sooner for non urgent sick visits. Or within 24 hours when you need immediate attention, but your symptoms are not life threatening.
- **Non urgent behavioral health** - You can expect to be seen by the provider within 14 days.

Emergency-When you need emergency care, **call 911** or go to the closest hospital. The hospital DOES NOT need to be in our network. You don't need preapproval for emergency transportation or emergency care in the hospital.

Don't be a No Show. It is important to show up for your appointments. Not showing up for your scheduled appointments causes problems. If you can't go to your appointment, you must call your provider's office 24 hours before the appointment time to cancel.

After hours care
Except in an emergency, if you get sick after your PCP's office is closed, or on a weekend, call the office anyway. An answering service will make sure your PCP gets your message. A PCP will call you back to tell you what to do. Be sure your phone accepts blocked calls. Otherwise, your PCP may not be able to reach you. You can even call your PCP in the middle of the night. You might have to leave a message with the answering service. It may take a while, but your PCP or a provider on call will call you back to tell you what to do.

If you are having an emergency, you should ALWAYS call **911** or go to the nearest emergency room.

24-Hour Nurse Line
We also have a nurse line available to help answer your medical questions. It is staffed by medical professionals. Call **1-855-242-0802 (TTY: 711)**. Listen for the option for the nurse line.

Mobile app
Now you can find a provider, view your handbook, check claims, order or view your ID card and see your current medications on your smartphone. You can also send us a secure message to change your provider. Download the Aetna Better Health mobile app today.

Bienvenido a Aetna Better Health® de Louisiana

Este Directorio de proveedores enumera los médicos, hospitales, clínicas, farmacias y otros proveedores que trabajan con Aetna Better Health of Louisiana. Este libro le ayudará a obtener servicios de atención médica. También puede llamar al número gratuito **1-855-242-0802, (TTY: 711)**, las 24 horas del día, los 7 días de la semana para obtener una copia del directorio de proveedores. Le ayudaremos a encontrar un proveedor. También puede ver los proveedores disponibles en línea en **AetnaBetterHealth.com/Louisiana** o a través de nuestra aplicación móvil, Aetna Better Health.

Seguimos agregando nuevos proveedores a nuestra lista. Tener el nombre del proveedor en este libro no significa que permanecerá con nosotros. Tampoco significa que estén aceptando nuevos pacientes. Para obtener la información más actualizada sobre los proveedores, visite nuestro sitio web. O puede llamarnos.

Si hay un proveedor al que le gustaría unirse al plan, llámenos. Es posible que podamos agregarlos. No podrá usar ese proveedor hasta que sea parte de nuestro plan.

Es posible que algunos proveedores no realicen un determinado servicio en función de creencias religiosas o morales.

Cómo utilizar el directorio de proveedores

Los proveedores se enumeran por parroquia y especialidad. Para encontrar un proveedor cerca de usted, busque su parroquia.
*Consulte **www.mcnala.net** para MCNA Dental o **www.DentaQuest.com** para DentaQuest para servicios dentales cubiertos por Medicaid.

Si desea obtener más información sobre un proveedor, puede comunicarse con:

- Oficina del proveedor
- Junta Estadounidense de Especialidades Médicas (ABMS) **www.abms.org**
- Asociación Médica Estadounidense **www.ama-assn.org**

Todos los proveedores hablan inglés. Se enumeran otros idiomas hablados. Llame al **1-855-242-0802 (TTY: 711)** si necesita ayuda en otro idioma. Le conseguiremos un intérprete en su idioma.

Su proveedor de atención primaria (PCP)

Es el médico o proveedor de atención principal que usted seleccionó al inscribirse con nosotros.

- Su PCP lo ayudará a recibir todos los servicios cubiertos que necesite.
- Infórmele a su PCP todos los problemas de salud que tenga.
- Su PCP se familiarizará con sus antecedentes médicos.
- Consulte a su PCP antes de obtener servicios de otros proveedores.

Elija su PCP

- Usted debe elegir un PCP.
- No es necesario que todos los miembros elegibles de la familia tengan el mismo PCP.
- Si usted no elige un PCP, nosotros lo haremos por usted.
- Puede llamarnos al número gratuito **1-855-242-0802, (TTY: 711)**, las 24 horas del día, los 7 días de la semana si tiene preguntas sobre la elección o el cambio de su PCP.

Aetna Better Health of Louisiana promueve la libertad de elección de los miembros dentro de nuestra red para seleccionar un PCP.

Está bien cambiar su PCP
Es importante que se sienta cómodo con su PCP. Queremos que usted y su médico trabajen juntos. Puede haber un momento en que desee cambiar su PCP. Está bien. Simplemente llame a Servicios para Miembros al **1-855-242-0802 (TTY: 711)**.

Atención especializada
La atención especializada proviene de proveedores que tratan ciertos problemas. Estos proveedores se llaman especialistas. Algunos tipos de necesidades especiales de atención de la salud implican que debe visitar a un especialista en lugar de a su PCP. Su PCP lo enviará a un especialista si lo necesita. Para la mayor parte de la atención médica, el especialista solo lo verá si su PCP lo envía. Si tiene preguntas, llámenos a Servicios para Miembros.

Los proveedores de salud mental
Los proveedores de salud mental se encuentran en su propia sección alfabéticamente bajo sus tipos especialidad/servicio.

Emergencia: cuando necesite atención de emergencia, llame al **911** o vaya al hospital más cercano. El hospital NO necesita estar en nuestra red. No necesita aprobación previa para transporte de emergencia o atención de emergencia en el hospital.

No seas un No Show
Es importante presentarse a sus citas. No presentarse a sus citas programadas causa problemas. Si no puede ir a su cita, debe llamar al consultorio de su proveedor 24 horas antes de la hora de la cita para cancelar.

Atención después de horas
Excepto en una emergencia, si se enferma después de que el consultorio de su PCP esté cerrado o durante el fin de semana, llame al consultorio de todos modos. Un servicio de contestador se asegurará de que su PCP reciba su mensaje. Un PCP le devolverá la llamada para decirle qué hacer. Asegúrese de que su teléfono acepte llamadas bloqueadas. De lo contrario, es posible que su PCP no pueda comunicarse con usted. Incluso puede llamar a su PCP en medio de la noche. Es posible que deba dejar un mensaje en el servicio de contestador. Puede tomar un tiempo, pero su PCP o un proveedor de guardia le devolverá la llamada para decirle qué hacer.

Si tiene una emergencia, SIEMPRE debe llamar al **911** o ir a la sala de emergencias más cercana.

Línea de enfermería las 24 horas
También tenemos una línea de enfermería disponible para ayudar a responder sus preguntas médicas. Está atendido por profesionales médicos. Llame al **1-855-242-0802 (TTY: 711)**. Escuche la opción para la línea de enfermería.
