Aetna Better Health® of Virginia

This provider directory lists doctors, hospitals, clinics, pharmacies and other providers that work with Aetna Better Health of Virginia. This book will help you find health care services. If you need help finding a provider, call Member Services toll free. We're here for you 24 hours a day, 7 days a week.

Member Services

- Aetna Better Health of Virginia **1-800-279-1878** (TTY **711**)

You can also view our most up-to-date provider directory online at **AetnaBetterHealth.com/Virginia**. Select "Find a Provider."

We continue to add new providers to our list. Having the provider's name in this book doesn't mean they will stay with us. It also doesn't mean they are taking new patients. To confirm a provider is in our network, call Member Services.

If there's a provider you would like to see in our network, call us. We may be able to add them to our provider network.

This list shows available language services. Need more info? You can also call providers directly to learn more about these services.

Your Primary Care Provider (PCP)

- This is your main doctor or caregiver that you picked when you enrolled with us.
- Your PCP will help you get all the covered services you need.
- Tell your PCP about any health problems you have.
- Your PCP will get to know your health history.
- Check with your PCP before you get services from other providers.

Your member ID card shows your primary care provider's (PCP) name. If you didn't choose a PCP, we assigned one to you. You can change your PCP at any time by calling Member Services.

Specialty Care

- Specialty care comes from providers who treat certain problems. These providers are called specialists.
- Some kinds of special health care needs mean that you must visit a specialist instead of your PCP.
- Your PCP may send you to a specialist if you need one. You don't need a PCP referral for behavioral health services.
- For most health care, the specialist will only see you if your PCP sends you.

Other Services

- If you have an **emergency**, call **911** immediately.
- For **after-hours care** that isn't an emergency, call your PCP first-many hold after hours. If your PCP's office is closed, go to an urgent care center if you can.
- To request **non-emergent transportation services** to your medical appointment, call Aetna Better Health's Transportation Reservation line at 1-800-734-0430.
  - Aetna Better Health covers non-emergency transportation for covered services.
  - If you have trouble getting to appointment, call Aetna Better Health's Transportation services, Member Services, or your care manager.
  - FAMIS children are not eligible for Non-Emergency Medical Transportation.
- For a complete listing of all **pharmacies** in our network, call Member Services or visit the **Find Local Care** section of our **Find a Provider** website.
- For a complete listing of all **eye care providers** in our network, call Member Services or visit the **Find Local Care** section of our **Find a Provider** website.
