

CLINICAL PAYMENT, CODING AND POLICY CHANGES

NEW POLICY UPDATES – EFFECTIVE FEBRUARY 1, 2020:

We regularly augment our clinical, payment and coding policy positions as part of our ongoing policy review processes. In an effort to keep our providers informed, please see the below chart of upcoming new policies.

Changes below are effective for dates of service beginning February 1, 2020:

Facility Billing of Revenue Code 0370:

Codes 00100-01999 should not be billed by the facility under revenue code 0370 - Revenue code 0370 should be used for billing charges associated with the technical component of the anesthesia services or sedation services.

The charges should reflect the expense of the nurse monitor and other sedation resources, not the actual anesthesia procedure.
