A CHIP Health Plan**

AETNA BETTER HEALTH® KIDS

October 28, 2025

Attention CHIP PCP Providers - We have extended the pilot program!

**We are inviting you to participate in
S.M.I.L.E – Summer Medical Initiative For Lasting Enamel**

Aetna Better Health Kids has developed a pilot program to promote topical fluoride varnish application in your office.

When does the program run?

The initial pilot program for PCPs was to run from August 1st through October 31st, 2025, but has been **extended through the end of the year, December 31st, 2025.**

What providers are eligible?

All CHIP PCP providers (PCP, PAs, CRNPs) who submit topical fluoride CPT 99188 claims for **CHIP enrollees** are eligible to participate.

Is certification still needed for CPT 99188?

No. Providers no longer need to complete and submit certification in order to bill for topical fluoride application CPT 99188.

Provider Incentives:

Providers who submit claims with CPT 99188 for **CHIP enrollees** during this timeframe will be paid an additional \$10.

Contact Information:

For any other provider questions, please feel free to contact us at the Claims Customer Service Contact (CICR) center at 1-866-638-1232.

We thank you for your continued participation in our network and for the quality treatment you provide to your members.

Sincerely,

Aetna Better Health Kids
