

AETNA BETTER HEALTH® OF TEXAS

Bexar Preventative Visit Incentive April 2014

Aetna Better Health of Texas recognizes the crucial role that health care providers play in providing and educating members about potentially life-saving preventive services and screenings.

To encourage an increase in Texas Health Steps (Medicaid) and Well Child (CHIP) visits during April 2014 Aetna Better Health is offering a one-time administrative incentive in addition to claim payment.

April 2014 incentive details are as follows:

- ALL preventative visits for member's birth-20 years in April 2014 will be eligible for a one-time \$10 per member incentive
- Claims must meet the following criteria to be eligible for the \$10 incentive

Incentive Claim Criteria
Dates of Service between April 1, 2014 and April 30, 2014
Member birth-20 years of age and eligible for Medicaid or CHIP under Aetna Better Health of Texas in the Bexar Service Delivery Area
Diagnosis code V20.2
CPT code within the following ranges: 99381-99385 and 99391-99395
Must be a PAID claim prior to August 3, 2014

Please contact your Aetna Better Health of Texas Provider Relations Representative or the Provider Relations department at 1-800-248-7767 (Medicaid) or 1-866-818-0959 (CHIP) for additional questions.
