EVV MCO Quarterly Performance Measures Report Instructions and Template

Instructions		
<p>The managed care organization (MCO) is required to provide HHSC with operational data necessary to consistently evaluate the Electronic Visit Verification (EVV) system and monitor the impact of improvements and changes made to the EVV system and processes over time. All MCOs must submit this report quarterly according to the guidance provided below for the programs and services required to use an EVV system. For each subsequent report submitted during the fiscal year (FY), include the numbers reported for the previous quarter(s) such that at the end of the reporting year, the last report will include all of the data for the entire year (for example, when filling out the report for "Quarter 4," the MCO must include all of the previous quarter results as well). The MCO should carry forward the numbers from previous reports in a manner consistent with data previously reported. If the numbers are not consistent with the data provided in previous reports, the MCO must notify HHSC and provide an explanation for why the MCO is changing the information previously reported.</p>		
Quarter	FY 21 - Report Months	Due Dates
Quarter 1 (Q1)	September 1, 2019 - November 30, 2019	03/31/2020
Quarter 2 (Q2)	December 1, 2019 - February 29, 2020	05/29/2020
Quarter 3 (Q3)	March 1, 2020 - May 31, 2020	08/31/2020
Quarter 4 (Q4)	June 1, 2020 - August 31, 2020	11/30/2020

The MCO must continue submitting the report throughout the Contract term and as required for Turnover Phase (see also the Contract survival of terms). Subsequent reports for the FYs will continue to be due by the last Business Day of the third month following the end of the final quarter covered by the reporting period or contract.
