

Aetna Better Health® of Virginia

Schedule your yearly diabetes well visit

Time for your yearly diabetes well exam

Aetna Better Health of Virginia wants our members to get their yearly well exams and diabetes tests. If you've been diagnosed with diabetes, you should be tested at least once a year. Schedule an appointment to see your Primary Care Provider (PCP) today. Ask your doctor to check your blood pressure, perform a kidney evaluation, and order a hemoglobin A1c blood test. Then call and schedule a diabetic eye exam with your eye doctor. If you need help finding a PCP or eye doctor, call Member Services at **1-800-279-1878 (TTY: 711)**.

Members, bring this form with you when you go to your PCP for the services listed on this form.

After your PCP completes and faxes back to us, we'll send you a **\$25 gift card***.

Please note: There may be an annual limit on your total incentive amount that you could receive per calendar year.

All services must be completed by December 31 of this year.

Find out what other rewards and added benefits you may be eligible for by scanning the QR code below or by visiting AetnaBetterHealth.com/Virginia.

**One gift card per member, per qualifying year. Must be an Aetna Better Health of Virginia member at the time of the visit.*
