Emergency Payments for Medicaid Providers

June 22, 2020

ATTN Medallion 4.0, FAMIS, and CCC Plus providers:

You may be eligible to receive COVID-19 relief funds as part of a \$15 billion allocation from the U.S. Department of Health and Human Services (HHS).

This relief fund was set-up for providers who participate in Medicaid and the Children's Health Insurance Program (CHIP) and have not received a payment from the Provider Relief Fund General Allocation.

Visit **www.hhs.gov/coronavirus/cares-act-provider-relief-fund/for-providers** to begin your application. The deadline to submit is **July 20, 2020**.

The payment amount will be at least two percent of reported gross revenue from Medicaid and CHIP care. Providers are required to provide data to HHS, including the number of Medicaid patients served.

We encourage you to apply even if you are uncertain whether you are eligible.

Thank you for caring for our members and the community during this critical time.

Sincerely,

Aetna Better Health of Virginia
