Medical and Behavioral Health PAs

Fax for Legacy M4: **866-669-2454**

Fax for Legacy Plus: **855-661-1828**

Behavioral Health: **833-757-1583**

To determine if a service requires PA, visit the Provider Portal. When requesting PA, include the following:

- Member's name
- Date of birth
- ID number
- Demographic information
- Requesting provider contact information
- Clinical notes/explanation of medical necessity
- Other treatments that have been tried
- Diagnosis and procedure codes
- Date(s) of service

Emergency services do not require PA; however, notification is required the same day. For post stabilization services, hospitals may request prior authorization by calling the PA Department.

All out-of-network services must be authorized; unauthorized services will not be reimbursed, and authorizations are not a guarantee of payment.

Participating providers can now check for codes that require prior authorization via our Online Prior Authorization Search Tool. [View the tool here.](#)
