

Your patients have extra benefits that can improve their health.

By being a member of Aetna Better Health, your patients have access to a wide range of added benefits that can help them better meet their health needs, all at no cost. Below is a list of all of our added benefits available to our members.

To learn more about these benefits, call **1-800-279-1878 (TTY: 711)** and ask to speak to a Care Manager. You can also visit our website to learn more about our benefits. Go to

AetnaBetterHealth.com/Virginia/whats-covered.html.

There, you can see a comprehensive list of all of the benefits we offer to our members.

For all members

Vision care: One eye exam and \$250 toward eyewear

Extra help with rides: Members can enjoy free rides to local resources or services — up to 30 round trips or 60 one-way trips each year.

Free cell phone: Free Android™ smartphone with free data, texts, and minutes, plus 10 GB monthly hotspot

General Educational Development (GED) incentive: CampusEd is an online resource that can help members earn their GED and start a new career. We'll also pay for members' GED test (up to \$120).

Hearing care: One hearing exam, \$1,500 toward hearing aids, plus 60 batteries each year, plus unlimited visits for hearing aid fittings

Home meal delivery: Home-delivered meals after hospital discharge for seven days.

Mental health support through Pyx: Pyx is a personalized program to support members' health. Pyx Health helps members get the most from their health plan, at no cost, whether it's help finding a doctor, food, transportation, or just needing someone to talk to.

For more information about this benefit, scan the QR code or visit **PyxHealth.com/store-download**.

MyActiveHealth Management: A personalized and interactive mobile program that sends texts regarding diabetes education and support; personal care management; appointment and medication reminders; and exercise/weight goal setting and tracking

Weight management: Personalized weight management with a registered dietitian, which includes a 12-week certified nutritionist program and six counseling visits

Over-the-Counter Health Solutions® period stipend: \$20 monthly for members with periods to spend on period products through CVS Pharmacy®

For more information about this benefit, scan the QR code or visit **AetnaBetterHealth.com/Virginia/period-pack.html**.

Wellness Rewards: Members can get gift cards for taking care of their health. Kids also get extra perks, like free swimming lessons and sports physicals, plus up to a \$25 gift card when they join the Ted E. Bear, M.D.® Wellness Club!

For more information about this benefit, scan the QR code or visit AetnaBetterHealth.com/Virginia/rewards-program.html.

For moms and children

Breastfeeding support through Pacify: 24/7 access to a national network of International Board-Certified Lactation Consultants® and doulas via live video consultation

Benefits for new moms: Eligible members who are pregnant through one year postpartum can get \$25 monthly to spend on over-the-counter items for them and their baby through CVS Pharmacy. New moms can also attend baby showers and earn prizes. Plus, new moms can get 300 free size 1 baby diapers delivered to their home after their baby is born.

For more information about this benefit, scan the QR code or visit AetnaBetterHealth.com/Virginia/new-moms.html.

Youth sports physicals: Annual sports participation physical for members 6 to 18 years old

Youth swimming lessons: Water safety and swimming lessons for members 6 years and younger

Healthy food card: Eligible members can get \$50 added to a special debit card every month to buy healthy groceries at nearby stores.

For more information about this benefit, scan the QR code or visit AetnaBetterHealth.com/Virginia/healthy-food-card.html.

For members with certain health conditions

Asthma program: Members with asthma can get one set of hypoallergenic bedding and between \$150 and \$400, depending on area of service, to use towards one deep carpet cleaning annually.

Memory care: Two door alarms and six window locks available to members diagnosed with dementia or Alzheimer's disease (requires prior authorization)

Therapeutic shoes or shoe inserts: Members with diabetes with a prescription from a podiatrist or orthopedic doctor can get pair of therapeutic shoes or shoe inserts per year (up to \$200 annually).

We appreciate you.

Thank you for continuing to support our members and providing them with the high-quality care they deserve.
