A look ahead into 2023 with Aetna Better Health Premier Plan (MMAI)

Dear Provider:

We'd like to thank you for participating in the Aetna Better Health Premier Plan MMAI in 2023. The strength of our provider network is an important part of the healthcare services we offer to our members. We value your partnership and continued effort to improve our members health. Our health plan is here to support you and we do so in a number of ways:

- Our provider relations staff works hard to understand your business issues and meet your needs in assisting our members, whether you are a primary care physician or a home and community-based services provider
- You benefit from ongoing support and learning opportunities
- Your claims are processed in a timely and efficient manner
- You receive competitive compensation
- You have access to advanced technology that can help you enhance patient care

For the members of Aetna Better Health Premier Plan MMAI, their Medicare and Medicaid benefits work better together. Some of the advantages include:

- They can work with one health plan for all their health insurance needs.
- They receive a care coordinator, who works with them, Aetna Better Health Premier Plan MMAI, and you, their provider, to make sure they get the care that they need.
- Members receive additional services and supplemental benefits that help

them with making healthy choices and supportive services.

If you have questions or concerns about the MMAI program or your network status, please contact Provider Services at **1-866-600-2139** for more information.

Sincerely,

Provider Services
