

OPEN

Monday - Friday 8:30 am - 6:00 pm

Urgent Care Services

- minor illnesses
- minor injuries
- testing

Primary Care Services

- check-ups
- physicals
- vaccines

Social & Behavioral Services

- social determinants of health assessments
- behavioral health assessments

Telehealth Services

We have initiated telehealth services to better serve our community members that are quarantining or socially distancing

We are contracted with most major Medicaid plans, but are accepting Medicare and Commercial insurances for urgent care services during this crisis.
