Aetna Better Health of Ohio Member Handbook

January 1, 2020 – December 31, 2020

Your Health and Drug Coverage under Aetna Better Health of Ohio (Medicare-Medicaid Plan)

Member Handbook Introduction

This handbook tells you about your coverage under Aetna Better Health of Ohio through December 31, 2020. It explains health care services, behavioral health coverage, prescription drug coverage, and home and community based waiver services (also called long-term services and supports). Long-term services and supports help you stay at home instead of going to a nursing home or hospital. Key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

This is an important legal document. Please keep it in a safe place.

This plan, Aetna Better Health of Ohio, is offered by Aetna Better Health, Inc. (OH). When this *Member Handbook* says "we," "us," or "our," it means Aetna Better Health, Inc. (OH). When it says "the plan" or "our plan," it means Aetna Better Health of Ohio.

A. Welcome to Aetna Better Health of Ohio

Aetna Better Health of Ohio, offered by Aetna Better Health, Inc. (OH), is a Medicare-Medicaid Plan. A Medicare-Medicaid Plan is an organization made up of doctors, hospitals, pharmacies, providers of long-term services and supports, and other providers. It also has care managers and care teams to help you manage all your providers and services. They all work together to provide the care you need.

Aetna Better Health of Ohio was approved by the Ohio Department of Medicaid (ODM) and the Centers for Medicare & Medicaid Services (CMS) to provide you services as part of the MyCare Ohio program.

The MyCare Ohio program is a demonstration program jointly run by ODM and the federal government to provide better health care for people who have both Medicare and Medicaid. Under this demonstration, the state and federal government want to test new ways to improve how you get your Medicare and Medicaid health care services.

Aetna Better Health of Ohio is a Medicare-Medicaid Plan in Ohio for the MyCare Ohio program. Our parent company, Aetna, is a leading national company that serves 52 million people, with more than 3 million of those Medicaid members. Aetna has more than 30 years of experience managing care for people enrolled in Medicaid and Medicare. We understand the needs of our members. We work with local Ohio providers and community groups to meet your needs.

B. Information about Medicare and Medicaid

You have both Medicare and Medicaid. Aetna Better Health of Ohio will make sure these programs work together to get you the care you need.

B1. Medicare

Medicare is the federal health insurance program for:

- people 65 years of age or older,
- some people under age 65 with certain disabilities, and
- people with end-stage renal disease (kidney failure).

B2. Medicaid

Medicaid is a program run by the federal government and the state that helps people with limited incomes and resources pay for long-term services and supports and medical costs. It covers extra services and drugs not covered by Medicare.

Each state decides:

- what counts as income and resources.
- · who qualifies,
- · what services are covered, and
- the cost for services.

States can decide how to run their programs, as long as they follow the federal rules.

Medicare and Ohio Medicaid must approve Aetna Better Health of Ohio each year. You can get Medicare and Medicaid services through our plan as long as:

- we choose to offer the plan, and
- Medicare and Ohio Medicaid approve the plan.

Even if our plan stops operating in the future, your eligibility for Medicare and Medicaid services will not be affected.

C. Advantages of this plan

You will now get all your covered Medicare and Medicaid services from Aetna Better Health of Ohio, including prescription drugs. **You do not pay extra to join this health plan.**

Aetna Better Health of Ohio will help make your Medicare and Medicaid benefits work better together and work better for you. Some of the advantages include:

- You will be able to work with **one** health plan for **all** of your health insurance needs.
- You will have a care team that you helped put together. Your care team may include doctors, nurses, counselors, or other health professionals who are there to help you get the care you need.
- You will have a care manager. This is a person who works with you, with Aetna Better Health of Ohio, and with your care providers to make sure you get the care you need. He or she will be a member of your care team.
- You will be able to direct your own care with help from your care team and care manager.

This section is continued on the next page.

- The care team and care manager will work with you to come up with a care plan specifically designed to meet your needs. The care team will be in charge of coordinating the services you need. This means, for example:
 - Your care team will make sure your doctors know about all medicines you take so they can reduce any side effects.
 - Your care team will make sure your test results are shared with all your doctors and other providers.

D. Aetna Better Health of Ohio's service area

Aetna Better Health of Ohio is available only to people who live in our service area. To keep being a member of our plan, you must keep living in this service area.

Our service area includes these counties in Ohio: Butler, Clermont, Clinton, Delaware, Franklin, Fulton, Hamilton, Lucas, Madison, Ottawa, Pickaway, Union, Warren and Wood.

If you move, you must report the move to your County Department of Job and Family Services office. If you move to a new state, you will need to apply for Medicaid in the new state. See Chapter 8, for more information about the effects of moving out of our service area.

E. What makes you eligible to be a plan member

You are eligible for membership in our plan as long as:

- you live in our service area; and
- you have Medicare Parts A, B and D; and
- you have full Medicaid coverage; and
- you are a United States citizen or are lawfully present in the United States, and
- you are 18 years of age or older at time of enrollment.

Even if you meet the above criteria, you are not eligible to enroll in Aetna Better Health of Ohio if you:

- have other third party creditable health care coverage; or
- have intellectual or other developmental disabilities and get services through a waiver or Intermediate Care Facility for Individuals with Intellectual Disabilities (ICFIID); or
- are enrolled in a Program of All-Inclusive Care for the Elderly (PACE).

Additionally, you have the choice to disenroll from Aetna Better Health of Ohio if you are a member of a federally recognized Indian tribe.

If you believe that you meet any of the above criteria and should not be enrolled, please contact Member Services for assistance.

F. What to expect when you first join a health plan

When you first join the plan, you will get a health care needs assessment within the first 15 to 75 days of your enrollment effective date depending on your health status. A member of our care team will contact you and conduct a health care needs assessment. He or she will ask you questions to identify your immediate and long term needs. You will be assigned a care manager who is part of your care team. Your care team is made up of you, your providers, your family, your care manager and whomever else you chose. The care team works together to develop a care plan to help you with your care and service needs.

If Aetna Better Health of Ohio is new for you, you can keep seeing the doctors you go to now for at least 90 days after you enroll. Also, if you already had previous approval to get services, our plan will honor the approval until you get the services. This is called a "transition period." The New Member Letter included with your *Member Handbook* has more information on the transition periods. If you are on the MyCare Ohio Waiver, your *Member Handbook* Supplement or "Waiver Handbook" also has more information on transition periods for waiver services.

After the transition period, you will need to see doctors and other providers in the Aetna Better Health of Ohio network for most services. A network provider is a provider who works with the health plan. See Chapter 3 for more information on getting care. Member Services can help you find a network provider.

If you are currently seeing a provider that is not a network provider or if you already have services approved and/or scheduled, it is important that you call Member Services right away so we can arrange the services and avoid any billing issues.

G. Your care plan

Your care plan is the plan for what health services you will get and how you will get them.

After your health care needs assessment, your care team will meet with you to talk about what health services you need and want. Together, you and your care team will make your care plan.

Your care team will continuously work with you to update your care plan to address the health services you need and want.

H. Aetna Better Health of Ohio monthly plan premium

Aetna Better Health of Ohio does not have a monthly plan premium.

I. The Member Handbook

This *Member Handbook* is part of our contract with you. This means that we must follow all of the rules in this document. If you think we have done something that goes against these rules, you may be able to appeal, or challenge, our action. For information about how to appeal, see Chapter 9, page 147. You can also call Member Services at **1-855-365-0974 (TTY: 711)**, 24 hours a day, 7 days a week or Medicare at 1-800-MEDICARE (1-800-633-4227).

You can ask for a *Member Handbook* by calling Member Services at **1-855-365-0974 (TTY: 711)**, 24 hours a day, 7 days a week. You can also see the *Member Handbook* at **www.aetnabetterhealth.com/ohio** or download it from this website.

The contract is in effect for months in which you are enrolled in Aetna Better Health of Ohio between January 1, 2020 and December 31, 2020.

J. Other information you will get from us

You will also get an Aetna Better Health of Ohio Member ID Card, a New Member Letter with important information, information about how to access a *Provider and Pharmacy Directory*, and information about how to access a *List of Covered Drugs*. Members enrolled in a home and community based waiver will also get a supplement to their *Member Handbook* that gives information specific to waiver services. If you do not get these items, please call Member Services for assistance.

J1. Your Aetna Better Health of Ohio Member ID Card

Under the MyCare Ohio program, you will have one card for your Medicare and Medicaid services, including long-term services and supports and prescriptions. You must show this card when you get any services or prescriptions covered by the plan. Here's a sample card to show you what yours will look like:

In an emergency, call 9-1-1 or go to the nearest emergency room (ER) or other appropriate setting. If you are not sure if you need to go to the ER, call your PCP or the 24-Hour Nurse Advice line. Member Services: 1-855-364-0974 (TTY: 711) Eligibility Verification: 1-855-364-0974 Behavioral Health Crisis: 1-855-364-0974, select option 9 1-855-364-0974, select option 5 Care Management: 24-hour Nurse Advice Line: 1-855-364-0974, select option 4 1-855-364-0974 Pharmacy Help Desk: Website: www.aetnabetterhealth.com/ohio Send claims to: Aetna Better Health of Ohio Claims Department P.O. Box 64205, Phoenix, AZ 85082 (Electronic Claims: Payer ID 50023)

If your card is damaged, lost, or stolen, call Member Services right away and we will send you a new card.

As long as you are a member of our plan, this is the only card you need to get services. You will no longer get a monthly Medicaid card. You also do not need to use your red, white, and blue Medicare card. Keep your Medicare card in a safe place, in case you need it later. If you show your Medicare card instead of your Aetna Better Health of Ohio Member ID Card, the provider may bill Medicare instead of our plan, and you may get a bill. See Chapter 7 to see what to do if you get a bill from a provider.

J2. New Member Letter

Please make sure to read the New Member Letter sent with your *Member Handbook* as it is a quick reference for some important information. For example, it has information on things such as when you may be able to get services from providers not in our network, previously approved services, transportation services, and who is eligible for MyCare Ohio enrollment.

J3. Provider and Pharmacy Directory

The *Provider and Pharmacy Directory* lists the providers and pharmacies in the Aetna Better Health of Ohio network. While you are a member of our plan, you must use network providers and pharmacies to get covered services. There are some exceptions, including when you first join our plan (see page 39) and for certain services (see Chapter 3).

You can ask for a printed *Provider and Pharmacy Directory* at any time by calling Member Services at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week. You can also see the *Provider and Pharmacy Directory* at **www.aetnabetterhealth.com/ohio**, or download it from this website. Both Member Services and the website can give you the most up-to-date information about changes in our network providers.

Definition of network providers

- Aetna Better Health of Ohio's network providers include:
 - Doctors, nurses, and other health care professionals that you can go to as a member of our plan;
 - Clinics, hospitals, nursing facilities, and other places that provide health services in our plan; and
 - Home health agencies, durable medical equipment suppliers, and others who provide goods and services that you get through Medicare or Medicaid.

For a full list of network providers, see the *Provider and Pharmacy Directory*.

Network providers have agreed to accept payment from our plan for covered services as payment in full.

Network providers should not bill you directly for services covered by the plan. For information about bills from network providers, see Chapter 7, page 124.

Definition of network pharmacies

- Network pharmacies are the pharmacies (drug stores) that have agreed to fill prescriptions for our plan members. Use the *Provider and Pharmacy Directory* to find the network pharmacy you want to use.
- Except in an emergency, you must fill your prescriptions at one of our network pharmacies if you want our plan to pay for them. If it is not an emergency, you can ask us ahead of time to use a non-network pharmacy.

J4. List of Covered Drugs

The plan has a *List of Covered Drugs*. We call it the "Drug List" for short. It tells which prescription drugs are covered by Aetna Better Health of Ohio.

The Drug List also tells you if there are any rules or restrictions on any drugs, such as a limit on the amount you can get. See Chapter 5 for more information on these rules and restrictions.

Each year, we will send you information about how to access the Drug List, but some changes may occur during the year. To get the most up-to-date information about which drugs are covered, you can visit the plan's website at **www.aetnabetterhealth.com/ohio** or call Member Services **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week.

J5. Member Handbook Supplement or "Waiver Handbook"

This supplement provides additional information for members enrolled in a home and community-based waiver. For example, it includes information on member rights and responsibilities, service plan development, care management, waiver service coordination, and reporting incidents.

J6. The Explanation of Benefits

When you use your Part D prescription drug benefits, we will send you a summary report to help you understand and keep track of payments for your Part D prescription drugs. This summary report is called the *Explanation of Benefits* (or EOB).

The *Explanation of Benefits* tells you the total amount we or others on your behalf have paid for each of your Part D prescription drugs during the month. Chapter 6 gives more information about the *Explanation of Benefits* and how it can help you keep track of your drug coverage.

An *Explanation of Benefits* is also available when you ask for one. To get a copy, please contact Member Services.

K. How to keep your membership record up to date

You can keep your membership record up to date by letting us know when your information changes.

The plan's network providers and pharmacies need to have the right information about you. **They use your membership record to know what services and drugs are covered and any drug copay amounts for you.** Because of this, it is very important that you help us keep your information up-to-date.

Let us know the following:

- Changes to your name, your address, or your phone number
- Changes in any other health insurance coverage, such as from your employer, your spouse's employer, or workers' compensation
- Admission to a nursing home or hospital
- Care in an out-of-area or out-of-network hospital or emergency room

- Changes in who your caregiver (or anyone responsible for you) is
- You are part or become part of a clinical research study
- If you have to see a provider for an injury or illness that may have been caused by another
 person or business. For example, if you are hurt in a car wreck, by a dog bite, or if you slip
 and fall in a store, then another person or business may have to pay for your medical
 expenses. When you call we will need to know the name of the person or business at fault
 as well as any insurance companies or attorneys that are involved.

If any information changes, please let us know by calling Member Services at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week.

K1. Privacy of your personal health information (PHI)

The information in your membership record may include personal health information (PHI). Laws require that we keep your PHI private. We make sure that your PHI is protected. For more information about how we protect your PHI, see Chapter 8.

Chapter 2: Important phone numbers and resources

Introduction

This chapter gives you contact information for important resources that can help you answer your questions about Aetna Better Health of Ohio, the State of Ohio, Medicare, and your health care benefits. You can also use this chapter to get information about how to contact your care coordinator and others that can advocate on your behalf. Key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

	This is the official website for Medicare. It gives you up-to-date information about Medicare. It also has information about hospitals, nursing homes, physicians, home health agencies, and dialysis facilities. It includes booklets you can print right from your computer. You can also find Medicare contacts in your state by selecting "Forms, Help & Resources" and then clicking on "Phone numbers & websites."
	The Medicare website has the following tool to help you find plans in your area:
	Medicare Plan Finder: Provides personalized information about Medicare prescription drug plans, Medicare health plans, and Medigap (Medicare Supplement Insurance) policies in your area. Select "Find health & drug plans."
	If you don't have a computer, your local library or senior center may be able to help you visit this website using its computer. Or, you can call Medicare at the number above and tell them what you are looking for. They will find the information on the website, print it out, and send it to you.

G. How to contact the Ohio Department of Medicaid

Medicaid helps with medical and long-term services and supports costs for people with limited incomes and resources. Ohio Medicaid pays for Medicare premiums for certain people, and pays for Medicare deductibles, co-insurance and copays except for prescriptions. Medicaid covers long-term care services such as home and community-based "waiver" services and assisted living services and long-term nursing home care. It also covers dental and vision services.

You are enrolled in Medicare and in Medicaid. Aetna Better Health of Ohio provides your Medicaid covered services through a provider agreement with Ohio Medicaid. If you have questions about the help you get from Medicaid, call the Ohio Medicaid Hotline.

CALL	1-800-324-8680 This call is free.

A. Information about "services," "covered services," "providers," "network providers," and "network pharmacies"

Services are health care, long-term services and supports, supplies, behavioral health, prescription and over-the-counter drugs, equipment and other services. Covered services are any of these services that our plan pays for. Covered health care and long-term services and supports are listed in the Benefits Chart in Chapter 4.

Providers are doctors, nurses, and other people who deliver services and care. The term providers also includes hospitals, home health agencies, clinics, and other places that deliver health care services, medical equipment, and long-term services and supports.

Network providers are providers who work with the health plan. These providers have agreed to accept our payment as full payment. Network providers bill us directly for care they give you. When you see a network provider, you pay nothing for covered services. The only exception is if you have a patient liability for nursing facility or waiver services. See Chapter 4 for more information.

Network pharmacies are pharmacies (drug stores) that have agreed to fill prescriptions for our plan members. Network pharmacies bill us directly for prescriptions you get. When you use a network pharmacy, you pay nothing for your prescription drugs. See Chapter 6 for more information.

B. Rules for getting your health care, behavioral health, and long-term services and supports (LTSS) covered by the plan

Aetna Better Health of Ohio covers health care services covered by Medicare and Medicaid. This includes behavioral health and long-term services and supports.

Aetna Better Health of Ohio will generally pay for the health care and services you get if you follow plan rules. To be covered by our plan:

- The care you get must be a **plan benefit**. See Chapter 4 for information regarding covered benefits, including the plan's Benefits Chart.
- The care must be medically necessary. Medically necessary means you need services, supplies, or drugs to prevent, diagnose, or treat your medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing home. It also means the services, supplies, or drugs meet accepted standards of medical practice.

- The care you get must be prior authorized by Aetna Better Health of Ohio when required. For some services, your provider must submit information to Aetna Better Health of Ohio and ask for approval for you to get the service. This is called prior authorization. See the chart in Chapter 4 for more information.
- You must choose a network provider to be your primary care provider (PCP) to manage your medical care. Although you do not need approval (called a referral) from your PCP to see other providers, it is still important to contact your PCP before you see a specialist or after you have an urgent or emergency department visit. This allows your PCP to manage your care for the best outcomes.
 - To learn more about choosing a PCP, see page 41.
- You must get your care from network providers. Usually, the plan will not cover care from a provider who does not work with the plan (an out-of-network provider). Here are some cases when this rule does not apply:
 - The plan covers emergency or urgently needed care from an out-of-network provider.
 To learn more and to see what emergency or urgently needed care means, see Section H, page 47.
 - If you need care that our plan covers and our network providers cannot give it to you, you can get this care from an out-of-network provider. The out-of-network provider must contact us for approval before seeing you. In this situation, we will cover the care at no cost to you. To learn about getting approval to see an out-of-network provider, see Section D, page 41.
 - The plan covers services you got at out-of-network Federally Qualified Health Centers, Rural Health Clinics, and qualified family planning providers listed in the *Provider and Pharmacy Directory*.
 - If you are getting assisted living waiver services or long-term nursing facility services from an out-of-network provider on and before the day you become a member, you can continue to get the services from that out-of-network provider.
 - The plan covers kidney dialysis services when you are outside the plan's service area for a short time. You can get these services at a Medicare-certified dialysis facility.
 - If you are new to our plan, you may be able to continue to see your current out-ofnetwork providers for a period of time after you enroll. This is called a "transition period." For more information, go to Chapter 1 of this handbook and your New Member Letter.

C. Information about your care team and care manager

Your care team includes you, your family, caregivers, care manager, PCP, specialists, any other health or service providers who you actively work with and anyone else you want to include.

How will the Care Manager and Care Team interact with you? Your care manager helps you manage all of your providers and services. He or she works with your care team to make sure you get the care you need.

C1. What care management is

Care management is a process to help you and your physician to get services that will help you reach your best health. Your care manager is your single contact at Aetna Better Health of Ohio for help to get medical care and services.

C2. How you can contact your care manager

Call the phone number on the back of your Aetna Better Health of Ohio member ID card or call your assigned care manager's cell phone if you know the number. If your care manager is not available, please follow the prompts to leave a message for your care manager. If you do not know the name of your care manager, call Member Services at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week. The Member Services representative can advise of your care manager's name and transfer you to your care manager.

C3. How you will interact with your care manager and care team interact

Everyone on the care team works together to make sure your care is coordinated. Your care team may ask you questions to learn more about your condition. Then you will get a personalized care plan that is created to address your health care needs, the way you want. Your care team will also get a copy of your care plan to make sure you get the care and services you need. Your care plan will help you understand how to care for yourself and how to access a range of services, including local resources.

Your care manager will call and visit with you at your home to discuss your care plan and how things are going. They will continue to check on you with a phone call or face to face visit while you are on our plan.

C4. How you can change your care manager

Call the phone number on the back of your Aetna Better Health of Ohio member ID card and ask the Member Services representative to help you. You can ask to have a new care manager assigned at any time, if you are not satisfied with the services of your present care manager.

D. Care from primary care providers, specialists, other network providers, and out-of-network providers

D1. Care from a primary care provider

You must choose a primary care provider (PCP) to provide and manage your care.

Definition of "PCP" and what a PCP does

What is a PCP and what does the PCP do for you?

Your PCP is an individual physician or physician group practice who works with you and your care manager to direct and coordinate your health care. Your PCP handles your preventive care checkups and treats you for most of your routine health care needs. Your PCP will contact Aetna Better Health of Ohio for any required prior authorization.

If needed, your PCP will send you to other doctors (specialists) or admit you to the hospital. Although you do not need approval (called a referral) from your PCP to see other providers, it is still important to contact your PCP before you see a specialist or after you have an urgent or emergency department visit. This allows your PCP to manage your care for the best outcomes.

Your PCP may be a:

- Family practitioner
- General practitioner
- Geriatrician
- Certified nurse practitioner
- Internist
- Obstetrician/Gynecologist
- Pediatrician
- Physician assistant

When a clinic can be your primary care provider

A clinic, such as a Rural Health Center (RHC) or Federally Qualified Health Center (FQHC), can act as your primary care provider if you live in a rural or medically underserved area.

Your choice of PCP

- Search for a PCP on our website at www.aetnabetterhealth.com/ohio/find-provider
- Call Member Services or your care manager at 1-855-364-0974 (TTY: 711), 24 hours a day,
 7 days a week
- Look in the printed Provider and Pharmacy Directory, if you requested one

Option to change your PCP

You may change your PCP for any reason. You can change your PCP to another network PCP at any time, the change will be effective immediately upon receipt of the request. Also, it's possible that your PCP might leave our plan's network. If your provider leaves our network, we can help you find a new PCP.

If for any reason you want to change your PCP, you must first call Member Services at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week to ask for the change. The change will take effect immediately upon receipt of the request. We will issue you a new member ID card that you will get in the mail within 14 days. If you need to see your PCP before you get your new member ID card, your PCP's office can call us to verify your eligibility. If you are thinking about changing your PCP, talk to your care manager. Your care manager may help with any issues you are having.

D2. Care from specialists and other network providers

A specialist is a doctor who provides health care for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart problems.
- Orthopedists care for patients with bone, joint, or muscle problems.

You can go to any specialist in our network. You do not need a referral to see a network specialist. Your PCP or care manager can recommend a type of specialist to you. You can also call Member Services at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week. We will help you find a specialist near you. PCPs and specialists must contact Aetna Better Health of Ohio to get approval for certain services and drugs. This is called prior authorization.

Our decisions are made based only on appropriateness of care and service and benefit coverage. We do not reward staff for issuing denials of coverage. In addition, there are no financial incentives for clinical decision-makers.

The provider giving you the service will request prior authorization from Aetna Better Health of Ohio before the service is rendered. Aetna Better Health of Ohio will notify you and your provider when a prior authorization is approved. We will notify both of you and your provider within 10 calendar days if the case is disapproved. We will review urgent prior authorization requests and notify you and your provider within 48 hours.

If Aetna Better Health of Ohio needs more information to process a request, we may ask for a 14-day extension. If we do not get the requested information we may deny the request. If this happens you will receive a Notice of Denial letter that explains your appeal rights. If your provider makes an urgent prior authorization request and it does not meet the urgent criteria, we will send you a letter to let you know it will be processed as a routine request. You can make a complaint, if you disagree.

See the Benefits Chart in Chapter 4 and the Drug List for information about which services and drugs require prior authorization.

D3. What to do when a provider leaves our plan

A network provider you are using might leave our plan. If one of your providers does leave our plan, you have certain rights and protections that are summarized below:

- Even though our network of providers may change during the year, we must give you uninterrupted access to qualified providers.
- We will make a good faith effort to give you at least 30 days' notice so that you have time to select a new provider.
- We will help you select a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment, you have the right to ask, and we will work with you to ensure, that the medically necessary treatment you are getting is not interrupted.
- If you believe we have not replaced your previous provider with a qualified provider or that your care is not being appropriately managed, you have the right to file a complaint.

If you find out one of your providers is leaving our plan, please contact us so we can assist you in finding a new provider and managing your care. You can contact Member Services at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week for assistance.

D4. How to get care from out-of-network providers

Generally, you must see providers that are in our network. There are times when you can see an out-of-network provider. You can see an out-of-network provider if:

- You need emergency services.
- You need urgent care.

- You are getting services at a Federally Qualified Health Center (FQHC) or Rural Health Clinic (RHC).
- You are getting services from a Qualified Family Planning provider.
- Aetna Better Health of Ohio approved you to see an out-of-network provider during or after your transition of care time period. The out-of-network provider must contact us to get approval to see you before your appointment.
- A service is not available in-network. You can see an out-of-network provider at no cost to you for as long as we are unable to provide that service. The provider must obtain prior authorization before your appointment.
- Services outside of the U.S. are not covered. Except for the out-of-network providers above, non-emergency care out of the service area is not covered. If you are out of the service area and need health care services, call Member Services at 1-855-364-0974 (TTY: 711), 24 hours a day, 7 days a week or call your PCP. Your PCP's telephone number is on your member ID card.

If you go to an out-of-network provider, the provider must be eligible to participate in Medicare and/or Medicaid.

- We cannot pay a provider who is not eligible to participate in Medicare and/or Medicaid.
- If you go to a provider who is not eligible to participate in Medicare, you may have to pay the full cost of the services you get.
- Providers must tell you if they are not eligible to participate in Medicare.

E. How to get long-term services and supports (LTSS)

As an Aetna Better Health of Ohio member, you may be able to get nursing facility or long-term services and supports (LTSS) such as home health care, adult day services and specialized medical equipment. Long-term services and supports give assistance to help you stay at home instead of going to a nursing home or hospital.

MyCare Ohio Waiver Services, provided through Aetna Better Health of Ohio, are designed to meet the needs of members 18 years or older who meet <u>all</u> of the following:

- · Fully eligible for both Medicaid and Medicare
- Enrolled in a MyCare Ohio Plan
- Determined by the state of Ohio, or its designee, to meet an intermediate or skilled level of care

These services help members live independently. A member or family member can make a request for long-term services and supports. Aetna Better Health of Ohio will assign your care manager. You and a team of professionals will make sure you receive the services that you need. If you have questions about LTSS or to see if you qualify, call your care manager.

F. How to get behavioral health services

If you have a behavioral health crisis, call the Behavioral Health Crisis Line at **1-855-364-0974**, **(TTY: 711)**, 24 hours a day, 7 days a week.

If you need mental health and/or substance use disorder services, please talk to your care manager or call Member Services at **1-855-364-0974**, **(TTY: 711)**, 24 hours a day, 7 days a week.

You may also go directly to Ohio Department of Mental Health and Addiction Services (Ohio MHAS) certified community mental health centers, other behavioral health providers and treatment centers that are part of the Aetna Better Health of Ohio network. Please see the provider directory or call Member Services at **1-855-364-0974**, **(TTY: 711)**, 24 hours a day, 7 days a week for the names and telephone numbers of the facilities near you. Be sure to show your Aetna Better Health of Ohio member ID card when you get care.

You can find other Aetna Better Health of Ohio providers in the provider directory on our website **www.aetnabetterhealth.com/ohio**. You can also call Member Services at **1-855-364-0974**, **(TTY: 711)**, 24 hours a day, 7 days a week.

G. How to get transportation services

G1. How to get transportation services

- Transportation for routine medical appointments
 - If you need a ride to your appointments, call Member Services at 1-855-364-0974 (TTY: 711), 24 hours a day, 7 days a week. Member Services staff is trained to assist you with your transportation needs. You can also call LogistiCare directly at 1-866-799-4395 (TTY: 711), Monday through Friday, 8 a.m. 5 p.m. (EST). You must call at least 3 days before your appointment. If you need help, talk to your care manager or call Member Services at 1-855-364-0974 (TTY: 711), 24 hours a day, 7 days a week. Member Services and LogistiCare will verify that the transportation request is for a covered health care service.

• If you must travel 30 miles or more from your home to receive covered health care services

Aetna Better Health of Ohio will provide transportation to and from the provider's office.
 Transportation by ambulette (wheelchair transport), non-emergency ambulance,
 emergency ambulance and waiver services are not limited to the 30-mile requirement.

• Plan-approved locations

• Aetna Better Health of Ohio offers 30 round trips and 60 one-way trips to Plan-approved locations.

• Member Advisory Committee (MAC) transportation

- Aetna Better Health of Ohio also provides transportation services for members who serve on the plan's Member Advisory Committee (MAC). Transportation to member advisory meetings is provided when a member requests it at least 3 days in advance. Members will work with plan staff to arrange this transportation or call Logisticare directly.
- **Type of transportation provided:** Logisticare may use a taxi, bus, van or medical transport. Members should specify their needs so the correct type of transportation is provided.
- **Waiver Transportation:** If you are a Waiver member, contact your care manager for your transportation benefits.

In addition to the transportation assistance that Aetna Better Health of Ohio provides, you can still get help with transportation for certain services through the Non-Emergency Transportation (NET) program. Call your local County Department of Job and Family Services for questions or assistance with NET services.

H. How to get covered services when you have a medical emergency or urgent need for care, or during a disaster

H1. Care when you have a medical emergency

Definition of a medical emergency

A medical emergency is a medical condition with symptoms such as severe pain or serious injury. The condition is so serious that, if it doesn't get immediate medical attention, you or anyone with an average knowledge of health and medicine could expect it to result in:

- serious risk to your health or, if pregnant, to that of your unborn child; or
- serious harm to bodily functions; or
- serious dysfunction of any bodily organ or part; or
- in the case of a pregnant woman in active labor, when:
 - there is not enough time to safely transfer you to another hospital before delivery.
 - a transfer to another hospital may pose a threat to your health or safety or to that of your unborn child.

What to do if you have a medical emergency

If you have a medical emergency:

- **Get help as fast as possible.** Call 911 or go to the nearest emergency room or hospital, or other appropriate setting. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP or Aetna Better Health of Ohio.
- Be sure to tell the provider that you are an Aetna Better Health of Ohio member. Show the provider your Aetna Better Health of Ohio Member ID Card.
- As soon as possible, make sure that you tell our plan about your emergency. We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Also, if the hospital has you stay, please make sure Aetna Better Health of Ohio is called within 48 hours. However, you will not have to pay for emergency services because of a delay in telling us. The phone number is on your Aetna Better Health of Ohio Member ID card.

Covered services in a medical emergency

You may get covered emergency care whenever you need it, anywhere in the United States or its territories. If you need an ambulance to get to the emergency room, our plan covers that. To learn more, see the Benefits Chart in Chapter 4.

If you have an emergency, we will talk with the doctors who give you emergency care. Those doctors will tell us when your medical emergency is over.

After the emergency is over, you may need follow-up care to be sure you get better. Your follow-up care will be covered by our plan. If you get your emergency care from out-of-network providers, we will try to get network providers to take over your care as soon as possible. If the provider that is treating you for an emergency takes care of the emergency but thinks you need other medical care to treat the problem that caused the emergency, the provider must call Aetna Better Health of Ohio at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week.

What to do if you have a behavioral health emergency

If you have a behavioral health emergency, call 911 or go to the nearest hospital emergency room.

An emergency means a behavioral health condition that is life threatening and requires immediate medical attention. You need to get care right away! If you don't get care immediately, the emergency could result in death or harm to yourself or others. You may have a mental health, drug or alcohol use emergency.

Some examples of problems that are probably emergencies:

- Thinking about or looking for ways for hurting or killing yourself or others
- Experiencing serious reactions to or side effects from medication
- Having severe impairment or symptoms of withdrawal from alcohol or other drugs
- Feeling disoriented, distraught or having rage and aggressive behavior toward others for no reason

At the hospital emergency room, the provider will evaluate you and determine if you should be admitted to a hospital for treatment, or if you are stable enough to be discharged from the emergency room.

After you visit the emergency room:

- Call your behavioral health provider as soon as you can.
- If you don't have a current behavioral health provider, call Aetna Better Health of Ohio at **1-855-364-0974** and ask for help in finding a provider.

It is important that you receive the follow-up care you need to keep your condition stable. If you want information about emergency behavioral health care, such as where to go for care, call your provider or Aetna Better Health of Ohio Behavioral Health Crisis Call Line at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week.

Getting emergency care if it wasn't an emergency

Sometimes it can be hard to know if you have a medical or behavioral health emergency. You might go in for emergency care and have the doctor say it wasn't really an emergency. As long as you reasonably thought your health or the health of your unborn child was in serious danger, we will cover your care.

However, after the doctor says it was not an emergency, we will cover your additional care only if:

- you go to a network provider, or
- the additional care you get is considered "urgently needed care" and you follow the rules for getting this care. (See the next section.)

H2. Urgently needed care

Definition of urgently needed care

Urgently needed care is care you get for a sudden illness, injury, or condition that isn't an emergency but needs care right away. For example, you might have a flare-up of an existing condition and need to have it treated.

Urgently needed care when you are in the plan's service area

In most situations, we will cover urgently needed care only if:

- you get this care from a network provider, and
- you follow the other rules described in this chapter.

However, if you can't get to a network provider, we will cover urgently needed care you get from an out-of-network provider.

If you think you need urgent care, call your PCP. Your PCP must give you an appointment by the end of the next working day if you need urgent care. Do not use an emergency room for urgent care.

You can call your PCP day or night. If you have an urgent need, your PCP or on-call provider will tell you what to do. If your PCP is not in the office, leave a message with the answering service and your PCP will return your call.

Your PCP may tell you to go to an urgent care center. You can find an urgent care center on our website at **www.aetnabetterhealth.com/ohio** and click on "Find a Provider or Pharmacy" or by calling Member Services at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week.

You can also call our Nurse Advice Line if you have medical questions. This number is available 24 hours a day, 7 days a week. It is staffed by medical professionals. The phone number is **1-855-364-0974 (TTY: 711)**.

After hours care

Except in an emergency, if you get sick when your PCP's office is closed, you should call the office anyway. An answering service will make sure your PCP gets your message. Your PCP will call you back to tell you what to do. Be sure your phone accepts blocked calls. Otherwise, your PCP may not be able to reach you. You can even call your PCP in the middle of the night. You may need to leave a message with the answering service. It could take a while, but your PCP will call you back.

Urgently needed care when you are outside the plan's service area

When you are outside the plan's service area, you might not be able to get care from a network provider. In that case, our plan will cover urgently needed care you get from any provider.

Our plan does not cover urgently needed care or any other care that you get outside the United States or its territories.

H3. Care during a disaster

If the Governor of your state, the U.S. Secretary of Health and Human Services, or the President of the United States declares a state of disaster or emergency in your geographic area, you are still entitled to care from Aetna Better Health of Ohio.

Please visit our website for information on how to obtain needed care during a declared disaster: **www.aetnabetterhealth.com/ohio**.

During a declared disaster, if you cannot use a network provider, we will allow you to get care from out-of-network providers at no cost to you. If you cannot use a network pharmacy during a declared disaster, you will be able to fill your prescription drugs at an out-of-network pharmacy. Please see Chapter 5 for more information.

I. What to do if you are billed directly for services covered by our plan

Providers should bill us for providing you covered services. You should not get a provider bill for services covered by the plan. If a provider sends you a bill for a covered service instead of sending it to the plan, you can ask us to pay the bill. Call Member Services as soon as possible to give us the information on the bill.

You should not pay the bill yourself. If you do, the plan may not be able to pay you back.

If a provider or pharmacy wants you to pay for covered services, you have already paid for covered services, or if you got a bill for covered services, see Chapter 7 to learn what to do.

I1. What to do if services are not covered by our plan

Aetna Better Health of Ohio covers all services:

- that are medically necessary, and
- that are listed in the plan's Benefits Chart (see Chapter 4), and
- that you get by following plan rules.

If you get services that aren't covered by our plan, you may have to pay the full cost yourself.

If you want to know if we will pay for any medical service or care, you have the right to ask us. You also have the right to ask for this in writing. If we say we will not pay for your services, you have the right to appeal our decision.

Chapter 9 explains what to do if you want the plan to cover a medical item or service. It also tells you how to appeal the plan's coverage decision. You may also call Member Services to learn more about your appeal rights.

We will pay for some services up to a certain limit. If you do not have prior approval from Aetna Better Health of Ohio to go over the limit, you may have to pay the full cost to get more of that type of service. Call Member Services to find out what the limits are, how close you are to reaching them, and what your provider must do to ask to exceed the limit if they think it is medically necessary.

J. Coverage of health care services covered when you are in a clinical research study

J1. Definition of a clinical research study

A clinical research study (also called a clinical trial) is a way doctors test new types of health care or drugs. They ask for volunteers to help with the study. This kind of study helps doctors decide whether a new kind of health care or drug works and whether it is safe.

Once Medicare approves a study you want to be in, someone who works on the study will contact you. That person will tell you about the study and see if you qualify to be in it. You can be in the study as long as you meet the required conditions. You must also understand and accept what you must do for the study.

While you are in the study, you may stay enrolled in our plan. That way you continue to get care from our plan not related to the study.

If you want to participate in a Medicare-approved clinical research study, you do not need to get approval from us or your primary care provider. The providers that give you care as part of the study do not need to be network providers.

You do need to tell us before you start participating in a clinical research study. If you plan to be in a clinical research study, you or your care manager should contact Member Services to let us know you will be in a clinical trial.

J2. Payment for services when you are in a clinical research study

If you volunteer for a clinical research study that Medicare approves, you will pay nothing for the services covered under the study and Medicare will pay for services covered under the study as well as routine costs associated with your care. Once you join a Medicare-approved clinical research study, you are covered for most items and services you get as part of the study. This includes:

- Room and board for a hospital stay that Medicare would pay for even if you weren't in a study.
- An operation or other medical procedure that is part of the research study.
- Treatment of any side effects and complications of the new care.

If you are part of a study that Medicare has **not approved**, you will have to pay any costs for being in the study.

J3. Learning more about clinical research studies

You can learn more about joining a clinical research study by reading "Medicare and Clinical Research Studies" on the Medicare website (https://www.medicare.gov/Pubs/pdf/02226-Medicare-and-Clinical-Research-Studies.pdf). You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

K. How your health care services are covered when you get care in a religious non-medical health care institution

K1. Definition of a religious non-medical health care institution

A religious non-medical health care institution is a place that provides care you would normally get in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against your religious beliefs, we will cover care in a religious non-medical health care institution.

You may choose to get health care at any time for any reason. This benefit is only for Medicare Part A inpatient services (non-medical health care services). Medicare will only pay for non-medical health care services provided by religious non-medical health care institutions.

K2. Getting care from a religious non-medical health care institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you are against getting medical treatment that is "non-excepted."

- "Non-excepted" medical treatment is any care that is voluntary and not required by any federal, state, or local law.
- "Excepted" medical treatment is any care that is not voluntary and is required under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan's coverage of services is limited to non-religious aspects of care.
- If you get services from this institution that are provided to you in a facility, the following applies:
 - You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.
 - You must get approval from our plan before you are admitted to the facility or your stay will not be covered.

Our plan will cover unlimited inpatient hospital days in a network hospital when medically necessary and with prior authorization.

L. Durable medical equipment (DME)

L1. DME as a member of our plan

DME means certain items ordered by a provider for use in your own home. Examples of these items are wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, intravenous (IV) infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

You will always own certain items, such as prosthetics.

In this section, we discuss DME you must rent. As a member of Aetna Better Health of Ohio, you usually will not own DME, no matter how long you rent it.

In certain situations, we will transfer ownership of the DME item to you. Call Member Services to find out about the requirements you must meet and the papers you need to provide.

L2. DME ownership when you switch to Original Medicare or Medicare Advantage

In the Original Medicare program, people who rent certain types of DME own it after 13 months. In a Medicare Advantage plan, the plan can set the number of months people must rent certain types of DME before they own it.

Note: You can find definitions of Original Medicare and Medicare Advantage Plans in Chapter 11. You can also find more information about them in the *Medicare & You 2020* Handbook. If you don't have a copy of this booklet, you can get it at the Medicare website (http://www.medicare.gov) or by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

You will have to make 13 payments in a row under Original Medicare, or you will have to make the number of payments in a row set by the Medicare Advantage plan, to own the DME item if:

- you did not become the owner of the DME item while you were in our plan, and
- you leave our plan and get your Medicare benefits outside of any health plan in the Original Medicare program or a Medicare Advantage plan.

If you made payments for the DME item under Original Medicare or a Medicare Advantage plan before you joined our plan, those Original Medicare or Medicare Advantage payments do not count toward the payments you need to make after leaving our plan.

- You will have to make 13 new payments in a row under Original Medicare or a number of new payments in a row set by the Medicare Advantage plan to own the DME item.
- There are no exceptions to this case when you return to Original Medicare or Medicare Advantage plan.

Chapter 4: Benefits Chart

Introduction

This chapter tells you about the services Aetna Better Health of Ohio covers and any restrictions or limits on those services. It also tells you about benefits not covered under our plan. Key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

A. Your covered services

This chapter tells you what services Aetna Better Health of Ohio covers, how to access services, and if there are any limits on services. You can also learn about services that are not covered. Information about drug benefits is in Chapter 5, and information about what you pay for drugs is in Chapter 6.

Because you get assistance from Medicaid, you generally pay nothing for the covered services explained in this chapter as long as you follow the plan's rules. See Chapter 3 for details about the plan's rules. However, you may be responsible for paying a "patient liability" for nursing facility or waiver services that are covered through your Medicaid benefit. The County Department of Job and Family Services will determine if your income and certain expenses require you to have a patient liability.

If you need help understanding what services are covered or how to access services, please call Member Services at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week or your care manager at **1-855-364-0974 (TTY: 711)**.

B. Rules against providers charging you for services

Except as indicated above, we do not allow Aetna Better Health of Ohio providers to bill you for covered services. We pay our providers directly, and we protect you from any charges. This is true even if we pay the provider less than the provider charges for a covered service.

You should never get a bill from a provider for a covered service. If you do, see Chapter 7 or call Member Services.

C. Our plan's Benefits Chart

The following Benefits Chart is a general list of services the plan covers. It lists preventive services first and then categories of other services in alphabetical order. It also explains the covered services, how to access the services, and if there are any limits or restrictions on the services. If you can't find the service you are looking for, have questions, or need additional information on covered services and how to access services, contact Member Services or your care manager.

We will cover the services listed in the Benefits Chart only when the following rules are met:

• Your Medicare and Medicaid covered services must be provided according to the rules set by Medicare and Ohio Medicaid.

This section is continued on the next page.

- The services (including medical care, services, supplies, equipment, and drugs) must be a plan benefit and must be medically necessary. Medically necessary means you need the services to prevent, diagnose, or treat a medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing home. It also means the services, supplies, or drugs meet accepted standards of medical practice.
 - If Aetna Better Health of Ohio makes a decision that a service is not medically necessary or not covered, you or someone authorized to act on your behalf may file an appeal. For more information about appeals, see Chapter 9.
- You get your care from a network provider. A network provider is a provider who works with the health plan. In most cases, the plan will not pay for care you get from an out-of-network provider. Chapter 3 has more information about using network and out-of-network providers.
- You have a primary care provider (PCP) or a care team that is providing and managing your care.
- Some of the services listed in the Benefits Chart are covered only if your doctor or other
 network provider gets approval from us first. This is called prior authorization. Also, some
 of the services listed in the Benefits Chart are covered only if your doctor or other network
 provider writes an order or a prescription for you to get the service. If you are not sure
 whether a service requires prior authorization, contact Member Services or visit our
 website at www.aetnabetterhealth.com/ohio.

You do not pay anything for the services listed in the Benefits Chart, as long as you meet the coverage requirements described above. The only exception is if you have a patient liability for nursing facility services or waiver services as determined by the County Department of Job and Family Services.

D. The Benefits Chart

D1. Preventive Visits

Services covered by our plan	Limitations and exceptions
Annual checkup	
This is a visit to make or update a prevention plan based on your current risk factors. Annual checkups are covered once every 12 months.	
Note: You cannot have your first annual checkup within 12 months of your "Welcome to Medicare" preventive visit. You will be covered for annual checkups after you have had Part B for 12 months. You do not need to have had a "Welcome to Medicare" visit first.	
"Welcome to Medicare" visit	
If you have been in Medicare Part B for 12 months or less, you can get a one-time "Welcome to Medicare" preventive visit. When you make your appointment, tell your doctor's office you want to schedule your "Welcome to Medicare" preventive visit. This visit includes:	
a review of your health,	
 education and counseling about the preventive services you need (including screenings and shots), and 	
referrals for other care if you need it.	
Well child check-up (also known as Healthchek)	
Healthchek is Ohio's early and periodic screening, diagnostic, and treatment (EPSDT) benefit for everyone in Medicaid from birth to under 21 years of age. Healthchek covers medical, vision, dental, hearing, nutritional, development, and mental health exams. It also includes immunizations, health education, and laboratory tests.

D3. Other Services

Services covered by our plan	Limitations and exceptions
Acupuncture The plan covers acupuncture for pain management of headaches and lower back pain.	Prior authorization is required for more than 30 acupuncture visits per benefit year.
Ambulance and wheelchair van services Covered emergency ambulance transport services include fixed-wing, rotary-wing, and ground ambulance services. The ambulance will take you to the nearest place that can give you care. Your condition must be serious enough that other ways of getting to a place of care could risk your health or, if you are pregnant, your unborn baby's life or health. In cases that are not emergencies, ambulance or wheelchair van transport services are covered when medically necessary.	Prior authorization is required for non-emergency services. Wheelchair van transportation requires that you notify Aetna Better Health of Ohio of your need to schedule van support so we can make sure the correct vehicle is scheduled based on your individual transportation needs.
Cell Phone Benefit Aetna Better Health of Ohio members who are interested in the Lifeline, federal free cell phone program, are provided our contracted Lifeline vendor's website, phone number or application to complete in order to determine if they qualify. The vendor notifies Aetna Better Health of Ohio of those members who are approved and opt in to the program. Qualified members are then eligible to receive a smartphone with voice minutes, unlimited texts, 1 GB data, voicemail, call waiting, caller ID and 911 access.	For members who qualify for the federal free cell phone program and opt in to the Aetna Better Health of Ohio program.
Aetna Better Health of Ohio members receive unlimited free calls to and from the plan's Member Services toll-free number that has been zero rated so these calls do not apply to monthly minute allotment and as appropriate, free health-related texts and free texts from the plan.	

Services covered by our plan	Limitations and exceptions
Chiropractic services	Prior authorization is required.
The plan covers:	
Diagnostic x-rays	
Adjustments of the spine to correct alignment	
Dental services	Some services may require prior authorization.

Nebulizers	
• Walkers	
Other items (such as incontinence garments, enteral nutritional products, ostomy and urological supplies, and surgical dressings and related supplies) may be covered. For additional types of supplies that the plan covers, see the sections on diabetic services, hearing services, and prosthetic devices.	
The plan may also cover learning how to use, modify, or repair your item. Your Care Team will work with you to decide if these other items and services are right for you and will be in your Individualized Care Plan.	
We will cover all DME that Medicare and Medicaid usually cover. If our supplier in your area does not carry a particular brand or maker, we may ask them if they can special-order it for you.	

Services covered by our plan

Emergency care (see also "urgently needed care")

Emergency care means services that are:

- given by a provider trained to give emergency services, and
- needed to treat a medical emergency.

A medical emergency is a medical condition with severe pain or serious injury. The condition is so serious that, if it doesn't get immediate medical attention, anyone with an average knowledge of health and medicine could expect it to result in:

- serious risk to your health or if pregnant, to that of your unborn child; or
- serious harm to bodily functions; or
- serious dysfunction of any bodily organ or part; or
- in the case of a pregnant woman in active labor, when:
 - there is not enough time to safely transfer you to another hospital before delivery.
 - a transfer to another hospital may pose a threat to your health or to that of your unborn child.

In an emergency, call 911 or go to the nearest emergency room (ER) or other appropriate setting.

If you are not sure if you need to go to the ER, call your PCP or the 24-hour toll-free nurse advice line. Your PCP or the nurse advice line can give you advice on what you should do.

We will only cover emergency care within the U.S. and its territories.

Limitations and exceptions

If you get emergency care at an out-of-network hospital and need inpatient care after your emergency is stabilized, you may need to return to a network hospital for your care to continue to be paid for. You can stay in the out-of-network hospital for your inpatient care only if the plan approves your stay.

Services covered by our plan	Limitations and exceptions
Family planning services	Some diagnostic tests require authorization. Prior authorization is required for genetic testing.

Hospice care

You can get care from any hospice program certified by Medicare. You have the right to elect hospice if your provider and hospice medical director determine you have a terminal prognosis. This means you have a terminal illness and are expected to have six months or less to live. Your hospice doctor can be a network provider or an out-of-network provider.

The plan will cover the following while you are getting hospice services:

- Drugs to treat symptoms and pain
- Short-term respite care
- Home care
- · Nursing facility care

Hospice services and services covered by Medicare Part A or B are billed to Medicare:

• See Section F of this chapter for more information.

For services covered by Aetna Better Health of Ohio but not covered by Medicare Part A or B:

 Aetna Better Health of Ohio will cover plan-covered services not covered under Medicare Part A or B. The plan will cover the services whether or not they are related to your terminal prognosis. Unless you are required to pay a patient liability for nursing facility services, you pay nothing for these services.

For drugs that may be covered by Aetna Better Health of Ohio's Medicare Part D benefit:

• Drugs are never covered by both hospice and our plan at the same time. For more information, please see Chapter 5.

This benefit is continued on the next page

If you want hospice services in a nursing facility, you may be required to use a network nursing facility. Also, you may be responsible for paying a patient liability for nursing facility services, after the Medicare nursing facility benefit is used. The County Department of Job and Family Services will determine if your income and certain expenses require you to have a patient liability.

Prior authorization is required.

Services covered by our plan	Limitations and exceptions
Note: Except for emergency/urgent care, if you need non-hospice care, you should call your care manager to arrange the services. Non-hospice care is care that is not related to your terminal prognosis. Call your care manager directly or call the Care Management line at 1-855-364-0974 (TTY: 711).	If you want hospice services in a nursing facility, you may be required to use a network nursing facility. Also, you may be responsible for paying a patient liability for nursing facility services, after the Medicare nursing facility benefit is used. The County Department of Job and Family Services will determine if your income and certain expenses require you to have a patient liability. Prior authorization is required.

 surgery of the jaw or related structures, 	
 setting fractures of the jaw or facial bones, 	
 pulling teeth before radiation treatments of neoplastic cancer, or 	
 services that would be covered when provided by a physician. 	

Services covered by our plan	Limitations and exceptions
Podiatry services	Prior authorization may
The plan covers the following services:	be required.
 Diagnosis and medical or surgical treatment of injuries and diseases of the foot, the muscles and tendons of the leg governing the foot, and superficial lesions of the hand other than those associated with trauma 	
 Routine foot care for members with conditions affecting the legs, such as diabetes 	
Prosthetic devices and related supplies	Prior authorization may
Prosthetic devices replace all or part of a body part or function. The following are examples of covered prosthetic devices:	be required.
Colostomy bags and supplies related to colostomy care	
• Pacemakers	
• Braces	
Prosthetic shoes	
Artificial arms and legs	
 Breast prostheses (including a surgical brassiere after a mastectomy) 	
Dental devices	
The plan also covers some supplies related to prosthetic devices and the repair or replacement of prosthetic devices.	
The plan offers some coverage after cataract removal or cataract surgery. See "Vision Care" later in this section for details.	

Services covered by our plan	Limitations and exceptions
Rehabilitation services	Prior authorization may
Outpatient rehabilitation services	be required.
 The plan covers physical therapy, occupational therapy, and speech therapy. 	
 You can get outpatient rehabilitation services from hospital outpatient departments, independent therapist offices, comprehensive outpatient rehabilitation facilities (CORFs), and other facilities. 	
Cardiac (heart) rehabilitation services	
 The plan covers cardiac rehabilitation services such as exercise, education, and counseling for certain conditions. 	
 The plan also covers intensive cardiac rehabilitation programs, which are more intense than cardiac rehabilitation programs. 	
Pulmonary rehabilitation services	
 The plan covers pulmonary rehabilitation programs for members who have moderate to very severe chronic obstructive pulmonary disease (COPD). 	

Services covered by our plan	Limitations and exceptions
Rural Health Clinics	Some services may require
The plan covers the following services at Rural Health Clinics:	prior authorization.
Office visits for primary care and specialists services

Note: You can get services from a network or out-of-network Rural Health Clinic.	
SilverSneakers	
Community fitness program promoting greater health engagement and accountability with no cost to Aetna Better Health of Ohio members. Provides members with regular exercise (strength training, aerobics, flexibility) and social support opportunities.	

Services covered by our plan

Specialized Recovery Services (SRS) Program

If you are an adult who has been diagnosed with a severe and persistent mental illness and you live in the community, you may be eligible to get SRS specific to your recovery needs. The plan covers the following three services if you are enrolled in the SRS program:

- Recovery Management Recovery managers will work with you to:
 - develop a person-centered care plan which reflects your personal goals and desired outcomes,
 - regularly monitor your plan through regular meetings, and
 - provide information and referrals.
- Individualized Placement and Support-Supported Employment (IPS-SE) – Supported employment services can:
 - help you find a job if you are interested in working,
 - evaluate your interests, skills, and experiences as they relate to your employment goals, and
 - provide ongoing support to help you stay employed.
- Peer Recovery Support:
 - peer recovery supporters use their own experiences with mental health and substance use disorders to help you reach your recovery goals, and
 - goals are included in a care plan you design based on your preferences and the availability of community and supports.

The peer relationship can help you focus on strategies and progress towards self-determination, self-advocacy, well-being and independence.

Limitations and exceptions

If you are interested in SRS, you will be connected with a recovery manager who will begin the assessment for eligibility looking at things such as your diagnosis and your need for help with activities such as medical appointments, social interactions and living skills.

Some services may require prior authorization.

Services covered by our plan	Limitations and exceptions
Supervised exercise therapy (SET)	
The plan will pay for SET for members with symptomatic peripheral artery disease (PAD) who have a referral for PAD from the physician responsible for PAD treatment. The plan will pay for:	
 Up to 36 sessions during a 12-week period if all SET requirements are met 	
 An additional 36 sessions over time if deemed medically necessary by a health care provider 	
The SET program must be:	
 30 to 60-minute sessions of a therapeutic exercise- training program for PAD in members with leg cramping due to poor blood flow (claudication) 	
In a hospital outpatient setting or in a physician's office	
 Delivered by qualified personnel who make sure benefit exceeds harm and who are trained in exercise therapy for PAD 	
 Under the direct supervision of a physician, physician assistant, or nurse practitioner/clinical nurse specialist trained in both basic and advanced life support techniques 	

Services covered by our plan	Limitations and exceptions
Transportation for non-emergency services (see also "Ambulance and wheelchair van services")	Prior authorization is required.
If you must travel 30 miles or more from your home to get covered health care services, Aetna Better Health of Ohio will provide transportation to and from the provider's office.	
Note: In addition to the transportation assistance that Aetna Better Health of Ohio provides, you can still get help with transportation for certain services through the Non-Emergency Transportation (NET) program. Call your local County Department of Job and Family Services for questions or assistance with NET services.	
For members who join our Member Advisory Committee, we will provide transportation to attend committee meetings. For more information about the Member Advisory Committee, call Member Services at 1-855-364-0974 (TTY: 711), 24 hours a day, 7 days a week or talk to your care manager.	
In addition, Aetna Better Health of Ohio provides members with transportation for 30 round trips or 60 one-way trips to Plan approved locations.	
Transportation requests must be made 3 business days in advance. Call Member Services at 1-855-364-0974 (TTY: 711) , 24 hours a day, 7 days a week and select the prompt for transportation.	

Services covered by our plan	Limitations and exceptions
Urgently needed care	
Urgently needed care is care given to treat:	
• a non-emergency, or	
• a sudden medical illness, or	
• an injury, or	
a condition that needs care right away.	
If you require urgently needed care, you should first try to get it from a network provider. However, you can use out-of-network providers when you cannot get to a network provider.	
We only cover urgently need care within the U.S. and its territories.	

Services covered by our plan	Limitations and exceptions
Vision care	Prior authorization may
The plan covers the following services:	be required.
 One comprehensive eye exam, complete frame, and pair of lenses (contact lenses, if medically necessary) are covered: 	
 per 12-month period for members under 21 and over 59 years of age; or 	
 per 24-month period for members 21 through 59 years of age. 	
Vision training	
 Services for the diagnosis and treatment of diseases and injuries of the eye, including but not limited to: 	
 Annual eye exams for diabetic retinopathy for people with diabetes and treatment for age-related macular degeneration 	
 One glaucoma screening each year for members under the age of 20 or age 50 and older, members with a family history of glaucoma, members with diabetes, African-Americans who are age 50 and older, and Hispanic Americans who are age 65 and older. 	
 One pair of glasses or contact lenses after each cataract surgery when the doctor inserts an intraocular lens. (If you have two separate cataract surgeries, you must get one pair of glasses after each surgery. You cannot get two pairs of glasses after the second surgery, even if you did not get a pair of glasses after the first surgery.) 	

E. Services when you are away from home or outside of the service area

If you are away from home or outside of our service area (see Chapter 1) and need medical care, Aetna Better Health of Ohio will cover emergency and urgent services only.

If you are out of the service area and you have a medical emergency, call 911 or go to the closest emergency room. Make sure you have your Aetna Better Health of Ohio member ID card. If you get services in the emergency room and you are admitted to the hospital while you are away from home, have the hospital call Member Services at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week. For urgent care, go to the nearest urgent care provider. Show the provider your Aetna Better Health of Ohio member ID card.

Routine care out of the service area or out of the country is not covered. If you are out of the service area and need health care services, call your care manager directly or your PCP. Your PCP's telephone number is on your member ID card. You can also call the 24-hour Care Management line at **1-855-364-0974 (TTY: 711)** or the 24-hour Nurse Advice line at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week.

F. Benefits covered outside of Aetna Better Health of Ohio

The following services are not covered by Aetna Better Health of Ohio but are available through Medicare. Call Member Services to find out about services not covered by Aetna Better Health of Ohio but available through Medicare.

F1. Hospice Care

You can get care from any hospice program certified by Medicare. You have the right to elect hospice if your provider and hospice medical director determine you have a terminal prognosis. This means you have a terminal illness and are expected to have six months or less to live. Your hospice doctor can be a network provider or an out-of-network provider.

See the Benefits Chart in Section D of this chapter for more information about what Aetna Better Health of Ohio pays for while you are getting hospice care services.

For hospice services and services covered by Medicare Part A or B that relate to your terminal prognosis:

• The hospice provider will bill Medicare for your services. Medicare will pay for hospice services related to your terminal prognosis. You pay nothing for these services.

For services covered by Medicare Part A or B that are not related to your terminal prognosis (except for emergency care or urgently needed care):

• The provider will bill Medicare for your services. Medicare will pay for the services covered by Medicare Part A or B. You pay nothing for these services.

For drugs that may be covered by Aetna Better Health of Ohio's Medicare Part D benefit:

• Drugs are never covered by both hospice and our plan at the same time. For more information, please see Chapter 5.

Note: If you need non-hospice care, you should call your care manager to arrange the services. Non-hospice care is care that is not related to your terminal prognosis.

G. Benefits not covered by Aetna Better Health of Ohio, Medicare, or Medicaid

This section tells you what kinds of benefits are excluded by the plan. Excluded means that the plan does not cover these benefits. Medicare and Medicaid will not pay for them either.

The list below describes some services and items that are not covered by the plan under any conditions and some that are excluded by the plan only in some cases.

The plan will not cover the excluded medical benefits listed in this section (or anywhere else in this *Member Handbook*) except under the specific conditions listed. If you think that we should cover a service that is not covered, you can file an appeal. For information about filing an appeal, see Chapter 9.

In addition to any exclusions or limitations described in the Benefits Chart, **the following items** and services are not covered by our plan:

- Services considered not "reasonable and necessary," according to the standards of Medicare and Medicaid, unless these services are listed by our plan as covered services.
- Experimental medical and surgical treatments, items, and drugs, unless covered by Medicare or under a Medicare-approved clinical research study or by our plan. See Chapter 3, pages 52 - 53, for more information on clinical research studies. Experimental treatment and items are those that are not generally accepted by the medical community.
- Surgical treatment for morbid obesity, except when it is medically necessary and Medicare covers it.
- A private room in a hospital, except when it is medically necessary.

- Personal items in your room at a hospital or a nursing facility, such as a telephone or a television.
- Inpatient hospital custodial care.
- Full-time nursing care in your home.
- Elective or voluntary enhancement procedures or services (including weight loss, hair growth, sexual performance, athletic performance, cosmetic purposes, anti-aging and mental performance), except when medically necessary.
- Cosmetic surgery or other cosmetic work, unless it is needed because of an accidental injury or to improve a part of the body that is not shaped right. However, the plan will cover reconstruction of a breast after a mastectomy and for treating the other breast to match it.
- Chiropractic care, other than diagnostic x-rays and manual manipulation (adjustments) of the spine to correct alignment consistent with Medicare and Medicaid coverage guidelines.
- Routine foot care, except for the limited coverage provided according to Medicare and Medicaid guidelines.
- Orthopedic shoes, unless the shoes are part of a leg brace and are included in the cost of the brace, or the shoes are for a person with diabetic foot disease.
- Supportive devices for the feet, except for orthopedic or therapeutic shoes for people with diabetic foot disease.
- Infertility services for males or females.
- Voluntary sterilization if under 21 years of age or legally incapable of consenting to the procedure.
- Reversal of sterilization procedures and non-prescription contraceptive supplies.
- Paternity testing.
- Abortions, except in the case of a reported rape, incest, or when medically necessary to save the life of the mother.
- Naturopath services (the use of natural or alternative treatments).
- Services provided to veterans in Veterans Affairs (VA) facilities.
- Services to find cause of death (autopsy).

Chapter 5: Getting your outpatient prescription drugs through the plan

Introduction

This chapter explains rules for getting your outpatient prescription drugs. These are drugs that your provider orders for you that you get from a pharmacy or by mail order. They include drugs covered under Medicare Part D and Medicaid. Key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

Aetna Better Health of Ohio also covers the following drugs, although they will not be discussed in this chapter:

- Drugs covered by Medicare Part A. These include some drugs given to you while you are in a hospital or nursing facility.
- Drugs covered by Medicare Part B. These include some chemotherapy drugs, some drug injections given to you during an office visit with a doctor or other provider, and drugs you are given at a dialysis clinic. To learn more about what Medicare Part B drugs are covered, see the Benefits Chart in Chapter 4.

Rules for the plan's outpatient drug coverage

The plan will usually cover your drugs as long as you follow the rules in this section.

- 1. You must have a doctor or other provider write your prescription. This person often is your primary care provider (PCP).
- 2. You generally must use a network pharmacy to fill your prescription.
- 3. Your prescribed drug must be on the plan's *List of Covered Drugs*. We call it the "Drug List" for short.
 - If it is not on the Drug List, we may be able to cover it by giving you an exception.
 - See Chapter 9 to learn about asking for an exception.
- 4. Your drug must be used for a medically accepted indication. This means that the use of the drug is either approved by the Food and Drug Administration or supported by certain medical references.

A. Getting your prescriptions filled

A1. Filling your prescription at a network pharmacy

In most cases, the plan will pay for prescriptions **only** if they are filled at the plan's network pharmacies. A network pharmacy is a drug store that has agreed to fill prescriptions for our plan members. You may go to any of our network pharmacies.

To find a network pharmacy, you can look in the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your care manager.

A2. Using your Member ID Card when you fill a prescription

To fill your prescription, **show your Member ID Card** at your network pharmacy. The network pharmacy will bill the plan for your covered prescription drug.

You should **always** show the pharmacy your Member ID Card when you fill a prescription to avoid any problems. If you do not have your Member ID Card with you when you fill your prescription, ask the pharmacy to call the plan to get the necessary information.

If you need help getting a prescription filled, you can contact Member Services or your care manager.

A3. What to do if you change a prescription to a different network pharmacy

If you change pharmacies and need a refill of a prescription, you can ask your pharmacy to transfer the prescription to the new pharmacy if it has remaining refills.

If you need help finding a network pharmacy, you can contact Member Services or your care manager.

A4. What to do if your pharmacy leaves the network

If the pharmacy you use leaves the plan's network, you will have to find a new network pharmacy.

To find a new network pharmacy, you can look in the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your care manager.

A5. Using a specialized pharmacy

Sometimes prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy.
- Pharmacies that supply drugs for residents of a long-term care facility, such as a nursing home.

- Usually, long-term care facilities have their own pharmacies. If you are a resident of a long-term care facility, we must make sure you can get the drugs you need at the facility's pharmacy.
- If your long-term care facility's pharmacy is not in our network or you have any difficulty accessing your drug benefits in a long-term care facility, please contact Member Services.
- Pharmacies that supply drugs requiring special handling and instructions on their use.

To find a specialized pharmacy, you can look in the *Provider and Pharmacy Directory*, visit our website, or contact Member Services.

A6. Using mail-order services to get your drugs

For certain kinds of drugs, you can use the plan's network mail-order services. Generally, the drugs available through mail-order are drugs that you take on a regular basis for a chronic or long-term medical condition. The drugs that are not available through the plan's mail-order service are marked with "NM" in our Drug List.

Our plan's mail-order service allows you to order up to a 90-day supply. A 90-day supply has the same copay as a one-month supply.

Filling my prescriptions by mail

To get information about filling your prescriptions by mail, go to our website, **www.aetnabetterhealth.com/ohio**. You can also talk to your care manager or call Member Services at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week.

Usually, a mail-order prescription will get to you within 10 - 15 days. If the mail-order pharmacy expects a delay of more than 15 days, they will contact you and help you decide whether to wait for the medication, cancel the mail order, or fill the prescription at a local pharmacy. If you have not received an order within 15 calendar days of when you sent the order, call CVS Caremark Customer Care at 1-800-552-8159 (hearing impaired only, TTY 1-800-231-4403) and they will begin processing a replacement order. The order will be quickly sent to you. Calls to this number are free.

Mail-order processes

The mail-order service has different procedures for new prescriptions it gets from you, new prescriptions it gets directly from your provider's office, and refills on your mail-order prescriptions:

1. New prescriptions the pharmacy gets from you

The pharmacy will automatically fill and deliver new prescriptions it gets from you.

2. New prescriptions the pharmacy gets directly from your provider's office

The pharmacy will automatically fill and deliver new prescriptions it gets from health care providers, without checking with you first, if either:

- You used mail order services with this plan in the past, or
- You sign up for automatic delivery of all new prescriptions you get directly from health care providers. You may ask for automatic delivery of all new prescriptions now or at any time by contacting CVS Caremark Customer Care at 1-800-552-8159 (hearing impaired only, TTY 1-800-231-4403).
- If you used mail order in the past and do not want the pharmacy to automatically fill and ship each new prescription, please contact CVS Caremark Customer Care at 1-800-552-8159 (hearing impaired only, TTY 1-800-231-4403) and let them know how you would like to receive your mail order prescriptions or register online with CVS Caremark at www.caremark.com. You can change your mail order preference at any time.

If you have never used our mail order delivery and/or decide to stop automatic fills of new prescriptions, the pharmacy will contact you each time it gets a new prescription from a health care provider to see if you want the medication filled and shipped immediately.

- This will give you an opportunity to make sure that the pharmacy is delivering the correct drug (including strength, amount, and form) and, if necessary, allow you to cancel or delay the order before it is shipped.
- It is important that you respond each time you are contacted by the pharmacy, to let them know what to do with the new prescription and to prevent any delays in shipping.

To opt out of automatic deliveries of new prescriptions you get directly from your health care provider's office, please contact CVS Caremark Customer Care at 1-800-552-8159 (hearing impaired only, TTY 1-800-231-4403). You can also change your preferences by registering online with CVS Caremark at www.caremark.com.

3. Refills on mail-order prescriptions

For refills, please contact your pharmacy 10 - 15 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

So the pharmacy can reach you to confirm your order before shipping, please make sure to let the pharmacy know the best ways to contact you. Contact CVS Caremark Customer Care at 1-800-552-8159 (hearing impaired only, TTY 1-800-231-4403) to tell them the best way to reach you. If we don't know the best way to reach you, you might miss the chance to tell us whether you want a refill and you could run out of your prescription drugs.

A7. Getting a long-term supply of drugs

You get a long-term supply of maintenance drugs on our plan's Drug List. Maintenance drugs are drugs that you take on a regular basis, for a chronic or long-term medical condition.

Some network pharmacies allow you to get a long-term supply of maintenance drugs. A 90-day supply has the same copay as a one-month supply. The *Provider and Pharmacy Directory* tells you which pharmacies can give you a long-term supply of maintenance drugs. You can also call Member Services for more information.

You can use the plan's network mail-order services to get a long-term supply of maintenance drugs. See the section above to learn about mail-order services.

A8. Using a pharmacy that is not in the plan's network

Generally, we pay for drugs filled at an out-of-network pharmacy only when you are not able to use a network pharmacy. We have network pharmacies outside of our service area where you can get your prescriptions filled as a member of our plan.

We will pay for prescriptions filled at an out-of-network pharmacy in the following cases:

- If you get prescriptions in connection with emergency care.
- If you get prescriptions in conjunction with urgently needed care when network pharmacies are not available.
- If you are unable to get a covered prescription drug in a timely manner within our service area because there is no network pharmacy within a reasonable driving distance that provides 24-hour service.
- If you are trying to fill a prescription drug that is not regularly stocked at an accessible network retail or mail order pharmacy (these prescription drugs include orphan drugs or other specialty pharmaceuticals)

- If you are traveling outside your service area (within the United States) and run out of your medication, if you lose your medication, or if you become ill and cannot access a network pharmacy.
- If you receive a Part D prescription drug, dispensed by an out-of-network institutional-based pharmacy, while you are in the emergency department, provider-based clinic, outpatient surgery or other outpatient setting.
- If you have not received your prescription during a state or federal disaster declaration or other public health emergency declaration in which you are evacuated or otherwise displaced from your service area or place of residence.
- Out-of-network supply is limited to 29 days-supply.
- Paper claims should be submitted for reimbursement.

In these cases, please check first with Member Services to see if there is a network pharmacy nearby.

If you use an out-of-network pharmacy, you may have to pay the full cost when you get your prescription.

If you were unable to use a network pharmacy and had to pay for your prescription, see Chapter 7.

B. The plan's Drug List

The plan has a *List of Covered Drugs*. We call it the "Drug List" for short.

The drugs on the Drug List are selected by the plan with the help of a team of doctors and pharmacists. The Drug List also tells you if there are any rules you need to follow to get your drugs.

We will generally cover a drug on the plan's Drug List as long as you follow the rules explained in this chapter.

B1. Drugs on the Drug List

The Drug List includes the drugs covered under Medicare Part D and some prescription and over-the-counter drugs and items covered under your Medicaid benefits.

The Drug List includes both brand-name drugs, for example PRADAXA and generic drugs, for example *amoxicillin*. Generic drugs have the same active ingredients as brand-name drugs. Generally, they work just as well as brand-name drugs and usually cost less.

We will generally cover a drug on the plan's Drug List as long as you follow the rules explained in this chapter.

Our plan also covers certain over-the-counter drugs and products. Some over-the-counter drugs cost less than prescription drugs and work just as well. For more information, call Member Services.

B2. How to find a drug on the Drug List

To find out if a drug you are taking is on the Drug List, you can:

- Check the most recent Drug List we sent you in the mail.
- Visit the plan's website at **www.aetnabetterhealth.com/ohio**. The Drug List on the website is always the most current one.
- Call Member Services to find out if a drug is on the plan's Drug List or to ask for a copy of the list.

B3. Drugs that are not on the Drug List

The plan does not cover all prescription drugs. Some drugs are not on the Drug List because the law does not allow the plan to cover those drugs. In other cases, we have decided not to include a drug on the Drug List.

Aetna Better Health of Ohio will not pay for the drugs listed in this section. These are called **excluded drugs**. If you get a prescription for an excluded drug, you must pay for it yourself. If you think we should pay for an excluded drug because of your case, you can file an appeal. (To learn how to file an appeal, see Chapter 9.)

Here are three general rules for excluded drugs:

- 1. Our plan's outpatient drug coverage (which includes Part D and Medicaid drugs) cannot pay for a drug that would already be covered under Medicare Part A or Part B. Drugs covered under Medicare Part A or Part B are covered by Aetna Better Health of Ohio for free, but they are not considered part of your outpatient prescription drug benefits.
- 2. Our plan cannot cover a drug purchased outside the United States and its territories.
- 3. The use of the drug must be either approved by the Food and Drug Administration or supported by certain medical references as a treatment for your condition. Your doctor might prescribe a certain drug to treat your condition, even though it was not approved to treat the condition. This is called off-label use. Our plan usually does not cover drugs when they are prescribed for off-label use.

Also, by law, the types of drugs listed below are not covered by Medicare or Medicaid.

- Drugs used to promote fertility
- Drugs used for cosmetic purposes or to promote hair growth
- Drugs used for the treatment of sexual or erectile dysfunction, such as Viagra®, Cialis®, Levitra®, and Caverject®
- Drugs used for treatment of anorexia, weight loss, or weight gain
- Outpatient drugs when the company who makes the drugs says that you have to have tests or services done only by them
- Drugs manufactured by companies that have not signed a rebate agreement with the federal government
- Drugs identified by the FDA as less than effective (LTE) Drug Efficacy Study Implementation (DESI) status
- Drugs dispensed after the termination date included on the quarterly drug tape provided by the federal Centers for Medicare and Medicaid Services

B4. Drug List tiers

Every drug on the plan's Drug List is in one of three tiers. A tier is a group of drugs of generally the same type (for example, brand name, generic, or over-the-counter drugs).

- Tier 1 includes Part D prescription brand name and generic drugs.
- Tier 2 includes Part D prescription brand name and generic drugs.
- Tier 3 includes Non-Part D prescription and over-the-counter drugs.

To find out which tier your drug is in, look for the drug in the plan's Drug List.

Chapter 6 tells the amount you pay for drugs in each tier.

C. Limits on some drugs

For certain prescription drugs, special rules limit how and when the plan covers them. In general, our rules encourage you to get a drug that works for your medical condition and is safe and effective. When a safe, lower-cost drug will work just as well as a higher-cost drug, the plan expects your provider to prescribe the lower-cost drug.

If there is a special rule for your drug, it usually means that you or your provider will have to take extra steps for us to cover the drug. For example, your provider may have to tell us your diagnosis or provide results of blood tests first. If you or your provider think our rule should not apply to your situation, you should ask us to make an exception. We may or may not agree to let you use the drug without taking the extra steps.

To learn more about asking for exceptions, see Chapter 9.

1. Limiting use of a brand-name drug when a generic version is available

Generally, a generic drug works the same as a brand-name drug and usually costs less. In most cases, if there is a generic version of a brand-name drug, our network pharmacies will give you the generic version.

- We usually will not pay for the brand-name drug when there is a generic version.
- However, if your provider has told us the medical reason that neither the generic drug nor
 other covered drugs that treat the same condition will work for you, then we will cover the
 brand-name drug.

2. Getting plan approval in advance

For some drugs, you or your doctor must get approval from Aetna Better Health of Ohio before you fill your prescription. If you don't get approval, Aetna Better Health of Ohio may not cover the drug.

3. Trying a different drug first

In general, the plan wants you to try lower-cost drugs (that often are as effective) before the plan covers drugs that cost more. For example, if Drug A and Drug B treat the same medical condition, and Drug A costs less than Drug B, the plan may require you to try Drug A first.

If Drug A does not work for you, the plan will then cover Drug B. This is called step therapy.

4. Quantity limits

For some drugs, we limit the amount of the drug you can have. This is called a quantity limit. For example, the plan might limit how much of a drug you can get each time you fill your prescription.

To find out if any of the rules above apply to a drug you take or want to take, check the Drug List. For the most up-to-date information, call Member Services or check our website at **www.aetnabetterhealth.com/ohio.**

D. Reasons your drug might not be covered

We try to make your drug coverage work well for you, but sometimes a drug might not be covered in the way that you would like it to be. For example:

- The drug you want to take is not covered by the plan. The drug might not be on the Drug List. A generic version of the drug might be covered, but the brand name version you want to take is not. A drug might be new and we have not yet reviewed it for safety and effectiveness.
- The drug is covered, but there are special rules or limits on coverage for that drug. As explained in the section above, some of the drugs covered by the plan have rules that limit their use. In some cases, you or your prescriber may want to ask us for an exception to a rule.

There are things you can do if your drug is not covered in the way that you would like it to be.

D1. Getting a temporary supply

In some cases, the plan can give you a temporary supply of a drug when the drug is not on the Drug List or when it is limited in some way. This gives you time to talk with your provider about getting a different drug or to ask the plan to cover the drug.

To get a temporary supply of a drug, you must meet the two rules below:

- 1. The drug you have been taking:
 - is no longer on the plan's Drug List, or
 - was never on the plan's Drug List, or
 - is now limited in some way.
- 2. You must be in one of these situations:
 - You were in the plan last year.
 - We will cover a temporary supply of your drug during the first 90 days of the calendar year.
 - This temporary supply will be for up to 30 days in an outpatient setting and 31 days for in a long-term care facility.

- If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of 30 days of medication in an outpatient setting and 31 days in a long-term care facility. You must fill the prescription at a network pharmacy.
- Long-term care pharmacies may provide your prescription drug in small amounts at a time to prevent waste.
- You are new to the plan.
 - We will cover a temporary supply of your drug during the first 90 days of your membership in the plan.
 - This temporary supply will be for up to maximum of 30 days of medication in an outpatient setting and 31 days of medication in a long-term care facility.
 - If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of 30 days of medication in an outpatient setting and 31 days in a long-term care facility. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your prescription drug in small amounts at a time to prevent waste.
- You have been in the plan for more than 90 days and live in a long-term care facility and need a supply right away.
 - We will cover one 31-day supply, or less if your prescription is written for fewer days. This is in addition to the above temporary supply.
- If you are a current member with change in level of care:
 - We will cover a one-time temporary 31-day supply if you are discharged from a hospital or a long-term care facility to your home:
 - You need a drug that is not on our drug list, or
 - Your ability to get the drug is limited
 - We will cover a one-time temporary 31-day supply (see the note below for exceptions) if you are admitted to a long-term care facility and:
 - You need a drug that is not on our drug list, or
 - Your ability to get the drug is limited

Note: Certain dosage forms such as oral tablets or capsules are limited to 14-day fills exceptions as required by Medicare Part D rules.

• To ask for a temporary supply of a drug, call Member Services.

When you get a temporary supply of a drug, you should talk with your provider to decide what to do when your supply runs out. Here are your choices:

• You can change to another drug.

There may be a different drug covered by the plan that works for you. You can call Member Services to ask for a list of covered drugs that treat the same medical condition. The list can help your provider find a covered drug that might work for you.

OR

You can ask for an exception.

You and your provider can ask the plan to make an exception. For example, you can ask the plan to cover a drug even though it is not on the Drug List. Or you can ask the plan to cover the drug without limits. If your provider says you have a good medical reason for an exception, he or she can help you ask for one.

If you need help asking for an exception, you can contact Member Services or your care manager.

E. Changes in coverage for your drugs

Most changes in drug coverage happen on January 1, but Aetna Better Health of Ohio may add or remove drugs on the Drug List during the year. We may also change our rules about drugs. For example, we could:

- Decide to require or not require prior approval for a drug. (Prior approval is permission from Aetna Better Health of Ohio before you can get a drug.)
- Add or change the amount of a drug you can get (called quantity limits).
- Add or change step therapy restrictions on a drug. (Step therapy means you must try one drug before we will cover another drug.)

For more information on these drug rules, see Section C earlier in this chapter.

If you are taking a drug that was covered at the **beginning** of the year, we will generally not remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on the Drug List now, or
- we learn that a drug is not safe, **or**
- a drug is removed from the market.

To get more information on what happens when the Drug List changes, you can always:

- Check Aetna Better Health of Ohio's up to date Drug List online at www.aetnabetterhealth.com/ohio or
- Call Member Services to check the current Drug List at 1-855-364-0974 (TTY: 711).

Some changes to the Drug List will happen **immediately**. For example:

• A new generic drug becomes available. Sometimes, a new generic drug comes on the market that works as well as a brand name drug on the Drug List now. When that happens, we may remove the brand name drug and add the new generic drug, but your cost for the new drug will stay the same.

When we add the new generic drug, we may also decide to keep the brand name drug on the list but change its coverage rules or limits.

- We may not tell you before we make this change, but we will send you information about the specific change we made once it happens.
- You or your provider can ask for an "exception" from these changes. We will send you a
 notice with the steps you can take to ask for an exception. Please see Chapter 9 of this
 handbook for more information on exceptions.
- A drug is taken off the market. If the Food and Drug Administration (FDA) says a drug you are taking is not safe or the drug's manufacturer takes a drug off the market, we will take it off the Drug List. If you are taking the drug, we will let you know. We will also let your prescribing doctor know about the change. Please discuss with your doctor to find another drug for your condition.

We may make other changes that affect the drugs you take. We will tell you in advance about these other changes to the Drug List. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.
- We add a generic drug that is new to the market and
 - Replace a brand name drug currently on the Drug List or
 - Change the coverage rules or limits for the brand name drug.
- We add a generic drug that is not new to the market and
 - Replace a brand name drug currently on the Drug List or
 - Change the coverage rules or limits for the brand name drug.

When these changes happen, we will:

- Tell you at least 30 days before we make the change to the Drug List or
- Let you know and give you a 30-day supply of the drug in an outpatient setting and 31-day supply of the drug in a long-term care facility after you ask for a refill.

This will give you time to talk to your doctor or other prescriber. He or she can help you decide:

- If there is a similar drug on the Drug List you can take instead or
- Whether to ask for an exception from these changes. To learn more about asking for exceptions, see Chapter 9.

We may make changes that do not affect the drugs you take now. For such changes, if you are taking a drug we covered at the **beginning** of the year, we generally will not remove or change coverage of that drug during the rest of the year.

For example, if we remove a drug you are taking or limit its use, then the change will not affect your use of the drug or what you pay for the drug for the rest of the year.

F. Drug coverage in special cases

F1. If you are in a hospital or a skilled nursing facility for a stay that is covered by the plan

If you are admitted to a hospital or skilled nursing facility for a stay covered by the plan, we will generally cover the cost of your prescription drugs during your stay. You will not have to pay a copay. Once you leave the hospital or skilled nursing facility, the plan will cover your drugs as long as the drugs meet all of our rules for coverage.

F2. If you are in a long-term care facility

Usually, a long-term care facility, such as a nursing home, has its own pharmacy or a pharmacy that supplies drugs for all of its residents. If you are living in a long-term care facility, you may get your prescription drugs through the facility's pharmacy if it is part of our network.

Check your *Provider and Pharmacy Directory* to find out if your long-term care facility's pharmacy is part of our network. If it is not, or if you need more information, please contact Member Services.

F3. If you are in a Medicare-certified hospice program

Drugs are never covered by both hospice and our plan at the same time.

- If you are enrolled in a Medicare hospice and require a pain medication, anti-nausea, laxative, or antianxiety drug not covered by your hospice because it is unrelated to your terminal prognosis and related conditions, our plan must get notification from either the prescriber or your hospice provider that the drug is unrelated before our plan can cover the drug.
- To prevent delays in getting any unrelated drugs that should be covered by our plan, you can ask your hospice provider or prescriber to make sure we have the notification that the drug is unrelated before you ask a pharmacy to fill your prescription.

If you leave hospice, our plan should cover all of your drugs. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, you should bring documentation to the pharmacy to verify that you have left hospice. See the previous parts of this chapter that tell about the rules for getting drug coverage under Part D.

To learn more about the hospice benefit, see Chapter 4.

G. Programs on drug safety and managing drugs

G1. Programs to help members use drugs safely

Each time you fill a prescription, we look for possible problems, such as drug errors or drugs that:

- May not be needed because you are taking another drug that does the same thing
- May not be safe for your age or gender
- Could harm you if you take them at the same time
- Have ingredients that you are or may be allergic to
- Have unsafe amounts of opioid pain medications

If we see a possible problem in your use of prescription drugs, we will work with your provider to correct the problem.

G2. Programs to help members manage their drugs

If you take medications for different medical conditions, you may be eligible to get services, at no cost to you, through a medication therapy management (MTM) program. This program helps you and your provider make sure that your medications are working to improve your health. A pharmacist or other health professional will give you a comprehensive review of all your medications and talk with you about:

- How to get the most benefit from the drugs you take
- Any concerns you have, like medication costs and drug reactions
- ?

- How best to take your medications
- Any questions or problems you have about your prescription and over-the-counter medication

You'll get a written summary of this discussion. The summary has a medication action plan that recommends what you can do to make the best use of your medications. You'll also get a personal medication list that will include all the medications you're taking and why you take them.

It's a good idea to schedule your medication review before your yearly "Wellness" visit, so you can talk to your doctor about your action plan and medication list. Bring your action plan and medication list with you to your visit or anytime you talk with your doctors, pharmacists, and other health care providers. Also, take your medication list with you if you go to the hospital or emergency room.

Medication therapy management programs are voluntary and free to members that qualify. If we have a program that fits your needs, we will enroll you in the program and send you information. If you do not want to be in the program, please let us know, and we will take you out of the program.

If you have any questions about these programs, please contact Member Services or your care manager.

G3. Drug management program to help members safely use their opioid medications

Aetna Better Health of Ohio has a program that can help members safely use their prescription opioid medications or other medications that are frequently abused. This program is called a Drug Management Program (DMP).

If you use opioid medications that you get from several doctors or pharmacies, we may talk to your doctors to make sure your use is appropriate and medically necessary. Working with your doctors, if we decide you are at risk for misusing or abusing your opioid or benzodiazepine medications, we may limit how you can get those medications. Limitations may include:

- Requiring you to get all prescriptions for those medications from one pharmacy and/or from one doctor
- Limiting the amount of those medications we will cover for you

If we decide that one or more limitations should apply to you, we will send you a letter in advance. The letter will explain the limitations we think should apply.

This section is continued on the next page.

You will have a chance to tell us which doctors or pharmacies you prefer to use. If you think we made a mistake, you disagree that you are at risk for prescription drug abuse, or you disagree with the limitation, you and your prescriber can file an appeal. (To learn how to file an appeal, see Chapter 9.)

The DMP may not apply to you if you:

- have certain medical conditions, such as cancer,
- are getting hospice, palliative, or end-of-life care, or
- live in a long-term care facility.

Chapter 6: What you pay for your Medicare and Medicaid prescription drugs

Introduction

This chapter tells you about your outpatient prescription drugs. By "drugs," we mean:

- Medicare Part D prescription drugs, and
- drugs and items covered under Medicaid

Because you are eligible for Medicaid, you are getting "Extra Help" from Medicare to help pay for your Medicare Part D prescription drugs.

Extra Help is a Medicare program that helps people with limited incomes and resources reduce Medicare Part D prescription drug costs, such as premiums, deductibles, and copays. Extra Help is also called the "Low-Income Subsidy," or "LIS."

Other key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

To learn more about prescription drugs, you can look in these places:

- The plan's List of Covered Drugs.
 - We call this the "Drug List." It tells you:
 - Which drugs the plan pays for
 - Which of the 3 tiers each drug is in
 - Whether there are any limits on the drugs
 - If you need a copy of the Drug List, call Member Services. You can also find the Drug List on our website at www.aetnabetterhealth.com/ohio. The Drug List on the website is always the most current.
- Chapter 5 of this *Member Handbook*.
 - Chapter 5 tells how to get your outpatient prescription drugs through the plan.
 - It includes rules you need to follow. It also tells which types of prescription drugs are not covered by our plan.

- The plan's Provider and Pharmacy Directory.
 - In most cases, you must use a network pharmacy to get your covered drugs. Network pharmacies are pharmacies that have agreed to work with our plan.
 - The *Provider and Pharmacy Directory* has a list of network pharmacies. You can read more about network pharmacies in Chapter 5.

A. The Explanation of Benefits (EOB)

Our plan keeps track of your prescription drugs. We keep track of two types of costs:

- Your **out-of-pocket costs**. This is the amount of money you, or others on your behalf, pay for your prescriptions.
- Your **total drug costs**. This is the amount of money you, or others on your behalf, pay for your prescriptions, plus the amount the plan pays.

When you get prescription drugs through the plan, we send you a report called the *Explanation of Benefits*. We call it the EOB for short. The EOB includes:

- **Information for the month.** The report tells what prescription drugs you got. It shows the total drug costs, what the plan paid, and what you and others paying for you paid.
- "Year-to-date" information. This is your total drug costs and the total payments made since January 1.

We offer coverage of drugs not covered under Medicare.

To find out which drugs our plan covers, see the Drug List.

B. How to keep track of your drug costs

To keep track of your drug costs and the payments you make, and that Medicare pays for you, we use records we get from you and from your pharmacy. Here is how you can help us:

1. Use your Member ID Card.

Show your Member ID Card every time you get a prescription filled. This will help us know what prescriptions you fill, what you pay, and what Medicare pays for you.

2. Make sure we have the information we need.

Give us copies of receipts for drugs that you have paid for. You should give us copies of your receipts when you buy covered drugs at an out-of-network pharmacy.

If you were unable to use a network pharmacy and had to pay for your prescription, see Chapter 7 for information about what to do.

3. Check the reports we send you.

When you get an *Explanation of Benefits* in the mail, please make sure it is complete and correct. If you think something is wrong or missing from the report, or if you have any questions, please call Member Services. Be sure to keep these reports. They are an important record of your drug expenses.

C. You pay nothing for a one-month or long-term supply of drugs

With Aetna Better Health of Ohio, you pay nothing for covered drugs as long as you follow the plan's rules.

C1. The plan's tiers

Tiers are groups of drugs on our Drug List. Every drug in the plan's Drug List is in one of 3 tiers. You have no copays for prescription and OTC drugs on Aetna Better Health of Ohio's Drug List. To find the tiers for your drugs, you can look in the Drug List.

- Tier 1 drugs are Part D prescription brand name and generic drugs.
- Tier 2 drugs are Part D prescription brand name and generic drugs.
- Tier 3 drugs are Non-Part D prescription and over-the-counter drugs.

C2. Getting a long-term supply of a drug

For some drugs, you can get a long-term supply (also called an "extended supply") when you fill your prescription. A long-term supply is 90-day supply. There is no cost to you for a long-term supply.

For details on where and how to get a long-term supply of a drug, see Chapter 5 or the *Provider and Pharmacy Directory*.

C3. What you pay

Your share of the cost when you get a one-month or long-term supply of a covered prescription drug from:

	A network pharmacy A one-month or up to a 90-day supply	The plan's mail-order service A one-month or up to a 90-day supply	A network long-term care pharmacy Up to a 31-day supply	An out-of-network pharmacy Up to a 29-day supply. Coverage is limited to certain cases. See Chapter 5 for details.
Tier 1 (Part D prescription brand name and generic drugs)	\$0	\$0	\$0	\$0
Tier 2 (Part D prescription brand name and generic drugs)	\$0	\$0	\$0	\$0
Tier 3 (Non-Part D prescription and over-the-counter drugs)	\$0	Mail-order is not available for drugs in Tier 3.	\$0	\$0

For information about which pharmacies can give you long-term supplies, see the plan's *Provider and Pharmacy Directory*.

D. Vaccinations

Our plan covers Medicare Part D vaccines. There are two parts to our coverage of Medicare Part D vaccinations:

- 1. The first part of coverage is for the cost of **the vaccine itself**. The vaccine is a prescription drug.
- 2. The second part of coverage is for the cost of **giving you the vaccine**. For example, sometimes you may get the vaccine as a shot given to you by your doctor.

D1. What you need to know before you get a vaccination

We recommend that you call us first at Member Services whenever you are planning to get a vaccination.

• We can tell you about how your vaccination is covered by our plan.

As an Aetna Better Health of Ohio member, you pay nothing for covered vaccinations.

Chapter 7: Asking us to pay a bill you have gotten for covered services or drugs

Introduction

This chapter tells you how and when to send us a bill to ask for payment. It also tells you how to make an appeal if you do not agree with a coverage decision. Key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

Table of Contents

A. Asking us to pay for your services or drugs	125
B. How to avoid payment problems	127

A. Asking us to pay for your services or drugs

You should not get a bill for in-network services or drugs. Our network providers must bill the plan for the services and drugs you already got. A network provider is a provider who works with the health plan.

If you get a bill for health care or drugs, call Member Services or send the bill to us. To send us a bill, see page 126.

- If you have not paid the bill, we will pay the provider directly if the services or drugs are covered and you followed all the rules in the *Member Handbook*.
- If you have paid the bill, the services or drugs are covered, and you followed all the rules in the *Member Handbook*, it is your right to be paid back.
- If the services or drugs are **not** covered, we will tell you.

Contact Member Services or your care manager if you have any questions. If you get a bill and you do not know what to do about it, we can help. You can also call if you want to tell us information about a request for payment you already sent to us.

Here are some examples of times when you may need to ask our plan to assist you with a payment you made or a bill you got:

1. When you get emergency or urgently needed health care from an out-of-network provider

You should always tell the provider you are a member of Aetna Better Health of Ohio and ask the provider to bill the plan.

- If you pay the full amount when you get the care, you can ask to have the full amount refunded. Send us the bill and proof of any payment you made.
- You may get a bill from the provider asking for payment that you think you do not owe. Send us the bill and proof of any payment you made.
 - If the provider should be paid, we will pay the provider directly.
 - If you have already paid for the service, we will work with the provider to refund your payment.

2. When a network provider sends you a bill

Network providers must always bill the plan for covered services. Show your Aetna Better Health of Ohio Member ID Card when you get any services or prescriptions. Improper/inappropriate billing occurs when a provider (such as a doctor or hospital) bills you more than the plan's cost sharing amount for services. **Call Member Services if you get any bills.**

- Because Aetna Better Health of Ohio pays the entire cost for your services, you are not responsible for paying any costs. Providers should not bill you anything for these services.
- Whenever you get a bill from a network provider, send us the bill. We will contact the provider directly and take care of the problem.
- If you have already paid a bill from a network provider, send us the bill and proof of any payment you made. We will work with the provider to refund your payment amount for your covered services.

3. When you use an out-of-network pharmacy to get a prescription filled in an emergency situation

- We will cover prescriptions filled at out-of-network pharmacies in emergency situations only.
- If you get prescriptions in connection with urgently needed care when network pharmacies are not available.
- If you are unable to get a covered prescription drug in a timely manner within our service area because there is no network pharmacy within a reasonable driving distance that provides 24-hour service.
- If you are trying to fill a prescription drug that is not regularly stocked at an accessible network retail or mail order pharmacy (these prescription drugs include orphan drugs or other specialty pharmaceuticals).
- If you are traveling outside our service area (within the United States) and run out of your medication, if you lose your medication, or if you become ill and cannot access a network pharmacy.
- If you receive a Part D prescription drug, dispensed by an out of network institutional based pharmacy, while you are in the emergency department, provider based clinic, outpatient surgery or other outpatient setting.
- If you have not received your prescription during a state or federal disaster declaration or other public health emergency declaration in which you are evacuated or otherwise displaced from your service area or place of residence.

You can always contact Member Services at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week, if you are being asked to pay for services, get a bill, or have any questions. You can use the form on page 214 or ask Member Services to send you a form if you want to send us the information about the bill. You can also submit the information through our website at **www.aetnabetterhealth.com/ohio**.

B. How to avoid payment problems

1. Always ask the provider if the service is covered by Aetna Better Health of Ohio.

Except in an emergency or urgent situation, do not agree to pay for a service unless you have asked Aetna Better Health of Ohio for a coverage decision (see Chapter 9), got a final decision that the service is not covered, and decided that you still want the service even though the plan does not cover it.

2. Get plan approval before seeing an out-of-network provider.

- Exceptions to this rule are:
 - if you need out-of-network emergency or urgent care services, or
 - if you get services at Federally Qualified Health Centers, Rural Health Clinics, and qualified family planning providers listed in the *Provider and Pharmacy Directory.*
- If you get care from an out-of-network provider, ask the provider to bill Aetna Better Health of Ohio.
 - If the out-of-network provider is approved by Aetna Better Health of Ohio, you should not have to pay anything.
 - If the out-of-network provider will not bill Aetna Better Health of Ohio and you pay for the service, call Member Services as soon as possible to let us know.
- Please remember that in most situations you must get plan approval before you can see an out-of-network provider. Therefore, unless you need emergency or urgent care, are in your transition of care period, or the provider does not require prior approval as indicated above, we may not pay for services you get from an out-of-network provider.

If you have questions about your transition of care period, whether you need approval to see a certain provider, or need help in finding a network provider, call Member Services.

3. Follow the rules in the Member Handbook when getting services.

See Chapter 3 for the rules about getting your health care, behavioral health, and other services. See Chapter 5 for the rules about getting your outpatient prescription drugs.

4. Use the *Provider and Pharmacy Directory* to find network providers.

If you do not have a *Provider and Pharmacy Directory*, you can call Member Services to ask for a copy or go online at **www.aetnabetterhealth.com/ohio** for the most up-to-date information.

5. Always carry your Member ID Card and show it to the provider or pharmacy when getting care.

If you forgot your Member ID Card, ask the provider to call Member Services to verify eligibility. If your card is damaged, lost, or stolen, call Member Services right away and we will send you a new card.

Chapter 8: Your rights and responsibilities

Introduction

In this chapter, you will find legal notices that apply to your membership in Aetna Better Health of Ohio and your rights and responsibilities as a plan member. We must honor your rights. Key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

A. Legal notices

A1. Notices about laws

Many laws apply to this *Member Handbook*. These laws may affect your rights and responsibilities even if the laws are not included or explained in this handbook. The main laws that apply to this handbook are federal laws about the Medicare and Medicaid programs and state laws about the Medicaid program. Other federal and state laws may apply too.

A2. Notice about nondiscrimination

Every company or agency that works with Medicare and Medicaid must obey laws that protect you from discrimination or unfair treatment. We don't discriminate or treat you differently because of your age, claims experience, color, ethnicity, evidence of insurability, gender, genetic information, geographic location within the service area, health status, medical history, mental or physical disability, national origin, race, religion, or sex.

If you want more information or have concerns about discrimination or unfair treatment:

- Call the Department of Health and Human Services, Office for Civil Rights at 1-800-368-1019. TTY users can call 1-800-537-7697. You can also visit http://www.hhs.gov/ocr for more information.
- Call your local Office for Civil Rights at the Ohio Department of Job and Family Services Bureau of Civil Rights at 1-866-227-6353 (TTY 1-866-221-6700).

If you have a disability and need help accessing health care services or a provider, call Member Services. If you have a complaint, such as a problem with wheelchair access, Member Services can help.

A3. Notice about Medicare as a second payer

Sometimes someone else has to pay first for the services we provide you. For example, if you are in a car accident or if you are injured at work, insurance or Workers Compensation has to pay first.

We have the right and responsibility to collect for covered Medicare services for which Medicare is not the first payer.

B. Your right to get information in a way that meets your needs

Each year you are in our plan, we must tell you about the plan's benefits and your rights in a way that you can understand.

- To get information in a way that you can understand, call Member Services. Our plan has people who can answer questions in different languages.
- You may get information about the providers in Aetna Better Health of Ohio's Health Plan by calling Member Services at 1-855-364-0974 (TTY: 711), 24 hours a day 7 days a week. You can also see the *Provider and Pharmacy Directory* at www.aetnabetterhealth.com/ohio for up-to-date information, or you can request a printed copy from Member Services for most of the items listed below. Member Services can give you the information about changes in our network, which include the providers':
 - Name, address, telephone numbers
 - Professional qualifications
 - Specialty
 - Medical school attended
 - Residency completion
 - Board certification status
- Our plan can also give you materials in languages other than English and in formats such as large print, braille, or audio. The materials are available in Spanish and Somali.

C. Our responsibility to ensure that you get timely access to covered services and drugs

If you cannot get services within a reasonable amount of time, we have to pay for out-of-network care.

As a member of our plan:

- You have the right to get all services that Aetna Better Health of Ohio must provide and to choose the provider that gives you care whenever possible and appropriate.
- You have the right to be sure that others cannot hear or see you when you are getting medical care.
- You have the right to choose a primary care provider (PCP) in the plan's network. A network provider is a provider who works with the health plan. You can find more information about choosing a PCP in Chapter 3.
 - Call Member Services or look in the *Provider and Pharmacy Directory* to learn more about network providers and which doctors are accepting new patients.
- You have the right to go to a network women's health specialist for covered women's health services without getting a referral. A referral is approval from your PCP to see someone that is not your PCP.
- You have the right to get covered services from network providers within a reasonable amount of time.
 - This includes the right to get timely services from specialists.
- You have the right to get emergency services or care that is urgently needed without prior approval.
- You have the right to get your prescriptions filled at any of our network pharmacies without long delays.

• You have the right to know when you can see an out-of-network provider. To learn about out-of-network providers, see Chapter 3.

Chapter 9 tells what you can do if you think you are not getting your services or drugs within a reasonable amount of time. Chapter 9 also tells what you can do if we have denied coverage for your services or drugs and you do not agree with our decision.

D. Our responsibility to protect your personal health information (PHI)

We protect your personal health information (PHI) as required by federal and state laws.

- Your PHI includes the information you gave us when you enrolled in this plan. It also includes your medical records and other medical and health information.
- You have the right to be ensured of confidential handling of information concerning your diagnoses, treatments, prognoses, and medical and social history.
- You have rights to get information and to control how your PHI is used. We give you a written notice that tells about these rights. The notice is called the "Notice of Privacy Practice." The notice also explains how we protect the privacy of your PHI.

D1. How we protect your PHI

You have the right to be given information about your health. This information may also be available to someone who you have legally authorized to have the information or who you have said should be reached in an emergency when it is not in the best interest of your health to give it to you.

We make sure that unauthorized people do not see or change your records.

In most situations, we do not give your PHI to anyone who is not providing your care or paying for your care. If we do, we are required to get written permission from you first. Written permission can be given by you or by someone who has the legal power to make decisions for you.

There are certain cases when we do not have to get your written permission first. These exceptions are allowed or required by law.

- We are required to release PHI to government agencies that are checking on our quality of care.
- We are required to give Medicare and Medicaid your PHI. If Medicare or Medicaid releases your PHI for research or other uses, it will be done according to Federal laws, state laws and our government contracts.

D2. You have a right to see your medical records

You have the right to look at your medical records and to get a copy of your records. We are allowed to charge you a fee for making a copy of your medical records if it isn't to transfer the records to a new provider.

You have the right to ask us to update or correct your medical records. If you ask us to do this, we will work with your health care provider to decide whether the changes should be made.

You have the right to know if and how your PHI has been shared with others.

If you have questions or concerns about the privacy of your PHI, call Member Services.

E. Our responsibility to give you information about the plan, its network providers, and your covered services

As a member of Aetna Better Health of Ohio, you have the right to get information from us. If you do not speak English, we have free interpreter services to answer any questions you may have about our health plan. To get an interpreter, just call us at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week. This is a free service. Written materials are available in Spanish and Somali upon request. We can also give you information in large print, braille, or audio.

If you want information about any of the following, call Member Services:

- How to choose or change plans
- Our plan, including but not limited to:
 - Financial information
 - How the plan has been rated by plan members
 - The number of appeals made by members
 - How to leave the plan
- Our network providers and our network pharmacies, including:
 - How to choose or change primary care providers (PCP). You can change your PCP to another network PCP as often as you like. We must send you something in writing that says who the new PCP is and the date the change began.
 - Qualifications of our network providers and pharmacies
 - How we pay providers in our network

- For a list of providers and pharmacies in the plan's network, see the *Provider and Pharmacy Directory*. For more detailed information about our providers or pharmacies, call Member Services, or visit our website at www.aetnabetterhealth.com/ohio.
- Covered services and drugs and about rules you must follow, including:
 - Services and drugs covered by the plan
 - Limits to your coverage and drugs
 - Rules you must follow to get covered services and drugs
- Why something is not covered and what you can do about it, including asking us to:
 - Put in writing why something is not covered
 - Change a decision we made
 - Pay for a bill you got

F. Inability of network providers to bill you directly

Doctors, hospitals, and other providers in our network cannot make you pay for covered services. They also cannot charge you if we pay for less than the provider charged us. To learn what to do if a network provider tries to charge you for covered services, see Chapter 7.

G. Your right to get your Medicare and Part D coverage from Original Medicare or another Medicare plan at any time by asking for a change

- You have the right to get your Medicare health care services through Original Medicare or a Medicare Advantage plan.
- You can get your Medicare Part D prescription drug benefits from a prescription drug plan or from a Medicare Advantage plan.
- See Chapter 10 for more information about when you can join a new Medicare Advantage or prescription drug benefit plan.
- You must continue to get your Medicaid services from a MyCare Ohio plan.

If you want to make a change, you can call the Ohio Medicaid Hotline at 1-800-324-8680 (TTY users should call 7-1-1), Monday through Friday from 7:00 am to 8:00 pm and Saturday from 8:00 am to 5:00 pm. Calls to this number are free.

H. Your right to make decisions about your health care

H1. Your right to know your treatment options and make decisions about your health care

You have the right to get full information from your doctors and other health care providers when you get services. Your providers must explain your condition and your treatment choices in a way that you can understand. You have the right to:

- **Know your choices** and be told about all the kinds of treatment provided in a way appropriate to your condition and ability to understand regardless of cost or benefit.
- **Know the risks** and be told about any risks involved.
 - You must be told in advance if any service or treatment is part of a research experiment.
 - You have the right to refuse experimental treatments.
- **Get a second opinion** by seeing another qualified network provider before deciding on treatment.
 - If a qualified network provider is not able to see you, we will arrange a visit with a non-network provider at no cost to you.
- **Say "no"** and refuse any treatment or therapy.
 - This includes the right to:
 - leave a hospital or other medical facility, even if your doctor advises you not to.
 - stop taking a drug.
 - If you say no to treatment, therapy or taking a drug, the doctor or Aetna Better Health of Ohio must talk to you about what could happen and they must put a note in your medical record.
 - If you refuse treatment or stop taking a drug, you will not be dropped from the plan.
 - However, if you refuse treatment or stop taking a drug, you accept full responsibility for what happens to you.
- Ask us to explain why a provider denied care and get an explanation from us if a
 provider has denied care that you believe you should get.
- Ask us to cover a service or drug that was denied or is usually not covered. This is called a coverage decision. Chapter 9 tells how to ask the plan for a coverage decision.
- **Know of specific student practitioner roles** and refuse treatment from a student.

H2. Your right to say what you want to happen if you are unable to make health care decisions for yourself

You Have the Right: Using Advance Directives to State Your Wishes about Your Medical Care

People often worry about the medical care they would get if they became too sick to make their wishes known.

Some people may not want to spend months or years on life support. Others may want every step taken to lengthen life.

You can state your medical care wishes in writing while you are healthy and able to choose. Your health care facility must explain your right to state your wishes about medical care. It also must ask you if you have put your wishes in writing.

This document explains your rights under Ohio law to accept or refuse medical care. The document also explains how you can state your wishes about the care you would want if you could not choose for yourself. This document does not contain legal advice, but will help you understand your rights under the law.

What are my rights to choose my medical care?

You have the right to choose your own medical care. If you do not want a certain type of care, you have the right to tell your doctor you do not want it.

• What if I am too sick to decide? What if I cannot make my wishes known?

Most people can make their wishes about their medical care known to their doctors. But some people become too sick to tell their doctors about the type of care they want. Under Ohio law, you have the right to fill out a form while you are able to act for yourself. The form tells your doctors what you want done if you can't make your wishes known.

• What kinds of forms are there?

Under Ohio law, there are four different forms, or advance directives, you can use: a Living Will, a Do Not Resuscitate (DNR) Order, a Health Care Power of Attorney (also known as a Durable Power of Attorney for Health Care) and a Declaration for Mental Health Treatment. You fill out an advance directive while you are able to act for yourself. The advance directive lets your doctor and others know your wishes about medical care.

• Do I have to fill out an advance directive before I get medical care?

No. No one can make you fill out an advance directive. You decide if you want to fill one out.

Who can fill out an advance directive?

Anyone 18 years old or older who is of sound mind and can make his or her own decisions can fill one out.

• Do I need a lawyer?

No, you do not need a lawyer to fill out an advance directive.

Do the people giving me medical care have to follow my wishes?

Yes, if your wishes follow state law. However, a person giving you medical care may not be able to follow your wishes because they go against his or her conscience. If so, they will The Ohio Department of Medicaid Page 2 of 3 help you find someone else who will follow your wishes.

Living Will

A Living Will states how much you want to use life-support methods to lengthen your life. It takes effect only when you are:

- » in a coma that is not expected to end,
 - OR -
- » beyond medical help with no hope of getting better and can't make your wishes known,
 - OR -
- » expected to die and are not able to make your wishes known.

The people giving you medical care must do what you say in your Living Will. A Living Will gives them the right to follow your wishes. Only you can change or cancel your Living Will. You can do so at any time.

Do Not Resuscitate Order

A Do Not Resuscitate (DNR) Order is an order written by a doctor or, under certain circumstances, a certified nurse practitioner or clinical nurse specialist, that instructs health care providers not to do cardiopulmonary resuscitation (CPR). In Ohio, there are two types of DNR Orders: (1) DNR Comfort Care, and (2) DNR Comfort Care – Arrest. You should talk to your doctor about DNR options.

Health Care Power of Attorney

A Health Care Power of Attorney is different from other types of powers of attorney. This document talks only about a Health Care Power of Attorney, not about other types of powers of attorney. A Health Care Power of Attorney allows you to choose someone to carry out your wishes for your medical care. The person acts for you if you cannot act for yourself. This could be for a short time period or for a long time period.

Who should I choose?

You can choose any adult relative or friend whom you trust to act for you when you cannot act for yourself. Be sure to talk with the person about what you want. Then write down what medical care you do or do not want. You should also talk to your doctor about what you want. The person you choose must follow your wishes.

When does my Health Care Power of Attorney take effect?

The form takes effect only when you can't choose your care for yourself. The form allows your relative or friend to stop life support only in the following circumstances:

- » if you are in a coma that is not expected to end,
 - OR -
- » if you are expected to die

Declaration for Mental Health Treatment

A Declaration for Mental Health Treatment gives more specific attention to mental health care. It allows you, while capable, to appoint a representative to make decisions on your behalf when you lack the capacity to make a decision. In addition, the declaration can set forth certain wishes regarding treatment. For example, you can indicate medication and treatment preferences, and preferences concerning admission/retention in a facility.

• What is the difference between a Health Care Power of Attorney and a Living Will?

Your Living Will explains, in writing, your wishes about the use of life-support methods if you are unable to make your wishes known. Your Health Care Power of Attorney lets you choose someone to carry out your wishes for medical care when you cannot act for yourself.

• If I have a Health Care Power of Attorney, do I need a Living Will, too?

You may want both. Each addresses different parts of your medical care.

Can I change my advance directives?

Yes, you can change your advance directives whenever you want. It is a good idea to look over your advance directives from time to time to make sure they still say what you want and that they cover all areas.

If I don't have an advance directive, who chooses my medical care when I can't?

Ohio law allows your next-of-kin to choose your medical care if you are expected to die and cannot act for yourself.

Where do I get advance directive forms?

Many of the people and places that give you medical care have advance directive forms. You may also be able to get these forms from Midwest Care Alliance's website at: www.midwestcarealliance.org

• What do I do with my forms after filling them out?

You should give copies to your doctor and health care facility to put into your medical record. Give one to a trusted family member or friend. If you have chosen someone in a Health Care Power of Attorney, give that person a copy. Put a copy with your personal papers. You may want to give one to your lawyer or clergy person. Be sure to tell your family or friends about what you have done. Do not just put these forms away and forget about them.

Organ and Tissue Donation

Ohioans can choose whether they would like their organs and tissues to be donated to others in the event of their death. By making their preference known, they can ensure that their wishes will be carried out immediately and that their families and loved ones will not have the burden of making this decision at an already difficult time. Some examples of organs that can be donated are the heart, lungs, liver, kidneys and pancreas. Some examples of tissues that can be donated are skin, bone, ligaments, veins and eyes.

There are two ways to register to become an organ and tissue donor:

(1) You can state your wishes for organ and/or tissue donation when you obtain or renew your Ohio Driver License or State I.D. Card,

-OR-

(2) You may register online for organ donation through the Ohio Donor Registry website: www.donatelifeohio.org

Sometimes people are unable to make health care decisions for themselves. Before that happens to you, you can:

- Fill out a written form to give someone the right to make health care decisions for you.
- **Give your doctors written instructions** about how you want them to handle your health care if you become unable to make decisions for yourself.

The legal document that you can use to give your directions is called an advance directive. There are different types of advance directives and different names for them. Examples are a living will and a power of attorney for health care.

You do not have to use an advance directive, but you can if you want to. Here is what to do:

- **Get the form.** You can get a form from your doctor, a lawyer, a legal services agency, or a social worker. Organizations that give people information about Medicare or Medicaid (such as the Ohio Department of Aging, Ohio State Bar Association and AARP) may also have advance directive forms. You can also contact Member Services to ask for the forms. The forms are also currently available on the following website: http://www.proseniors.org/advance-directives/.
- **Fill it out and sign the form.** The form is a legal document. You should consider having a lawyer help you prepare it.
- **Give copies to people who need to know about it.** You should give a copy of the form to your doctor. You should also give a copy to the person you name as the one to make decisions for you. You may also want to give copies to close friends or family members. Be sure to keep a copy at home.
- If you are going to be hospitalized and you have signed an advance directive, **take a copy of it to the hospital.**

The hospital will ask you whether you have signed an advance directive form and whether you have it with you.

If you have not signed an advance directive form, the hospital has forms available and will ask if you want to sign one.

Remember, it is your choice to fill out an advance directive or not.

H3. What to do if your instructions are not followed

If you have signed an advance directive, and you believe that a doctor or hospital did not follow the instructions in it, you may file a complaint with the Ohio Department of Health by calling 1-800-342-0553 or emailing HCComplaints@odh.ohio.gov.

I. Your right to make complaints and to ask us to reconsider decisions we have made

Chapter 9 tells what you can do if you have any problems or concerns about your covered services or care. For example, you could ask us to make a coverage decision, make an appeal to us to change a coverage decision, or make a complaint. We will also send you a notice when you can make an appeal directly to the Bureau of State Hearings within the Ohio Department of Job and Family Services.

You have the right to get information about appeals and complaints that other members have filed against our plan. To get this information, call Member Services.

I1. What to do if you believe you are being treated unfairly or you would like more information about your rights

You are free to exercise all of your rights knowing that Aetna Better Health of Ohio, our network providers, Medicare, and the Ohio Department of Medicaid will not hold it against you.

If you believe you have been treated unfairly and it is **not** about discrimination for the reasons listed on page 130 or you would like more information about your rights, you can get help by calling:

- Member Services.
- The Ohio Medicaid Consumer Hotline at 1-800-324-8680 (TTY users call 7-1-1), Monday through Friday from 7:00 am to 8:00 pm and Saturday from 8:00 am to 5:00 pm. Calls to this number are free.
- Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week.
 TTY users should call 1-877-486-2048. (You can also read or download "Medicare Rights & Protections," found on the Medicare website at https://www.medicare.gov/Pubs/pdf/11534-Medicare-Rights-and-Protections.pdf.)
- The MyCare Ohio Ombudsman in the Office of the State Long-Term Care Ombudsman at 1-800-282-1206, Monday through Friday from 8:00 am to 5:00 pm. See Chapter 2 for more information about this organization.

J. Your responsibilities as a member of the plan

As a member of the plan, you have a responsibility to do the things that are listed below. If you have any questions, call Member Services.

- **Read the** *Member Handbook* to learn what is covered and what rules you need to follow to get covered services and drugs. For details about your:
 - Covered services, see Chapters 3 and 4. Those chapters tell you what is covered, what is not covered, what rules you need to follow, and what you pay.
 - Covered drugs, see Chapters 5 and 6.
- **Tell us about any other health or prescription drug coverage** you have. We are required to make sure you are using all of your coverage options when you get health care. Please call Member Services if you have other coverage.
- **Tell your doctor and other health care** providers that you are enrolled in our plan. Show your Member ID Card whenever you get services or drugs.
- **Help your doctors** and other health care providers give you the best care.
 - Give them the information they need about you and your health. Learn as much as you
 can about your health problems. Follow the treatment plans and instructions that you
 and your providers agree on.
 - Make sure your doctors and other providers know about all of the drugs you are taking. This includes prescription drugs, over-the-counter drugs, vitamins, and supplements.
 - If you have any questions, be sure to ask. Your doctors and other providers must explain things in a way you can understand. If you ask a question and you do not understand the answer, ask again.
- **Be considerate.** We expect all our members to respect the rights of other patients. We also expect you to act with respect in your doctor's office, hospitals, and other providers' offices.
- Pay what you owe. As a plan member, you are responsible for these payments:
 - Medicare Part A and Medicare Part B premiums. For nearly all Aetna Better Health of Ohio members, Medicaid pays the Part A premium and Part B premium. If you pay your Part A and/or part B premium and think Medicaid should have paid, you can contact your County Department of Job and Family Services and ask for assistance.
 - If you get any services or drugs that are not covered by our plan, you may have to pay for the service or drug.
 - If you disagree with our decision to not cover a service or drug, you can make an appeal. Please see Chapter 9 to learn how to make an appeal.

- **Tell us if you move.** If you are going to move, it is important to tell us right away. Call Member Services.
 - **If you move outside of our service area, you cannot stay in this plan.** Only people who live in our service area can get Aetna Better Health of Ohio. Chapter 1 tells about our service area.
 - We can help you figure out whether you are moving outside our service area. During a special enrollment period, you can switch to Original Medicare or enroll in a Medicare health or prescription drug plan in your new location. We can let you know if we have a plan in your new area.
 - Also, be sure to let Medicare and Medicaid know your new address when you move. See Chapter 2 for phone numbers for Medicare and Medicaid.
 - If you move within our service area, we still need to know. We need to keep your
 membership record up to date and know how to contact you. You must also notify your
 County Caseworker at the local Department of Job and Family Services.
- Call Member Services for help if you have questions or concerns.

K. Making recommendations about our member rights and responsibilities policy

You have the right as a member to contact us at any time to voice your opinions and submit recommendations concerning Aetna Better Health of Ohio's Rights and Responsibilities Policy. Call **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week to speak to a Member Services representative, or contact your care manager.

Chapter 9: What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

What's in this chapter?

This chapter has information about your rights to ask for a coverage decision, an appeal or make a complaint. Read this chapter to find out what to do if:

- You have a problem with or complaint about your plan.
- You need a service, item, or medication that your plan has said it will not pay for.
- You disagree with a decision that your plan has made about your care.
- You think your covered services are ending too soon.

If you have a problem or concern, you only need to read the parts of this chapter that apply to your situation. This chapter is broken into different sections to help you easily find what you are looking for.

If you are facing a problem with your health or long-term services and supports

You should get the health care, drugs, and long-term services and supports that your doctor and other providers determine are necessary for your care as a part of your care plan. However, sometimes you may run into a problem getting services, or you may be unhappy with how services were provided or how you were treated. This chapter explains the different options you have for dealing with problems and complaints about our plan, our plan's providers, getting services, and payment of services. You can also call the MyCare Ohio Ombudsman at 1-800-282-1206 to help guide you through your problem.

For additional resources to address your concerns and ways to contact them, see Chapter 2 for more information on ombudsman programs.

Section 1: Introduction

Section 1.1: What to do if you have a problem

This chapter tells you what to do if you have a problem with your plan or with your services or payment. Medicare and Medicaid approved these processes. Each process has a set of rules, procedures, and deadlines that must be followed by us and by you.

Section 1.2: What about the legal terms?

There are difficult legal terms for some of the rules and deadlines in this chapter. Many of these terms can be hard to understand, so we have used simpler words in place of certain legal terms. We use abbreviations as little as possible.

For example, we will say:

- "Making a complaint" rather than "filing a grievance"
- "Coverage decision" rather than "organization determination," "benefit determination,"
 "at-risk determination," or "coverage determination"
- "Fast coverage decision" rather than "expedited determination"

Knowing the proper legal terms may help you communicate more clearly, so we provide those too.

Section 2: Where to call for help

Section 2.1: Where to get more information and help

Sometimes it can be confusing to start or follow the process for dealing with a problem. This can be especially true if you do not feel well or have limited energy. Other times, you may not have the knowledge you need to take the next step. You can contact any of the following resources for help.

Getting help from Aetna Better Health of Ohio's Member Services

Member Services can help you with any problems or complaints about your health care, drugs, and long-term services and supports. We want to help with problems such as: understanding what services are covered; how to get services; finding a provider; being asked to pay for a service; asking for a coverage decision or appeal; or making a complaint (also called a grievance). To contact us you can:

- Call Member Services at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week. The call is free.
- Visit our website at www.aetnabetterhealth.com/ohio to send a question, complaint, or appeal.
- Fill out the appeal/complaint form on page 214 of this chapter or call Member Services and ask us to mail you a form.
- Write a letter telling us about your question, problem, complaint, or appeal. Be sure to
 include your first and last name, the number from the front of your Aetna Better Health of
 Ohio Member ID Card, and your address and telephone number. You should also send any
 information that helps explain your problem.

Mail the form or your letter to:

Aetna Better Health of Ohio Attn: Member Services Department 7400 West Campus Road, Mail Code: F494 New Albany, OH 43054

Getting help from the Ohio Department of Medicaid

If you need help, you can always call the Ohio Medicaid Hotline. The hotline can answer your questions and direct you to staff that will help you understand what to do about your problem. The hotline is not connected with us or with any insurance company or health plan. You can call the Ohio Medicaid Hotline at 1-800-324-8680 (TTY: 1-800-292-3572), Monday through Friday from 7:00 am to 8:00 pm and Saturday from 8:00 am to 5:00 pm. The call is free. You can also visit the Ohio Department of Medicaid website at http://www.medicaid.ohio.gov.

Getting help from the MyCare Ohio Ombudsman

You can also get help from the MyCare Ohio Ombudsman. The MyCare Ohio Ombudsman is an ombudsman program that can help you resolve issues that you might have with our plan. They can help you file a complaint or an appeal with our plan. See Chapter 2 for more information on ombudsman programs.

The MyCare Ohio Ombudsman is an independent advocate and is not connected with us or with any insurance company or health plan. You can call the MyCare Ohio Ombudsman at 1-800-282-1206 (TTY Ohio Relay Service: 1-800-750-0750), Monday through Friday from 8:00 am to 5:00 pm. You can also submit an online complaint at: http://aging.ohio.gov/contact. The services are free.

Getting help from Medicare

You can call Medicare directly for help with problems. Here are two ways to get help from Medicare:

- Call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY: 1-877-486-2048. The call is free.
- Visit the Medicare website at http://www.medicare.gov.

Getting help from other resources

You may also want to talk to the following people about your problem and ask for their help.

- You can talk to your doctor or other provider. Your doctor or other provider can ask for a coverage decision. If you disagree with the coverage decision, the doctor or other provider that requested the service can submit a Level 1 appeal on your behalf.
 - If you want your doctor or other provider to act on your behalf for an appeal of services covered by Medicaid only or for a Medicaid State Hearing, you must name him or her as your representative in writing.
- You can talk to a friend or family member. A friend or family member can ask for a coverage decision, an appeal, or submit a complaint on your behalf if you name them as your "representative."
- ?

- If you want someone to be your representative, call Member Services and ask for the "Appointment of Representative" form. You can also get the form by visiting https://www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf or on our website at **www.aetnabetterhealth.com/ohio**. The form gives the person permission to act for you. You must give us a copy of the signed form.
- We will also accept a letter or other appropriate form to authorize your representative.
- You can talk to a lawyer. You may call your own lawyer or get the name of a lawyer from the local bar association or other referral service. If you want information on free legal help, you can contact your local legal aid office or call Ohio Legal Aid toll-free at 1-866-529-6446 (1-866-LAW-OHIO). If you want a lawyer to represent you, you will need to fill out the Appointment of Representative form. Please note, **you do not need a lawyer** to ask for a coverage decision or to make an appeal or complaint.

Section 3: Problems with your benefits

• Section 3.1: Should you use the process for coverage decisions and appeals? Or do you want to make a complaint?

If you have a problem or concern, you only need to read the parts of this chapter that apply to your situation. The chart below will help you find the right section of this chapter for problems or complaints.

Is your problem or concern about your benefits or coverage?

(This includes problems about whether particular medical care, prescription drugs, or long-term services and supports are covered or not, the way in which they are covered, and problems related to the plan's denial of payment for items and services.)

Yes.

My problem is about benefits or coverage.

Go to Section 4: "Coverage decisions and appeals" on page 155.

No.

My problem is not about benefits or coverage.

Skip ahead to **Section 10: "How to make a complaint"** on page 195.

Section 4: Coverage decisions and appeals

Section 4.1: Overview of coverage decisions and appeals

The process for asking for coverage decisions and making appeals deals with problems related to your benefits and coverage. It also includes problems with payment denials.

What is a coverage decision?

A coverage decision is an initial decision we make about your benefits and coverage or about the amount we will pay for your medical services, items, or drugs. We are making a coverage decision whenever we decide what is covered for you and how much we pay.

If you or your doctor are not sure if a service, item, or drug is covered by Medicare or Medicaid, either of you can ask for a coverage decision before the doctor gives the service, item, or drug.

What is an appeal?

An appeal is a formal way of asking us to review our decision and change it if you think we made a mistake. For example, we might decide that a service, item, or drug that you want is not medically necessary, not a covered benefit, or is no longer covered by Medicare or Medicaid. If you or your doctor disagree with our decision, you can appeal.

How can I get help with coverage decisions and appeals?

If you need help, you can contact any of the resources listed in Section 2.1 on page 151.

Section 4.2: Which section of this chapter will help you?

There are four different types of situations that involve coverage decisions and appeals. Each situation has different rules and deadlines. We separate this chapter into different sections to help you find the rules you need to follow. **You only need to read the section that applies to your problem:**

- **Section 5 on page 157** gives you information if you have problems getting medical care or items, dental or vision services, behavioral health services, long-term services and supports, and prescription drugs (but **not** Part D drugs). For example, use this section if:
 - You are not getting medical care you want, and you believe our plan covers this care.
- ?

- We did not approve services, items, or drugs that your doctor wants to give you, and you believe this care should be covered.
 - NOTE: Only use Section 5 for problems with drugs not covered by Part D. Drugs in the List of Covered Drugs, also known as the Drug List, with an asterisk (*) are not covered by Part D. See Section 6 on page 172 for Part D drug appeals.
- You got medical care or services you think should be covered, but we are not paying for this care.
- You got and paid for medical services or items you thought were covered, and you want to ask us to pay for the services so your payment can be refunded.
- You are being told that coverage for care you have been getting will be reduced or stopped, and you disagree with our decision.
 - NOTE: If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, you need to read a separate section of this chapter because special rules apply to these types of care. See Sections 7 and 8 on pages 181 and 188.
- **Section 6 on page 172** gives you information if you have problems about Part D drugs. For example, use this section if:
 - You want to ask us to make an exception to cover a Part D drug that is not on our Drug List.
 - You want to ask us to waive limits on the amount of the drug you can get.
 - You want to ask us to cover a drug that requires prior approval.
 - We did not approve your request or exception, and you or your doctor or other prescriber thinks we should have.
 - You want to ask us to pay for a prescription drug you already bought so your payment can be refunded. (This is asking for a coverage decision about payment.)
- **Section 7 on page 181** gives you information on how to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon. Use this section if:
 - You are in the hospital and think the doctor asked you to leave the hospital too soon.
- **Section 8 on page 188** gives you information if you think your home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services are ending too soon.

If you're not sure which section you should use, please call Member Services at **1-855-364-0974 (TTY: 711)**.

If you need other help or information, please call the MyCare Ohio Ombudsman at 1-800-282-1206 (TTY Ohio Relay Service: 1-800-750-0750).

Section 5: Problems about services, items, and drugs (not Part D drugs)

Section 5.1: When to use this section

This section is about what to do if you have problems with your benefits for your medical care or items, dental or vision services, behavioral health services, and long-term services and supports. You can also use this section for problems with drugs that are **not** covered by Part D, including Medicare Part B drugs. Drugs in the Drug List with an asterisk (*) are not covered by Part D. Use Section 6 for Part D drug appeals.

This section tells what you can do if you are in any of the following situations:

1. You think we cover a medical, behavioral health, or long-term care service you need but are not getting.

What you can do: You can ask us to make a coverage decision. Go to Section 5.2 on page 159 for information on asking for a coverage decision.

2. You want us to cover a benefit that requires plan approval (also called prior authorization) before you get the service.

What you can do: You can ask us to make a coverage decision. Go to Section 5.2 on page 159 for information on asking for a coverage decision.

NOTE: See the Benefits Chart in Chapter 4 for a general list of covered services as well as information on what services require prior authorization from our plan. See the Drug List to see if any drugs require prior authorization. You can also view the lists of services and drugs that require prior authorization at **www.aetnabetterhealth.com/ohio**.

3. We did not approve care your doctor wants to give you, and you think we should have.

What you can do: You can appeal our decision to not approve the care. Go to Section 5.3 on page 161 for information on making an appeal.

4. We did not approve your request to get waiver services from a specific network non-agency or participant-directed provider.

What you can do: You can appeal our decision to not approve the request. Go to section 5.3 on page 161 for information on making an appeal.

5. You got services or items that you think we cover, but we will not pay.

What you can do: You can appeal our decision not to pay. Go to Section 5.3 on page 161 for information on making an appeal.

- 6. You got and paid for services or items you thought were covered, and you want us to work with the provider to refund your payment.
 - **What you can do:** You can ask us to work with the provider to refund your payment. Go to page 125 of this section for information on asking for payment.
- 7. We reduced, suspended, or stopped your coverage for a certain service or item, and you disagree with our decision.

What you can do: You can appeal our decision to reduce, suspend, or stop the service or item. Go to Section 5.3 on page 161 for information on making an appeal.

NOTE: If we tell you that previously approved services or items will be reduced, suspended, or stopped before you receive all of the services or items that were approved, you may be able to continue to get the services and items during the appeal. Read "Will my benefits continue during Level 1 appeals" on page 165.

NOTE: If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, special rules apply. Read Sections 7 or 8 on pages 181 and 188 to find out more.

8. We did not make a coverage decision within the timeframes we should have.

What you can do: You can file a complaint or an appeal. Go to Section 10 on page 195 for information on making a complaint. Go to Section 5.3 on page 161 for information on making a Level 1 Appeal.

NOTE: If you need help deciding which process to use, you can call the MyCare Ohio Ombudsman at 1-800-282-1206 (TTY Ohio Relay Service: 1-800-750-0750).

9. We did not make an appeal decision within the timeframes we should have.

What you can do: You can file a complaint. Go to Section 10 on page 195 for information on making a complaint. Also, if your problem is about coverage of a Medicaid service or item, you can ask for a State Hearing. Go to Section 5.4 on page 165 for information on asking for a State Hearing. Note that if your problem is about coverage for a Medicare service or item, we will automatically forward your appeal to Level 2 if we do not give you an answer within the required timeframe.

NOTE: If you need help deciding which process to use, you can call the MyCare Ohio Ombudsman at 1-800-282-1206 (TTY Ohio Relay Service: 1-800-750-0750).

Section 5.2: Asking for a coverage decision

How to ask for a coverage decision to get a service, item, or Medicaid drug (go to Section 6 for Medicare Part D drugs)

To ask for a coverage decision, call, write, or fax us, or ask your authorized representative or doctor to ask us for a decision.

You can call us at: 1-855-364-0974 TTY: 711.

• You can fax us at: 1-855-734-9389

• You can write to us at:

Aetna Better Health of Ohio Attn: Utilization Management Department 7400 West Campus Road, Mail Code: F494 New Albany, OH 43054

Remember, you must complete the Appointment of Representative form to appoint someone as your authorized representative. We will also accept a letter or other appropriate form to authorize your representative. For more information, see Section 2.1 on page 151.

How long does it take to get a coverage decision?

We will make a standard coverage decision on Medicaid or Medicare Part B prescription drugs within 72 hours after we receive your request.

We will make a standard coverage decision on all other services and items within 10 calendar days after you asked. If we don't give you our decision within 10 calendar days (or 72 hours for a Medicare Part B prescription drug), you can appeal.

You or your provider can ask for more time, or we may need more time to make a decision. If we need more time, we will send you a letter telling you that we need to take up to 14 more calendar days. The letter will explain why more time is needed. We can't take extra time to give you a decision if your request is for a Medicare Part B prescription drug.

Can I get a coverage decision faster?

Yes. If you need a response faster because of your health, ask us to make a "fast coverage decision." If we approve the request, we will notify you of our decision within 24 hours for Medicaid or Medicare Part B prescription drugs and within 48 hours for all other services and items.

The legal term for "fast coverage decision" is "expedited determination."

Except for fast coverage decisions for Medicaid drugs, you or your provider can ask for more time or we may need more time to make a decision. If we need more time, we will send you a letter telling you that we need to take up to 14 more calendar days. The letter will explain why more time is needed. We can't take extra time to give you a decision if your request is for a Medicare Part B prescription drug.

Asking for a fast coverage decision:

- If you request a fast coverage decision, start by calling or faxing our plan to ask us to cover the care you want.
- You can call us at **1-855-364-0974 (TTY: 711)** or fax us at 1-855-734-9389. For details on how to contact us, go to Chapter 2.
- You can also have your doctor or your authorized representative call us.

Here are the rules for asking for a fast coverage decision:

You must meet the following two requirements to get a fast coverage decision:

- 1. You can get a fast coverage decision **only if you are asking for coverage for medical care or an item you have not yet received.** (You cannot get a fast coverage decision if your request is about refunding your payment for medical care or an item you already got.)
- 2. You can get a fast coverage decision **only if the standard deadlines could cause serious harm to your health or hurt your ability to function**. The standard deadlines are 72 hours for Medicaid or Medicare Part B prescription drugs and 10 calendar days for all other services and items.
 - If your doctor says that you need a fast coverage decision, we will automatically give you one.
 - If you ask for a fast coverage decision without your doctor's support, we will decide if you get a fast coverage decision.
 - If we decide that your health does not meet the requirements for a fast coverage decision, we will send you a letter. We will also use the standard deadlines (72 hours for Medicaid or Medicare Part B prescription drugs) instead to make our decision.
 - This letter will tell you that if your doctor asks for the fast coverage decision, we will automatically give a fast coverage decision.
 - The letter will also tell how you can file a "fast complaint" about our decision to give you a standard coverage decision instead of a fast coverage decision. For more information about the process for making complaints, including fast complaints, see Section 10 on page 195.
- ?

If the coverage decision is Yes, when will I get the service or item?

For standard coverage decisions, we will authorize the coverage within 72 hours for Medicaid or Medicare Part B prescription drugs and 10 calendar days for all other services and items. For fast coverage decisions, we will authorize the coverage within 24 hours for Medicaid or Medicare Part B prescription drugs and 48 hours for all other services and items.

If we extended the time needed to make our coverage decision, we will authorize the coverage by the end of that extended period. We can't take extra time to make our coverage decision for a Medicare Part B prescription drug.

If the coverage decision is No, how will I find out?

If the answer is **No**, we will send you a letter telling you our reasons for saying **No**.

- If we say **No**, you have the right to ask us to change this decision by making an appeal. Making an appeal means asking us to review our decision to deny coverage.
- If you decide to make an appeal, it means you are going on to Level 1 of the appeals process (read the next section for more information).

Section 5.3: Level 1 Appeal for services, items, and drugs (not Part D drugs)

What is an Appeal?

An appeal is a formal way of asking us to review our coverage decision and change it if you think we made a mistake. If you, your authorized representative, or your doctor or other provider disagree with our decision, you can appeal. You can also appeal our failure to make a coverage decision within the timeframes we should have. We will send you a notice in writing whenever we take an action or fail to take an action that you can appeal.

NOTE: If you want your doctor or other provider to act on your behalf for an appeal of services covered by Medicaid only, you must name him or her as your representative in writing. Read "Can someone else make the appeal for me" on page 162 for more information.

If you need help during the appeals process, you can call the MyCare Ohio Ombudsman at 1-800-282-1206 (TTY Ohio Relay Service: 1-800-750-0750). The MyCare Ohio Ombudsman is not connected with us or with any insurance company or health plan.

What is a Level 1 Appeal?

A Level 1 Appeal is the first appeal to our plan. We will review your coverage decision to see if it is correct. The reviewer will be someone who did not make the original coverage decision. When we complete the review, we will give you our decision in writing.

How do I make a Level 1 Appeal?

 To start your appeal, you, your authorized representative, or your doctor or other provider must contact us. You can call us at 1-855-364-0974 (TTY: 711) or write to us at the following address:

Aetna Better Health of Ohio Attn: Grievance and Appeals Department P.O. Box 81139 5801 Postal Road Cleveland, OH 44181

- If you decide to write to us, you can draft your own letter or you can use the appeal/complaint form on page 214. Be sure to include your first and last name, the number from the front of your Aetna Better Health of Ohio Member ID Card, and your address and telephone number. You should also include any information that helps explain your problem.
- For additional details on how to reach us for appeals, see Chapter 2.
- You can ask us for a "standard appeal" or a "fast appeal."

The legal term for "fast appeal" is "expedited reconsideration."

Can someone else make the appeal for me?

Yes. Your doctor or other provider can make the appeal for you. Also, someone else can make the appeal for you, but first you must complete an Appointment of Representative form. The form gives the other person permission to act for you.

To get an Appointment of Representative form, call Member Services and ask for one, or visit https://www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf or our website at **www.aetnabetterhealth.com/ohio.** We will also accept a letter or other appropriate form to authorize your representative.

At a glance: How to make a Level 1 Appeal

You, your doctor, or your representative may put your request in writing and mail or fax it to us. You may also ask for an appeal by calling us.

- Ask within 60 calendar days of the decision you are appealing. If you miss the deadline for a good reason, you may still appeal.
- If you appeal because we told you that a service you currently get will be changed or stopped, you have fewer days to appeal if you want to keep getting that service while your appeal is processing.
- Keep reading this section to learn about what deadline applies to your appeal.

?

If the appeal comes from someone besides you or your doctor or other provider that requested the service, we must get your written authorization before we can review the appeal. For services covered by Medicaid only, if you want your doctor, other provider, or anyone else to act on your behalf, we must get your written authorization.

How much time do I have to make an appeal?

You must ask for an appeal **within 60 calendar days** after the date on the letter we sent to tell you our decision.

If you miss this deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of a good reason are: you had a serious illness, or we gave you the wrong information about the deadline for requesting an appeal.

NOTE: If you appeal because we told you that a service you currently get will be changed or stopped, **you have fewer days to appeal** if you want to keep getting that service while your appeal is processing. Read "Will my benefits continue during Level 1 appeals" on page 165 for more information.

Can I get a copy of my case file?

Yes. Ask us for a free copy by calling Member Services at 1-855-364-0974 (TTY: 711).

Can my doctor give you more information about my appeal?

Yes, you and your doctor may give us more information to support your appeal.

How will we make the appeal decision?

We take a careful look at all of the information about your request for coverage of medical care. Then, we check to see if we were following all the rules when we said **No** to your request. The reviewer will be someone who did not make the original decision.

If we need more information, we may ask you or your doctor for it.

When will I hear about a "standard" appeal decision?

We must give you our answer within 15 calendar days after we get your appeal (72 hours for Medicaid or Medicare Part B prescription drugs). We will give you our decision sooner if your health condition requires us to.

• However, if you or your provider asks for more time or if we need to gather more information, we may take up to 14 more calendar days. If we take extra days to make the decision, we will send you a letter that explains why we need more time. We can't take extra time to make a decision if your appeal is for Medicare Part B prescription drug.

- If you believe we should not take extra days, you can file a "fast complaint" about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. For more information about the process for making complaints, including fast complaints, see Section 10 on page 195.
- If we do not give you an answer to your appeal within 15 calendar days (or within 7 calendar days after we get your appeal for a Medicare Part B prescription drug) or by the end of the extra days (if we took them), we will automatically send your case to Level 2 of the appeals process if your problem is about coverage of a Medicare service or item (see Section 5.4 on page 165). You will be notified when this happens. If your problem is about coverage of a Medicaid service or item, you can ask for a State Hearing (see Section 5.4 on page 165).

You can also file a complaint about our failure to make an appeal decision within the required timeframe (see Section 10 on page 195).

If our answer is Yes to part or all of what you asked for, we must approve the service within 15 calendar days after we get your appeal (or within 7 days after we get your appeal for a Medicare Part B prescription drug).

If our answer is No to part or all of what you asked for, we will send you a letter. If your problem is about coverage of a Medicare service or item, the letter will tell you that we sent your case to the Independent Review Entity for a Level 2 Appeal (see Section 5.4 on page 165). If your problem is about coverage of a Medicaid service or item, the letter will tell you that you can also request a State Hearing (see Section 5.4 on page 165).

When will I hear about a "fast" appeal decision?

If you ask for a fast appeal, we will give you our answer within 72 hours after we get all information needed to decide your appeal. We will give you our answer sooner if your health requires us to do so.

- However, if you or your provider asks for more time or if we need to gather more information, we may take up to 14 more calendar days. If we take extra days to make the decision, we will send you a letter that explains why we need more time. We can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.
- If you believe we should not take extra days, you can file a "fast complaint" about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. For more information about the process for making complaints, including fast complaints, see Section 10 on page 195.
- If we do not give you an answer to your appeal within 72 hours or by the end of the extra days (if we took them), we will automatically send your case to Level 2 of the appeals process if your problem is about coverage of a Medicare service or item (see Section 5.4 on page 165). You will be notified when this happens. If your problem is about coverage of a Medicaid service or item, you can ask for a State Hearing (see Section 5.4 on page 165).
- ?

You can also file a complaint about our failure to make an appeal decision within the required timeframe (see Section 10 on page 195).

If our answer is Yes to part or all of what you asked for, we must authorize the coverage within 72 hours after we get your appeal.

If our answer is No to part or all of what you asked for, we will send you a letter. If your problem is about coverage of a Medicare service or item, the letter will tell you that we sent your case to the Independent Review Entity for a Level 2 Appeal (see Section 5.4 on page 165). If your problem is about coverage of a Medicaid service or item, the letter will tell you that you can also request a State Hearing (see Section 5.4 on page 165).

Will my benefits continue during Level 1 appeals?

Yes, if you meet certain requirements. If we previously approved coverage for a service but then decided to change or stop the service before the authorization period expired, we will send you a notice at least 15 days in advance of taking the action. You, your authorized representative, or your doctor or other provider must **ask for an appeal on or before the later of the following** to continue the service during the appeal:

- Within 15 calendar days of the mailing date of our notice of action; or
- The intended effective date of the action.

If your benefits are continued, you can keep getting the service until one of the following happens: (1) you withdraw the appeal; or (2) 15 calendar days pass after we notify you that we said **No** to your appeal.

NOTE: Sometimes your benefits may continue even if we say **No** to your appeal. If the service is covered by Medicaid and you ask for a State Hearing, you may be able to continue your benefits until the Bureau of State Hearings makes a decision. If the service is covered by both Medicare and Medicaid, your benefits will continue during the Level 2 appeal process. For more information, see Section 5.4 on page 165.

Section 5.4: Level 2 Appeal for services, items, and drugs (not Part D drugs)

If the plan says No at Level 1, what happens next?

If we say **No** to part or all of your Level 1 Appeal, we will send you a letter. This letter will tell you if the service or item is primarily covered by Medicare and/or Medicaid.

• If your problem is about a **Medicaid** service or item, the letter will tell you that you may ask for a State Hearing. See page 166 of this section for information on State Hearings.

- If your problem is about a **Medicare** service or item, you will automatically get a Level 2 Appeal with the Independent Review Entity (IRE) as soon as the Level 1 Appeal is complete.
- If your problem is about a service or item that could be primarily covered by **both** Medicare and Medicaid, you will automatically get a Level 2 Appeal with the IRE. The letter
 will tell you that you may also ask for a State Hearing. See page 166 of this section for
 information on State Hearings.

What is a Level 2 Appeal?

A Level 2 Appeal is the second appeal regarding a service or item. The Level 2 Appeal is reviewed by an independent organization that is not connected to the plan.

My problem is about a Medicaid service or item. How can I make a Level 2 Appeal?

If we say **No** to your Appeal at Level 1 and the service or item is usually covered by Medicaid, you may ask for a State Hearing.

What is a State Hearing?

A State Hearing is a meeting with you or your authorized representative, our plan, and a hearing officer from the Bureau of State Hearings within the Ohio Department of Job and Family Services (ODJFS). You will explain why you think our plan did not make the right decision and we will explain why we made our decision. The hearing officer will listen and then decide who is right based on the information given and the rules.

We will send you a notice in writing of your right to request a State Hearing. If you are on the MyCare Ohio Waiver, you may have other State Hearing rights. Please refer to your Home & Community-Based Services Waiver Member Handbook for more information about your rights.

How do I ask for a State Hearing?

To ask for a State Hearing, you or your authorized representative must contact the Bureau of State Hearings within 120 calendar days of the date that we sent the notice of your State Hearing rights. The 120 calendar days begins on the day after the mailing date on the notice. If you miss the 120 calendar day deadline and have a good reason for missing it, the Bureau of State Hearings may give you more time to request a hearing. Remember, you have to ask for a Level 1 Appeal before you can ask for a State Hearing.

NOTE: If you want someone to act on your behalf, including your doctor or other provider, you must give the Bureau of State Hearings written notice saying that you want that person to be your authorized representative.

• You can sign and send the State Hearing form to the address or fax number listed on the form or submit your request by e-mail to bsh@jfs.ohio.gov.You can also call the Bureau of State Hearings at 1-866-635-3748.

How long does it take to get a State Hearing decision?

State Hearing decisions are usually given no later than 70 calendar days after the Bureau of State Hearings gets your request. However, if the Bureau of State Hearings agrees that this timeframe could cause serious harm to your health or hurt your ability to function, the decision will be given as quickly as needed, but no later than 3 working days after the Bureau of State Hearings gets your request.

My problem is about a service or item that is covered by Medicare. What will happen at the Level 2 Appeal?

If we say No to your Appeal at Level 1 and the service or item is usually covered by Medicare, you will automatically get a Level 2 Appeal from the Independent Review Entity (IRE). An Independent Review Entity (IRE) will carefully review the Level 1 decision and decide whether it should be changed.

- You do not need to request the Level 2 Appeal. We will automatically send any denials (in whole or in part) to the IRE. You will be notified when this happens.
- The IRE is hired by Medicare and is not connected with this plan.
- You may ask for a copy of your file by calling Member Services at 1-855-364-0974 (TTY: 711).

How long does it take to get an IRE decision?

- The IRE must give you an answer to your Level 2 Appeal within 30 calendar days of when it gets your appeal (or within 7 calendar days of when it gets your appeal for a Medicare Part B prescription drug). This rule applies if you sent your appeal before getting medical services or items.
 - However, if the IRE needs to gather more information that may benefit you, it can take up to 14 more calendar days. If the IRE needs extra days to make a decision, it will tell you by letter. The IRE can't take extra time to make a decision if your appeal is for a Medicare Part B prescription drug.
- If you had a "fast appeal" at Level 1, you will automatically have a fast appeal at Level 2. The IRE must give you an answer within 72 hours of when it gets your appeal.
 - However, if the IRE needs to gather more information that may benefit you, it can take up to 14 more calendar days. If the IRE needs extra days to make a decision, it will tell you by letter. The IRE can't take extra time to make a decision if your appeal is for a Medicare Part B prescription drug.
- ?

What if my service or item is covered by both Medicare and Medicaid?

If your problem is about a service or item that could be covered by both Medicare and Medicaid, we will automatically send your Level 2 Appeal to the Independent Review Entity. You can also ask for a State Hearing. To ask for a State hearing, follow the instructions in this section on page 166.

Will my benefits continue during Level 2 appeals?

If we decide to change or stop coverage for a service that was previously approved, you can ask to continue your benefits during Level 2 Appeals in some cases.

- If your problem is about a service primarily covered by **Medicaid only**, you can ask to continue your benefits during Level 2 appeals. You or your authorized representative must **ask for a State Hearing before the later of the following** to continue the service during the State Hearing:
 - Within 15 calendar days of the mailing date of our letter telling you that we denied your Level 1 appeal; or
 - The intended effective date of the action.
- If your problem is about a service primarily covered by **Medicare only**, your benefits for that service will **not** continue during the Level 2 appeal process with the Independent Review Entity (IRE).
- If your problem is about a service primarily covered by **both Medicare and Medicaid**, your benefits for that service will automatically continue during the Level 2 appeal process with the IRE. If you also ask for a State Hearing, you can continue your benefits while the hearing is pending if you submit your request within the timeframes listed above.

If your benefits are continued, you can keep getting the service until one of the following happens: (1) you withdraw the appeal; (2) all entities that got your Level 2 Appeal (the IRE and/or Bureau of State Hearings) decide **No** to your request.

How will I find out about the decision?

If your Level 2 Appeal was a State Hearing, the Bureau of State Hearings will send you a written hearing decision in the mail.

• If the hearing decision is Yes (sustained) to all or part of what you asked for, the decision will clearly explain what our plan must do to address the issue. If you do not understand the decision or have a question about getting the service or payment being made, contact Member Services for assistance.

• If the hearing decision is No (overruled) to part or all of what you asked for, it means the Bureau of State Hearings agreed with the Level 1 decision. The State Hearing decision will explain the Bureau of State Hearings' reasons for saying No and will tell you that you have the right to request an Administrative Appeal.

If your Level 2 Appeal went to the Independent Review Entity (IRE), the Independent Review Entity (IRE) will send you a letter explaining its decision.

- If the IRE says **Yes** to part or all of what you asked for in your standard appeal, we must authorize the medical care coverage within 72 hours or give you the service or item within 14 calendar days from the date we get the IRE's decision. If you had a fast appeal, we must authorize the medical care coverage or give you the service or item within 72 hours from the date we get the IRE's decision.
- If the IRE says **Yes** to part or all of what you asked for in your standard appeal for a Medicare Part B prescription drug, we must authorize or provide the Medicare Part B prescription drug within 72 hours after we get the IRE's decision. If you had a fast appeal, we must authorize or provide the Medicare Part B prescription drug within 24 hours from the date we get the IRE's decision.
- If the IRE says No to part or all of what you asked for, it means they agree with the Level 1
 decision. This is called "upholding the decision." It is also called "turning down your appeal."

I appealed to both the Independent Review Entity and the Bureau of State Hearings for services covered by both Medicare and Medicaid. What if they have different decisions?

If either the Independent Review Entity or the Bureau of State Hearings decides **Yes** for all or part of what you asked for, we will give you the approved service or item that is closest to what you asked for in your appeal.

If the decision is No for all or part of what I asked for, can I make another appeal?

If your Level 2 Appeal was a State Hearing, you can appeal again by asking for an Administrative Appeal. The Bureau of State Hearings must get your request for an Administrative Appeal within 15 calendar days of the date the hearing decision was issued.

If your Level 2 Appeal went to the Independent Review Entity (IRE), you can appeal again only if the dollar value of the service or item you want meets a certain minimum amount. The letter you get from the IRE will explain additional appeal rights you may have.

See Section 9 on page 194 for more information on additional levels of appeal.

Section 5.5: Payment problems

We do not allow our network providers to bill you for covered services and items. This is true even if we pay the provider less than the provider charges for a covered service or item. You are never required to pay the balance of any bill.

If you get a bill for covered services and items, send the bill to us. **You should not pay the bill yourself.** We will contact the provider directly and take care of the problem. It is possible that we will pay the provider so they can refund your payment or the provider will agree to stop billing you for the service.

For more information, start by reading Chapter 7: "Asking us to pay a bill you have gotten for covered services or drugs." Chapter 7 describes the situations in which you may need to ask us to assist you with payment you made to a provider or to pay a bill you got from a provider. It also tells how to send us the paperwork that asks us for payment. Chapter 7 also gives information to help you avoid payment problems in the future.

Can I ask you to pay me back for a service or item I paid for?

Remember, if you get a bill for covered services and items, you should not pay the bill yourself. But if you do pay the bill, you can get a refund if you followed the rules for getting services and items.

If you are asking to be paid back, you are asking for a coverage decision. We will see if the service or item you paid for is a covered service or item, and we will check to see if you followed all the rules for using your coverage.

- If the service or item you paid for is covered and you followed all the rules, we will work with the provider to refund your payment.
- If you haven't paid for the service or item yet, we will send the payment directly to the provider. When we send the payment, it's the same as saying **Yes** to your request for a coverage decision.
- If the service or item is not covered, or you did not follow all the rules, we will send you a letter telling you we will not pay for the service or item, and explaining why.

What if we say we will not pay?

If you do not agree with our decision, **you can make an appeal**. Follow the appeals process described in Section 5.3 on page 161. When you follow these instructions, please note:

• If you make an appeal for reimbursement, we must give you our answer within 60 calendar days after we get your appeal.

• If you are asking to be paid back for a service or item you already got and paid for yourself, you cannot ask for a fast appeal.

If we answer **No** to your appeal and the service or item is usually covered by Medicare, we will automatically send your case to the Independent Review Entity (IRE). We will notify you by letter if this happens.

- If the IRE reverses our decision and says we should make payment, we must send the payment to the provider within 30 calendar days. If the answer to your appeal is **Yes** at any stage of the appeals process after Level 2, we must send the payment to the provider within 60 calendar days.
- If the IRE says **No** to your appeal, it means they agree with our decision not to approve your request. (This is called "upholding the decision." It is also called "turning down your appeal.") The letter you get will explain additional appeal rights you may have. You can appeal again only if the dollar value of the service or item you want meets a certain minimum amount. See Section 9 on page 194 for more information on additional levels of appeal.

If we answer **No** to your appeal and the service or item is usually covered by Medicaid, you can request a State Hearing (see Section 5.4 on page 165).

Section 6: Part D drugs

Section 6.1: What to do if you have problems getting a Part D drug or you want your payment refunded for a Part D drug

Your benefits as a member of our plan include coverage for many prescription drugs. Most of these drugs are "Part D drugs." There are a few drugs that Medicare Part D does not cover but that Medicaid may cover. **This section only applies to Part D drug appeals.**

The Drug List includes some drugs with an asterisk (*). These drugs are **not** Part D drugs. Appeals or coverage decisions about drugs with an asterisk (*) symbol follow the process in **Section 5** on page 157.

Can I ask for a coverage decision or make an appeal about Part D prescription drugs?

Yes. Here are examples of coverage decisions you can ask us to make about your Part D drugs:

- You ask us to make an exception such as:
 - Asking us to cover a Part D drug that is not on the plan's Drug List
 - Asking us to waive a restriction on the plan's coverage for a drug (such as limits on the amount of the drug you can get)
- You ask us if a drug is covered for you (for example, when your drug is on the plan's Drug List but we require you to get approval from us before we will cover it for you).

NOTE: If your pharmacy tells you that your prescription cannot be filled, you will get a notice explaining how to contact us to ask for a coverage decision.

You ask us to pay for a prescription drug you already bought. This is asking for a coverage
decision about payment. Remember, you should not have to pay for any medically
necessary services covered by Medicare and Medicaid. If you are being asked to pay for the
full cost of a drug, call Member Services for assistance.

The legal term for a coverage decision about your Part D drugs is "coverage determination."

If you disagree with a coverage decision we have made, you can appeal our decision. This section tells you how to ask for coverage decisions **and** how to request an appeal.

Use the chart below to help you decide which section has information for your situation:

Which of these situations are you in?								
Do you need a drug that isn't on our Drug List or need us to waive a rule or restriction on a drug we cover?	Do you want us to cover a drug on our Drug List and you believe you meet any plan rules or restrictions (such as getting approval in advance) for the drug you need?	Do you want to ask us to pay you back for a drug you already got and paid for?	Have we already told you that we will not cover or pay for a drug in the way that you want it to be covered or paid for?					
You can ask us to make an exception. (This is a type of coverage decision.)	You can ask us for a coverage decision.	You can ask us to pay you back. (This is a type of coverage decision.)	You can make an appeal. (This means you are asking us to reconsider.)					
Start with Section 6.2 on page 173. Also see Sections 6.3 and 6.4 on pages 174 and 175.	Skip ahead to Section 6.4 on page 175.	Skip ahead to Section 6.4 on page 175.	Skip ahead to Section 6.5 on page 178.					

Section 6.2: What is an exception?

An exception is permission to get coverage for a drug that is not normally on our Drug List or to use the drug without certain rules and limitations. If a drug is not on our Drug List or is not covered in the way you would like, you can ask us to make an "exception."

When you ask for an exception, your doctor or other prescriber will need to explain the medical reasons why you need the exception.

Here are examples of exceptions that you or your doctor or another prescriber can ask us to make:

- 1. Covering a Part D drug that is not on our Drug List.
- 2. Removing a restriction on our coverage. There are extra rules or restrictions that apply to certain drugs on our Drug List (for more information, go to Chapter 5).
- If you have questions, please call Aetna Better Health of Ohio at 1-855-364-0974 (TTY: 711), 24 hours a day, 7 days a week. If you need to speak to your care manager, please call 1-855-364-0974 (TTY: 711), 24 hours a day, 7 days a week. These calls are free. For more information, visit www.aetnabetterhealth.com/ohio.

- The extra rules and restrictions on coverage for certain drugs include:
 - Being required to use the generic version of a drug instead of the brand name drug.
 - Getting plan approval before we will agree to cover the drug for you. (This is sometimes called "prior authorization.")
 - Being required to try a different drug first before we will agree to cover the drug you are asking for. (This is sometimes called "step therapy.")
 - Quantity limits. For some drugs, we limit the amount of the drug you can have.

The legal term for asking for removal of a restriction on coverage for a drug is sometimes called asking for a **"formulary exception."**

Section 6.3: Important things to know about asking for exceptions

Your doctor or other prescriber must tell us the medical reasons

Your doctor or other prescriber must give us a statement explaining the medical reasons for requesting an exception. Our decision about the exception will be faster if you include this information from your doctor or other prescriber when you ask for the exception.

Typically, our Drug List includes more than one drug for treating a particular condition. These are called "alternative" drugs. If an alternative drug would be just as effective as the drug you are asking for and would not cause more side effects or other health problems, we will generally not approve your request for an exception.

We will say Yes or No to your request for an exception

- If we say Yes to your request for an exception, the exception usually lasts until the end of
 the calendar year. This is true as long as your doctor continues to prescribe the drug for
 you and that drug continues to be safe and effective for treating your condition.
- If we say **No** to your request for an exception, you can ask for a review of our decision by making an appeal. Section 6.5 on page 178 tells how to make an appeal if we say **No**.

The next section tells you how to ask for a coverage decision, including an exception.

 Section 6.4: How to ask for a coverage decision about a Part D drug or reimbursement for a Part D drug, including an exception

What to do

- Ask for the type of coverage decision you want. Call, write, or fax us to make your request. You, your representative, or your doctor (or other prescriber) can do this. You can call us at 1-855-364-0974 (TTY: 711).
- You or your doctor (or other prescriber) or someone else who is acting on your behalf can ask for a coverage decision. You can also have a lawyer act on your behalf.
- Read Section 2 on page 151 to find out how to give permission to someone else to act as your representative.
- You do not need to give your doctor or other prescriber written permission to ask us for a coverage decision on your behalf.
- If you paid for a drug that you think should be covered, read Chapter 7 of this handbook. Chapter 7 tells how to call Member Services or send us the paperwork that asks us to cover the drug.

At a glance: How to ask for a coverage decision about a Part D drug or payment

Call, write, or fax us to ask, or ask your representative or doctor or other prescriber to ask. We will give you an answer on a standard coverage decision within 72 hours. We will give you an answer on reimbursing you for a Part D drug you already paid for within 14 calendar days.

- If you are asking for an exception, include the supporting statement from the doctor or other prescriber.
- You or your doctor or other prescriber may ask for a fast decision. (Fast decisions usually come within 24 hours.)
- Read this section to make sure you qualify for a fast decision! Read it also to find information about decision deadlines.
- If you are asking for an exception, provide the "supporting statement." Your doctor or other
 prescriber must give us the medical reasons for the drug exception. We call this the
 "supporting statement."
- Your doctor or other prescriber can fax or mail the statement to us. Or your doctor or other prescriber can tell us on the phone, and then fax or mail a statement.
- ?

If your health requires it, ask us to give you a "fast coverage decision"

We will use the "standard deadlines" unless we have agreed to use the "fast deadlines."

- A **standard coverage decision** means we will give you an answer within 72 hours after we get your doctor's statement.
- A **fast coverage decision** means we will give you an answer within 24 hours after we get your doctor's statement.

The legal term for "fast coverage decision" is "expedited coverage determination."

You can get a fast coverage decision **only if you are asking for a drug you have not yet received**. (You cannot get a fast coverage decision if you are asking us to pay you back for a drug you already bought.)

You can get a fast coverage decision **only if using the standard deadlines could cause serious** harm to your health or hurt your ability to function.

If your doctor or other prescriber tells us that your health requires a "fast coverage decision," we will automatically agree to give you a fast coverage decision, and the letter will tell you that.

- If you ask for a fast coverage decision on your own (without your doctor's or other prescriber's support), we will decide whether you get a fast coverage decision.
- If we decide that your medical condition does not meet the requirements for a fast coverage decision, we will use the standard deadlines instead.
 - We will send you a letter telling you that. The letter will tell you how to make a complaint about our decision to give you a standard decision.
 - You can file a "fast complaint" and get a response to your complaint within 24 hours. For more information about the process for making complaints, including fast complaints, see Section 10 on page 195.

Deadlines for a "fast coverage decision"

- If we are using the fast deadlines, we must give you our answer within 24 hours. This means within 24 hours after we get your request. Or, if you are asking for an exception, 24 hours after we get your doctor's or prescriber's statement supporting your request. We will give you our answer sooner if your health requires it.
- If we do not meet this deadline, we will send your request to Level 2 of the appeals process. At Level 2, an Independent Review Entity will review your request.
- If you have questions, please call Aetna Better Health of Ohio at 1-855-364-0974 (TTY: 711), 24 hours a day, 7 days a week. If you need to speak to your care manager, please call 1-855-364-0974 (TTY: 711), 24 hours a day, 7 days a week. These calls are free. For more information, visit www.aetnabetterhealth.com/ohio.

- **If our answer is Yes** to part or all of what you asked for, we must give you the coverage within 24 hours after we get your request or your doctor's or prescriber's statement supporting your request.
- **If our answer is No** to part or all of what you asked for, we will send you a letter that explains why we said **No**. The letter will also explain how you can appeal our decision.

Deadlines for a "standard coverage decision" about a drug you have not yet received

- If we are using the standard deadlines, we must give you our answer within 72 hours after we get your request. Or, if you are asking for an exception, after we get your doctor's or prescriber's supporting statement. We will give you our answer sooner if your health requires it.
- If we do not meet this deadline, we will send your request on to Level 2 of the appeals process. At Level 2, an Independent Review Entity will review your request.
- **If our answer is Yes** to part or all of what you asked for, we must approve or give the coverage within 72 hours after we get your request or, if you are asking for an exception, your doctor's or prescriber's supporting statement.
- **If our answer is No** to part or all of what you asked for, we will send you a letter that explains why we said **No**. The letter will also explain how you can appeal our decision.

Deadlines for a "standard coverage decision" about payment for a drug you already bought

- We must give you our answer within 14 calendar days after we get your request.
- If we do not meet this deadline, we will send your request to Level 2 of the appeals process. At Level 2, an Independent Review Entity will review your request.
- If our answer is Yes to part or all of what you asked for, we will make payment to the pharmacy within 14 calendar days. The pharmacy will refund your money.
- **If our answer is No** to part or all of what you asked for, we will send you a letter that explains why we said **No**. The letter will also explain how you can appeal our decision.

Section 6.5: Level 1 Appeal for Part D drugs

- To start your appeal, you, your doctor or other prescriber, or your representative must contact us.
- If you are asking for a standard appeal, you can make your appeal by sending a request in writing. You may also ask for an appeal by calling us at 1-855-364-0974 (TTY: 711).
- If you want a fast appeal, you may make your appeal in writing or you may call us.
- Make your appeal request within 60 calendar days from the date on the notice we sent to tell you our decision. If you miss this deadline and have a good reason for missing it, we may give you more time to make your appeal. For example, good reasons for missing the deadline would be if you have a serious illness that kept you from contacting us or if we gave you incorrect or incomplete information about the deadline for requesting an appeal.

At a glance: How to make a Level 1 Appeal

You, your doctor or prescriber, or your representative may put your request in writing and mail or fax it to us. You may also ask for an appeal by calling us.

- Ask within 60 calendar days of the decision you are appealing. If you miss the deadline for a good reason, you may still appeal.
- You, your doctor or prescriber, or your representative can call us to ask for a fast appeal.
- Read this section to make sure you qualify for a fast decision! Read it also to find information about decision deadlines.

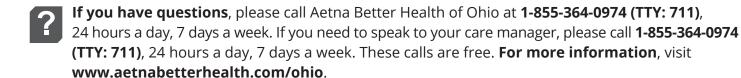

The legal term for an appeal to the plan about a Part D drug coverage decision is plan "redetermination."

 You have the right to ask us for a copy of the information about your appeal. To ask for a copy, call Member Services at 1-855-364-0974 (TTY: 711).

If you wish, you and your doctor or other prescriber may give us additional information to support your appeal.

If your health requires it, ask for a "fast appeal"

 If you are appealing a decision our plan made about a drug you have not yet received, you and your doctor or other prescriber will need to decide if you need a "fast appeal."

178

• The requirements for getting a "fast appeal" are the same as those for getting a "fast coverage decision" in Section 6.4 on page 175.

The legal term for "fast appeal" is "expedited redetermination."

Our plan will review your appeal and give you our decision

• We take another careful look at all of the information about your coverage request. We check to see if we were following all the rules when we said **No** to your request. We may contact you or your doctor or other prescriber to get more information. The reviewer will be someone who did not make the original coverage decision.

Deadlines for a "fast appeal"

- If we are using the fast deadlines, we will give you our answer within 72 hours after we get your appeal, or sooner if your health requires it.
- If we do not give you an answer within 72 hours, we will send your request to Level 2 of the appeals process. At Level 2, an Independent Review Entity will review your appeal.
- **If our answer is Yes** to part or all of what you asked for, we must give the coverage within 72 hours after we get your appeal.
- **If our answer is No** to part or all of what you asked for, we will send you a letter that explains why we said **No**.

Deadlines for a "standard appeal"

- If we are using the standard deadlines, we must give you our answer within 7 calendar days after we get your appeal, or sooner if your health requires it, except if you are asking us to pay you back for a drug you already bought. If you are asking us to pay you back for a drug you already bought, we must give you our answer within 14 calendar days after we get your appeal. If you think your health requires it, you should ask for a "fast appeal."
- If we do not give you a decision within 7 calendar days, or 14 days if you asked us to pay you back for a drug you already bought, we will send your request to Level 2 of the appeals process. At Level 2, an Independent Review Entity will review your appeal.
- If our answer is Yes to part or all of what you asked for:
 - If we approve a request for coverage, we must give you the coverage as quickly as your health requires, but no later than 7 calendar days after we get your appeal or 14 days if you asked us to pay you back for a drug you already bought.
- ?

- If we approve a request to cover a drug you already paid for, we will pay the pharmacy within 30 calendar days after we get your appeal request. The pharmacy will refund your money.
- **If our answer is No** to part or all of what you asked for, we will send you a letter that explains why we said **No** and tells how to appeal our decision.

Section 6.6: Level 2 Appeal for Part D drugs

If we say **No** to part or all of your appeal, you can choose whether to accept this decision or make another appeal. If you decide to go on to a Level 2 Appeal, the Independent Review Entity (IRE) will review our decision.

- If you want the IRE to review your case, your appeal request must be in writing.
 The letter we send about our decision in the Level 1 Appeal will explain how to request the Level 2 Appeal.
- When you make an appeal to the IRE, we will automatically send them your case file. You have the right to ask us for a copy of your case file by calling Member Services at 1-855-364-0974 (TTY: 711).
- You have a right to give the IRE other information to support your appeal.
- The IRE is an independent organization that is hired by Medicare. It is not connected with this plan and it is not a government agency.
- Reviewers at the IRE will take a careful look at all of the information related to your appeal. The organization will send you a letter explaining its decision.

The legal term for an appeal to the IRE about a Part D drug is "reconsideration."

At a glance: How to make a Level 2 Appeal

If you want the Independent Review Entity to review your case, your appeal request must be in writing.

- Ask within 60 calendar days of the decision you are appealing. If you miss the deadline for a good reason, you may still appeal.
- You, your doctor or other prescriber, or your representative can request the Level 2 Appeal.
- Read this section to make sure you qualify for a fast decision! Read it also to find information about decision deadlines.

?

Deadlines for "fast appeal" at Level 2

- If your health requires it, ask the Independent Review Entity (IRE) for a "fast appeal."
- If the IRE agrees to give you a "fast appeal," it must give you an answer to your Level 2 Appeal within 72 hours after getting your appeal request.
- If the IRE says **Yes** to part or all of what you asked for, we must authorize or give you the drug coverage within 24 hours after we get the decision.

Deadlines for "standard appeal" at Level 2

- If you have a standard appeal at Level 2, the Independent Review Entity (IRE) must give you an answer to your Level 2 Appeal within 7 calendar days after it gets your appeal, or 14 days if you asked us to pay you back for a drug you already bought.
 - If the IRE says **Yes** to part or all of what you asked for, we must authorize or give you the drug coverage within 72 hours after we get the decision.
 - If the IRE approves a request to cover a drug you already paid for, we will pay the pharmacy within 30 calendar days after we get the decision. The pharmacy will refund your money.

What if the Independent Review Entity says No to your Level 2 Appeal?

No means the Independent Review Entity (IRE) agrees with our decision not to approve your request. This is called "upholding the decision." It is also called "turning down your appeal."

If you want to go to Level 3 of the appeals process, the drugs you are requesting must meet a minimum dollar value. If the dollar value is less than the minimum, you cannot appeal any further. If the dollar value is high enough, you can ask for a Level 3 appeal. The letter you get from the IRE with the decision of your Level 2 appeal will tell you the dollar value needed to continue with the appeal process.

Section 7: Asking us to cover a longer hospital stay

When you are admitted to a hospital, you have the right to get all hospital services that we cover that are necessary to diagnose and treat your illness or injury.

During your covered hospital stay, your doctor and the hospital staff will work with you to prepare for the day when you leave the hospital. They will also help arrange for any care you may need after you leave.

- The day you leave the hospital is called your "discharge date."
- Your doctor or the hospital staff will tell you what your discharge date is.

If you think you are being asked to leave the hospital too soon, you can ask for a longer hospital stay. This section tells you how to ask.

Section 7.1: Learning about your Medicare rights

Within two days after you are admitted to the hospital, a caseworker or nurse will give you a notice called "An Important Message from Medicare about Your Rights." If you do not get this notice, ask any hospital employee for it. If you need help, please call Member Services at **1-855-364-0974 (TTY: 711)**. You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Read this notice carefully and ask questions if you don't understand. The "Important Message" tells you about your rights as a hospital patient, including your rights to:

- Get Medicare-covered services during and after your hospital stay. You have the right to know what these services are, who will pay for them, and where you can get them.
- Be a part of any decisions about the length of your hospital stay.
- Know where to report any concerns you have about the quality of your hospital care.
- Appeal if you think you are being discharged from the hospital too soon.

You should sign the Medicare notice to show that you got it and understand your rights. Signing the notice does **not** mean you agree to the discharge date that may have been told to you by your doctor or hospital staff.

Keep your copy of the signed notice so you will have the information in it if you need it.

- To look at a copy of this notice in advance, you can call Member Services at **1-855-364-0974 (TTY: 711)**. You can also call 1-800 MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. The call is free.
- You can also see the notice online at https://www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.html.
- If you need help, please call Member Services or Medicare at the numbers listed above.

Section 7.2: Level 1 Appeal to change your hospital discharge date

If you want us to cover your inpatient hospital services for a longer time, you must request an appeal. A Quality Improvement Organization will do the Level 1 Appeal review to see if your planned discharge date is medically appropriate for you.

In Ohio, the Quality Improvement Organization is called Livanta. To make an appeal to change your discharge date, call Livanta at: 1-888-524-9900 (TTY: 1-888-985-8775).

Call right away!

Call the Quality Improvement Organization **before** you leave the hospital and no later than your planned discharge date. An Important Message from Medicare about Your Rights contains information on how to reach the Quality Improvement Organization.

- If you call before you leave, you are allowed to stay in the hospital after your planned discharge date without paying for it while you wait to get the decision on your appeal from the Quality Improvement Organization.
- If you do not call to appeal, and you decide to stay in the hospital after your planned discharge date, you may have to pay all of the costs for hospital care you get after your planned discharge date.

At a glance: How to make a Level 1 Appeal to change your discharge date

Call the Quality Improvement Organization for your state at 1-888-524-9900 (TTY: 1-888-985-8775) and ask for a "fast review."

Call before you leave the hospital and before your planned discharge date.

• **If you miss the deadline** for contacting the Quality Improvement Organization about your appeal, you can make your appeal directly to our plan instead. For details, see Section 7.4 on page 186.

We want to make sure you understand what you need to do and what the deadlines are.

 Ask for help if you need it. If you have questions or need help at any time, please call Member Services at 1-855-364-0974 (TTY: 711). You can also call the MyCare Ohio Ombudsman at 1-800-282-1206 (TTY Ohio Relay Service: 1-800-750-0750).

What is a Quality Improvement Organization?

It is a group of doctors and other health care professionals who are paid by the federal government. These experts are not part of our plan. They are paid by the federal government to check on and help improve the quality of care for people with Medicare.

Ask for a "fast review"

You must ask the Quality Improvement Organization for a "fast review" of your discharge. Asking for a "fast review" means you are asking the organization to use the fast deadlines for an appeal instead of using the standard deadlines.

The legal term for "fast review" is "immediate review."

What happens during the fast review?

- The reviewers at the Quality Improvement Organization will ask you or your representative why you think coverage should continue after the planned discharge date. You don't have to prepare anything in writing, but you may do so if you wish.
- The reviewers will look at your medical record, talk with your doctor, and review all of the information related to your hospital stay.
- By noon of the day after the reviewers tell us about your appeal, you will get a letter that gives your planned discharge date. The letter explains the reasons why your doctor, the hospital, and we think it is right for you to be discharged on that date.

The legal term for this written explanation is called the "Detailed Notice of Discharge." You can get a sample by calling Member Services at **1-855-364-0974 (TTY: 711)**. You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. Or you can see a sample notice online at https://www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.html.

What if the answer is Yes?

• If the Quality Improvement Organization says **Yes** to your appeal, we must keep covering your hospital services for as long as they are medically necessary.

What if the answer is No?

- If the Quality Improvement Organization says **No** to your appeal, they are saying that your planned discharge date is medically appropriate. If this happens, our coverage for your inpatient hospital services will end at noon on the day after the Quality Improvement Organization gives you its answer.
- If the Quality Improvement Organization says **No** and you decide to stay in the hospital, then you may have to pay for your continued stay at the hospital. The cost of the hospital care that you may have to pay begins at noon on the day after the Quality Improvement Organization gives you its answer.
- If the Quality Improvement Organization turns down your appeal and you stay in the hospital after your planned discharge date, then you can make a Level 2 Appeal.

Section 7.3: Level 2 Appeal to change your hospital discharge date

If the Quality Improvement Organization has turned down your appeal and you stay in the hospital after your planned discharge date, then you can make a Level 2 Appeal. You will need to contact the Quality Improvement Organization again and ask for another review.

Ask for the Level 2 review **within 60 calendar days** after the day when the Quality Improvement Organization said **No** to your Level 1 Appeal. You can ask for this review only if you stayed in the hospital after the date that your coverage for the care ended.

In Ohio, the Quality Improvement Organization is called Livanta. You can reach Livanta at: 1-888-524-9900 (TTY: 1-888-985-8775).

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.
- Within 14 calendar days of receipt of your request for a second review, the Quality Improvement Organization reviewers will make a decision.

At a glance: How to make a Level 2 Appeal to change your discharge date

Call the Quality Improvement Organization for your state at 1-888-524-9900 (TTY: 1-888-985-8775) and ask for another review.

What happens if the answer is Yes?

- We must pay you back for our share of the costs of hospital care you got since noon on the day after the date of your first appeal decision. We must continue providing coverage for your inpatient hospital care for as long as it is medically necessary.
- You must continue to pay your share of the costs and coverage limitations may apply.
- If you have questions, please call Aetna Better Health of Ohio at 1-855-364-0974 (TTY: 711), 24 hours a day, 7 days a week. If you need to speak to your care manager, please call 1-855-364-0974 (TTY: 711), 24 hours a day, 7 days a week. These calls are free. For more information, visit www.aetnabetterhealth.com/ohio.

What happens if the answer is No?

It means the Quality Improvement Organization agrees with the Level 1 decision and will not change it. The letter you get will tell you what you can do if you wish to continue with the appeal process.

If the Quality Improvement Organization turns down your Level 2 Appeal, you may have to pay the full cost for your stay after your planned discharge date.

Section 7.4: What happens if I miss an appeal deadline?

If you miss appeal deadlines, there is another way to make Level 1 and Level 2 Appeals, called Alternate Appeals. But the first two levels of appeal are different.

Level 1 Alternate Appeal to change your hospital discharge date

If you miss the deadline for contacting the Quality Improvement Organization, you can make an appeal to us, asking for a "fast review." A fast review is an appeal that uses the fast deadlines instead of the standard deadlines.

- During this review, we take a look at all of the information about your hospital stay.
 We check to see if the decision about when you should leave the hospital was fair and followed all the rules.
- We will use the fast deadlines rather than the standard deadlines for giving you the answer to this review. This means we will give you our decision within 72 hours after you ask for a "fast review."

At a glance: How to make a Level 1 Alternate Appeal

Call our Member Services number and ask for a "fast review" of your hospital discharge date.

We will give you our decision within 72 hours.

- If we say Yes to your fast review, it means we agree that you still need to be in the hospital after the discharge date. We will keep covering hospital services for as long as it is medically necessary.
 - It also means that we agree to pay you back for our share of the costs of care you got since the date when we said your coverage would end.
- If we say No to your fast review, we are saying that your planned discharge date was medically appropriate. Our coverage for your inpatient hospital services ends on the day we said coverage would end.
 - If you stayed in the hospital after your planned discharge date, then **you may have to pay the full cost** of hospital care you got after the planned discharge date.
- ?

• To make sure we were following all the rules when we said **No** to your fast appeal, we will send your appeal to the "Independent Review Entity." When we do this, it means that your case is automatically going to Level 2 of the appeals process.

The legal term for "fast review" or "fast appeal" is "expedited appeal."

Level 2 Alternate Appeal to change your hospital discharge date

We will send the information for your Level 2 Appeal to the Independent Review Entity (IRE) within 24 hours of when we give you our Level 1 decision. If you think we are not meeting this deadline or other deadlines, you can make a complaint. Section 10 on page 195 tells how to make a complaint.

During the Level 2 Appeal, the IRE reviews the decision we made when we said **No** to your "fast review." This organization decides whether the decision we made should be changed.

- The IRE does a "fast review" of your appeal. The reviewers usually give you an answer within 72 hours.
- The IRE is an independent organization that is hired by Medicare. This organization is not connected with our plan and it is not a government agency.

At a glance: How to make a Level 2 Alternate Appeal

You do not have to do anything. The plan will automatically send your appeal to the Independent Review Entity.

- Reviewers at the IRE will take a careful look at all of the information related to your appeal of your hospital discharge.
- If the IRE says Yes to your appeal, then we must pay you back for our share of the costs of
 hospital care you got since the date of your planned discharge. We must also continue our
 coverage of your hospital services for as long as it is medically necessary.
- If the IRE says **No** to your appeal, it means they agree with us that your planned hospital discharge date was medically appropriate.
- The letter you get from the IRE will tell you what you can do if you wish to continue with the
 review process. It will give you the details about how to go on to a Level 3 Appeal, which is
 handled by a judge.
- ?

Section 8: What to do if you think your Medicare home health care, skilled nursing care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services are ending too soon

This section is about the following types of care only when they are covered by Medicare:

- Home health care services.
- Skilled nursing care in a skilled nursing facility.
- Rehabilitation care you are getting as an outpatient at a Medicare-approved Comprehensive Outpatient Rehabilitation Facility (CORF). Usually, this means you are getting treatment for an illness or accident, or you are recovering from a major operation.
 - With any of these three types of care, you have the right to keep getting covered services for as long as the doctor says you need it.
 - When we decide to stop covering any of these, we must tell you before your services end. When your coverage for that care ends, we will stop paying for your care.

If you think we are ending the coverage of your care too soon, **you can appeal our decision**. This section tells you how to ask for an appeal.

Section 8.1: We will tell you in advance when your coverage will be ending

You will get a notice at least two days before we stop paying for your care. This is called the "Notice of Medicare Non-Coverage."

- The written notice tells you the date when we will stop covering your care.
- The written notice also tells you how to appeal this decision.

You or your representative should sign the written notice to show that you got it. Signing it does **not** mean you agree with the plan that it is time to stop getting the care.

When your coverage ends, we will stop paying the cost for your care.

Section 8.2: Level 1 Appeal to continue your care

If you think we are ending coverage of your care too soon, you can appeal our decision. This section tells you how to ask for an appeal.

Before you start your appeal, understand what you need to do and what the deadlines are.

- **Meet the deadlines.** The deadlines are important. Be sure that you understand and follow the deadlines that apply to things you must do. There are also deadlines our plan must follow. (If you think we are not meeting our deadlines, you can file a complaint. Section 10 on page 195 tells you how to file a complaint.)
- **Ask for help if you need it.** If you have questions or need help at any time, please call Member Services at **1-855-364-0974 (TTY: 711)**. Or call the MyCare Ohio Ombudsman at 1-800-282-1206 (TTY Ohio Relay Service: 1-800-750-0750).

During a Level 1 Appeal, a Quality Improvement Organization will review your appeal and decide whether to change the decision we made. In Ohio, the Quality Improvement Organization is called Livanta. You can reach Livanta at: 1-888-524-9900 (TTY: 1-888-985-8775). Information about appealing to the Quality Improvement Organization is also in the Notice of Medicare Non-Coverage. This is the notice you got when you were told we would stop covering your care.

At a glance: How to make a Level 1 Appeal to ask the plan to continue your care

Call the Quality Improvement Organization for your state at 1-888-524-9900 (TTY: 1-888-985-8775) and ask for a "fast-track appeal."

Call before you leave the agency or facility that is providing your care and before your planned discharge date.

What is a Quality Improvement Organization?

It is a group of doctors and other health care professionals who are paid by the federal government. These experts are not part of our plan. They are paid by the federal government to check on and help improve the quality of care for people with Medicare.

What should you ask for?

Ask them for a "fast-track appeal." This is an independent review of whether it is medically appropriate for us to end coverage for your services.

What is your deadline for contacting this organization?

- You must contact the Quality Improvement Organization no later than noon of the day after you got the written notice telling you when we will stop covering your care.
- If you miss the deadline for contacting the Quality Improvement Organization about your appeal, you can make your appeal directly to us instead. For details about this other way to make your appeal, see Section 8.4 on page 192.
- If you have questions, please call Aetna Better Health of Ohio at 1-855-364-0974 (TTY: 711), 24 hours a day, 7 days a week. If you need to speak to your care manager, please call 1-855-364-0974 (TTY: 711), 24 hours a day, 7 days a week. These calls are free. For more information, visit www.aetnabetterhealth.com/ohio.

The legal term for this written notice is **"Notice of Medicare Non-Coverage."**To get a sample copy, call Member Services at **1-855-364-0974 (TTY: 711)** or 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. Or see a copy online at https://www.cms.gov/Medicare/Medicare-General-Information/BNI/MAEDNotices.html.

What happens during the Quality Improvement Organization's review?

- The reviewers at the Quality Improvement Organization will ask you or your representative why you think coverage for the services should continue. You don't have to prepare anything in writing, but you may do so if you wish.
- When you ask for an appeal, the plan must write a letter to you and the Quality Improvement Organization explaining why your services should end.
- The reviewers will also look at your medical records, talk with your doctor, and review information that our plan has given to them.
- Within one full day after reviewers have all the information they need, they will tell you their decision. You will get a letter explaining the decision.

The legal term for the letter explaining why your services should end is **"Detailed Explanation of Non-Coverage."**

What happens if the reviewers say Yes?

• If the reviewers say **Yes** to your appeal, then we must keep providing your covered services for as long as they are medically necessary.

What happens if the reviewers say No?

- If the reviewers say **No** to your appeal, then your coverage will end on the date we told you. We will stop paying our share of the costs of this care.
- If you decide to keep getting the home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services after the date your coverage ends, then you will have to pay the full cost of this care yourself.
- ?

Section 8.3: Level 2 Appeal to continue your care

If the Quality Improvement Organization said **No** to the appeal **and** you choose to continue getting care after your coverage for the care has ended, you can make a Level 2 Appeal.

During the Level 2 Appeal, the Quality Improvement Organization will take another look at the decision they made at Level 1. If they say they agree with the Level 1 decision, you may have to pay the full cost for your home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services after the date when we said your coverage would end.

In Ohio, the Quality Improvement Organization is called Livanta. You can reach Livanta at: 1-888-524-9900 (TTY: 1-888-985-8775). Ask for the Level 2 review **within 60 calendar days** after the day when the Quality Improvement Organization said **No** to your Level 1 Appeal. You can ask for this review only if you continued getting care after the date that your coverage for the care ended.

Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.

At a glance: How to make a Level 2 Appeal to require that the plan cover your care for longer

Call the Quality Improvement Organization for your state at 1-888-524-9900 (TTY: 1-888-985-8775) and ask for another review.

Call before you leave the agency or facility that is providing your care and before your planned discharge date.

 The Quality Improvement Organization will make its decision within 14 calendar days of receipt of your appeal request.

What happens if the review organization says Yes?

 We must pay you back for our share of the costs of care you got since the date when we said your coverage would end. We must continue providing coverage for the care for as long as it is medically necessary.

What happens if the review organization says No?

- It means they agree with the decision they made on the Level 1 Appeal and will not change it.
- The letter you get will tell you what to do if you wish to continue with the review process. It will give you the details about how to go on to the next level of appeal, which is handled by a judge.

Section 8.4: What if you miss the deadline for making your Level 1 Appeal?

If you miss appeal deadlines, there is another way to make Level 1 and Level 2 Appeals, called Alternate Appeals. But the first two levels of appeal are different.

Level 1 Alternate Appeal to continue your care for longer

If you miss the deadline for contacting the Quality Improvement Organization, you can make an appeal to us, asking for a "fast review." A fast review is an appeal that uses the fast deadlines instead of the standard deadlines.

- During this review, we take a look at all of the information about your home health care, skilled nursing facility care, or care you are getting at a Comprehensive Outpatient Rehabilitation Facility (CORF). We check to see if the decision about when your services should end was fair and followed all the rules.
- We will use the fast deadlines rather than the standard deadlines for giving you the answer to this review. We will give you our decision within 72 hours after you ask for a "fast review."
- If we say Yes to your fast review, it means we agree that we will keep covering your services for as long as it is medically necessary. It also means that we agree to pay you back for our share of the costs of care you got since the date when we said your coverage would end.

At a glance: How to make a Level 1 Alternate Appeal

Call our Member Services number and ask for a "fast review."

We will give you our decision within 72 hours.

• If we say No to your fast review, we are saying that stopping your services was medically appropriate. Our coverage ends as of the day we said coverage would end.

If you continue getting services after the day we said they would stop, **you may have to pay the full cost** of the services. To make sure we were following all the rules when we said **No** to your fast appeal, we will send your appeal to the "Independent Review Entity." When we do this, it means that your case is automatically going to Level 2 of the appeals process.

The legal term for "fast review" or "fast appeal" is "expedited appeal."

Level 2 Alternate Appeal to continue your care for longer

We will send the information for your Level 2 Appeal to the Independent Review Entity (IRE) within 24 hours of when we give you our Level 1 decision. If you think we are not meeting this deadline or other deadlines, you can make a complaint. Section 10 on page 195 tells how to make a complaint.

During the Level 2 Appeal, the IRE reviews the decision we made when we said No to your "fast review." This organization decides whether the decision we made should be changed.

- The IRE does a "fast review" of your appeal. The reviewers usually give you an answer within 72 hours.
- The IRE is an independent organization that is hired by Medicare. This organization is not connected with our plan, and it is not a government agency.

At a glance: How to make a Level 2 Appeal to require that the plan continue your care

You do not have to do anything. The plan will automatically send your appeal to the Independent Review Entity.

- Reviewers at the IRE will take a careful look at all of the information related to your appeal.
- If the IRE says Yes to your appeal, then we must pay you back for our share of the costs of care. We must also continue our coverage of your services for as long as it is medically necessary.
- **If the IRE says No** to your appeal, it means they agree with us that stopping coverage of services was medically appropriate.

The letter you get from the IRE will tell you what you can do if you wish to continue with the review process. It will give you details about how to go on to a Level 3 Appeal, which is handled by a judge.

Section 9: Taking your appeal beyond Level 2

Section 9.1: Next steps for Medicare services and items

If you made a Level 1 Appeal and a Level 2 Appeal for Medicare services or items, and both your appeals have been turned down, you may have the right to additional levels of appeal. The letter you get from the Independent Review Entity will tell you what to do if you wish to continue the appeals process.

Level 3 of the appeals process is an Administrative Law Judge (ALJ) hearing. The person who makes the decision in a Level 3 appeal is an ALJ or an attorney adjudicator. If you want an ALJ or attorney adjudicator to review your case, the item or medical service you are requesting must meet a minimum dollar amount. If the dollar value is less than the minimum level, you cannot appeal any further. If the dollar value is high enough, you can ask an ALJ or attorney adjudicator to hear your appeal.

If you do not agree with the ALJ or attorney adjudicator's decision, you can go to the Medicare Appeals Council. After that, you may have the right to ask a federal court to look at your appeal.

If you need assistance at any stage of the appeals process, you can contact the MyCare Ohio Ombudsman. The phone number is 1-800-282-1206 (TTY Ohio Relay Service: 1-800-750-0750).

Section 9.2: Next steps for Medicaid services and items

If you had a State Hearing for services covered by Medicaid and your State Hearing decision was overruled (not in your favor), you also have the right to additional appeals. The State Hearing decision notice will explain how to request an Administrative Appeal by submitting your request to the Bureau of State Hearings. The Bureau of State Hearings must get your request within 15 calendar days of the date the hearing decision was issued. If you disagree with the Administrative Appeal decision, you have the right to appeal to the court of common pleas in the county where you live.

If you have any questions or need assistance with State Hearings or Administrative Appeals, you can contact the Bureau of State Hearings at 1-866-635-3748.

Section 10: How to make a complaint

What kinds of problems should be complaints?

The complaint process is used for certain types of problems only, such as problems related to quality of care, waiting times, receiving a bill, and customer service. Here are examples of the kinds of problems handled by the complaint process.

Complaints about quality

• You are unhappy with the quality of care, such as the care you got in the hospital.

Complaints about privacy

 You think that someone did not respect your right to privacy, or shared information about you that is confidential.

Complaints about poor customer service

- A health care provider or staff was rude or disrespectful to you.
- Aetna Better Health of Ohio staff treated you poorly.
- You think you are being pushed out of the plan.

At a glance: How to make a complaint

You can make an internal complaint with our plan and/or an external complaint with an organization that is not connected to our plan.

To make an internal complaint, call Member Services or send us a letter.

There are different organizations that handle external complaints. For more information, read Section 10.2 on page 197.

If you need help making an internal and/or external complaint, you can call the MyCare Ohio Ombudsman at 1-800-282-1206 (TTY Ohio Relay Service: 1-800-750-0750).

Complaints about accessibility

- You cannot physically access the health care services and facilities in a doctor or provider's office.
- Your provider does not give you a reasonable accommodation you need such as an American Sign Language interpreter.

Complaints about waiting times

- You are having trouble getting an appointment or waiting too long to get it.
- You have been kept waiting too long by doctors, pharmacists, or other health professionals or by Member Services or other plan staff.
- ?

Complaints about cleanliness

• You think the clinic, hospital or doctor's office is not clean.

Complaints about language access

• Your doctor or provider does not provide you with an interpreter during your appointment.

Complaints about receiving a bill

• Your doctor or provider sent you a bill.

Complaints about communications from us

- You think we failed to give you a notice or letter that you should have received.
- You think the written information we sent you is too difficult to understand.

Complaints about the timeliness of our actions related to coverage decisions or appeals

- You believe that we are not meeting our deadlines for making a coverage decision or answering your appeal.
- You believe that, after getting a coverage or appeal decision in your favor, we are not
 meeting the deadlines for approving or giving you the service or paying the provider for
 certain medical services so they can refund your money.
- You believe we did not forward your case to the Independent Review Entity on time.

The legal term for a "complaint" is a "grievance."

The legal term for "making a complaint" is "filing a grievance."

Are there different types of complaints?

Yes. You can make an internal complaint and/or an external complaint. An internal complaint is filed with and reviewed by our plan. An external complaint is filed with and reviewed by an organization that is not affiliated with our plan. If you need help making an internal and/or external complaint, you can call the MyCare Ohio Ombudsman at 1-800-282-1206 (TTY Ohio Relay Service: 1-800-750-0750).

Section 10.1: Internal complaints

To make an internal complaint, call Member Services at **1-855-364-0974 (TTY: 711)**. Complaints related to Part D must be made **within 60 calendar days** after you had the problem you want to complain about. All other complaints can be made **at any time** after you had the problem you want to complain about.

- If there is anything else you need to do, Member Services will tell you.
- You can also write your complaint and send it to us. If you put your complaint in writing, we will respond to your complaint in writing. You can also use the form on page 214 to submit the complaint.
- If you make a complaint because we denied your request for a "fast coverage decision" or a "fast appeal," we will automatically give you a "fast complaint" and respond to your complaint within 24 hours.

The legal term for "fast complaint" is "expedited grievance."

If possible, we will answer you right away. If you call us with a complaint, we may be able to give you an answer on the same phone call. If your health condition requires us to answer quickly, we will do that.

- We answer complaints about access to care within 2 business days. We answer all other complaints within 30 calendar days. If we need more information and the delay is in your best interest, or if you ask for more time, we can take up to 14 more calendar days (44 calendar days total) to answer your complaint. We will tell you in writing why we need more time.
- If you are making a complaint because we denied your request for a "fast coverage decision" or a "fast appeal," we will automatically give you a "fast complaint" and respond to your complaint within 24 hours.
- If you are making a complaint because we took extra time to make a coverage decision or appeal, we will automatically give you a "fast complaint" and respond to your complaint within 24 hours.

If we do not agree with some or all of your complaint, we will tell you and give you our reasons. We will respond whether we agree with the complaint or not.

Section 10.2: External complaints

You can tell Medicare about your complaint

You can send your complaint to Medicare. The Medicare Complaint Form is available at: https://www.medicare.gov/MedicareComplaintForm/home.aspx.

Medicare takes your complaints seriously and will use this information to help improve the quality of the Medicare program.

If you have any other feedback or concerns, or if you feel the plan is not addressing your problem, please call 1-800-MEDICARE (1-800-633-4227). TTY users can call 1-877-486-2048. The call is free.

You can tell Medicaid about your complaint

You can call the Ohio Medicaid Hotline at 1-800-324-8680 or TTY 1-800-292-3572. The call is free. You can also e-mail your complaint to bmhc@medicaid.ohio.gov.

You can file a complaint with the Office for Civil Rights

You can make a complaint to the Department of Health and Human Services' Office for Civil Rights if you think you have not been treated fairly. For example, you can make a complaint about disability access or language assistance. The phone number for the Office for Civil Rights is 1-800-368-1019. TTY users should call 1-800-537-7697. You can also visit http://www.hhs.gov/ocr.

You may also contact the local Office for Civil Rights office at:

Office for Civil Rights
United States Department of Health and Human Services
233 N. Michigan Ave., Suite 240
Chicago, Illinois 60601

You may also have rights under the Americans with Disability Act. You can contact Member Services at **1-855-364-0974 (TTY: 711)** or the Ohio Medicaid Hotline at 1-800-324-8680 (TTY: 1-800-292-3572) for assistance.

You can file a complaint with the Quality Improvement Organization

When your complaint is about quality of care, you also have two choices:

- If you prefer, you can make your complaint about the quality of care directly to the Quality Improvement Organization (without making the complaint to us).
- Or you can make your complaint to us **and** to the Quality Improvement Organization. If you make a complaint to this organization, we will work with them to resolve your complaint.

The Quality Improvement Organization is a group of practicing doctors and other health care experts paid by the federal government to check and improve the care given to Medicare patients. To learn more about the Quality Improvement Organization, see Chapter 2.

In Ohio, the Quality Improvement Organization is called Livanta. The phone number for Livanta is 1-888-524-9900 (TTY: 1-888-985-8775).

Chapter 10: Changing or ending your membership in our MyCare Ohio Plan

Introduction

This chapter tells about ways you can change or end your membership in our plan. You can change your membership in our plan by choosing to get your Medicare services separately (you will stay in our plan for your Medicaid services). You can end your membership in our plan by choosing a different MyCare Ohio plan. If you leave our plan, you will still be in the Medicare and Ohio Medicaid programs as long as you are eligible. Key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

A. MyCare Ohio

You can end your membership in Aetna Better Health of Ohio Medicare-Medicaid Plan at any time during the year by enrolling in another Medicare Advantage Plan, enrolling in another Medicare-Medicaid Plan, or moving to Original Medicare.

If you change your membership in our plan by choosing to get Medicare services separately:

- You will keep getting Medicare services through our plan until the last day of the month that you make a request.
- Your new Medicare coverage will begin the first day of the next month. For example, if you
 make a request on January 18th to not have Medicare through our plan, your new
 Medicare coverage will begin February 1st.

If you end your membership in our plan by choosing a different MyCare Ohio plan:

- If you ask to switch to a different MyCare Ohio plan before the last five days of a month, your membership will end on the last day of that same month. Your new coverage in the different MyCare Ohio plan will begin the first day of the next month. For example, if you make a request on January 18th, your coverage in the new plan will begin February 1st.
- If you ask to switch to a different MyCare Ohio plan on one of the last five days of a month, your membership will end on the last day of the following month. Your new coverage in the different MyCare Ohio plan will begin the first day of the month after that. For example, if we get your request on January 30th, your coverage in the new plan will begin March 1st.

You can get more information about when you can change or end your membership by calling:

- The Ohio Medicaid Hotline at 1-800-324-8680, Monday through Friday from 7:00 am to 8:00 pm and Saturday from 8:00 am to 5:00 pm. TTY users should call the Ohio Relay Service at 7-1-1.
- Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

NOTE: If you are in a drug management program, you may not be able to change plans. See Chapter 5 for information about drug management programs.

B. How to change or end your membership in our plan

If you decide to change or end your membership:

- Call the Ohio Medicaid Hotline at 1-800-324-8680, Monday through Friday from 7:00 am to 8:00 pm and Saturday from 8:00 am to 5:00 pm. TTY users should call the Ohio Relay Service at 7-1-1; or
- Call Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users (people who have difficulty hearing or speaking) should call 1-877-486-2048. When you call 1-800-MEDICARE, you can also enroll in another Medicare health or drug plan. More information on getting your Medicare services when you leave our plan is in the chart on page 202.

See Section A above for information on when your request to change or end your membership will take effect.

C. How to join a different MyCare Ohio plan

If you want to keep getting your Medicare and Medicaid benefits together from a single plan, you can join a different MyCare Ohio plan.

To enroll in a different MyCare Ohio plan:

• Call the Ohio Medicaid Hotline at 1-800-324-8680, Monday through Friday from 7:00 am to 8:00 pm and Saturday from 8:00 am to 5:00 pm. TTY users should call the Ohio Relay Service at 7-1-1.

Your coverage with Aetna Better Health of Ohio will end on the last day of the month that we get your request.

D. How to get Medicare and Medicaid services

If you do not want to enroll in a different MyCare Ohio plan, you will go back to getting your Medicare and Medicaid services separately. Your Medicaid services will still be provided by Aetna Better Health of Ohio.

D1. Ways to get your Medicare services

You will have a choice about how you get your Medicare benefits.

You have three options for getting your Medicare services. By choosing one of these options, you will automatically stop getting Medicare services from our plan.

1. You can change to:

A Medicare health plan, such as a Medicare Advantage plan, which would include Medicare prescription drug coverage

Here is what to do:

Call Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

If you need help or more information:

 Call the Ohio Medicaid Hotline at 1-800-324-8680, Monday through Friday from 7:00 am to 8:00 pm and Saturday from 8:00 am to 5:00 pm. TTY users should call the Ohio Relay Service at 7-1-1.

You will automatically stop getting Medicare services through Aetna Better Health of Ohio when your new plan's coverage begins.

2. You can change to:

Original Medicare with a separate Medicare prescription drug plan

Here is what to do:

Call Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. You can select a Part D plan at this time.

If you need help or more information:

 Call the Ohio Medicaid Hotline at 1-800-324-8680, Monday through Friday from 7:00 am to 8:00 pm and Saturday from 8:00 am to 5:00 pm. TTY users should call the Ohio Relay Service at 7-1-1.

You will automatically stop getting Medicare services through Aetna Better Health of Ohio when your Original Medicare and prescription drug plan coverage begins.

This section is continued on the next page.

3. You can change to:

Original Medicare without a separate Medicare prescription drug plan

NOTE: If you switch to Original Medicare and do not enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan, unless you tell Medicare you don't want to join.

You should only drop prescription drug coverage if you have drug coverage from another source, such as an employer or union.

Here is what to do:

Call Medicare at 1-800-MEDICARE
 (1-800-633-4227), 24 hours a day,
 7 days a week. TTY users should call
 1-877-486-2048.

If you need help or more information:

 Call the Ohio Medicaid Hotline at 1-800-324-8680, Monday through Friday from 7:00 am to 8:00 pm and Saturday from 8:00 am to 5:00 pm. TTY users should call the Ohio Relay Service at 7-1-1.

You will automatically stop getting Medicare services through Aetna Better Health of Ohio when your Original Medicare coverage begins.

D2. How to get your Medicaid services

You must get your Medicaid benefits from a MyCare Ohio plan. Therefore, even if you do not want to get your Medicare benefits through a MyCare Ohio plan, you must still get your Medicaid benefits from Aetna Better Health of Ohio or another MyCare Ohio managed care plan.

If you do not enroll in a different MyCare Ohio plan, you will remain in our plan to get your Medicaid services.

Your Medicaid services include most long-term services and supports and behavioral health care.

Once you stop getting Medicare services through our plan, you will get a new Member ID Card and a new *Member Handbook* for your Medicaid services.

If you want to switch to a different MyCare Ohio plan to get your Medicaid benefits, call the Ohio Medicaid Hotline at 1-800-324-8680, Monday through Friday from 7:00 am to 8:00 pm and Saturday from 8:00 am to 5:00 pm. TTY users should call the Ohio Relay Service at 7-1-1.

E. Keep getting your Medicare and Medicaid services through our plan until your membership ends

If you change or end your enrollment with Aetna Better Health of Ohio, it will take time before your new coverage begins. See page 200 for more information. During this time, you will keep getting your Medicare and Medicaid services through our plan.

- You should use our network pharmacies to get your prescriptions filled. Usually, your prescription drugs are covered only if they are filled at a network pharmacy including through our mail-order pharmacy services.
- If you are hospitalized on the day that your membership changes or ends, your hospital stay will be covered by our plan until you are discharged. This will happen even if your new health coverage begins before you are discharged.

F. Other situations when your membership ends

These are the cases when Medicare and Medicaid must end your membership in the plan:

- If there is a break in your Medicare Part A and Part B coverage. Medicare services will end on the last day of the month that your Medicare Part A or Medicare Part B ends.
- If you no longer qualify for Medicaid or no longer meet MyCare Ohio eligibility requirements. Our plan is for people who qualify for both Medicare and Medicaid.
- If you move out of our service area.
- If you are away from our service area for more than six months or you establish primary residence outside of Ohio.
 - If you move or take a long trip, you need to call Member Services to find out if the place you are moving or traveling to is in our plan's service area.
- If you go to jail or prison for a criminal offense.
- If you lie about or withhold information about other insurance you have for prescription drugs.
- If you are not a United States citizen or are not lawfully present in the United States.

You must be a United States citizen or lawfully present in the United States to be a member of our plan. The Centers for Medicare & Medicaid Services will notify us if you aren't eligible to remain a member on this basis. We must disenroll you if you don't meet this requirement.

We can ask Medicare and Medicaid to end your enrollment with our plan for the following reasons:

- If you intentionally give incorrect information when you are enrolling and that information affects your eligibility.
- If you continuously behave in a way that is disruptive and makes it difficult for us to provide medical care for you and other members.
- If you let someone else use your Member ID Card to get medical care.
 - If your membership ends for this reason, Medicare and/or Medicaid may have your case investigated by the Inspector General. Criminal and/or civil prosecution is also possible.

G. Rules against asking you to leave our plan for any health-related reason

If you feel that you are being asked to leave our plan for a health-related reason, you should call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. You may call 24 hours a day, 7 days a week.

You should also call the Ohio Medicaid Hotline at 1-800-324-8680, Monday through Friday from 7:00 am to 8:00 pm and Saturday from 8:00 am to 5:00 pm. TTY users should call the Ohio Relay Service at 7-1-1.

H. Your right to make a complaint if we ask Medicare and Medicaid to end your membership in our plan

If we ask Medicare and Medicaid to end your membership in our plan, we must tell you our reasons in writing. We must also explain how you can file a grievance or make a complaint about our request to end your membership. You can also see Chapter 9 for information about how to make a complaint.

I. How to get more information about ending your plan membership

If you have questions or would like more information on when Medicare and Medicaid can end your membership, you can call Member Services at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week.

Chapter 11: Definitions of important words

Introduction

This chapter includes key terms used throughout the *Member Handbook* with their definitions. The terms are listed in alphabetical order. If you can't find a term you're looking for or if you need more information than a definition includes, contact Member Services.

Activities of daily living: The things people do on a normal day, such as eating, using the toilet, getting dressed, bathing, or brushing the teeth.

Advance directive: A document that tells your health care provider and family the kind of medical care you want if you are too ill to make health care decisions for yourself. For more information, see Chapter 8.

Appeal: A formal way to ask us to review a decision we made about your coverage and ask us to change it if you think we made a mistake. See Chapter 9 for more information.

Care management: A process to coordinate and plan your care and services so you get you what you need to reach your best health and functional levels. You are included in the care management process. You can also ask that we include other people such as your family or caregivers. See Chapter 3 for more information.

Care manager: A nurse, a social worker or other health care professional who works with you, Aetna Better Health of Ohio and your health care providers to make sure you get the care you need. See Chapter 3 for more information.

Care plan: The plan for what health services you will get and how you will get them. See Chapter 1 for more information.

Clinical research study: A clinical research study (also called a clinical trial) is a way doctors test new types of health care or drugs. They ask for volunteers to help with the study. This kind of study helps doctors decide whether a new kind of health care or drug works and whether it is safe. See Chapter 3 for more information.

Coverage determination: An Aetna Better Health of Ohio decision about your benefits and covered services and drugs, or the amount we will pay for your health services and drugs. See Chapter 9 for more information.

Covered services: Health care, long-term services and supports, supplies, behavioral health, prescription and over-the-counter drugs, equipment and other services that our plan pays. Covered health care and long-term services and supports are listed in the Benefits Chart in Chapter 4.

Declaration for mental health treatment: A type of advance directive. It gives more specific attention to mental health care. It allows a person, while capable, to appoint someone (called a "proxy") to make decisions on a person's behalf when he or she lacks the capacity to make a decision. In addition, the declaration can name certain wishes about treatment. The person can give their preferences about medication and treatment, and about being admitted and staying in a facility. For more information see Chapter 8.

Do not resuscitate order (DNR): A type of advance directive that a doctor issues or, under certain circumstances, a certified nurse practitioner or clinical nurse specialist. It identifies the person and says that cardiopulmonary resuscitation (CPR) should not be administered to that person. CPR means cardiopulmonary resuscitation or a part of cardiopulmonary resuscitation, but it does not include clearing a person's airway for a purpose other than as part of CPR. For more information see Chapter 8.

Drug tiers: Groups of drugs on our Drug List. Generic, brand, or over-the-counter (OTC) drugs are examples of drug tiers. Every drug on the Drug List is in one of three tiers.

Durable medical equipment (DME): Certain items your doctor orders for use in your own home. Examples of these items are wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, IV infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

Durable power of attorney: A type of advance directive. A durable power of attorney for medical care is different from other types of powers of attorney. It lets you choose someone to carry out your wishes for your medical care. The person acts for you if you cannot act for yourself. This could be for a short or a long period of time. For more information see Chapter 8.

Explanation of benefits: A document that tells you the total amount we have paid for each of your Part D prescription drugs during the month. Chapter 6 gives more information about the Explanation of Benefits and how it can help you keep track of your drug coverage.

Grievance: Any written or verbal expression of dissatisfaction by you or your representative (including a provider authorized in writing to act on your behalf), including complaints, about any matter other than a coverage determination (action) regardless of whether any remedial action can be taken. For more information see Chapter 9.

Hospice: A program of care and support to help people who have a terminal prognosis live comfortably. A terminal prognosis means that a person has a terminal illness and is expected to have six months or less to live. An enrollee who has a terminal prognosis has the right to elect hospice. A specially trained team of professionals and caregivers provide care for the whole person, including physical, emotional, social, and spiritual needs. Aetna Better Health of Ohio must give you a list of hospice providers in your geographic area. See Chapter 4 for more information.

Improper/inappropriate billing: A situation when a provider (such as a doctor or hospital) bills you more than the plan's cost sharing amount for services. Show your Aetna Better Health of Ohio Member ID Card when you get any services or prescriptions. Call Member Services if you get any bills you do not understand.

List of covered drugs: Also called the "Drug List" for short. It tells what prescription drugs are covered by Aetna Better Health of Ohio. The Drug List also tells you if there are any rules or restrictions on any drugs, such as a limit on the amount you can get. See Chapter 1 for more information.

Living will: A type of advance directive. This form lets you to put your wishes about your medical care in writing. You can choose what you would want if you were too sick to make your wishes known. You can say when you would or would not want food and water supplied artificially. For more information see Chapter 8.

Medicaid: A program run by the federal government and the state that helps people with limited incomes and resources pay for long-term services and supports and medical costs. It covers extra services and drugs not covered by Medicare. See Chapter 1 for more information.

Medical emergency: A medical condition with severe pain or serious injury. The condition is so serious that, if it doesn't get immediate medical attention, anyone with an average knowledge of health and medicine could expect it to result in:

- Placing the person's health in serious risk; or
- Serious harm to bodily functions; or
- Serious dysfunction of any bodily organ or part; or in the case of a pregnant woman, an active labor, meaning labor at a time when either of the following would occur:
 - There is not enough time to safely transfer the member to another hospital before delivery.
 - The transfer may pose a threat to the health or safety of the member or unborn child. For more information see Chapter 3.

Medically necessary: Means you need services, supplies or drugs to prevent, diagnose, or treat your medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing home. It also includes the services, supplies, or drugs meet accepted standards of medical practice. See Chapter 3 for more information.

Medicare: The federal health insurance program for people 65 or older, some people under 65 with certain disabilities and people with end-stage renal disease (kidney failure). See Chapter 1 for more information.

Medicare Advantage Plan: A Medicare program, also known as "Medicare Part C" or "MA Plans", that offers plans through private companies. Medicare pays these companies to cover your Medicare benefits.

Medication therapy management (MTM): Programs developed by a team of pharmacists and doctors for people who meet certain requirements for their total covered drug costs, medical conditions they have, and how many different drugs they take. The programs can help be sure our members use the drugs that work best to treat their medical conditions. The programs also help members avoid potential drug-related problems. See Chapter 5 for more information.

MyCare Ohio Ombudsman: The Ohio Department of Aging staff who helps with concerns about any part of your care. Help is available to resolve differences with providers, protect member rights and file complaints or appeals with our plan. The MyCare Ohio Ombudsman works with the Office of the State Long-Term Care Ombudsman, which advocates for consumers receiving long-term services and supports. See Chapter 2 for more information.

Network pharmacies: Pharmacies (drug stores) that have agreed to fill prescriptions for our plan members. Network pharmacies bill us directly for prescriptions you receive. When you use a network pharmacy, you pay nothing for your prescription drugs. See Chapter 6 for more information.

Network providers: Providers who work with our health plan. These providers have agreed to accept our payment as full payment. Network providers bill us directly for care they give you. When you see a network provider, you pay nothing for covered services. The only exception is if you have a patient liability for nursing facility or waiver services. See Chapter 3 for more information.

New medical treatment review: A process in which a team of providers reviews new health care methods. They decide if they should become covered services by talking the following steps:

- Study the purpose of each new treatment
- Review medical studies and reports
- Determine the impact of a new treatment
- Develop guidelines on how and when to use the new treatment

Services and treatments that are being researched and studied are not covered services.

Notice of privacy practices: A written notice that tells you about your rights to get information and to control how your health information is used. It also explains how we protect the privacy of your health information. For more information see Chapter 8.

This section is continued on the next page.

Original Medicare (traditional Medicare or fee-for-service Medicare): Original Medicare is offered by the government. Under Original Medicare, Medicare services are covered by paying doctors, hospitals, and other health care providers amounts that are set by Congress.

- You can see any doctor, hospital, or other health care provider that accepts Medicare.

 Original Medicare has two parts: Part A (hospital insurance) and Part B (medical insurance).
- Original Medicare is available everywhere in the United States.
- If you do not want to be in our plan, you can choose Original Medicare.
- Covered drugs that need our plan's prior authorization are marked in the List of Covered Drugs.

Over-the-counter (OTC) Drugs: Over-the-counter drugs refers to any drug or medicine that a person can buy without a prescription from a health care professional.

Personal health information (also called Protected health information) (PHI): Information about you and your health, such as your name, address, social security number, physician visits and medical history. See Aetna Better Health of Ohio's Notice of Privacy Practices for more information about how Aetna Better Health of Ohio protects, uses, and discloses your PHI, as well as your rights with respect to your PHI.

Prior authorization: Information for some services that your provider must submit information to Aetna Better Health of Ohio and request approval for you to receive the service. See Chapter 4 for more information.

Prosthetics and Orthotics: These are medical devices ordered by your doctor or other health care provider. Covered items include, but are not limited to, arm, back, and neck braces; artificial limbs; artificial eyes; and devices needed to replace an internal body part or function, including ostomy supplies and enteral and parenteral nutrition therapy. See Chapter 3 for more information.

Providers: Doctors, nurses and other people who deliver services and care. The term "providers" also include hospitals, home health agencies, clinics and other places that deliver health care services, medical equipment and long-term services and supports. See Chapter 2 for more information.

Provider and Pharmacy Directory: A document that lists the providers and pharmacies in the Aetna Better Health of Ohio network. See Chapter 1 for more information.

Quantity limits: A limit on the amount of a drug you can have. Limits may be on the amount of the drug that we cover per prescription. See Chapter 5 for more information.

Services: Health care, long-term services and supports, supplies, behavioral health, prescription and over-the-counter drugs, equipment and other services. See Chapter 4 for more information.

Specialist: A doctor who provides health care for a specific disease or part of the body. For more information see Chapter 3.

Total drug costs: The amount of money someone pays for prescriptions, plus the amount the plan pays. See Chapter 6 for more information.

Transition period: A period of time after you enroll in our plan, when you may be able to continue to see your current out-of-network providers. See Chapter 1 for more information.

Urgently needed care: Care you get for a sudden illness, injury, or condition that is not an emergency but needs care right away. For example, you might have a flare-up of an existing condition and need to have it treated. For more information see Chapter 3.

Request for Appeal

You have the right to ask us for an appeal when Aetna Better Health of Ohio denies your request for coverage of, or payment for, an item or service. To request an appeal, you have 60 days from the date of the postmark on the written notice of a decision that was sent to you. You may fill out this form or make your request in writing with the details of what you are appealing and why. Send your written request, or this form by mail or fax:

Address:

Aetna Better Health of Ohio Grievance System Manager PO Box 81139 5801 Postal Road Cleveland, OH 44181 Fax Number: 1-855-883-9555

You may also ask us for an appeal through our website at www.AetnaBetterHealth.com/Ohio. Appeal requests can also be made by phone at 1-855- 364-0974 (TTY: 711) 24 hours a day, 7 days a week. The call is free.

Who May Make a Request: You, or another individual (such as a family member or friend) that you want to act for you can request an appeal. If the appeal comes from someone besides you, your primary care practitioner, or the doctor that requested the service, we must receive your written permission before we can review the appeal. If you want someone to act for you they must be your representative. Contact us to learn how to name a representative.

Important Note: Fast Decisions, also called Expedited Decisions If you or your doctor believe that waiting 7 calendar days for Part D (drug) or 15 calendar days for all other standard decisions could seriously harm your life or health, you can ask for an expedited (fast) decision. If your doctor indicates that waiting the timeframe for a standard decision could seriously harm your life or health, we will automatically give you a fast decision within 72 hours. If you do not obtain your prescriber's support for an expedited appeal, we will decide if your case requires a fast decision. You cannot request an expedited appeal if you are asking for an appeal for medical care or an item you		
already received.
