NEW!: HHS Planning Two Webinars Next Week for Providers on Medicaid Provider Relief Portal and Application Process

HHS will be holding two webinars next week titled, *Getting started with the Provider Relief Fund for Medicaid and CHIP Distribution*. These are to assist providers in understanding how to use the Medicaid provider relief portal and submit applications to the portal. These webinars will be held on:

- Tuesday, June 23, 2:00 p.m. Eastern - [Register Here](#)
- Thursday, June 25, 2:00 p.m. Eastern - [Register Here](#)

Funding Overview:

On June 10, HHS is launching an enhanced Provider Relief Fund Payment Portal that will allow eligible Medicaid and CHIP providers to report their annual patient revenue, which will be used as a factor in determining their Provider Relief Fund payment. The payment to each provider will be at least 2 percent of reported gross revenue from patient care; the final amount each provider receives will be determined after the data is submitted, including information about the number of Medicaid patients providers serve.

To be eligible for this funding, providers must not have received payments from the \$50 billion Provider Relief Fund General Distribution and must have billed their state Medicaid/CHIP programs or managed care plans for healthcare-related services from January 1, 2018 through May 31, 2020.

Other terms and conditions may apply. Please see the HHS announcement at <https://www.hhs.gov/about/news/2020/06/09/hhs-announces-enhanced-provider-portal-relief-fund-payments-for-safety-net-hospitals-medicaid-chip-providers.html>.

- A [set of instructions for providers](#), including a deadline of July 20, 2020 to submit an application.
- The [application form](#); and
